Book of Mormon Seminary Home-Study Guide

"The home-study seminary program is designed to help you strengthen your understanding of the gospel of Jesus Christ and apply its teachings in your daily life through a study of the scriptures. For your study this school year, you will first complete reading assignments from the scripture text for this course—the Book of Mormon—and then you will complete the individual lessons. Once a week you will meet with a seminary teacher to submit your work and participate in a weekly lesson. Seminary is a daily religious education program. Prayerfully studying your scriptures should be a daily practice. You will need to work on your seminary assignments each school day, even though you will not attend a seminary class each day. There are 32 units to be completed during the course. The reading chart on page viii shows what you should study for each unit. Your teacher will help you understand when each unit is due. The lessons in this study guide should each take about 30 minutes to complete, in addition to your daily scripture study. You should have two scripture study journals (or two notebooks), separate from your personal journal, in which you will write the assignments from the study guide activities. Each week that you meet with your teacher, you should turn in the scripture study journal containing the completed assignments from the study guide activities you completed for that week. Your teacher will read and respond to the assignments and return that scripture study journal to you the following week. You could also write your responses on paper in a loose-leaf binder and turn in the pages you did that week. Then, when your teacher returns the pages, you could put them back into the notebook."

The Book of Mormon Study Guide

In 1820, a young farm boy in search of truth has a vision of God the Father and Jesus Christ. Three years later, an angel guides him to an ancient record buried in a hill near his home. With God's help, he translates the record and organizes the Savior's church in the latter days. Soon others join him, accepting the invitation to become Saints through the Atonement of Jesus Christ. But opposition and violence follow those who defy old traditions to embrace restored truths. The women and men who join the church must choose whether or not they will stay true to their covenants, establish Zion, and proclaim the gospel to a troubled world. The Standard of Truth is the first book in Saints, a new, four-volume narrative history of The Church of Jesus Christ of Latter-day Saints. Fast-paced, meticulously researched, Saints recounts true stories of Latter-day Saints across the globe and answers the Lord's call to write history "for the good of the church, and for the rising generations" (Doctrine and Covenants 69:8).

A Plain English Reference to the Book of Mormon

Mormons, or members of the Church of Jesus Christ of Latter-day Saints, form a growing population in both numbers and influence. Yet few people have more than a passing knowledge of the document that defines and drives this important movement—the Book of Mormon. A former Mormon and an adult convert to Christianity, author Ross Anderson provides a clear summary of the Book of Mormon including its history, teachings, and unique features. Stories from the author and other ex-Mormons illustrate the use of Mormon scripture in the Latter-day Saint church. Anderson gives special attention to how the Book of Mormon relates to Christian beliefs about God, Jesus, and the Bible. With discussion questions to facilitate group use and a focus on providing an accurate portrayal of Mormons beliefs, Understanding the Book of Mormon is an indispensable guide for anyone wishing to become more familiar with the Church of Jesus Christ of Latter-day Saints and its most formative scripture.

Of Isaiah's prophetic writings, the resurrected Lord taught, "Search these things diligently; for great are the words of Isaiah" (3 Nephi 32:1). Yet no chapters in the Book of Mormon are more difficult to understand than the Isaiah passages quoted by Nephi, Jacob, Abinadi, and Christ himself. The 17 essays in Isaiah in the Book of Mormon take a variety of approaches in seeking to help readers make the most of Isaiah's teachings. The contributing scholars draw on the Book of Mormon prophets as knowledgeable guides, examining how and why those ancient writers used and interpreted Isaiah's prophetic teachings. They explain Nephi's keys for understanding the great prophet, use historical and

linguistic information to clarify his meanings, examine recurring themes, and reflect on the influence of these texts on ancient and modern saints.

Come Follow Me Manual

The Book of Mormon testifies of Jesus Christ and teaches us how to become His disciples. The Prophet Joseph Smith (1805–44) affirmed that “a man would get nearer to God by abiding by its precepts, than by any other book” (History of the Church, 4:461; Book of Mormon introduction). As you study the Book of Mormon and are prayerful, the Holy Ghost continually bears witness to your heart and mind of the Savior’s divine role as the Redeemer of mankind. The Book of Mormon exerts a powerful influence on the hearts of those who receive it and ponder its message. Elder Parley P. Pratt (1807–57), an early convert of the Restoration and an eventual member of the Quorum of the Twelve Apostles, related the following regarding the first time he read the Book of Mormon: “I opened it with eagerness, and read its title page. I then read the testimony of several witnesses in relation to the manner of its being found and translated. After this I commenced its contents by course. I read all day; eating was a burden, I had no desire for food; sleep was a burden when the night came, for I preferred reading to sleep. “As I read, the spirit of the Lord was upon me, and I knew and comprehended that the book was true” (Autobiography of Parley P. Pratt, ed. Parley P. Pratt Jr. [1938], 37). Modern prophets have continually emphasized the need for every Latter-day Saint to read and reread the Book of Mormon. President Gordon B. Hinckley (1910–2008) declared, “I promise you that if each of you will [read the Book of Mormon], regardless of how many times you previously may have read the Book of Mormon, there will come into your lives and into your homes an added measure of the Spirit of the Lord, a strengthened resolution to walk in obedience to His commandments, and a stronger testimony of the living reality of the Son of God” (“A Testimony Vibrant and True,” Ensign, Aug. 2005, 6). President Boyd K. Packer, President of the Quorum of the Twelve Apostles, shared how he learned that studying the Book of Mormon leads to personal revelation: “I found [the Book of Mormon] to be plain and precious. ... “I learned that anyone, anywhere, could read in the Book of Mormon and receive inspiration. “Some insights came after reading a second, even a third time and seemed to be ‘likened’ to what I faced in everyday life” (in Conference Report, Apr. 2005, 6; or Ensign, May 2005, 7). Inspiration, as President Packer testified, will come as you consistently read from the Book of Mormon.
