The Cambridge History of Spanish Literature

Publisher Description

History of Spanish Literature

A comprehensive account of Spanish politics, literature, and culture from 1868 to the present day.

A History of Spanish Literature

"The origins of the Spanish novel date back to the early picaresque novels and Don Quixote, in the sixteenth and seventeenth centuries, and the history of the genre in Spain presents the reader with such iconic works as Galdos's *Fortunata and Jacinta*, Clarain's *La Regenta*, or Unamuno's *Mist*. A History of the Spanish Novel traces the developments of Spanish prose fiction in order to offer a comprehensive and detailed account of this important literary tradition. It opens with an introductory chapter that examines the evolution of the novel in Spain, with particular attention to the rise and emergence of the novel as a genre, during the sixteenth and seventeenth centuries, and the bearing of Golden-Age fiction in later novelists of all periods. The introduction contextualizes the Spanish novel in the circumstances and milestones of Spain's history, and in the wider setting of European literature. The volume is comprised of chapters presented diachronically, from the sixteenth to the twenty-first century and others concerned with specific traditions (the chivalric romance, the picaresque, the modernist novel, the avant-gardist novel) and with some of the most salient authors (Cervantes, Zayas, Pardo Bazan, Galdos, and Baroja). A History of the Spanish Novel takes the reader across the centuries to reveal the captivating life of the Spanish novel tradition, in all its splendour, and its phenomenal contribution to Western literature"--Back cover of book jacket.

History of Spanish Literature

From the epic poems of the Middle Ages to the works of modernist writers like Lorca and Borges, Spanish literature boasts a rich and diverse tradition. In this authoritative volume, James Fitzmaurice-Kelly provides a comprehensive overview of the most important literary movements and figures in Spain's storied history of letters. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. The Cambridge Companion to Modern Spanish Culture

First published in 1961, *A New History of Spanish Literature* has been a much-used resource for generations of students. The book has now been completely revised and updated to include extensive discussion of Spanish literature of the past thirty years. Richard E. Chandler and Kessel Schwartz, both longtime students of the literature, write authoritatively about every Spanish literary work of consequence. From the earliest extant writings through the literature of the 1980s, they draw on the latest scholarship. Unlike most literary histories, this one treats each genre fully in its own section, thus making it easy for the reader to follow the development of poetry, the drama, the novel, other prose fiction, and nonfiction prose. Students of the first edition have found this method particularly useful. However, this approach does not preclude study of the literature by period. A full index easily enables the reader to find all references to any individual author or book. Another noteworthy feature of the book, and one omitted from many books of this kind, is the comprehensive attention the authors accord nonfiction prose, including, for example, essays, philosophy, literary criticism, politics, and historiography. Encyclopedic in scope yet concise and eminently readable, the revised edition of *A New History of Spanish Literature* bids fair to be the standard reference well into the next century.

History of Spanish Literature

George Ticknor was an American academic and Hispanist who is best known for his scholarship on Spanish language and literature. First published in 1849, *History of Spanish Literature* is a seminal text that provides a comprehensive overview of the rich and varied literary traditions of Spain. Beginning with medieval epics and romances and continuing through the Golden Age of Spanish drama and the Romantic movement, Ticknor's work reveals the many ways in which Spanish literature has influenced and reflected the culture of Spain throughout the centuries. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. A History of the Spanish Novel

Reprint of the original, first published in 1872. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

History of Spanish Literature

Excerpt from *History of Spanish Literature*, Vol. 1 of 3 The natural result of such a long-continued interest in Spanish literature, and of so many pleasant inducements to study it, has been - I speak in a spirit of extenuation and self-defence - a book. In the interval between my two residences in Europe I delivered lectures upon its principal topics to successive classes in Harvard College; and, on my return home from the second, I endeavoured to arrange these lectures for publication. But when I had already employed much labour and time on them, I found -or thought I found - that the tone of discussion which I had adopted for my academical audiences was not suited to the purposes of a regular history. Destroying, therefore, what I had written, I began afresh my never un welcome task, and so have prepared the present work, as little connected with all I had previously done as it, perhaps,

can be, and yet cover so much of the same ground. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. History of Spanish Literature

Excerpt from A History of Spanish Literature The vast progress made in all departments of literary scholarship, and the minuteness with which knowledge is now subdivided, threaten to leave the general reader bewildered at the diversity and bulk of what is presented to him. The exact historian of literature concentrates his attention on so narrow a field that he cannot be expected to appeal to a wide class; those who study what he writes are, or must in some measure grow to be, his fellow-specialists. But the more precisely each little area is surveyed in detail, the more necessary does it become for us to return at frequent intervals to an inspection of the general scheme of which each topographical study is but a fragment magnified. 'It has seemed that of late the minute treatment of a multitude of intellectual phenomena has a little tended to obscure the general movement of literature in each race or country. In a crowd of handbooks, each of high authority in itself, the general trend of influence or thread of evolution may be lost. A Short History of Spanish Literature, by Jose Luis Perrier ...

A New History of Spanish Writing, 1939 to the 1990s explores the diversity of some sixty years of imaginative writing by Spaniards, its interactions with Spain's peculiarly dramatic history since the end of its Civil War, and its wider thematic significance. It covers the famous and canonical texts of the most recent in Modern Spanish literature but also explores areas less well-known outside Spain (essays and editorials, queer narrative, new poetry, comics, and texts of the militant and reactionary Right). More space than is usual in literary histories is allowed for commentary on famous texts, but the book also makes room for the marginalized and for socially contextualized explorations of the interconnectedness of various forms of writing. The overall structure is not chronological but thematic, dealing with abstract and topical issues such as silence, the family, or realism.

A History of Spanish Literature

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. We have represented this book in the same form as it was first published. Hence any marks seen are left intentionally to preserve its true nature.

History of Spanish Literature; Volume III

This title explores the rich literary history of Spain which resonates with contemporary debates on transnationalism and cultural diversity. It introduces readers to the ways in which Spanish literature has been read in and outside Spain explaining misconceptions, outlining insights of scholarship and suggesting new readings.

History of Spanish literature : in three volumes. 1

The present English version, authorized by the publishers and heirs of M. Merimee, is based on the third French Edition. New material of two sorts has been added, however. First, the translator has been allowed to utilize an annotated, interleaved copy of the *Precis*, 1922, in which the author, and after his death his son Henri, himself a distinguished Hispanist, had set down material for the next revision. This accounts for many inserted names and phrases, and some paragraphs. Second, the translator has rewritten and added with some freedom.
