Riddle #1: In Spring I am gay in handsome array; in summer more clothing I wear; when colder it grows, I fling off my clothes; and in winter quite naked appear

Riddle #2: Some try to hide, some try to cheat; but time will show, we always will meet. Try as you might to guess my name, I promise you'll know when you I do claim

Riddle #3: As small as your thumb, I am light in the air. You may hear me before you see me, but trust that I'm there

Riddle #4: Never resting, never still; moving silently from hill to hill; it does not walk, run, or trot; all is cool where it is not.

Riddle #5: What can bring back the dead; make you cry, make you laugh, make you young; is born in an instant, yet lasts a lifetime

Riddle #7: This thing all things devours: birds, beasts, trees, flowers; gnaws iron, bites steel, grinds hard stones to meal; slays kings, ruins towns; and beats high mountains down

Riddle #8: At night they come without being fetched, and by day they are lost without being stolen

Riddle #9: I create my lair with earthen string, and dispatch my prey with a biting sting

Riddle #10: I'm alive, but without breath; I'm as cold in life as in death; I'm never thirsty, though I always drink

Riddle #11: What is large, yet never grows; has roots that cannot be seen; and is taller than trees

Riddle #12: What is always old and sometimes new; never sad, sometimes blue; never empty, but sometimes full; never pushes, always pulls
