

The Effect Of Organizational Citizenship Behavior On

[#organizational citizenship behavior](#) [#OCB impact](#) [#employee voluntary actions](#) [#workplace productivity](#) [#organizational effectiveness](#)

Organizational Citizenship Behavior (OCB) refers to the voluntary actions employees take that go beyond their formal job requirements, contributing positively to the overall success and environment of an organization. Understanding the profound impact of OCB is crucial for fostering a productive workplace, enhancing team cohesion, and ultimately driving long-term organizational effectiveness through discretionary employee efforts.

Organizational citizenship is the behavior of individuals that makes a positive overall contribution to the organization.

Similarly, the social context in which the individual works, or work group, will need to facilitate and promote such behaviors.

CULTURE And the organization itself, especially its culture, must be capable of promoting, recognizing, and rewarding these types of behaviors if they are to be maintained.
