How Can I Forgive You?

"If you are struggling with issues of betrayal—or the challenge of whether and how to forgive—here is the most helpful and surprising book you will ever find on the subject."—Harriet Lerner, Ph.D., author of *The Dance of Anger* Everyone is struggling to forgive someone: an unfaithful partner, an alcoholic parent, an ungrateful child, a terrorist. This award-winning book provides a radical way for hurt parties to heal themselves—without forgiving, as well as a way for offenders to earn genuine forgiveness. Until now, we've been taught that forgiveness is good for us and that good people forgive. Dr. Janis Abrahms Spring, a gifted clinical psychologist and award-winning author of *After the Affair*, proposes a radical, life-affirming alternative that lets us overcome the corrosive effects of hate and get on with our lives—without forgiving. She also offers a powerful and unconventional model for earning genuine forgiveness—one that asks as much of the offender as it does of the hurt party. Beautifully written and filled with insight, practical advice, and poignant case studies, this bold and healing book offers step-by-step, concrete instructions that help us make peace with others and ourselves, while answering such crucial questions as these: How do I forgive someone who is unremorseful or dead? When is forgiveness cheap? Can I heal myself – without forgiving? How can the offender earn forgiveness? What makes for a good apology? How do we forgive ourselves for hurting another human being?

How Can I Forgive You?

A thousand years have passed since the Sunspear, an ancient weapon forged by the Gods, was lost to the sight of men in the last great battle of the Raven Wars. Now, the Dark God again reaches out

from the Land of Eternal shadow to touch the world with his evil. The Goddess Danu gives Ciaran, a young Celtae warrior powerful in the Psi, the vast psionic power of the subconscious mind, the quest of finding the Sunspear. If he fails, the Dark God's Long Night will fall over the world forever. The quest leads him ever deeper into the Forbidden Lands, perilous realm of the Shadow, where he is pursued by the Dark God's evil Ring Lords, who also search for the Sunspear. The Ring Lords, however, are not Ciarán's only worry. The Dark God sends one of his First Born, a Shaádhul mind-slayer, into the world to capture him and bring him to the Stone of Tears where he will either accept the Dark God as his Master or be cast into the Well of Souls. As he strives to elude the Shadow Lord's hunters, Ciarán must confront his forbidden love of Danu's tiny priestess, RILLSONG. He is further assailed with guilt over his infatuation with the beautiful Shadow Druidess, ISÉNGÁEL who captures his beloved foster sister KIARA and gives her to the Ring Lords. In the Valley of the Gods, he rescues Iséngáel and her half-Elven Ahati warriors from the deadly, Halfsouled Draugr. Joining forces, they fight their way through hordes of the near-immortal beings to reach the lost city of Gorias where Ciarán claims the Sunspear. Using the ancient weapon's god-like power, he destroys the Ring Lords' army that pursued him to Gorias, killing thousands of warriors, and laughing as their dying screams fill his ears. Only then does he realize that the greatest evil he has to overcome is not the Dark God, but the darkness that dwells within him. He must both learn to use the enormous power of the Sunspear wisely and keep his Darksoul at bay. If it gains control, he will become a creature of shadow, a Soultaken.

Forgive Me Not

Having been robbed of the kind of normal childhood that many children take for granted, I have majored in the details of life, both good and bad, and that has made me who I am. Staying five years in a hospital because of a devastating attack of polio took me away from my family and from the father of my youth. When I returned home at the age of six, I started getting attached to my father. At the age of ten, after additional corrective surgery, my father left our lives. Those formative years without him caused my life to go into a massive, deadly spiral toward all things bad. I was confused, lonely, and sometimes depressed. My hatred for him grew almost daily. I learned to steal because I was hungry. We received no support from him. The man who had left us began another family and never even tried to contact me. This drove me toward having a hatred for him that I wanted everyone to know. Stealing became easy. I started doing it for other reasons, such as to gain the acceptance of my peers. After losing interest in school and while trying to pull through the common nightmares that would wake me, I was rescued when God began to speak to my heart in various ways. I ignored that help until finally, at fifteen years old, I couldn't push that voice away any longer. I surrendered my heart to Christ. Although I had been forgiven, I had not been faced with forgiving the man who had destroyed me. The years went by, and the inevitable happened. I accidentally met him. It was my daddy. After a verbal fight, I was told that I was never allowed to see him again-even in death. After I became a husband, a father, and a pastor, I realized that I had to forgive the man who had divorced me when I was a child and penalized me when I was a young man and was privately waiting for me to reach him. Being faced with the opportunity to seek him out, reach him in love, and forgive him, I did just that. The opportunity to be reunited with this man wasn't easy, but I did just that. I met him, forgave him, and spent many wonderful days over the next few years with him. He left me when I was at my most vulnerable, but I came into his life when he was at his most vulnerable too. The past now being dead to both of us, I fell in love with him with a love that I never even dreamed was possible. Being called to be with him, I made the choice to make up for the time that we had both lost. The previous dead, dark, lonely years were erased and replaced with months of laughter, father-son talks, visits, phone calls, and opportunities to say "I love you." I was barely away from his bedside when they called and told me he had died. I had not just lost my newfound friend; I had lost my daddy. I will never get over that.
