Grammar Girl Presents the Ultimate Writing Guide for Students

Named to the International Reading Association's 2012 Teachers' Choice book list Grammar Girl Presents the Ultimate Writing Guide for Students is a complete and comprehensive guide to all things grammar from Grammar Girl, a.k.a. Mignon Fogarty, whose popular podcasts have been downloaded over twenty million times and whose first book, Grammar Girl's Quick and Dirty Tips for Better Writing, was a New York Times bestseller. For beginners to more advanced students, this guide covers it all: the parts of speech, sentences, and punctuation are all explained clearly and concisely with the warmth, wit, and accessibility Grammar Girl is known for. Pop quizzes are scattered throughout to reinforce the explanations, as well as Grammar Girl's trademark Quick and Dirty Tips—easy and fun memory tricks to help with those challenging rules. Complete with a writing style chapter and a guide to the different kinds of writing—everything from school papers to letter writing to e-mails—this guide is sure to become the one-stop, essential book on every student's desk.

Grammar Girl's Quick and Dirty Tips for Better Writing

Online sensation Grammar Girl makes grammar fun and easy in this New York Times bestseller Are you stumped by split infinitives? Terrified of using "who" when a "whom" is called for? Do you avoid the words "affect" and "effect" altogether? Grammar Girl is here to help! Mignon Fogarty, a.k.a. Grammar Girl, is determined to wipe out bad grammar—but she's also determined to make the process as painless as possible. A couple of years ago, she created a weekly podcast to tackle some of the most common mistakes people make while communicating. The podcasts have now been downloaded more than twenty million times, and Mignon has dispensed grammar tips on Oprah and appeared on the pages of The New York Times, The Wall Street Journal, and USA Today. Written with the wit, warmth, and

accessibility that the podcasts are known for, Grammar Girl's Quick and Dirty Tips for Better Writing covers the grammar rules and word-choice guidelines that can confound even the best writers. From "between vs. among" and "although vs. while" to comma splices and misplaced modifiers, Mignon offers memory tricks and clear explanations that will help readers recall and apply those troublesome grammar rules. Chock-full of tips on style, business writing, and effective e-mailing, Grammar Girl's print debut deserves a spot on every communicator's desk.

Improve Your English F*a*S*T

Taking their English skills up a level or two is a problem for many EFL/ESL learners. While they desperately need to improve, many feel they don't have the time, the opportunity or the confidence. Drawing on my 20+ years of teaching experience in Greece and my own efforts to learn a foreign language, I know that where there's a will there's a way. Using the power of the Internet, learners can connect with native speakers, other English learners and use a wide variety of modern tools (apps, software, and videos) to help them improve all their English skills: speaking, listening, vocabulary, grammar, reading and writing. These skills are all important in order to communicate in English. Similar to getting in shape, you can't isolate just one body part and work only on that area. Memorizing lists of vocabulary words won't be helpful if you can't use them in a sentence; just as learning grammar rules by heart won't necessarily help your listening or reading skills. Becoming fluent or even just being able to use a language well requires a combination of skills and knowledge. This book offers dozens of tips and recommendations that come from over 20 years of classroom and one-on-one tutoring experience with students of all ages, abilities and levels.

The Lost Diamonds of Killiecrankie

A story of a lost treasure found and lost again along with a greater loss, of life and peace of mind.

Words for the Wise

We are excited to share with you The Anthology of Amaz-ing Grammar, Writing, and Vocabulary Tips for People Who Are Short on Time-and Short on Patience! This book is a compilation of our most popular grammar, writing, and vocabulary guide-lines chosen from our twenty-five years of conducting grammar and writing workshops to thousands of people throughout the United States and Mexico. In creating this three-part anthology, our goal was to offer both beginning and seasoned writers a resource for finding correct solutions to their writing challenges quickly and clearly. We also wanted to show these writers how to improve and enhance all of their writing (whether for per-sonal, academic, or professional purposes) with correct punctuation, proper language usage, and the most rele-vant word choice for different situations. We aimed to make this anthology of grammar, writing, and vocabulary tips to be the easiest, simplest, and clear-est way to share our language skills expertise with any busy writer. So, no matter what your background or writing skills level is, our anthology is guaranteed to give you the ideas, solutions, answers, and suggestions you need quick-ly to ensure all of your writing is polished and proficient. We assure you this is not just another lengthy-and te-dious-anthology of writing concepts, and rules. It's an en-ergizing anthology of vital information you need to im-prove your standing as a writer in your job or as a student or as a personal correspondent. The Anthology of Amazing Grammar, Writing, and Vocabulary Tips for People Who Are Short on Time-and Short on Patience, book is chockfull of current writing guidelines and tech-niques to enrich everything you write so you won't waste your time, money, or effort! And, by adopting any or all of these guidelines and techniques, you are sure to produce writing that leaves a lasting impression with every sen-tence you compose. There are many helpful and authoritative books on the market today to improve your grammar, writing, and vo-cabulary skills. But this practical anthology-with its three very concise, yet timely and informative, sections on punc-tuation pointers, language usage strategies, and words for the wise is certain to provide you with the essential infor-mation writing you need to make all of your writing out-standing, especially when your short on time and short on patience!

How to Learn Any Language in a Few Months While Enjoying Yourself

How to Learn a New Language in as Little as a Few Months – and Have a Boatload of Fun Doing It Let me make a prediction. I predict that many, many hundreds of people who will read this description will close this page in a few seconds. “Learn a new language in a few months? Are you out of your mind?” they'll say. “It's just too good to be true.” And they will go back to their old language learning methods. You know which methods: toiling away at mind-numbing grammar exercises, learning words nobody uses, and, most importantly, never actually using your skills to communicate with another person. If you're still with me, I expect you to be different. You think there must be something better. After all, how could people master more than one foreign language in their lives if it usually takes a regular person several years just to learn the basics? The answer is simple – in one way or another, they follow the methods I share in How to Learn Any Language in a Few Months While Enjoying Yourself. They not only learn up to ten times faster than other people, they also have a lot of fun while doing it. How to Learn Any Language in a Few Months While Enjoying Yourself is for you if you want to learn: - without this one thing, you'll never learn a new language in just a few months. Learn what it is and how to apply it to your everyday life to practice your skills while doing your daily activities. - a completely free way to get native speakers to proofread your writings (and even explain to you all of your mistakes). This one site alone can dramatically improve your writing skills. - an extremely easy way to find a native speaker willing to help you learn her mother language. It's almost like having a private tutor. - the proper way to improve your listening skills while watching movies. Most people learning a foreign language do it the wrong way and it does nothing to improve their abilities. - how to achieve more with less when learning languages. You don't have to spend hours and hours cramming every single word and grammar rule. In fact, it works to your detriment. Learn what to do instead. - 9 common mistakes to avoid when learning languages. Reading this chapter alone can save you years of ineffective studies – especially mistake #3, so common among language learners. - a 5-step process to improve your reading skills. You can make your learning process much more enjoyable and effective by choosing the right things to read. Learn what these things are. - a fun idea to learn how to write the way native speakers do. You too can learn the slang and phrases only native speakers use – and know the language better

than many academic professors. - how to dramatically improve your language skills when traveling. While it isn't necessary to go abroad to learn a language, it's a powerful way to cram a lot of learning into just a few days. - 5 common challenges of language learners and how to deal with them. Learn how to get over the fear of communicating with native speakers. Discover how to find more time to learn and practice your skills. Read three tips on how to deal with discouragement. If you're ready to supercharge your progress and become fluent in a foreign language in as little as a few months, click the buy button. Why kill yourself doing things the old, non-effective way, if you could make the process much easier and enjoy it more, too? P.S. As a gift for buying my book, you'll get a resource list with my favorite language learning sites. Keywords: learn a language in 3 months, learn a foreign language, learn another language, learn any language, become fluent in any language, be fluent in 3 months, learning languages, learn languages, learn languages fast, language learning methods, learning a new language, learning a language, learning foreign languages, learning another language, how to learn a new language, how to learn a foreign language

55%discount for bookstores! Now at \$38,95 instead of 48,95!f Do you want to be fluent in the Spanish language? Do you want to know how to write the Spanish language? Then this is the right book for you!! Your customers will never stop using this amazing book!! Spain is in the top three most visited European destinations and it isn't just for holidays. Many people actually pack up and move there looking for a better life. Whether you are making the move or just visiting Spain for a holiday, it makes perfect sense to learn some of the language, including a little grammar, and that is what this book aims to do. In this book, we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Spanish tongue. How Spanish Short Stories for Beginners works: - Each story will involve an important lesson of the tools in the Spanish language involving an interesting and entertaining - The summaries follow a synopsis in Spanish and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. This book is not intended to be a comprehensive text on the Spanish language. It will certainly serve as a guide and reference for both beginning and intermediate students. The goal of the book is to introduce you to a beautiful language whose culture has influenced the American heritage for generations. The reason I wrote this book is to teach you Spanish in a fun way... I want to help you learn Spanish by reading stories that are simple and fun while increasing your vocabulary. Each story will tell a different tale to involve unique, deep characters with their own personalities and conflicts while ensuring that you understand the objective of the particular language device in Spanish. Memorization of any kind, however, is completely unnecessary. Attempting to push new information into your brain forcibly only serves to eat up your time and make it that much more frustrating when you can't recall it in the future. The actual language acquisition process occurs subconsciously, and any effort to memorize new vocabulary and grammar structures only stores this information in your short-term memory. I want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! Improve Your Grammar

In the past, medicine worked like this: a patient looked for a doctor who evaluated him carefully. After the evaluation, the doctor said to the patient: Are you willing to abandon everything that has made you sick so far? Only then do I accept to be your doctor. Now, I ask you: Is your company willing to abandon all the bad processes and bad strategies that have given your customers a bad experience? The big problem is that, in many cases, we look for doctors, pharmacists and software resellers and, what they want most, is to recommend medicines and CRM systems for a temporary cure, or imaginary cure to serve the media or advertising. What's wrong with that? It is that in the customer service sector, the side effect is worse than acting directly on the cause of the corporate pains that cause the bad experience to customers. If professionals don't know how to hire and build a long-term strategy, your suppliers will always want you to come back for new software purchases and more software, and not for a permanent cure. The objective of this book is to bring the most widely used and effective standards on the market to serious professionals who really want to embrace and offer excellent customer service. There is no methodology that will solve everything overnight, but the right methodology will help the company to respond quickly and without repression. As the conclusion, I wrote in this book too a table that help you to identify Why, when and how to use each one of those worldwide methodologies or tools to improve and profit from your customer service. This book is part of the CRM and Customer Experience Trilogy called CX Trilogy which aims to unite the worldwide community of CX, Customer Service, Data Science and CRM professionals. I believe that this union would facilitate the contracting of our sector and profession, as well as identifying the best professionals in the market. The CX Trilogy consists of 3 books and one Dictionary: 1st) 30 Advice from 30 greatest professionals in CRM and customer service in the world 2nd) The Book of all Methodologies and Tools to Improve and Profit from Customer Experience and Service 3rd) Data Science and Business Intelligence - Advice from reputable Data Scientists around the world and plus, the book: The Official Dictionary for Internet, Computer, ERP, CRM, UX, Analytics, Big Data, Customer Experience, Call Center, Digital Marketing and Telecommunication: The Vocabulary of One New Digital World

Mastering the American Accent is an easy-to-follow approach for reducing the accent of non-native speakers of English. Well-sequenced lessons in the book correspond over eight hours of audio files covering the entire text. The audio program provides clear models (both male and female) to help coach a standard American accent. The program is designed to help users speak Standard American English with clarity, confidence, and accuracy. The many exercises in the book concentrate on topics such as vowel sounds, problematic consonants such as V, W, TH, the American R and T and others. Correct lip and tongue positions for all sounds are discussed in detail. Beyond the production of sounds, the program provides detailed instruction in prosodic elements such as syllable stress, emphasis, intonation, linking words for smoother speech flow, common word contractions, and much more. Additional topics that often confuse ESL students are also discussed and explained. They include distinguishing between casual and formal speech, homophones (e.g., they're and there), recognizing words with silent letters (e.g., comb, receipt), and avoiding embarrassing pronunciation mistakes, such as mixing up "pull" and "pool." Students are familiarized with many irregular English spelling rules and exceptions, and are shown how such irregularities can contribute to pronunciation errors. A native language guide references problematic accent issues for 13 different language backgrounds. Mastering the American Accent with Online Audio

A few years ago, a magazine sponsored a contest for the comment most likely to end a conversation. The winning entry? "I teach English grammar." Just throw that line out at a party; everyone around you will clam up or start saying "whom." Why does grammar make everyone so nervous? Probably because English teachers, for decades – no, for centuries – have been making a big deal out of grammar in classrooms, diagramming sentences and drilling the parts of speech, clauses, and verbals into students until they beg for mercy. Happily, you don't have to learn all those technical terms of English grammar – and you certainly don't have to diagram sentences – in order to speak and write correct English. So rest assured – English Grammar For Dummies will probably never make your English teacher's top-ten list of must-read books, because you won't have to diagram a single sentence. What you will discover are fun and easy strategies that can help you when you're faced with such grammatical dilemmas as the choice between "I" and "me," "had gone" and "went," and "who" and "whom." With English Grammar For Dummies, you won't have to memorize a long list of meaningless rules (well, maybe a couple in the punctuation chapter!), because when you understand the reason for a particular word choice, you'll pick the correct word automatically. English Grammar For Dummies covers many other topics as well, such as the following: Verbs, adjectives, and adverbs – oh my! Preposition propositions and pronoun pronouncements Punctuation: The lowdown on periods, commas, colons, and all those other squiggly marks Possession: It's nine-tenths of grammatical law Avoiding those double negative vibes How to spice up really boring sentences (like this one) Top Ten lists on improving your proofreading skills and ways to learn better grammar Just think how improving your speaking and writing skills will help you in everyday situations, such as writing a paper for school, giving a presentation to your company's big wigs, or communicating effectively with your family. You will not only gain the confidence in knowing you're speaking or writing well, but you'll also make a good impression on those around you!
