Buy only what you need as you go

You will suck at this for a while :

Failures create powerful learning moments

Find the shortest path to "hands on"

You choose the level of difficulty

Find tutorials on the essentials

Maximize the types of sensory input (hearing, seeing, touch etc...)

Teach yourself with pre-made course material

Audit a college course on your target subject

Add more variation in the resources you use

Recruit friends and family to help you find resources
