An Everyday Story of Country Folk? - An Everyday Story of Country Folk? by Society of Antiquaries of Scotland 6,476 views 3 years ago 59 minutes - What was the nature of the Neolithic farming way of life in Scotland, and how did it vary over time and space? How well do we ...

Agro-pastoral farming: introduction of a way of life that had been practised in northern France for a millennium

Farming in Early Neolithic Scotland: sedentary, or semi-nomadic, and shifting?

Use of cattle: dairying as well as for meat and for hides, bones and probably traction , from their earliest appearance in Scotland

Early Neolithic domesticated sheep...

The apparent taboo on eating seafood among Early Neolithic farmers in Britain

Variations and changes in farming (and other subsistence) practices, 1: the rise to dominance of barley over wheat cultivation

Variations and changes in farming practices, 2: management of sheep in Orkney

Variations and changes in farming, 3: creation of anthropogenic soils through intensive manuring and cultivation on midden heaps in Orkney

Changes in farming practices, 5: deliberate breeding of larger cattle for use in Late Neolithic Orkney (from c. 3200 BC onwards), including through cross-breeding with aurochsen on the north Scottish mainland

Evidence for starvation and near-starvation in cist at Sumburgh Airport, at some point between 3350 BC and 2900 BC

Scottish Neolithic human remains, and what they tell us...

Physical appearance

Deliberate cranial deformation through head binding? Or was some other factor responsible? The evidence from Isbister chamber tomb, Orkney

Height and age at death

Dental calculus (plaque)

Cuween passage tomb, Orkney: possible trepanation

Cuween, Orkney, adult male

elderly woman, Isbister (IS 1972)

Evidence for interpersonal violence, 3: more blunt force trauma, including multiple blows sharp force trauma

projectile point trauma

Early Neolithic timber 'halls': communal houses for several families of immigrant farmers to inhabit while establishing themselves in an area

Scattered farmsteads for individual families - interconnected by networks of contacts

Big change in Late Orkney: nucleated settlements

The Outer Hebrides during the Neolithic: a case of what Duncan Garrow calls insular connectedness' Settled by farmers as part of secondary expansion of Neolithic during the 38th century BC, probably from W coast of mainland Scotland, but...

Pottery and monuments in Outer Hebrides show fusion of Atlantic and Carinated Bowl Neolithic traditions

Pottery tradition went on to develop distinctively Hebridean features

Distinctive, Hebridean style of passage tomb with V-shaped facade
