Black Dawn

With its eclectic mix of vampire and human citizens, Morganville, Texas, has always been a risky place to call home. But with the invasion of the vampire's deadliest enemy, Morganville isn't just in danger—it's dying... Ever since the draug—mysterious creatures that prey on vampires—took over Morganville, the lives of student Claire Danvers and her friends have been thrown into turmoil. Most of the town's residents have evacuated, but Claire, Shane, Eve and Michael have chosen to stay and fight. Using the city's water system to spread, the draug have rapidly multiplied. Things in Morganville look grim, especially since vampire Amelie—the town founder—has been infected by the master draug's bite. Now, if Claire and her friends don't figure out how to cure Amelie and defeat the draug, it looks like Morganville will become little more than a ghost town...

Black Dawn

Something drastic has happened in Morganville while Claire and her friends were away. The town looks cleaner and happier than they've ever seen it before, but when their incoming group is arrested

and separated-vampires from humans-they realize that the changes definitely aren't for the better. It seems that an organization called the Daylight Foundation has offered the population of Morganville something they've never had: hope of a vampire-free future. And while it sounds like salvation-even for the vampires themselves-the truth is far more sinister and deadly. Now, Claire, Shane and Eve need to find a way to break their friends out of Daylighter custody, before the vampires of Morganville meet their untimely end.

Daylighters

When student Claire Danvers gets the chance to experience life on the outside, she takes it. But Morganville isn't the only town with vampire trouble... Claire never thought she'd get to leave Morganville, but she can't pass up the chance to finally attend her dream school, MIT. After all, getting to invent anti-vamp devices with Professor Anderson—a Morganville exile herself—sounds like a dream come true...until Claire realizes that there are sinister forces in play, and she's not the only one with a vampire-related agenda. Without her friends Shane, Eve and Michael, surviving a killer schedule may be hard...but with them, it might turn out to be impossible.

But it's proving incredibly problematic, and with the odds seemingly stacked against them, the biggest question of all is . . . Will they survive?

Kiss of Death

For years, the human and vampire residents of Morganville, Texas, have managed to co-exist in peace. But now that the threat to the vampires has been defeated, the human residents are learning that the

gravest danger they face is the enemy within... Thanks to the eradication of the parasitic creatures known as the draug, the vampires of Morganville have been freed of their usual constraints. With the vampires indulging their every whim, the town's human population is determined to hold on to their lives by taking up arms. But college student Claire Danvers isn't about to take sides, considering she has ties to both the humans and the vampires. To make matters worse, a television show comes to Morganville looking for ghosts, just as vampire and human politics collide. Now, Claire and her friends have to figure out how to keep the peace without ending up on the nightly news...or worse.

Black Dawn

Morganville. Texas. Just south of normal. In the college town of Morganville, vampires and humans coexist in (relatively) bloodless harmony. Then comes Bishop, a master vampire who threatens to abolish all order, revive the forces of the evil dead, and let chaos rule. But Bishop isn't the only threat. Violent black clouds promise a storm of devastating proportions. As student Claire Danvers and her friends prepare to defend Morganville against the elements - both natural and unnatural - the unexpected happens: Morganville's vampires begin to vanish one by one. Discovering why leads Claire to one last choice: swear allegiance to Bishop . . . or die. 'Thrilling, sexy and funny! These books are addictive. One of my very favourite vampire series.' Richelle Mead, author of the international bestselling Vampire Academy series.

Lord of Misrule

Morganville is a quiet college town where humans and vampires live in relative peace. But lately a great deal of blood is being spilt . . . Having survived a number of adventures with her new night-dwelling friends, college student Claire Danvers has come to realise that for the most part, the undead just want to get on with their lives. But someone else wants them to get ready to rumble. There's a new extreme sport being broadcast over the Internet: bare-knuckle fights pitting captured vampires against one another – or, worse, against humans. Claire soon discovers that what started as an online brawl will soon threaten everyone in Morganville. And if they want to survive, they'll have to do a lot more than fight . . . 'Thrilling, sexy, and funny! These books are addictive. One of my very favourite vampire series.' Richelle Mead, author of the international bestselling Vampire Academy series.

Bite Club

This title includes a brand new and exclusive morganville short story only available in this edition. In the small town of Morganville, vampires and humans lived in (relative) peace - until all the rules got rewritten when the evil vampire Bishop arrived, looking for the lost book of vampire secrets. He's kept a death grip on the town ever since. Now an underground resistance is brewing, and in order to contain it, Bishop must go to even greater lengths. He vows to obliterate the town and all its inhabitants - the living and the undead. Claire Danvers and her friends are the only ones who stand in his way. But even if they defeat Bishop, will the vampires ever be content to go back to the old rules, after having had such a taste of power?

Anita Blake, Vampire Hunter Collection

It was hard to imagine how Claire's day could get any worse . . . And then the vampires holding her hostage wanted breakfast. In the town of Morganville, vampires and humans have learnt to live in relative peace. Still, Claire Danvers knows that after dark, her homework can take a backseat to staying alive. But this tenuous harmony is turned on its head with the arrival of Mr Bishop. Bad to the bone, the ancient old-school vampire cares nothing about keeping the peace; staying at the top of the food chain is enough. What he wants from the town's living and dead is unthinkably sinister. It's only at a formal ball attended by vampires and their human dates that Claire realises Bishop's plan – and the elaborately evil trap he's set for the warm-blooded souls of Morganville . . . 'Thrilling, sexy and funny! These books are addictive. One of my very favourite vampire series.' Richelle Mead, author of the international bestselling Vampire Academy series.

Carpe Corpus

Bringing together everything Rachel Caine has written in short form about Morganville, this collection is carefully organised into a timeline so you can read from the earliest adventures - some of which belong to vampires - all the way through to post-Daylighters, the final novel in the series. Midnight Bites includes more than 50,000 words of brand-new content, alongside stories compiled from the author's website and anthologies. Including 'Dead Man Stalking' and 'Pitch-Black Blues', these tales feature everyone's favourite bunny-slipper-wearing mad scientist, a fatal car crash, zombies, eerie carnival grounds, a blood-dispensing vending machine and much more. This diverse and supercharged group of stories will shine a little more light in the murkiest corners of Morganville.
