Wolf At the Door

Sullivan Quinn didn't travel 3,000 miles from his native Ireland and his wolf pack just to chase rabidly after the most delectable quarry he's ever seen. Quinn is in America on a mission—to warn his Other brethren of a shadowy group willing to use murder and mayhem to bring them down. But one whiff of this Foxwoman's delicious honeysuckle fragrance and he knows that she is more than a colleague or a conquest...she is his mate. Anthropologist Cassidy Poe is a world-renowned authority on social interaction, but the overpowering desire she feels around Quinn defies every ounce of her expertise. Working by his side to uncover The Others' enemies poses risks she never expected—to her own safety, to those she loves, and to her heart, as every encounter with Quinn proves more blissfully erotic than the last... Now, with no one to trust but each other, Quinn and Cassidy face a foe that's edging closer every day, threatening to destroy the life they've always known, and the passion they've just discovered...

A Wolf at the Door

These are not your mother's fairy tales... Did you ever wonder how the dwarves felt after Snow White ditched them for the prince? Do you sometimes wish Cinderella hadn't been so helpless and petite? Are you ready to hear the Giant's point of view on Jack and his beanstalk? Then this is the book for you. Thirteen award-winning fantasy and science fiction writers offer up their versions of these classic fairy tales as well as other favorites, including The Ugly Duckling, Ali Baba, Hansel and Gretel, and more. Some of the stories are funny, some are strange, and others are dark and disturbing -- but each offers something as unexpected as a wolf at the door.

The Wolf at the Door

The acclaimed authors of *Death by a Thousand Cuts* argue that Americans care less about inequality than about their own insecurity. Michael Graetz and Ian Shapiro propose realistic policies and strategies to make lives and communities more secure. This is an age of crisis. That much we can agree on. But a crisis of what? And how do we get out of it? Many on the right call for tax cuts and deregulation. Others on the left rage against the top 1 percent and demand wholesale economic change. Voices on both sides line up against globalization: restrict trade to protect jobs. In *The Wolf at the Door*, two leading political analysts argue that these views are badly mistaken. Michael Graetz and Ian Shapiro

focus on what really worries people: not what the rich are making but rather their own insecurity and that of people close to them. Americans are concerned about losing what they have, whether jobs, status, or safe communities. They fear the wolf at the door. The solution is not protectionism or class warfare but a return to the hard work of building coalitions around realistic goals and pursuing them doggedly through the political system. This, Graetz and Shapiro explain, is how earlier reformers achieved meaningful changes, from the abolition of the slave trade to civil rights legislation. The authors make substantial recommendations for increasing jobs, improving wages, protecting families suffering from unemployment, and providing better health insurance and child care, and they guide us through the strategies needed to enact change. These are achievable reforms that would make Americans more secure. *The Wolf at the Door* is one of those rare books that not only diagnose our problems but also show us how we can address them.

A Wolf at the Door

"Who's there?" says little bear. and he jumps up to open the door. Is it one of his friends, or is a big bad wolf really trying to chase them all?

Wolf at the Door

The vicious death of a man at the teeth of a wild animal does not add up for Bradecote and Catchpoll. All Hallows' Eve, 1144. The savaged body of Durand Wuduward, the solitary and unpopular keeper of the King's Forest of Feckenham, is discovered beside his hearth, his corpse rendered barely identifiable by sharp teeth. Whispers of a wolf on the prowl grow louder and Sheriff William de Beauchamp's men, Hugh Bradecote, Serjeant Catchpoll and young Walkelin, are tasked with cutting through the clamour. They must uncover who killed Durand and why, while beset by superstitious villagers, raids upon manors and further grim deaths. Out of the shadows of the forest, where will the wolf's fangs strike next?

A Wolf at the Door

A collection of rare short stories by Tanith Lee

Wolf Hall

Inglaterra, década de 1520. Henry VIII ocupa o trono, mas não tem herdeiros. O cardeal Wolsey, o seu conselheiro principal, é encarregue de garantir a consumação do divórcio que o papa recusa conceder. É neste ambiente de desconfiança e de adversidade que surge Thomas Cromwell, primeiro como funcionário de Wolsey e, mais tarde, como seu sucessor. Thomas Cromwell é um homem verdadeiramente original. Filho de um ferreiro cruel, é um político genial, intimidante e sedutor, com uma capacidade subtil e mortal para manipular os outros e as circunstâncias. Impiedoso na perseguição dos seus próprios interesses, é tão ambicioso na política quanto na vida privada. A sua agenda reformadora é executada perante um parlamento que atua em benefício próprio e um rei que flutua entre paixões românticas e acessos de raiva homicida. Escrito por uma das grandes escritoras do nosso tempo, *Wolf Hall* é um romance absolutamente singular.

The Trap

Three youths take a mother and her son hostage in a Maine cottage.

Wolf at the Door

Gwendolyn Jones is working on an article about werewolves, not that she believes they exist. But there are people out there who do, like the nervous man who slips her a flash drive with information he claims will prove to the world shifters are out there. Gwen starts questioning just what to believe when two very real werewolves come knocking on her cabin door later that night. Someone has a flash drive with pictures that could endanger his pack, and alpha Jacques LaForge will do whatever it takes to destroy it. But the something deep inside him ignites when he knocks on the door of that "someone". He didn't think he'd find a mate, or that when he did, she'd be human. But now that he's has found Gwen, he knows he has a fight on his hands to protect her from his former vengeful pack who are out to hurt him by any means necessary. Each book in the Salvation Pack series is a standalone story that can be enjoyed in any order. Series Order: Book #1 *Wolf at the Door* Book #2 *Wolf in her Bed* Book #3 *Wolf*

The Wolf at His Door

Ilene Rune has lived with a secret for 21 years that threatens to destroy her marriage, her life, and all of humanity. But how can she tell her son, Alec, that his new boyfriend, Jared, may be part of that secret? Investigating a brutal murder, Detective Lance Herald enters a dark world of fairy tales and fantasy--that shakes his belief in what is possible and imagined. Lucy Rune cannot fathom what happened the night one brother was slaughtered and the other critically wounded--but she does know, her boyfriend, Rene, who was also attacked is changing. Geraldine Bloom, Alec's grandmother, has the gift of foresight, and has waited for years for the evil that wants her grandson to come for him. Alec Rune wakes from a coma to learn his twin brother has been murdered--and that he is the only witness. But he remembers nothing of the night. Werewolves, genetics, and a thrilling murder mystery intertwine in this "multi-layered and unpredictable" (Christine Coretti) horror novel that builds to "an absolutely epic ending" (thegayUK.com).

Shiver

Grace is fascinated by the wolves in the woods behind her house; one yellow-eyed wolf in particular. Every winter, she watches him, but every summer, he disappears. Sam leads two lives. In winter, he stays in the frozen woods, with the protection of the pack. In summer, he has a few precious months to be human . . . until the cold makes him shift back again. When Grace and Sam finally meet, they realize they can't bear to be apart. But as winter nears, Sam must fight to stay human - or risk losing himself, and Grace, for ever.

The Nine

Nine men ride into the tiny farming village of Corwick one morning in early March. When they ride back out again, no one is left alive except for Hadrack, a helpless eight-year-old boy. The crimes committed by those nine men will ultimately bring two conflicting religions and two nations to the brink of war. But for Hadrack, caught in the middle and unsure of his allegiances, all that matters is the vow that he made to his murdered family. Hadrack won't be a helpless boy forever and, when he is ready, the nine will pay for what they did, regardless of the cost. This is his story.

The Lord Bishop's Clerk

The first in a new series of 12th-century murder mysteries, perfect for fans of Ellis Peters' Brother Cadfael series June 1143: the Lord Bishop of Winchester's Clerk is bludgeoned to death in Pershore Abbey, and laid before the altar in the attitude of a penitent. Everyone who had contact with him had reason to dislike him, but who had reason to kill him? The Sheriff of Worcestershire's thief taker, the wily Serjeant Catchpoll, and his new and unwanted superior, Acting Under-Sheriff Hugh Bradecote, have to find the answer when nobody wants the murderer apprehended until the next death."

Hungry Like a Wolf

HUNGRY LIKE A WOLF Christine Warren When her father died, Honor Tate inherited the alpha position for a pack of werewolves based in New England. But why her? Honor would have rather just lived a "normal" life, with the occasional run through the woods in her furry suit. Still, Honor was raised to put the welfare of the pack first...and now it's time to make a formal request that the alpha of the Silverback clan—the pack to which all locals owe fealty—recognize her as alpha of the White Paw. But instead of sending his support, the Silverbacks send Logan Hunter. Logan Hunter would do anything to protect the Silverbacks—but his devotion comes with a price. For years he has been fighting his alpha instincts and the need for his own pack. But all that changes when Logan is sent on a mission to find out whether the new White Paw alpha really has what it takes to carry on her father's legacy. Powerful, spirited, and downright gorgeous Honor exceeds his expectations...and leaves him howling for more. Could it be that he's finally found his alpha mate? Or will old enemies, dueling loyalties, and an appetite for destruction stop him dead in his tracks?

Wolf at the Door

Wolf Moon: A Werewolf Shifter Romance (Shadow of the Moon Book 1)

Detective Maria Selena's nights were just like her days, long and boring. That is, until she answers a midnight call about a suspicious person and meets a mysterious stranger with yellow eyes. His alluring gaze and sensual bite lead her down a path of seduction and lust. Maria tries to piece together what happened that fateful night so she can figure out why she feels so drawn to that mysterious man. Her trail leads her back to the crime scene and through her contacts, but trouble and dead-ends dog her footsteps. A danger lurks closer as she finds herself caught in a seductive net of mystery and a hint of something supernatural that her detective skills may not be able to get her out of.

Kaleidoscope

The howlingly good spin-off of the Undead series from the New York Times bestselling author. Rachel, a werewolf/accountant, is asked to keep one eye on Vampire Queen Betsy Taylor and the other peeled for a rogue werewolf who's itching to start a war. But her attention is mostly on a sexy, mysterious stranger she wishes she could trust.

Wolf at the Door

Big Bad Wolf by bestseller Christine Warren is "another hot and spicy novel from a master of paranormal romance." —Night Owl Romance Missy Roper's fantasies have revolved around Graham Winters since the moment they met. But the imposing leader of the Silverback werewolf clan always seemed oblivious to Missy's existence. At least he was, until Missy collides with him at a party and then abruptly runs away—arousing Graham's interest...and wild desires. Lupine law decrees that every Alpha must have a mate, and all Graham's instincts tell him that the sensual, beguiling Missy is his. Trouble is, Missy is human—every delectable inch of her. Convincing his clan that she's his destined mate, and keeping her safe from his enemies, will be the biggest challenge Graham has ever faced. And now that he is determined to have her—as his lover and as his mate—Missy's world is changing in ways she never imagined...

Big Bad Wolf

From the author: 'My father doesn't feature much in Running with Scissors. And one of the reasons for this is because he didn't feature much in my life. But there's another reason, too: Our relationship was so complicated, so dark, so confusing and so big, that to tell the story would require a book. So finally, upon the death of my father in 2005, I decided to tell the story I have been most afraid yet most compelled to tell.' This prequel to international hit Running With Scissors tells the story of Augusten's relationship with his tormented father: a man who sent his wife mad and saw his other son run away from home, prior to Augusten going into foster care. Harrowing, insightful and amusing by turns.

A Wolf at the Table

All he wants is to be left alone. All they want is a leader to hold them together. For decades, a pack of wild wolves has stood between the small village of Millhall and outside threats. What the villagers don't know is that the howling entities protecting them are actually their next-door neighbors. Well, except for Fang, who would rather spend his time in wolf form than human. After all, why mingle with people when you can run alone, four paws solidly on the ground? It really is a shame the other Changers chose him as their leader, foiling his plan to spend the rest of his years in happy isolation. But when a village youth is injured and Fang stumbles into the heart of one of the Shaqui tribes living in the surrounding woods, he realizes his plan to live alone may need to be put on hold...at least long enough to stop an impending war. As the Changers try to untangle what, exactly, is behind the rising tension between Millhall's villagers and the Shaqui tribes, Fang's past explodes in his face in a way he'd never in his wildest dreams anticipated. Should he run—again? Or should he trust the team he's worked so hard to keep at bay—a team that doesn't care much for him, either... Dark Wolf (Shapestepper Series Book 1)

Going home digs up bad memories, so it's something Bureau of Special Investigations agent Cooper Dayton tries to avoid. When he's guilted into a visit, Cooper brings along Oliver Park, his hot new werewolf partner, in the hopes the trip will help clarify their status as a couple...or not. When Park's keen shifter nose uncovers a body in the yard and Cooper's father is the prime suspect, Cooper knows they're on their own. Familial involvement means no sanctioned investigation. They'll need to go rogue and solve the mystery quietly or risk seeing Cooper's dad put behind bars. The case may be cold, but Park and Cooper's relationship heats up as they work. And yet if Cooper can't figure out what's going on between them outside of the bedroom, he'll lose someone he... Well, he can't quite put into words how he feels about Park. He knows one thing for sure: he's not ready to say goodbye, though with the real killer inching ever closer...he may not have a choice. One-click with confidence. The Wolf at Bay

"There will come a time in our world when greed, power and wealth will overrule good judgement, and packs will be destroyed." In the blink of an eye, everything can change, altering life as we know it forever. Zara was happy and carefree, until receiving her gift from the heavens. Her world tilts completely on its axis when she faces torture at the hands of a person meant to love her. Forced into a life of servitude, she's left only a shell of her former self. Lifemates are a gift all their own. A powerful link that can't be broken. Zara crosses paths with Xavier, Alpha of the Raber Pack, and the one time playboy finds himself drawn to the broken woman. As their connection flares to life, he grows determined to unleash the spittfire she hides within. Little does Xavier know that in finding Zara, he's ignited a flame that could destroy everyone's lives...

Raber Wolf Pack Book 1

CLEVER POLLY AND THE STUPID WOLF by Catherine Storr has twelve stories written for the author's daughter, who was scared of the wolf under the bed! Drawing occasionally on well-known fairy tales, and skillfully blending fantasy and reality, these stories are bursting with humour, originality and charm. And Polly, not scared at all, outwits the wolf on each and every occasion! There is a sequel called POLLY AND THE WOLF AGAIN, also published in the A Puffin Book series of children's modern classics.

Clever Polly And the Stupid Wolf

Agent Cooper Dayton is going to meet his boyfriend's werewolf family. Unarmed. On their turf. And he's bringing his cat. When Agent Cooper Dayton agreed to attend the funeral for Oliver Park's grandfather, he didn't know what he was getting into. Turns out, the deceased was the alpha of the most powerful werewolf pack on the eastern seaboard. And his death is highly suspicious. Regardless, Cooper is determined to love and support Park the way Park has been there for him. But Park left him woefully unprepared for the wolf pack politics and etiquette. Rival packs? A seating order at the dinner table? A mysterious figure named the Shepherd? The worst is that Park didn't tell his family one key thing about Cooper. Cooper feels two steps behind, and reticent Park is no help. There are plenty of pack members eager to open up about Park and why Cooper is wrong for him. Their stories make Cooper wonder if he's holding Park back. But there's no time to get into it...as lethal tranquilizer darts start to fly, Cooper needs to solve the mystery of the alpha's death and fight for the man he loves—all before someone else dies. Follow Agents Dayton and Park's turbulent relationship from the beginning. Read *The Wolf at the Door* and *The Wolf at Bay*, both available now from Carina Press! One-click with confidence. "I would highly recommend this book! Veronica Blade has out done herself and I am eager for the next installment in the Shapes of Autumn Series." -- Tifferz and Her Sisterz Book Reviewz "This is a sweet series and I'll be (im)patiently waiting to find out what's going to happen next for Autumn and Zack." -- Suzanne of Paranormal Book Lover "Veronica Blade is simply the Queen of YA paranormal romance!!!" -- April of Cafe of Dreams Book Reviews NOTE FROM THE PUBLISHER: As with any Veronica Blade book, this is a ROMANCE NOVEL, meaning it's romance FIRST and everything else is secondary. Rated PG-13 for sexual situations and mild profanity. THIS IS BOOK #2 IN THE SHAPES OF AUTUMN

SERIES Their forbidden love could cost them their lives... Autumn's just learned she's a shape-shifter - something her parents should've told her long ago. Unless they adopted her and didn't know she wasn't human. Either way, learning the truth has the same outcome: her parents lied. Zack is the only one she can count on, but he's a werewolf and the king's decree forbids contact between the species, let alone love. Zack's planning to leave after graduation, but letting him go isn't an option. He's becoming more a part of her every day, a part she would fight for, give up everything for - even kill for. If she's not killed first. If Zack's experience with his own kind has taught him anything, it's that werewolves can't be trusted. He'd rather die free than live in a pack under the rule of the werewolf king. So, instead of preparing for college like any other senior, he's planning to go on the run after graduation. Escaping won't be easy with the werewolves guarding him. But until that day comes, Zack knows he's endangering Autumn every moment he's around her. If it's this difficult staying away from her now, how hard will it be to leave her behind in just a few weeks? Wolves at the Door

This WWII espionage biography brings "one of America's greatest spies back to life" in a "story of derring-do and white knuckles suspense" (Patrick O'Donnell, author of Operatives, Spies, and Saboteurs) Virginia Hall left her comfortable Baltimore roots in 1931 with dreams of becoming a Foreign Service Officer, but her gender—and her wooden leg—kept her from pursuing politics. As Hitler advanced across Europe, she put her gift for languages to use with the British Special Operations Executive, a secret espionage organization. She was soon deployed to occupied France where she located drop zones, helped prisoners of war flee to England, and secured safe houses for agents. Soon, wanted posters appeared throughout France, offering a reward for Hall's capture. By 1942, Hall had to flee France via the only route possible: an arduous hike on foot through the frozen Pyrénées Mountains. Upon her return to England, the American espionage organization, the Office of Special Services, recruited her and sent her back to France disguised as an old peasant woman. While there, she was responsible for killing 150 German soldiers and capturing 500 others. Sabotaging communications and directing resistance activities, her brave work helped change the course of the war.

The Wolves at the Door

"Charlie Adhara once again delivers a clever, fast-moving, intriguing and twisty mystery." —All About Romance Don't miss this thrilling installment in Charlie Adhara's suspenseful paranormal mystery series, Big Bad Wolf. Agent Cooper Dayton never thought anything could be harder than solving murders. Until he had to plan a wedding. After taking down an old adversary, Agent Cooper Dayton of the Bureau of Special Investigations has earned a break. Not that planning a wedding to his sexy shifter partner, Oliver Park, is necessarily stress free, but it's better than worrying about the ominous warning, delivered months ago, that Cooper's life is in danger. When he's dragged to an event by his family, Cooper braces for an awkward evening, but instead finds himself in the middle of an ugly feud between Park's ex and a rebel pack leader. What was supposed to be a quick outing turns into a full-blown murder investigation after the pack leader ends up dead, Park's ex goes missing, and Cooper and Park are sent a series of disturbing wedding gifts that are somehow connected to it all. The list of potential suspects is long, and with the bodies piling up, Cooper must turn to the one person he trusts the least: the villain he's already put behind bars once and who has nothing to lose by lying and everything to gain if Cooper is out of the picture—for good. Cry Wolf

First delivered as a speech to schoolgirls in Kent in 1926, this enchanting short essay by the towering Modernist writer Virginia Woolf celebrates the importance of the written word. With a measured but ardent tone, Woolf weaves together thought and quote, verse and prose into a moving tract on the power literature can have over its reader, in a way which still resounds with truth today. I have sometimes dreamt, at least, that when the Day of Judgement dawns and the great conquerors and lawyers and statesmen come to receive their rewards – their crowns, their laurels, their names carved indelibly upon imperishable marble – the Almighty will turn to Peter and will say, not without a certain envy when he

sees us coming with our books under our arms, "Look, these need no reward. We have nothing to give them here. They have loved reading."

Black Leopard, Red Wolf

Paranormal Romance for adults When three witches witness a tragedy, everything changes in the world of shadows... Friends as close as sisters, forced to hide among the wolves, to save their lives... If there is a place in the world where magic is powerful, it is in Wolf Creek. The descendants of the most powerful practitioners live there. Wolves swarm there. Vampires hide there. Three races of magical or evil beings. Three races that cannot mix. Three races hidden from the eyes of humans. Each of these creatures bleeds. Hates. Or responds to the instinct dictated by their nature. A dark universe. A universe governed by ruthless rules. A universe where strict customs govern centuries of existence. And three witches, three sisters.

WITCHES OF WOLF CREEK (BOOK 1)

The things that go bump in the night are supposed to be headboards, not monsters. Leaving my husband was hard. Trying to face the world alone with my teenage daughter is the sort of thing nightmares are made of, but I caught a break. My best friend just hired me for a great job. It's not anything special, simply managing the leasing office of this very fancy and highly exclusive neighborhood, yet the perks mean I get my second chance. Speaking of perks, my rent-free house is right beside not just one handsome man, but five! Each one is hotter than the last, and all of them seem interested in me. Maybe I can't remember the last date I was on, but if I want to master being a strong woman, then this is a good place to start. It's just dating, right? Normal life stuff. Not so much. Everyone around us has these strange golden eyes. Then there are the questions no one will answer. And who cares if there's a lot of wildlife running around at night? I do, especially when a wolf keeps sneaking into my backyard. I have a kid to worry about. Things have got to change before someone gets bitten! Normal is going out the window, and fast. My neighbors say I don't belong here, and they don't mean because I'm Hispanic. Never mind that I just heard a man growl. Now they're talking about fated somethings, and I'm pretty sure they mean me. I feel like I'm going crazy! Because when I said I wanted to learn how to be strong, this wasn't what I meant at all. Still, when it comes to taking care of my little girl, I will definitely learn how to be the biggest bitch on the block. I just hope that doesn't become literal. Wolf's Bane is a 135,000 word, full-length novel with multiple love interests. Note: Wolves Next Door series contains profanity, consensual sex, and one adult woman who falls for multiple younger men. This is the first book in a trilogy.

Book 1: Days In the Life of Kendrick: Studies in Magic

"The chemistry between these characters is downright palpable." —USA TODAY on *The Wolf at the Door* Agent Cooper Dayton and his partner, Oliver Park, are going undercover—at a retreat for couples who need counseling. They do say the best cover story is one that's close to the truth... Agent Cooper Dayton is almost relieved to get a phone call from his former boss at the Bureau of Special Investigations. It means a temporary reprieve from tensions created by house hunting with Oliver Park, his partner both in work and in life. Living together in a forever home is exactly what Cooper wants. He's just not keen on working out the details. With a former alpha werewolf missing, Cooper and Park are loaned to the BSI to conduct the search at a secluded mountain retreat. The agents will travel to the resort undercover... as a couple in need of counseling. The resort is picturesque, the grounds are stunning and the staff members are all suspicious as hell. With a long list of suspects and danger lurking around every cabin, Cooper should be focusing on the case. But he's always been anxious about the power dynamics in his relationship with Park, and participating in the couples' activities at the retreat brings it all to the surface. A storm is brewing, though, and Cooper and Park must rush to solve the case before the weather turns. Or before any more guests—or the agents themselves—end up dead. Wolf in Sheep's Clothing

We don't actually drink coffee at my coffee morning. – What do you do, then? – We discuss the violent overthrow of the government. Also, there's flower arranging. In this intensely imaginative and daringly brave-thinking play, award-winning playwright Rory Mullarkey imagines a wild road trip across Middle England. Together, Lady Catherine and her young protégé Leo enlist every tearoom, hot yoga class and Women's Institute group on a mission to change the country forever. This play was the 2014 Pinter Commission and the winner of the George Devine Award. It received its world premiere production at the Royal Court Theatre Upstairs on 10 September 2014, starring Anna Chancellor as Lady Catherine and directed by James Macdonald.

The Wolf From The Door

His Stubborn Mate *The Ward Wolf Pack Novella Series* Book 2 Mason Ward has spent the last eleven years, learning to fly planes in the Alaskan wild, delivering supplies to those who lived off the grid and hikers looking for the thrill of going at it on their own. But, as a white wolf and a hunted shifter, he lives his life in solitude. Charlie Hines has applied to every place she can think of, looking for a job as a bush pilot. She knows the backcountry better than anyone else and has the resume to prove it. When she steps through the doors of Ward Air & Transportation, she knows she has found the place she belongs, but there's one complication. Mason's wolf wants nothing more than to tuck Charlie under his arm and run away with her, but the stubborn pilot won't give in when she finally realizes his true nature. Word from the lower forty-eight has informed the humans about shifters, but she could care less what he is. In fact, she would rather fly planes and deliver supplies than allow him to touch her.

His Stubborn Mate (The Ward Wolf Pack Novella Series, Book 1)

Corey is shy maybe even more than that. His parents think so and even he has to admit he's pretty withdrawn and maybe has a little social anxiety, but he's trying to get over it. But he has an active imagination, which he puts to good use. He's in first year college but he's still a virgin and all that's about to change, faster than he could imagine! The creepy old house next door finally sold and the new neighbor will soon be moving in. It's a big mystery. His parents are excited but he has some misgivings. Strange things have already started happening. The old house has a reputation and it's about to get a lot more than that! Corey will discover that it's easy to lose your virginity but after that it becomes hard to say no. Real hard. And he doesn't want to say no. Slowly Corey begins to explore his fantasies with

his only friend and then with others. One handsome stranger is going to get him into a whole bunch of trouble but before that happens he is going to experience just what he's been missing all these years. Halloween is just a couple weeks away but Corey is going to have a few frights long before then. And once he has, he'll be ready to meet his new neighbor. Whether he wants to or not. Let's find out if it's trick or treat. Maybe it's both. I hope it's both. Don't you?

The Wolf Next Door

My blood is their salvation... and my ruin. For years, the monsters who killed my family have held me in a cage. Brutalized and half-starved. Only kept alive so they can steal my blood. Until one evening when four eerily gorgeous men break me out of my prison. They give me a soft bed and delicious food. They say they'll protect me-but their generosity may come at a price. My rescuers are monsters like my captors: fae who shift into wolves. A curse gripping the faerie realm turns them wild under the full moon. Only my blood can cure their rage. These fearsome men need me, and not just to lift the curse. A tragedy left them outcasts, and offering me to their rulers could win them back the home and the power they lost. No matter how kindly they treat me, no matter how their smoldering eyes and strong hands stir unfamiliar desires in both my body and my heart, their castle is just another prison. As long as I'm a prize more than a person, my life will never be my own. I've survived this long without giving up. I won't roll over now. But how can one damaged human girl hold her own against the savage fae? *Captive of Wolves is the first in a new paranormal romance saga featuring possessive wolf shifters, fraught fae politics, and a wounded heroine coming into her own. Grab it now and get swept away in the fantasy!*
