Intro

Don't use any scrubs or exfoliants for a week after a facial

Don't touch your face too much after you've had a facial

Stay out of the gym for 24 hours. Sweat can burn your skin
Having a hair removal treatment immediately after your facial runs the risk of over-exfoliation & burning
Do not wash your face for 3-4 hours after a facial
Proper hydration is key to maximizing the benefits of your facial
To protect the effects of your facial, use vitamin C serum to your skincare routine
Before your next appointment, make sure you have a clear understanding of the steps that should be taken after the facial to get the best results
