Words with Fiends

Lately, Hamlet hasn't been chasing customers or being his obnoxious self, something Darla surprisingly misses. Concerned, she hires a cat whisperer to probe Hamlet's feline psyche and then decides to get out of her own funk by taking up karate to learn how to defend herself in case the need arises again. But when Darla finds her sensei dead at the dojo, it seems that even a master can be felled by foul play. Darla decides to investigate the matter herself, and the promise of a mystery snaps Hamlet out of his bad mood. After all, Darla may be the sleuth, but Hamlet's got a black belt in detection.

Bleak House I

Bleak House opens in the twilight of foggy London, where fog grips the city most densely in the Court of Chancery. The obscure case of Jarndyce and Jarndyce, in which an inheritance is gradually devoured by legal costs, the romance of Esther Summerson and the secrets of her origin, the sleuthing of Detective Inspector Bucket and the fate of Jo the crossing-sweeper, these are some of the lives Dickens invokes to portray London society, rich and poor, as no other novelist has done.

A Little Life

Moving to New York to pursue creative ambitions, four former classmates share decades marked by love, loss, addiction, and haunting elements from a brutal childhood.

The New York Times Saturday Review of Books and Art

"Wajahnya sarat dengki dan keputusasaan, seakan tengah mencari sesuatu yang telah direnggut darinya. Dan, wanita itu bersumpah mencurahkan seluruh kebencian dan kesumat dalam dirinya." Ketika Arthur Kipps, pengacara muda, ditugaskan untuk menghadiri pemakaman seorang klien di kota kecil Crythin Gifford, dia menganggapnya sebagai batu pijakan untuk naik jabatan. Sang klien, Nyonya Drablow, tinggal sendiri di Eel Marsh House yang dikepung rawa-rawa berkabut. Rumah besar dan kuno ini yang hanya dapat didatangi ketika air sedang surut. Ternyata tak ada warga Crythin Gifford yang sudi berurusan dengan Nyonya Drablow maupun Eel Marsh House. Mereka bilang tempat itu dikutuk, sering terdengar lolongan mengenaskan dari balik kabut. Kipps menguatkan diri dan nekad bermalam di Eel Marsh House, meski banyak orang mencegahnya. Di rumah angker itu, Kipps bertemu dengan sesosok wanita bergaun hitam. Sosok arwah legenda yang kemunculannya selalu diikuti oleh kematian misterius. Sosok penuh dendam dan kebencian yang selalu ingin memakan korban. Dan kini dia mengejar Kipps. Siapakah sebenarnya wanita bergaun hitam itu? [Mizan Publishing, Qanita, Novel, Klasik, Terjemahan, Indonesia]

THE STORY: The home of the Blackwoods near a Vermont village is a lonely, ominous abode, and Constance, the young mistress of the place, can't go out of the house without being insulted and stoned by the villagers. They have also composed a nasty s

British Books

Forensic archeologist, Dr. Ruth Galloway is back--this time investigating a gruesome World War II war crime.

The Publishers' Circular and Booksellers' Record of British and Foreign Literature

Seventeen of the author's best tales, compiled for the first time in one volume, range from comic ghost stories ("Haunted Subalterns") to grim tales of psychological terror ("The Wandering Jew").

Publishers' Circular and Booksellers' Record of British and Foreign Literature

Concluding the AGE OF MADNESS trilogy, THE WISDOM OF CROWDS brings the series which is revolutionising fantasy to its stunning conclusion. . . Chaos. Fury. Destruction. The Great Change is upon us . . . Some say that to change the world you must first burn it down. Now that belief will be tested in the crucible of revolution: the Breakers and Burners have seized the levers of power, the smoke of riots has replaced the smog of industry, and all must submit to the wisdom of crowds. With nothing left to lose, Citizen Brock is determined to become a new hero for the new age, while Citizeness Savine must turn her talents from profit to survival before she can claw her way to redemption. Orso will find that when the world is turned upside down, no one is lower than a monarch. And in the bloody North, Rikke and her fragile Protectorate are running out of allies . . . while Black Calder gathers his forces and plots his vengeance. The banks have fallen, the sun of the Union has been torn down, and in the darkness behind the scenes, the threads of the Weaver's ruthless plan are slowly being drawn together . . .

New York Times Saturday Review of Books and Art

DIVIn the second novel by the international bestselling Pieter Aspe, Inspector Van In races against the clock to thwart a series of terrorist plots One quiet snow-covered Sunday morning in Bruges, a prominent business executive is found dead in the streets, apparently due to an alcoholic hemorrhage, but for Inspector Van In, there is something about the autopsy that does not add up. When he questions the businessman's friend, a Dutchman, he too is found dead the next morning, burned to death in a house fire. When there is an explosion in the middle of a popular tourist area in downtown Bruges, Van In strives to find the connection between the three incidents, but no one is coming forward to claim responsibility for this terrorist attack. Just an anonymous letter to the police, threatening more bombings—unless they cooperate with a series of demands that would undermine the entire city government. Aided by the spunky and beautiful assistant DA, Hannelore Martens, Inspector Van In finds himself enmeshed in the case that threatens not just the lives of countless innocent people, but the heart of the city he loves. /div

Library Journal/School Library Journal Previews

Woods play an important and recurring role in horror, fantasy, the gothic, and the weird. They are places in which strange things happen, where you often can't see where you are or what is around you. Supernatural creatures thrive in the thickets. Trees reach into underworlds of earth, myth, and magic. Forests are full of ghosts. In this new collection, immerse yourself in the whispering voices between the branches in Wistman's Wood on Dartmoor, witness an inexplicable death in Yorkshire's Strid Wood and prepare yourself for an encounter with malignant pagan powers in the dark of the New Forest. This edition also includes notes on the real locations and folklore which inspired these deliciously sinister stories.

The Woman in Black

'A gorgeous, grisly modern fairy tale.' - THE GUARDIAN 'Dark and delicious. House of Hollow hums with malice and mystery. I devoured it whole.' - KIRAN MILLWOOD HARGRAVE ** SHORTLISTED FOR THE YA BOOK PRIZE 2022 ** The Hollow sisters - Vivi, Grey and Iris - are as seductively glamorous as they are mysterious. They have black eyes and hair as white as milk. The Hollow sisters don't have friends - they don't need them. They move through the corridors like sharks, the other little fish parting around them, whispering behind their backs. And everyone knows who the Hollow sisters are. Because one day the three Hollow sisters simply disappeared. And when they came back, one month later, with no memory of where they had been, it was as if nothing had changed. Almost nothing. Apart from, for example, the little scar that had appeared in the hollow of their throats ... and a whispering sense that something is not quite right about them, despite (or maybe because of) the terrible passion to be with them that they can exert on anybody at will... A thrilling, twisting, novel that is as seductive and glamorous as the Hollow sisters themselves....

We Have Always Lived in the Castle

Anthony McGowan is the Carnegie Medal 2020 winning author of Lark. He is coming to kill me. Now would be a good time to run. I cannot run. I am too afraid to run. Paul Varderman could be at any normal school - bullies, girls and annoying teachers are just a part of life. Unfortunately 'normal' doesn't apply when it comes to the school's most evil bully, Roth, a twisted and threatening thug with an agenda quite unlike anyone else. When Paul ends up delivering a message from Roth to the leader of a gang at a nearby school, it fuels a rivalry with immediate consequences. Paul attempts to distance himself from the feud, but when Roth hands him a knife it both empowers him and scares him at the same time . . . This thought-provoking and original novel highlights the terrible consequences of peer pressure and violence, and casts a spotlight on the worrying rise in knife crime among teenagers.

The Reference Catalogue of Current Literature

When the two strangers turn up at Rowena Cooper's isolated Colorado farmhouse, she knows instantly that it's the end of everything. For the two haunted and driven men, on the other hand, it's just another stop on a long and bloody journey. And they still have many miles to go, and victims to sacrifice, before their work is done. For San Francisco homicide detective Valerie Hart, their trail of victims—women abducted, tortured and left with a seemingly random series of objects inside them—has brought her from obsession to the edge of physical and psychological destruction. And she's losing hope of making a breakthrough before that happens. But the murders at the Cooper farmhouse didn't quite go according to plan. There was a survivor, Rowena's ten-year-old daughter Nell, who now holds the key to the killings. Injured, half-frozen, terrified, Nell has only one place to go. And that place could be even more dangerous than what she's running from. In this extraordinary, pulse-pounding debut, Saul Black takes us deep into the mind of a psychopath, and into the troubled heart of the woman determined to stop him.

The House at Sea's End

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

The Mark of the Beast

A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

The Wisdom of Crowds

An incredible collection of twelve horrifying short stories. Many of these ghost stories are set in Limerick, Ireland. The use of folklore gives them a compelling atmosphere, uniquely different from the gothic supernatural tales of the time.

The Midas Murders

This “gloriously tangled game of cat and mouse” (Ruth Ware, #1 New York Times bestselling author) explores the anxieties of impending motherhood, unreliable friendship, and the high price of keeping secrets. Perfect for fans of the thrillers by Paula Hawkins and Robyn Harding. In this “outstanding debut thriller” (Booklist, starred review), Helen's idyllic life—handsome architect husband, gorgeous Victorian house, and cherished baby on the way—begins to change the day she attends her first prenatal class. There, she meets Rachel, an unpredictable single mother-to-be who doesn't seem very maternal: she smokes, drinks, and professes little interest in parenthood. Still, Helen is drawn to her. Maybe Rachel just needs a friend. And to be honest, Helen's a bit lonely herself. At least Rachel is fun to be with. She makes Helen laugh, invites her confidences, and distracts her from her fears. But her increasingly erratic behavior is unsettling. And Helen's not the only one who's noticed. Her friends and family begin to suspect that her strange new friend may be linked to their shared history in unexpected ways. When Rachel threatens to expose a past crime that could destroy all of their lives, it becomes clear that there are more than a few secrets laying beneath the broad-leaved trees and warm lamplight of Greenwich Park.

American Book Publishing Record

You can run from your past, but you can't hide forever... Rebecca Bray has moved on from a childhood she desperately wants to forget. She has everything she's ever wanted - the perfect fiancé, a loving stepdaughter, a career she's proud of, and now the house of her dreams. But when the family move to the Cornish village where Rebecca grew up, everything she wanted to bury from those years starts to claw at the surface. Then, when her stepdaughter goes missing at a New Year's Eve party, Rebecca must finally face the ghosts of her past - or Ava might never come home safely... A haunting, atmospheric read full of twists, turns and bumps in the night - perfect for fans of Ruth Ware, Nuala Ellwood and Sophie Draper. 'Atmospheric, haunting and superbly plotted. I still have goosebumps!' Carissa Ann Lynch, USA Today bestselling author of *The Secrets of Cedar Farm* 'Claustrophobic, emotional, suspenseful and packed full of twists' Sarah A. Denzil, bestselling author of *Little One* 'Eerie, atmospheric and full of suspense. I couldn't put it down' Amanda Brittany, author of *The Island House*

Weird Woods

The fifth book in the Magic Men series, *Now You See Them* is a wild mystery with detective Edgar Stephens and the magician Max Mephisto, as they investigate a string of presumed kidnappings in the swinging 1960s. The new decade is going well for Edgar Stephens and his good friend the magician Max Mephisto. Edgar is happily married, with children, and promoted to Superintendent. Max has found fame and stardom in America, though is now back in England for a funeral, and a prospective movie job. Edgar's new wife, though--former detective Emma--is restless and frustrated at home, knowing she was the best detective on the team. But when an investigation into a string of disappearing girls begins, Emma sees her chance to get back in the action. She begins her own hunt, determined to prove, once and for all that she's better than the boys. Though she's not the only one working toward that goal--there's a new woman on the force, and she's determined to make detective. When two more girls go missing, both with ties to the group, the stakes climb ever higher, and Max finds himself drawn into his own search. Who will find the girls first? And will they get there in time?

LIFE

The Chimes A Goblin Story of Some Bells that Rang an Old Year Out and a New Year In, a short novel by Charles Dickens, was written and published in 1844, one year after *A Christmas Carol*. It is the second in his series of Christmas books five short books with strong social and moral messages that he published during the 1840's.

House of Hollow
