Life and Works of Charlotte Brontë and Her Sisters

This comprehensive collection of the life and works of the Brontë sisters is an essential resource for anyone interested in the history of English literature. The volume includes Charlotte Brontë's novel *The Professor* and a selection of poems by her sister Emily, as well as biographical material and critical essays by Elizabeth Cleghorn Gaskell and their father, Patrick Brontë. This book offers a fascinating glimpse into the cultural and intellectual milieu of the 19th-century English literary scene. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

Life and Works of Charlotte Brontë and Her Sisters: The professor: with poems, by C. Brontë

Although the Brontës have long fascinated readers of fiction and biography, their poetry was all too little known until this pioneering selection by Stevie Davies, the novelist and critic. Charlotte (1816-1855) is certainly a competent poet, and Anne (1820-1849) developed a distinctive voice, while Emily (1818-1848) is one of the great women poets in English. Read together with their novels, the poems movingly elucidate the ideas around which the narratives revolve. And they surprise us out of our conventional notions of the sisters' personalities: Emily's rebelliousness, for example, is counterbalanced here by great tenderness. This selection of over seventy poems gives an idea of the variety of thought and feeling within each author's work, and of the way in which the poems of these three remarkable writers parallel and reflect each other.

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
