Toughest Cowboy in Texas

A sassy, laugh-out-loud second-chance romance from USA Today bestseller Carolyn Brown, author of *The Strawberry Hearts Diner* and *The Ladies' Room*. The last time Lila Harris was in Happy, Texas, she was actively earning her reputation as the resident wild child. Now, a little older and wiser, she's back to run her mother's cafe for the summer. Except something about this town has her itching to get a little reckless and rowdy, especially when she sees her old partner-in-crime, Brody Dawson. Their chemistry is just as hot as ever. But he's still the town's golden boy-and she's still the wrong kind of girl. Brody hasn't had much time lately for anything other than ranching. Running the biggest spread in the county and taking care of his family more than keeps him busy. All that responsibility has him longing for the carefree days of high school-and Lila. She may have grown up, but he still sees that spark of mischief in her eyes. Now he's dreaming about late-night skinny dipping and wondering how he can possibly resist the one woman he can never forget... "Carolyn Brown makes the sun shine brighter and the tea taste sweeter. Southern comfort in a book." -- Sheila Roberts, USA Today bestselling author

His Texas Heart

From New York Times and USA Today Bestselling Author Lisa Mondello...Book 6 in the contemporary western romance series TEXAS HEARTS...HIS TEXAS HEARTTime was running out for Cole Rivers. He may not have been born in the United States, but Texas was the only place he'd ever called home. He had just weeks to find the proof he needed, or risk being deported. All he needed was a little help from the daughter of the local doctor who'd treated him years ago. He didn't count on Dr. RaeAnne Daniels being so difficult to work with. But despite his own troubles, and the distraction this beautiful woman became with each passing day, how could he leave her in her time of need?RaeAnne Daniels never knew why it was so important for her father to set up his medical practice on the border of Mexico instead of working in a thriving Texas city like the one she practiced in. But when her father died and left RaeAnne in charge of cleaning up his office, she found it hard to leave the border town and people she'd always resented growing up. Cole Rivers had been her father's patient and he had problems of his own. The break-ins at the clinic and the drugs being stolen were her problem. But that didn't stop her from falling for the devastatingly handsome cowboy with a heart of gold...or stop him from showing her how wonderful true love could really be.

Dakota Wedding

From New York Times and USA Today bestselling author Lisa Mondello, book 6 of the popular DAKOTA HEARTS western romance series. Ian McKinnon was just getting steady on his feet, looking forward to the opening of the Wounded Veterans Center and a big McKinnon wedding celebration, when tragedy struck again. The soldier who'd saved his life while in the military has died. He's charged with his most important mission: find his friend Carlos's family in Mexico or become guardian and raise Carlos's children. The only mandatory stipulation of his friend's will was that Ian live under the same roof with Abby Townsend, a firefighter from Carlos's firehouse. Abby knew the kids well and she could help ease them all through the transition of becoming a family. Okay, so Ian may not be daddy material, but he'd grown up with a whole lot of McKinnons running around. He could handle the kids just fine. The beautiful

Abby Townsend was another story. Abby took one look at Ian and shook her head with utter disbelief. What were her dear friends thinking by naming a man whose nickname was "The Hazard" as guardian of their three small children? She only needed to spend one year in Ian's house in South Dakota. She had to either find Carlos's family, or convince Ian that she was the better person to raise the children. Abby knows how hard it is to lose someone you loved. She'll be there to protect the children in any way she can. But can she protect her heart from falling in love with a man known for taking too many risks...and risk heartbreak again? DAKOTA HEARTS series: Book 1 - Her Dakota Man Book 2 - Badland Bride Book 3 - Dakota Heat Book 4 - Wild Dakota Heart Book 5 - His Dakota Bride Book 6 - Dakota Wedding and coming in 2015, check for more Dakota Hearts books. Texas on My Mind

The McCord Brothers are the most eligible bachelors in Spring Hill, Texas. But these cowboys are about to get wrangled by the love of some very unique women—the kind who can melt hearts and lay it all on the line. Air force captain Riley McCord has come home on medical leave to find one heck of a welcome reception. Every unattached woman in Spring Hill, Texas, wants to nurse him back to health. That includes his childhood friend Claire Davidson—the only person who understands how damaged

he really feels. In high school, she chose his best friend over him. According to Riley's rules, that should make her off-limits forever. But when Claire suggests a no-strings fling, he can't refuse. Claire always wanted Riley—but she also craved the safety and stability he couldn't offer. So she chose another path, only to end up crazier about him than ever. She's even convinced herself that this time she won't be devastated when he leaves. Yet once Riley realizes the depth of Claire's feelings—and his own—he'll have to make the ultimate choice: return to the job he loves or stay home for the woman who's always lived in his heart.
