Blood Bound

Can the prey really catch the predator? Or will the predator devour the prey? When Maya, a dark sorceress, discovered an ancient scroll in her search for ultimate power, she kidnapped a lethal Alpha known for his ruthless and brutal ways, an Alpha known to be more beast than man. Alpha Xavier Thaeos, the Southern Cardinal Lord. He ruled over others weaker than him and was considered a living nightmare. He was the Alpha of Alphas. The head honcho. And Maya had succeeded in chaining him to the walls of her keep and bleeding him to activate the scroll's ritual, never realizing that she was walking face first into a trap big enough to bind herself to the cunning Alpha. Permanently. ***This steamy werewolf romance contains explicit love scenes.*** Excerpt: "What is the purpose? Why risk your life and do something so very foolish as to cross me?" the daunting Alpha asked. With a slight lift of her upper lip, the sorceress pulled the silver dagger out of her bag and approached the daunting Alpha. "Someone like you wouldn't understand." "If you don't tell me, how do you know I won't?" he asked swiftly, watching the dark sorceress step into the barrier between safety and chaos. A feral smile emerged on Xavier's lips. His primal urges awakened as the wondrous scent of spring blossoms curled around his senses and teased him with its delicious elements. Maya watched him with sharp eyes, suspicion collecting in the light depths. "First of all, why do you even care?" There was a little pause after her words, as if he were contemplating her question with the utmost consideration. All the while, his citrine-colored eyes stared directly into her own, molten and heated, in such an unbearable way that she had to remove her gaze. Maya hated the way he stared at her. It gave her this insecure feeling of being the lesser of the two, as if he were superior to her and would one day make her pay for her insolence. She loathed the feeling of being the prey when he was the mighty predator. It irked her to no end. "Because you interest me," he said. "You make me want to know more about you." His powerful statement caused goosebumps to litter Maya's skin in sickening amounts. She had to stop herself from heaving in disgust. Her back straightened and her shoulders squared when she stopped but a foot from him, smiling sweetly, angelically up at him with those full pouty lips he wanted to map with his own. Then, she replied to him with a harsh stab of the silver dagger straight through his muscled forearm. "Your interest is rather strange and unnecessary," she replied offhandedly. "And I would prefer you keep it to yourself, or I will do it for you." Maya heatedly watched as crimson blossomed on his skin and collected in the copper chalice she had conjured. The first few drops pitter-pattered in her cup, dancing a light rhythm, until she twisted the dagger sharply and caused blood to gush down and fill the cup. "Don't forget, Alpha, you are my prisoner. Cooperate and I will let you go. Retaliate and I will let you rot within the very depths of hell," she threatened, crudely removing the dagger before digging it back into his arm to state how serious she was. "Mark. My. Words." In response to her violent caution, mirth filled his eyes instead of fear, anger, or pain. Let him go? He smirked at the quixotic thought. She would not be able to. Reviews What the readers are saying about this book: "The story line is truly captivating and absolutely thrilling. I love the fact that the main [character] is not some naive girl who knows nothing. She has character." "This story is soo good! I enjoy how Maya isn't the usual goody two shoes. She's cunning and she's not afraid to do everything to save her mother regardless of the repercussions...She's so badasssss and maaan, I just love it! It is easily one of the most original plots I have read so far." "This book is just like quicksand. You come here, knowing nothing, and when

you realize it's got a hold of you, it's too late, you're addicted, just like the rest of us... This book is so fabulous. Best book ever!" I would recommend this book to anyone that enjoys a good read..." "The suspense is perfect. The chemistry between them is off the charts and they haven't even properly bonded yet. They both are driven, which makes dynamics of their soon to be relationship interesting. Who will bend and how will they make it work? So far this book has captured my imagination right from the first chapter. Great writing. Thank you. I have no doubt that with your writing talents you shall be an established author in no time." "I can vividly picture the story in my mind. The author is truly talented at bringing the characters setting and scenes to life! I'm aroused and excited at every chapter, even in waiting!" "This story just began and I'm already craving it like a drug...I'm even writing a review, when it is something that I NEVER do! Before reading, you just need to know that it is dark, so if it is something you don't like, this story is not for you. But if you could care less, and you love romance, hot werewolf dominant men, and strong women, this story is just for you! The plot is marvelous and for those like me who read thousand of werewolf's stories, its originality is like fresh wind..." "This story is far from the cliché werewolf stories out there. I've only read the first few but it has me hooked! The writer is so descriptive that I can picture everything in my mind. This story is a must read for anyone who loves a little mystery with their romance." "Really, really, reeeeeally great story!! It's definitely a 10/10!!"

Romeo & Juliet

Fate is a four-letter word. I know mine well. As the only female shifter in a generation, I had my pick of Alpha wolves. Each of them strong. Honorable. Suitable mates that would ensure my family's hold on Wild Lake for decades to come. My noble duty. But I have a secret. My unforgivable sin. I am not who they think I am. My needs are much more wicked. Only one man ever knew the truth. I knew him only as X. The most powerful Alpha wolf I've ever known. My tormentor. My brother's rival. My father's enemy. Though I had no choice, killing him wasn't enough to drive him from my heart. He still makes me bend for him in my dreams. My dark cravings have only gotten stronger with time. Now, my past has caught up with me. My brother has gone missing in the ruins of Chicago. To find the men who took him, I'll have to call forth the darkest parts of myself. Dance with the devil who wants to claim me. Sometimes, deep in the night, I want him to. Except I have one last secret. My name is Tempest. And I am the storm. Note: If you like your wolf shifter dudes hot, tortured, angsty, scarred, and ready to rip

Lone Wolf's Claim

New York Times and USA Today best-selling author Cynthia Eden continues her "Bound" paranormal romance series with...BOUND IN DEATH. She can't remember him... He can never forget her. For over two hundred years, alpha werewolf Alerac O'Neill has been searching for his mate, Keira McDonough, a woman who was taken from him and imprisoned by a dark vampire master. He's hunted for her, endlessly, using vampire blood to extend his life. He has become a vicious predator, feared by all the supernaturals. His hold on reality seems to slip more each day because he is consumed by her. Only...the woman he discovers in a small Miami bar isn't the Keira that he remembers. In fact, this woman doesn't remember anything. She calls herself Jane Smith, and she has no memory at all of Alerac—or of her own past. Now that she's been found, Alerac knows that his enemies are going to start closing in on her. Jane may try to act human, but she's not. She's a pureblood vampire princess, incredibly powerful and incredibly valuable. His enemies want to use her, her enemies want to destroy her, and Alerac—he just wants her. If he can't make her remember him, then Alerac has to seduce Jane into loving him once again. Because now that he's found her, he'll fight hell—and every sadistic vampire that stalks the night—in order to keep her safe at his side. Some bonds go deeper than the flesh. Some go beyond life. Beyond death. Jane will soon learn that a werewolf's claiming...is forever. Author's Note: BOUND IN DEATH is a dark and sensual paranormal romance.
