READY TO TEACH

The curse of premonition follows Faye Lithyer, forcing her to witness death-over and over again. When Faye moves in with her grandmother in Astoria, Oregon, her visions grow stronger. Faye watches a new friend fall victim to a murder in the not-so-distant future and becomes obsessed with preventing it from happening. However, Faye's insecurity has her undecided whether she should tell her friend about their impending death or hunt down the murderer before it's too late. Faye will be faced with an epic choice that threatens to expose her abilities. Will she choose to save her friend from a monster or risk becoming one herself?

CISSP Practice Exams, Third Edition

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty,

practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

Ask a Manager

The last works of Randy Glasbergen were found in his office as the family were sorting through items on his desk after his unexpected passing in 2015. The contents of this book are a compilation of new cartoons in just about every topic Randy wrote and drew about. Randy's intention was to add these cartoons to his extensive online cartoon catalog. Rather than adding these cartoons to the catalog, the family decided to release them in book form as a tribute to his legacy in cartooning.

Glasbergen Cartoons

High school senior Leah Jones loves nothing more than flying. While she's in the air, it's easy to forget life with her absentee mother at the low-rent end of a South Carolina beach town. So when her flight instructor, Mr Hall, hires her to fly for his banner advertising business, she sees it as her ticket out of the trailer park. Then Mr Hall dies suddenly leaving his teenage sons, golden boy Alec and adrenaline junkie Grayson, in charge of running the business. The two brothers have always made their hostility towards her clear so she's sure that her dreams of being a pilot are over... So when Grayson makes it clear that he wants her to stay working for him, Leah doesn't understand why. She's crushed on him for years, but always known he's out of her league... isn't he? As the summer rolls on and they spend more time together the spark between them grows, but with Alec's feelings starting to change too, suddenly things become a whole lot more complicated. Now Leah finds herself drawn into a battle between brothers - a battle that could have very serious consequences for all of them...

Such A Rush

Chest X-rays for Medical Students is a unique teaching and learning resource that offers students, junior doctors, trainee radiologists, nurses, physiotherapists and nurse practitioners a basic understanding of the principles of chest radiology. Provides a memorable way to analyze and present chest radiographs – the unique 'ABCDE' system as developed by the authors Explains how to recognize basic radiological signs, pathology and patterns associated with common medical conditions as seen on plain PA and AP chest radiographs Presents each radiograph twice, side by side - once as would be seen in a clinical setting and again with the pathology clearly highlighted Includes a section of self-assessment and presentation exercises to test knowledge and presentation technique Ideal for study and clinical reference, this book will be the ideal companion for any medical student, junior doctor or trainee radiographer.

Haunted Liverpool 13

OphthoBook is the printed version of the amazing OphthoBook.com online book and video series. The combination of this text, along with the online video lectures, creates the most informative and easy-to-understand ophthalmology review ever written. It is geared toward medical students, optometry students, and non-ophthalmologists who want to learn more about the eye without getting bogged down with mindless detail. The book is broken down into ten chapters: 1. Eye History 2. Anatomy 3. Glaucoma 4. Retina 5. Infection 6. Neuroophthalmology 7. Pediatric Ophthalmology 8. Trauma 9. Optics 10. Lens and Cataract Each chapter also includes "pimp questions" you might be asked in a clinic. Also, an entire chapter of ophthalmology board-review questions, flashcards, and eye abbreviations. Perhaps most useful, each chapter corresponds to the 20-minute video lectures viewable at OphthoBook.com. And lots of fun cartoons!

Chest X-rays for Medical Students

Full-length practice tests covering all CISSP domains for the ultimate in exam prep The CISSP Official (ISC)2 Practice Tests is a major resource for CISSP candidates, providing 1300 unique practice

questions. The first part of the book provides 100 questions per domain so you can practice on any domains you know you need to brush up on. After that, you get two unique 250-question practice exams to help you master the material and practice simulated exam taking well in advance of the exam. The two practice exams cover all exam domains, and are included in identical proportion to the exam itself to help you gauge the relative importance of each topic covered. As the only official practice tests endorsed by the (ISC)2, this book gives you the advantage of full and complete preparation: coverage includes Security and Risk Management; Asset Security; Security Engineering; Communication and Network Security; Identity and Access Management; Security Assessment and Testing; Security Operations; and Software Development Security. These practice tests align with the 2015 version of the exam to ensure up-to-date preparation, and are designed to simulate what you'll see on exam day. The CISSP credential signifies a body of knowledge and a set of guaranteed skills that put you in demand in the marketplace. This book is your ticket to achieving this prestigious certification, by helping you test what you know against what you need to know. Align your preparation with the 2015 CISSP Body of Knowledge Test your knowledge of all exam domains Identify areas in need of further study Gauge your progress throughout your exam preparation The Certified Information Systems Security Professional exam is refreshed every few years to ensure that candidates are up-to-date on the latest security topics and trends. Currently-aligned preparation resources are critical, and periodic practice tests are one of the best ways to truly measure your level of understanding. The CISSP Official (ISC)2 Practice Tests is your secret weapon for success, and the ideal preparation tool for the savvy CISSP candidate.

OphthoBook

An uplifting, surprising family story with a devastating secret at its heart 'It was original, beautiful, moving and insanely addictive - I wept and I laughed and I will be recommending it to everyone I know.' Katie Marsh When Rachel and Aidan fell in love, they thought it was forever. She was a brilliant, high-flying scientist. He was her loving and supportive husband. Now she's gone, and Aidan must carry on and raise their daughter alone. But Rachel has left behind her life's work, a gift of love to see them through the dark days after her death... A surprising and emotional story starring an unforgettable heroine, for fans of Together, The Summer of Impossible Things and The Time Traveller's Wife Your favourite authors can't stop talking about THE AFTER WIFE: "I found The After Wife thought-provoking, compelling and strangely real - I loved it. And it kept me reading into the early hours several nights in row!" Isabel Ashdown "The healing power of love transcends death - This was such a beautifully written, emotionally compelling book. I loved it." Rachael Lucas "Absorbing, moving and insightful." Ann Morgan "A wonderful, moving novel about family, love, and loss - and how, we can often find in the past what we need in the present. I adored this book - it's fresh, beautiful, profound and at times funny, it made me cry, but also made me smile." Sue Watson "An original moving story about what it means to be human... and what it means to truly love. All the feels!" Tracy Buchanan WHY READERS ARE GIVING THE AFTER WIFE FIVE STARS: 'Grab a box of tissues because this beautiful story will make you cry' Amazon reviewer, 5 stars 'I laughed, cried and enjoyed every page. When is the sequel out?' - Amazon Reviewer, 5* 'A proper tear jerker. One of those books that lingers long after you've read it.' - Amazon Reviewer, 5* 'This is a powerful and moving book but also a real page-turner.' - Amazon Reviewer, 5* 'It's at once funny, pacy and very moving. Have some tissues ready...' - Amazon Reviewer, 5*

CISSP Official (ISC)2 Practice Tests

From Wall Street Journal bestseller Parker S. Huntington comes a broken love story laced with angst and forbidden romance. I wasn't supposed to be on that roof on Valentine's Day. Neither was Kellan Marchetti, the school's designated freak. We met on the verge of ending our lives. Somehow, the tattered strings of our tragedies tangled and tightened into an unlikely bond. We decided not to take the plunge and agreed to check on each other every Valentine's Day until school ended. Same time. One roof. Two restless souls. We kept our promise for three years. On the fourth, Kellan made a decision, and I was left to deal with the consequences. Just when I thought our story ended, another one began. They say all love stories look the same and taste different. Mine was venomous, disgraceful, and written in scarlet scars. My name is Charlotte Richards, but you can call me Venom.

The After Wife

It isn't easy being a teenage pharaoh, having to deal with assassins, sphinxes, mad high priests, gods, sacred crocodiles and marching mummies. And all you really want is the chance to do something for young people and the inner cities.

Darling Venom

This OCP Oracle Certified Professional Java SE 11 Programmer I Study Guide: Exam 1Z0-815 and the Programmer II Study Guide: Exam 1Z0-816 were published before Oracle announced major changes to its OCP certification program and the release of the new Developer 1Z0-819 exam. Pyramids

This is a collection of scripts from Catherine Tate's sketch show, which features an eclectic collection of comedy creations. From Cockney Nan to the rather outspoken schoolgirl, Lauren, Tate's characters are all the more funny because they remind us of people in everyday life.

OCP Oracle Certified Professional Java SE 11 Programmer II Study Guide

A talented young hacker. A desperate artificial intelligence. The fate of two worlds. Sixteen-year-old Jaffrey Pewitt holds a life-threatening secret. A genetic outcast, the brilliant teen's academy scores have earned him a position patrolling the mainframe and eliminating rogue program code -- a job prohibited to those with his DNA. And when he encounters an illegal AI, she threatens to expose his true identity if he doesn't help her community survive. Torn between loyalty to his people and protecting himself, Jaffrey walks a knife's edge in a play for more time. But when his superiors upload a massive virtual war machine that causes a lethal power surge, the cost in digital and human lives convinces him that the future of both species may be doomed. Can Jaffrey choose the right side before it's too late? *Shadow Status* is an explosive standalone YA cyberpunk novel for readers who like clever heroes, intricate puzzles, and deep moral quandaries. A Booklife Editor's Pick.

Am I Bovered?

A skilled painter must stand up to the ancient power of the faerie courts--even as she falls in love with a faerie prince--in this gorgeous debut novel. 6 x 9.

Shadow Status

"This book offers a short, spirited defense of rhetoric and the liberal arts as catalysts for precision, invention, and empathy in today's world. The author, a professor of Shakespeare studies at a liberal arts college and a parent of school-age children, argues that high-stakes testing and a culture of assessment have altered how and what students are taught, as courses across the arts, humanities, and sciences increasingly are set aside to make room for joyless, mechanical reading and math instruction. Students have been robbed of a complete education, their imaginations stunted by this myopic focus on bare literacy and numeracy. Education is about thinking, Newstok argues, rather than the mastery of a set of rigidly defined skills, and the seemingly rigid pedagogy of the English Renaissance produced some of the most compelling and influential examples of liberated thinking. Each of the fourteen chapters explores an essential element of Shakespeare's world and work, aligns it with the ideas of other thinkers and writers in modern times, and suggests opportunities for further reading. Chapters on craft, technology, attention, freedom, and related topics combine past and present ideas about education to build a case for the value of the past, the pleasure of thinking, and the limitations of modern educational practices and prejudices"--

An Enchantment of Ravens

Alexander Sheldon likes order and control in his life. He isn't happy when his girlfriend invites another guy for a threesome. Alexander believes in monogamy, and he's never been good at sharing his things. It doesn't help that Christian rubs him the wrong way from the beginning. But what starts as animosity turns into something else. Something unexpected and very wrong. He was never supposed to touch Christian. He was never supposed to feel possessive of the guy. And he most definitely wasn't supposed to want Christian more than he wants his girlfriend. It's a recipe for disaster.

How to Think Like Shakespeare

This New York Times Book Review Editors' Choice, is "hilarious . . . a riotous success. Equal parts campus novel, buddy comedy and meditation on art-making under late capitalism, the novel is a hugely funny portrait of an egomaniac and his nebbish best friend" (The Washington Post). It's the end of summer 2003. George W. Bush has recently declared the mission in Iraq accomplished, the unemployment rate is at its highest in years, and Martha Stewart has just been indicted for insider trading. Meanwhile, somewhere in the Midwest, Troy Augustus Loudermilk (fair-haired, statuesque, charismatic) and his companion Harry Rego (definitely none of those things) step out of a silver Land Cruiser and onto the campus of The Seminars, America's most prestigious creative writing program, to which Loudermilk has recently been accepted for his excellence in poetry. Loudermilk, however, has never written a poem in his life. Wickedly entertaining, beguiling, layered, and sly, Loudermilk is a social novel for our time: a comedy of errors that deftly examines class, gender, and inheritance, and subverts our pieties about literature, authorship, art making, and the institutions that sustain them.

Just a Bit Obsessed

Bill Veeck was an inspired team builder, a consummate showman, and one of the greatest baseball men ever involved in the game. His classic autobiography, written with the talented sportswriter Ed Linn, is an uproarious book packed with information about the history of baseball and tales of players and owners, including some of the most entertaining stories in all of sports literature.

Desktop Boxing

Harriet Manners is a model but she feels even less popular and more awkward than she did when she was just a geek. So a summer modeling job in Japan sounds like the perfect vacation, even if she has to bring along her crazy grandma Buntz, and even if

Chamber Concise Dictionary

A people cowed by grief and darkness. A cut-throat race for power and victory. A girl with nothing and everything to lose...

Veeck As In Wreck

On the Mueda plateau in northern Mozambique, sorcerers are said to feed on their victims, sometimes "making" lions or transforming into lions to literally devour their flesh. When the ruling FRELIMO party subscribed to socialism, it condemned sorcery beliefs and counter-sorcery practices as false consciousness, but since undertaking neoliberal reform, the party—still in power after three electoral cycles—has "tolerated tradition," leaving villagers to interpret and engage with events in the idiom of sorcery. Now, when the lions prowl plateau villages, suspected sorcerers are often lynched. In this historical ethnography of sorcery, Harry G. West draws on a decade of fieldwork and combines the perspectives of anthropology and political science to reveal how Muedans expect responsible authorities to monitor the invisible realm of sorcery and to overturn or, as Muedans call it, "kupilikula" sorcerers' destructive attacks by practicing a constructive form of counter-sorcery themselves. Kupilikula argues that, where neoliberal policies have fostered social division rather than security and prosperity, Muedans have, in fact, used sorcery discourse to assess and sometimes overturn reforms, advancing alternative visions of a world transformed.

Model Misfit

'A funny, realistic teen crime caper. This book sings.' Jesse Andrews, author of *ME AND EARL AND THE DYING GIRL* (praise for *TROUBLE IS A FRIEND OF MINE*) A brilliantly funny romantic comedy - with infectious characters, wry humour, and breakneck dialogue, this sequel to *Trouble is a Friend of Mine* is perfect for fans of John Green, Jesse Andrews and Ally Carter. After a fall semester of fiascos: getting arrested, then kidnapped, then blown up in an explosion (all thanks to the weird, but brilliant Philip Digby), Zoe Webster is looking forward to a quiet spring. Now that Digby has left town, she's finally built a regular high school life for herself. She's dating Miles; she knows girls she considers friends; she's learning to enjoy being normal and semi-popular. Which of course is when Digby comes back: He's got a new lead on his missing sister and he needs Zoe's help. Suddenly Zoe is tussling with a billionaire archvillain, locking horns with armed goons, and digging into what makes the Digby family tick, even as she tries to navigate the confusing and emotionally fraught world of high school politics and locker-room drama. After all, it's hard to explain Digby to a boy like Miles, especially when Zoe isn't sure how she feels about Digby herself - or how he feels about her. Now that Digby's back, get ready for another hilarious whodunit filled with razorsharp dialogue, ridiculously funny action, and the most charismatic, dynamic duo you've ever met. And just try to stay out of trouble. We dare you.

State of Sorrow

Six thousand years. Sixty languages. One "brisk and breezy" whirlwind armchair tour of Europe "bulg[ing] with linguistic trivia" (*The Wall Street Journal*). Take a trip of the tongue across the continent in this fascinating, hilarious and highly edifying exploration of the many ways and whys of Euro-speaks—its idiosyncrasies, its histories, commonalities, and differences. Most European languages are descended from a single ancestor, a language not unlike Sanskrit known as Proto-Indo-European (or PIE for short), but the continent's ever-changing borders and cultures have given rise to a linguistic and cultural diversity that is too often forgotten in discussions of Europe as a political entity. Lingo takes us into today's remote mountain villages of Switzerland, where Romansh is still the *lingua franca*, to formerly Soviet Belarus, a country whose language was Russified by the Bolsheviks, to Sweden, where up until the 1960s polite speaking conventions required that one never use the word "you." "In this bubbly linguistic endeavor, journalist and polyglot Dorren thoughtfully walks readers through the weird evolution of languages" (*Publishers Weekly*), and not just the usual suspects—French, German, Yiddish, Irish, and Spanish. Here, too are the esoteric—Manx, Ossetian, Esperanto, Gagauz, and Sami, and that global headache called English. In its sixty bite-sized chapters, Dorret offers quirky and hilarious tidbits of illuminating facts, and also dispels long-held lingual misconceptions (no, Eskimos do not have 100 words for snow). Guaranteed to change the way you think about language, Lingo is a "lively and insightful . . . unique, page-turning book" (*Minneapolis Star Tribune*).

Kupilikula

The school-wide physical exam has thrown the members of the Host Club for a loop. How can the doctor not discover that Haruhi is a girl?! And once the female customers learn the truth, Haruhi can kiss her

job goodbye. But then life at the club will be unbearably boring if she leaves! So the guys wrack their brains for a solution.... -- VIZ Media

Trouble Makes a Comeback

*** #1 NEW YORK TIMES BESTSELLER * #1 INTERNATIONAL BESTSELLER * MORE THAN 2 MILLION COPIES SOLD!** A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

Lingo

A laugh-out-loud romantic comedy, perfect for summer! 'In thirty-four days, it will have been exactly two years to the day since I've had sex.'

Ouran High School Host Club, Vol. 2

The hilarious instant New York Times bestseller, *The Hunger Pains* is a loving parody of the dystopian YA novel and film, *The Hunger Games*. Winning means wealth, fame, and a life of therapy losing means death, but also fame! This is *The Hunger Pains*. When Kantkiss Neverclean replaces her sister as a contestant on the Hunger Games—the second-highest-rated reality TV show in Peaceland, behind *Extreme Home Makeover*—she has no idea what to expect. Having lived her entire life in the telemarketing district's worst neighborhood, the Crack, Kantkiss feels unprepared to fight to the death while simultaneously winking and looking adorable for the cameras. But when her survival rests on choosing between the dreamy hunk from home, Carol Handsomestein, or the doughy klutz, Pita Malarkey, Kantkiss discovers that the toughest conflicts may not be found on the battlefield but in her own heart . . . which is unfortunately on a battlefield.

I'm Glad My Mom Died

Comprehensive medical imaging physics notes aimed at those sitting the first FRCR physics exam in the UK and covering the scope of the Royal College of Radiologists syllabus. Written by Radiologists, the notes are concise and clearly organised with 100's of beautiful diagrams to aid understanding. The notes cover all of radiology physics, including basic science, x-ray imaging, CT, ultrasound, MRI, molecular imaging, and radiation dosimetry, protection and legislation. Although aimed at UK radiology trainees, it is also suitable for international residents taking similar examinations, postgraduate medical physics students and radiographers. The notes provide an excellent overview for anyone interested in the physics of radiology or just refreshing their knowledge. This third edition includes updates to reflect new legislation and many new illustrations, added sections, and removal of content no longer relevant to the FRCR physics exam. This edition has gone through strict critique and evaluation by physicists and other specialists to provide an accurate, understandable and up-to-date resource. The book summarises and pulls together content from the FRCR Physics Notes at Radiology Cafe and delivers it as a paperback or eBook for you to keep and read anytime. There are 7 main chapters, which are further subdivided into 60 sub-chapters so topics are easy to find. There is a comprehensive appendix and index at the back of the book.

The Awkward Path To Getting Lucky

"I have no doubt this will end up being the best fantasy debut of the year [...] I have absolutely no doubt that [Kuang's] name will be up there with the likes of Robin Hobb and N.K. Jemisin." -- Booknest A Library Journal, Paste Magazine, Vulture, BookBub, and ENTROPY Best Books pick! Washington Post "5 Best Science Fiction and Fantasy Novel" pick! A Bustle "30 Best Fiction Books" pick! A brilliantly imaginative talent makes her exciting debut with this epic historical military fantasy, inspired by the bloody history of China's twentieth century and filled with treachery and magic, in the tradition of Ken Liu's *Grace of Kings* and N.K. Jemisin's *Inheritance Trilogy*. When Rin aced the Keju—the Empire-wide test to find the most talented youth to learn at the Academies—it was a shock to everyone: to the test officials, who couldn't believe a war orphan from Rooster Province could pass without cheating; to Rin's guardians, who believed they'd finally be able to marry her off and further their criminal enterprise; and to Rin herself, who realized she was finally free of the servitude and despair that had made up her daily existence. That she got into Sinegard—the most elite military school in Nikan—was even more surprising. But surprises aren't always good. Because being a dark-skinned peasant girl from the south is not an easy thing at Sinegard. Targeted from the outset by rival classmates for her color, poverty, and gender, Rin discovers she possesses a lethal, unearthly power—an aptitude for the nearly-mythical art of shamanism. Exploring the depths of her gift with the help of a seemingly insane teacher and psychoactive substances, Rin learns that gods long thought dead are very much alive—and that mastering control over those powers could mean more than just surviving school. For while the Nikara Empire is at peace, the Federation of Mugen still lurks across a narrow sea. The militarily advanced Federation occupied Nikan for decades after the First Poppy War, and only barely lost the continent in the Second. And while most of the people are complacent to go about their lives, a few are aware that a Third Poppy War is just a spark away . . . Rin's shamanic powers may be the only way to save her people. But as she finds out more about the god that has chosen her, the vengeful Phoenix, she fears that winning the war may cost her humanity . . . and that it may already be too late.

The Hunger Pains

Myfanwy Thomas awakens in a London park surrounded by dead bodies. With her memory gone, she must trust the instructions left by her former in order to survive. She quickly learns that she is a Rook, a high-level operative in a secret agency that protects the world from supernatural threats. But there is a mole inside the organization, and this person wants her dead. Battling to save herself, Myfanwy will encounter a person with four bodies, a woman who can enter her dreams, children transformed into deadly fighters, and terrifyingly vast conspiracy. Suspenseful and hilarious, *The Rook* is an outrageously imaginative thriller for readers who like their espionage with a dollop of purple slime. "Utterly convincing and engrossing -- -totally thought-through and frequently hilarious....Even this aging, jaded, attention-deficit-disordered critic was blown away."-Lev Grossman, *Time*
