you see in life... in your life
what are you running for?
is winning the only measurement for you in your life? BE
who are you running against?
and if you always win against everybody
then soon the people will stop cheering for you
at the end of your life, if you look back..
did you help them to get across the line?
did you all finish together?
because that is the best race you can ever run..
so run! run this race called life!
but don't forget it is not important if you win
it is important how you run this race...
