I Called Him Grand Dad

In 1961, small town lawyer Harvey Fields died. His memory slowly disappeared over the years. Forty-five years later his political papers were discovered and identified a person that was far different from the aged lawyer from Farmerville, Louisiana. He had been a political activist fighting for the just causes of the American laboring man in Louisiana and America. Fields was a law partner of Huey Long, Chairman of the Louisiana Public Service Commission, State Senator and Federal District Attorney. He was a Democratic Convention Delegate four time and was famous for his floor fights. His calls for a just America eventually cost him his job

I Called Him Grand Dad

¿I Called Him Grand Dad¿ by Thomas T. Fields, Jr. ¿I Called Him Grand Dad¿ is a Biography of Harvey Goodwin Fields written by his grandson Thomas T. Fields. The book itself is an exploration in not only Field¿s life but also about America. It explores the behind the scenes politics at the levels of both state and federal levels. It delves into the everyday life, setting the stage for industry, work conditions, laws and ethics while giving us a rich insight about a man who was convicted by his own standards and who by his actions did what he thought was right. An advocate of the Law, Fields would rise to fame and notoriety of one of the greatest legal minds and Public Servants in American History. This book covers our history from the late 1800¿s until the mid 1900¿s and is truly a chronicle of our America. Through two World Wars, the great depression, prohibition, unionizing, high profile court cases such as the Scopes Trial and his runs on State and Federal positions including the White House, Harvey G. Fields had a remarkable life that you can now be a part of too. This book, unlike many that draw conclusions by theory to what was thought and what was said is supported with dozens upon dozens of actual letters, memo¿s and notes written by fields himself. Fields himself was a Progressive Democrat and will appeal to the party of today in his thoughts, actions and legislation. For the opposition to the Democratic Party of today it will give you insights to the workings of, and the history of that party. However, no matter which side you fall on, pro or con in the political arena this is a book about our country and it is rich with our history as a nation. Craig Anderson Our History Project

Fans Called Him Turkey, I Called Him Dad

Baseball Hall of Famer Norman Thomas "Turkey" Stearnes (1901-1979) batted more than .400 three times, led the Negro Leagues in home runs seven times and holds the all-time Negro Leagues record for career home runs. Despite his legendary achievements on the field, Stearnes worked off-seasons in Detroit's auto plants, including one owned by Walter Briggs, who also owned the Detroit Tigers--a team Stearnes couldn't play for because he was black. Written by his eldest daughter, this first biography of "Turkey" Stearnes intimately recounts his life and career and gives overdue recognition to one of the greatest all-around players in the history of baseball.

Tell Me a Story, Grand Dad

Stories that will fascinate children and give comfort and happiness in a book that is easy read with accepted mannerism.

One from the Least and Disappearing Generation

A true story of a boy born just months before the "Crash of 1929." Young Oliver "hawked" newspapers as a seven-year old, learned important life skills, and became "the eyes" for a loving, blind grandfather who taught the young man how to "see with the mind's eye."

Perfectly Imperfect

High school changes everything. Molly and Aaron had been best friends since childhood. As neighbors, they were always together. Just before graduation, they begin to realize there may be more between them than friendship. But the transition isn't easy. When Molly's mother finds them asleep on her couch, she assumes the worst and kicks Molly out, setting in motion life-changing events. Soon Molly is brought completely into Aaron's world, and she believes for a moment she may have found perfection. When tragedy strikes, Molly and Aaron are put to the test, forcing them to figure out what it means to grow up. And when a friend becomes a backstabber, their relationship crashes to a halt. Filled with the real issues teens face in today's society, Allison Betancourt's debut novel explores the ups and downs faced by two teens on the edge of adulthood. In the midst of the pain and chaos, these teens will find that life is simply Perfectly Imperfect.

For a Minute, I Lost Myself: The Past and Present of a Schizophrenic

This is a book about the causes, effects, and coping strategies pertaining to Schizoaffective Disorder. The story is an account of my struggle with this difficult mental illness. The book is a description of a descent into madness, the repercussions of that descent, and the things I did to get my life back on track after my frightening and bizarre experience with Schizoaffective Disorder. If you or someone you know is suffering from Schizoaffective Disorder, Schizophrenia, Bi-Polar Disorder, or severe depression, then you should think about reading this book. This book provides insight into the mind of a person affected by this most misunderstood illness and explains the steps necessary to make a full recovery from it. Readers of this book will come away with an understanding that there is much hope for people suffering from mental illness, and that if the illness is taken seriously, a meaningful and productive life can still be lived regardless.

Emily's Vengeance

Emily was a happy, bubbly little girl until events took a tragic turn one summer night in Galveston, Texas. Suddenly her mother and sister are dead and Emily is left dying in the swamp while the murderer calmly drives away. Emily's life is spared when she is found and rushed to hospital with critical head injuries. The killer is tracked down, tried, and convicted. In the months to come Emily appears to recover fully, but there remains a deeper, unhealed injury. Emily and her father settle back into a comfortable life before fate strikes another sudden blow and Emily is left alone. Sorting through the personal effects of her father she discovers his darker side. She learns from a diary that he had plotted a bitter revenge against the murderer and his family. Emily makes a solemn vow and retrieves the gauntlet her father dropped. As a series of unfortunate deaths begin to occur in the convicted man's family who could have suspected that they were being committed by such a young, charming, and educated woman? Even if they suspected they would never catch her — but things are not at all what they seem.

All The White Folks is a historical- biography of a family of African/ European descent who through hard work, education and diligence rose above the stereotypical depictions of people of color by the media- past and present.

Journal of Clan Ewing

Based on actual events and set against the historical backdrop of America's longest war, Wounded in Action tells the compelling and gripping story of courage and determination of one of the Army's most elite combat soldiers as he faces the realities of surviving near fatal wounds and struggles to overcome the life changing devastation inflicted on his mind and body from the explosion of an enemy landmine.

All the White Folks

Still No Ice at the Fish Market opens with a bomb exploding in the midst of lovemaking and ends up as one of the most innovative literary experiments in years. Two narrators, Eddie Ambler and his former fiance Marsha Beauregard, unfold a harrowing but hilarious tale in alternating chapters, making a fillet of Poe and Southern Gothic storytellers. Eddie writes in huge, impassioned sentences with pyrotechnic imagery while dodging bombs galore. The woman he has loved and lost but hopes to win again confronts the chaos with exceptional clarity and precision. In the final chapter, after Marsha helps deliver Eddie from his nightmares, their divergent styles unite in deeper love, becoming indistinguishable. As the genius who guides these eerie games, the ghost of Poe is exorcised decisively in this rollicking, redemptive respite from the Gothic!

Chambers's Edinburgh Journal

An old-fashioned mystery, a contemporary mystery, and an avant-garde mystery are presented in Three Plots for Poe. This sequence is a tribute to the Gothic genius of Poe who shaped the mystery genre. At the same time, these tales explore three phases of the genres progress and at last escape its Gothic limits altogether. An old-fashioned mystery, Death Calls the Shots invokes the golden age of pulp mysteries in a way that led Jacques Barzun, one of the ultimate authorities on this era, to express his admiration of the story for its mood, plot, pace, and structure. A contemporary mystery, Love in the Modern Landscape offers an unusual blend of evil and intelligence endangering a pair of lovers who appear unequal to the threat. An avantgarde mystery, Still No Ice at the Fish Market opens with a pair of bangs a bomb exploding in the midst of lovemaking and ends up as one of the most unusual literary experiments in many years. Two alternating narrators in this story capture the extremes of classic clarity and Gothic chaos, wit and weirdness, as they hand the story to each other from one chapter to the next until the final chapter blends their separate styles. In all three novels, passionate love affairs become more powerful than evil in competing for the center of the story. As the genius who rules these Gothic games, the ghost of Poe is exorcised at last.

Take a fictional ?road trip? on a mystical mystery and spiritual tour as a fictitious six-member 80s and 90s rock and roll band fashioned after the Beatles rides through occultism and New Age mysticism with their lives of stardom mixed with plenty of tabloid fare, sex, drugs, and rock and roll. The crash that comes afterward, including near-death experiences for two of the band members, leads to a more uplifting spiritual journey along with missions to defeat the Evil after nearly getting sacrificed on a blood-laden altar while the forces of Good watch over them. This is a three-book tale of good vs. evil, where the band must make their choice. The first two books in this complete trilogy were originally self-published and printed in 1996 and 1998 while the third book was e-published as a PDF in 2018.

This "three-novels-in-one" e-book was revised somewhat from the original novels, created for the e-book market. Printed versions may also become available.

Wounded in Action

"This isn't a story about putting the puck in the net, although that is part of it, but of understanding your brothers on the ice and your brother in real life. But when your brother in real life has a mental illness, it brings an entirely new look to the picture." Steve Tomassini is a gifted, All-American athlete with a promising future in hockey and the smarts to run his own small business. As one of the most talented defensemen to play for Boston University, Steve is known for an unfailing drive and determination that continue to make him a success. His brother, Tony, is a fiction writer and business graduate who has been in and out of mental institutions since the age of 22. Not willing to give up the fight, Tony is determined to try and get his life back, and Steve is the only one that can help him do it. A winning story of brotherhood, courage and team spirit, *Defenseman* shows how the bonds of true friendship are forged. Michael J. Maloni is the author of two published novels, *Defenseman* and *Shortstop: Where Grace and Power Collide!* He is a graduate of Boston University, after attending Northeastern University and Keene State College. He has been blessed with talent and would like to thank his fans! They should be on the lookout for his novel about college football. <http://sbpra.com/MichaelJMaloni>

Still No Ice at the Fish Market

The Time Tourist is a mostly serious and sometimes humorous story of Juan Tomas, introverted 30-something individual who builds a time machine and ends up trapped in the 26th century. Not realizing he has committed a serious offense, he is apprehended by Illyana, an exotic and beautiful time cop who is charged with both holding him in custody and protecting him from sinister forces who seek to use him for nefarious purposes. Told in first person narratives, alternatively by Juan and Illyana we learn of Juan discovering that he has a messiah-like role in the future: to save all of humankind.

The Prodigal Band Trilogy

Are you aware of the spiritual battle being waged around you today? The truth is that although spiritual warfare is a major theme in the Bible, many of us gloss over it--or ignore it completely. But 80 percent of the synoptic gospels addresses the battle with evil spirits, and Jesus and His disciples set a clear example for believers. We cannot afford to practice a powerless Christianity in a fallen world. In this essential, accessible resource, former evangelical seminary professor and missionary Charles Kraft helps you find your footing in the spiritual battle. Based on a solid biblical foundation and on decades of ministry experience, this book will help you: · Differentiate between myths and truths about spiritual warfare · Recognize the everyday battles taking place around you · Learn what demons really are and what they actually do · Understand the rules for engaging the enemy · Achieve victory in daily battles with the help of the Holy Spirit Don't let fear keep you from engaging the spiritual forces at work around you. Some problems can't be overcome in any other way. "This book is a must-read for anyone looking to engage in spiritual warfare." --Larry Richards, author of *The Full Armor of God* "Dr. Kraft has removed the veil of mystery that has surrounded deliverance ministry for far too long. With truth and honesty, he has opened the door to the evangelical community and given us the tools to set the captives free."--Tim Howard, president and founder, Wellsprings of Freedom International "For more than thirty years now, Dr. Charles Kraft has been studying and writing about spiritual warfare. In this latest book, Dr. Kraft summarizes his findings and shares from his years of experience his approach to inner healing and deliverance ministries. This book needs to be read by every student studying spiritual formation, by every missiologist engaged in missionary activities and by every pastor and church worker committed to making healthy disciples of the Lord Jesus Christ."--Douglas Hayward, department chair, Graduate Intercultural Studies, Cook School of Intercultural Studies, Biola University

"Personally awakened to the spiritual nature of our Christian faith, Charles Kraft calls us to wake up as well. This book is a must-read for any who seek to understand God's work in the world today from the vantage point of an evangelical who daily engages in spiritual warfare."--Scott Moreau, professor of intercultural studies, Wheaton College Graduate School "Most Christians are blind to the spiritual realities around us. This book pulls back the veil into the unseen world, where there is a battle. This book will quickly become a classic. Charles is steeped in wisdom in the area of spiritual warfare and has dedicated his life to bringing restoration to the church."--Judith MacNutt, M.A., president and co-founder, Christian Healing Ministries "Charles Kraft has taken a topic that is still controversial among some in the body of Christ--spiritual warfare--and boiled it down to something we can all agree on: There is an enemy countering expressions of God's love in the lives of believers and lost souls alike that we must combat."--Jennifer LeClaire, senior editor at Charisma magazine and director of Awakening House of Prayer in Fort Lauderdale "Again, Chuck Kraft has reminded us that 'we are at war with a cruel enemy.' This guide to the warfare reflects Dr. Kraft's passion for God's people to experience the full measure of the Father's love. His writing is grace-filled, balanced, thoughtful and practical."--John Shultz, Ph.D., president, Ashland Theological Seminary

Norfolk: Its History, Geography and Civic Development

He was big . . . the biggest of the litter . . . big enough to wrestle bears, and he did, two, maybe more; but he killed many. When he woke up in that black inky night he couldn't see, thought he was blind, and had a massive hangover from his Daddy's Cherry Jump moonshine. A buzzard had died in his mouth and with it came rotten dog breath. A headache like someone had hit him with a pole axe made him feel like he was dead, dead as four-o'clock. And did he smell! Wow! His torn bib overalls were soaked in sour mash. Other than not knowing where he was, he still thought he was alright, and that too was

a problem. Was there any hope or any salvation? Luckily, he had been weather hardened by war. He stood up and he tired to walk, but ran into something. It knocked him down. When he fell, he heard something rattle. It was a trace chain attached to a leather dog collar around his neck. But in the inky dark he couldn't see his hand in front of him. He got up again and found the trace chain wrapped around a tree, and locked. Shocked, he screamed out, "Goddamn! I'm chained to a tree," then screamed louder, "They have chained me to a tree like a wild cur dog!" Now mad as hornet with his stinger busted, he felt around and found something else about the tree. This time he screamed even louder, "Son of a bitch! It's my goddamn tree! Who in the hell would chain me to my own tree?" He sat back down against the family tree stunned, and then realized; "It's got to be my . . . family. Chained me like a goddamn cur dog to a tree. But which one of them would have the nerve to do this . . . to ME?" Then he realized it could be only one person. He stood up and screamed, "Mama! Then he fell down again, pounded the ground, cried like his heart tore out. He got up off the ground, went into a wild-man's rage then fainted with exhaustion. Then he got sick, tried to walk, but threw up all over himself. And the chain snatched him back and down into his vomit; it was all over him like those bugs. He pounded the ground with his fist, wondering how in the world he had gotten here and where he was. Again and again, he got up. Each time he tried to walk in another direction, but the chain snatched him off his feet and back down on the ground and into his rotten vomit. It didn't matter what direction he walked. Finally exhausted, he couldn't get back on his feet. Still he kept asking himself, "Where in the hell am I, and who in the hell put this collar on me?" All night he shouted and wallowed in his vomit like an itchy, old, fat hog taking a bath in new mud. He heard no one come in the dark, silent, black night. Thank God! His vomit smell finally ran the goddamn bugs off his body and away. AUTHOR REVIEWS "Another one of the best of the best; has an eye for writing more good novels. Just Great! What can a person do when they read a story like this one? You have the knack for telling stories from the Blue Ridge Mountains. Just keep it up and I'll keep looking for another book." -Hyway94, Everywhere, USA- "I like the back-story (flash back) that leads in. Very well written and has great flow about something I know nothing about." - Isle of Travey, Auckland 1172 New Zealand- "Another highly written book, written in your unique style, and I loved the antics in this one. You are so gifted to have such a unique spelling ability." -rivki1111, USA- "This is the very best chapter (#54) of your novel. Of course, I am so glad the villain got his come up-ins. Dredd reminded me of one of my ex-husbands. You've got a great book here." -Oatmeal (Camille Whitman), USA- "You have a talent for realistic character, engaging dialogs

Grand Dad's Book of Verse

Proceeds from the sale of this book will be donated to: Sun Youth Montreal / Orange and Protestant Children's Home Foundation. This true, first-person memoir of a boy's perseverance in the face of family dysfunction and adversity in the Montreal area of the 1960s and early '70s offers a harrowing look inside a child's soul-crushing loss of innocence between the ages of 4 and 16. Wawa, one of seven children born to an alcoholic father and clinically depressed mother, refuses offers to fix his broken glasses, wearing them as an outward statement of his heartbreakingly broken life. His hunger for love and guidance and his will to survive to adulthood in the face of fear, loneliness, anxiety, hardship and poverty will have readers cheering him on. This is an account that resonates with the lives of thousands

of abused and neglected children who remain invisible. Wawa is the voice of the silent ones. To order the Kindle version: www.thekidwithbrokenglasses.com

Bridging Eight Decades

A widow finds solace working in her family's lingerie shop in this heartwarming novel by the author of *A Different Kind of Normal*. For decades, the women in Meggie O'Rourke's family have run Lace, Satin, and Baubles, a lingerie business that specializes in creations as exquisitely pretty as they are practical. The dynamic in Meggie's family, however, is perpetually dysfunctional. In fact, if Meggie weren't being summoned back to Portland, Oregon, by her grandmother, she'd be inclined to stay away all together. Since her husband's death a year ago, Meggie's emotions have been in constant flux, and so has her career as a documentary filmmaker. Finding ways to keep the family business afloat—and dealing with her squabbling sister and cousin—will at least give her a temporary focus. To draw customers to their website, Meggie decides to interview relatives and employees about their first bras and favorite lingerie. She envisions something flip and funny, but the confessions that emerge are unexpectedly poignant. There are stories of first loves and aching regrets, passionate mistakes and surprising rendezvous. And as the revelations illuminate her family's past, Meggie begins to find her own way forward. With warmth and unflinching humor, *If You Could See What I See* explores the tender truths we keep close—and what can happen when we find the courage to bare them to the world. Praise for Cathy Lamb "This finely pitched family melodrama is balanced with enough gallows humor and idiosyncratic characters to make it positively irresistible." —Publishers Weekly on *Henry's Sisters*
