A History of Western Society, Volume 1

Long praised by instructors and students alike for its readability and attention to everyday life, the eleventh edition of A History of Western Society includes even more built-in tools to engage today's students and save instructors time. This edition features a brand-new, comprehensive primary source program in-text and online, expanded chapters devoted to the lives of ordinary people that make the past real and relevant, and the best and latest scholarship throughout. Enhanced with a wealth of digital content—including carefully developed online document assignments for each chapter with auto-graded exercises—the eleventh edition provides easily assignable options for instructors and novel ways for students to master the content. Now integrated with LearningCurve, an adaptive online resource that helps students retain the material and come to class prepared. To see an example of the new Online Document Assignment from Chapter 14, [click here](#). What's in the LaunchPad

A History of Western Society: From antiquity to the Enlightenment

'A History of Western Society' examines the lives of both historical figures and ordinary people, providing a balanced account of Western history as a whole.

From Antiquity to the Enlightenment

'A History of Western Society' examines the lives of both historical figures and ordinary people, providing a balanced account of Western history as a whole.

A history of Western society

This two-volume primary source collection provides a diverse selection of documents to accompany each chapter of A History of Western Society, Ninth Edition, and Western Society: A Brief History, First Edition. Each chapter contains at least four written sources that present history from the perspectives of well-known figures and ordinary individuals alike. Chapter introductions offer an overview of the period under discussion, and document headnotes and reading and discussion questions encourage student understanding. Each chapter concludes with a list of comparative questions that ask students to draw connections between sources and across time.

A History of Western Society / Sources of Western Society

Sources for Western Society provides a variety of primary sources to accompany A History of Western Society, Thirteenth Edition. With over thirty new selections - including several compelling visual sources - and enhanced pedagogy throughout, students are given the tools to engage critically with canonical and lesser known sources. Each chapter includes a "Sources in Conversation" feature that asks students to analyze aspects of differing views on key topics. Sources for Western Society is FREE when packaged with A History of Western Society and is included for FREE with the LaunchPad for A History of Western Society. In LaunchPad for A History of Western Society, 13e, which combines ebooks for A History of Western Society and Sources for Western Society in a central course space, innovative auto-graded exercises accompanying the reader's documents and visuals supply a distinctive and sophisticated pedagogy that not only helps students understand the sources but think critically about them. Sources for Western Society is also available to customize through Bedford Select.

A History of Western Society, Volume A

Now from Bedford/St. Martin's, A History of Western Society is one of the most successful textbooks available because it captures students' interest in the everyday life of the past and ties social history to the broad sweep of politics and culture. The tenth edition has been thoroughly revised to strengthen the text's readability, heighten its attention to daily life, and incorporate the insights of new scholarship, including an enhanced treatment of European exploration and a thoroughly revised post-1945 section. With a dynamic new design, new special features, and a completely revised and robust companion reader, this major revision makes the past memorable and accessible for a new generation of students and instructors.

A History of Western Society, Volume I: From Antiquity to the Enlightenment

A bestseller in its field, A History of Western Society examines the lives of both historical figures and ordinary people, using an engaging, lively writing style to capture and maintain student interest. The authors pay careful attention to political and cultural phenomena, providing a balanced account of Western history as a whole. In addition to its emphasis on social history, the Eighth Edition retains the text's hallmark pedagogical features and visual appeal. In order to promote critical thinking, "Listening to the Past" features present primary source documents and "Questions for Analysis" that reinforce themes in social history. "Individuals in Society" biography features focus on the impact of historical events on an individual or group and explain the actions taken by those people. "Images in Society" photo essays promote visual analysis. New coverage includes the Iceman in Chapter 1, Reformation art in Chapter 14, and eighteenth-century London in Chapter 19. More emphasis has been placed on a broader view of Europe, particularly Islamic regions, and Europe's place in the world. Chapter 9 includes a new section on Moorish Spain, while Chapter 27 focuses on the effects of World War I on Arab nations. The Eighth Edition devotes greater attention to women and gender issues. Expanded coverage includes Spartan and Athenian women, witch hunts, and British women's role in imperialism. - Publisher.

A History of Western Society, Volume 1: From Antiquity to the Enlightenment

Praised by instructors and students alike for its readability and attention to everyday life, the new Concise Edition of A History of Western Society provides the full narrative of the comprehensive edition, as well as a selection of features and tools to engage today's students and save instructors time. This edition includes an enhanced primary source program, a question-driven narrative, five chapters devoted to the lives of ordinary people that make the past real and relevant, and the best and latest scholarship throughout. Available for free when packaged with the print book, the popular digital assignment options for this text bring skill building and assessment to a highly effective level. The active learning options come in LaunchPad, which combines an accessible e-book with LearningCurve, an adaptive and automatically graded learning tool that--when assigned--helps ensure students read the book; the complete companion reader with quizzes on each source; and many other study and assessment tools. For instructors who want the easiest and most affordable way to ensure students come to class prepared, Achieve Read & Practice pairs LearningCurve adaptive quizzing and our mobile, accessible Value Edition e-book, in one easy-to-use product.

A History of Western Society 9th Ed Vol 1 + Atlas of Western Civilization

This primary source collection provides a diverse selection of sources to accompany each chapter of A History of Western Society, Tenth Edition. Each chapter contains at least five sources that present history from the viewpoints of well-known and ordinary individuals alike. Now with 19 visual sources and 30% more documents, this edition offers great breadth and depth in its sources. To foster lively comparative debates, a new "Viewpoints" feature in each chapter highlights two or three documents that address the same topic from different perspectives.

A History of Western Society, Volume 1: From Antiquity to the Enlightenment

Based on the highly successful A History of Western Society, Understanding Western Society: A Brief History captures students' interest in the everyday life of the past and ties social history to the broad sweep of politics and culture. Abridged by 30%, the narrative is paired with innovative pedagogy, designed to help students focus on significant developments as they read and review. An innovative, three-step end-of-Chapter study guide helps students master key facts and move toward synthesis.

Western Society : A Brief History Vol 1 A Pocket Guide to Writing in History 6th Ed

The first Western civilization text to make social history its focus, A History of Western Society, Ninth Edition, remains unsurpassed in its integration of everyday life in the broad sweep of Western history. The enduring appeal of social history is strengthened in the new edition with fresh scholarship on gender and cultural history contributed by new authors Merry E. Wiesner-Hanks and Clare Haru Crowston. Compelling writing, fascinating details about daily life, and engaging special features help students identify with peoples of the past, while the authors' sustained attention to cultural, economic, political, and diplomatic history ensures a balanced, integrated narrative.

A History of Western Society: From antiquity to the Enlightenment

This brief edition offers the unsurpassed social history of A History of Western Society in an accessible, lively format. Short enough to use with supplements and more affordable than its parent text, A Brief History retains the sustained attention to daily life, the rich art and map program, and all of the special features of the full-length edition. Extensive study aids help students comprehend the material and prepare for exams. Now you can have it all in a briefer book.
