The Magical World of Strega Nona: a Treasury

Enter the marvelous, magical world of Strega Nona! This wonderful treasury features six favorite stories about Strega Nona and her sidekick, the bumbling Big Anthony—including the original Strega Nona, as well as Strega Nona Meets Her Match, Strega Nona: Her Story, Strega Nona Takes a Vacation, Strega Nona's Harvest, and Strega Nona's Gift. Tomie's brand-new introductions to each story take readers behind the scenes to see how Strega Nona's world has developed through the years. Also including an original lullaby—with sheet music and a CD—a map of Strega Nona's town, and some fun recipes, this collection will give readers and music lovers much to savor. Strega Nona, Tomie dePaola's beloved "grandmother witch," has been enchanting readers since the publication of the Caldecott Honor Award-winning Strega Nona in 1975. Strega Nona's gentle humor, irrepressible spirit, and matter-of-fact approach to life have won her legions of fans young and old, and the American Library Association called her "an enduring character who has charmed generations of children."

Merry Christmas, Strega Nona

In this holiday follow-up to Tomie dePaola's Caldecott Honor-winning Strega Nona, our favorite Grandma-Witch is back and bringing her magic to Christmas with a town feast—can she count on Big Anthony as her only helper? It's Christmas time in Calabria and with Strega Nona's annual feast around the corner, she has no time for her usual magical tasks. Christmas has a magic of its own, and no one knows magic like Strega Nona does, especially Big Anthony. But with the clock ticking on her preparations, will Big Anthony finally be able to prove that he can be counted on with some magic of his own? With warm illustrations in Tomie's classic folk-art style, this refreshed addition to the Strega Nona series is a must-have for fans of all ages.

Strega Nona's Gift

In Strega Nona's village, the holiday season is a time of celebrations - and nothing says celebration like a feast! All the kitchens are bustling from the Feast of San Nicola, when the children choose the food, to the Feast of Epiphany, when someone gets to be king or queen for the day. Even the animals share in the holiday spirit, and when Big Anthony smells the delicious treats Strega Nona is cooking for them, he decides that just a taste couldn't hurt, right? Wrong! Big Anthony gets his just desserts, while Strega Nona surprises everyone with a special gift. Starring two of Tomie dePaola's best-loved characters, this funny story features beautiful art, introduces young readers to Italian holiday traditions, and lands Big Anthony in yet another silly predicament that will delight fans young and old. Strega Nona Takes a Vacation

It has been a long time since Strega Nona had a vacation. At night she dreams she's at her Grandma Concetta's little house by the seashore. During the day she hears Grandma Concetta's voice saying, "Vieni, Nonalina, come." Soon even Big Anthony notices that Strega Nona is distracted--she gives the Mayor the wrong remedy for his headache! Everybody says, "Strega Nona needs a vacation!" But when she sends bubble bath to Bambolona and candy to Big Anthony, greedy Bambolona takes the candy for herself, leaving Big Anthony--and the town--in a sea of bubbles! Only Big Anthony, famous for his problem with pasta, could have trouble like this with soap! Award-winning artist/author Tomie dePaola brings us a warm and very funny addition to the stories of his most beloved character, Strega Nona.

But Marianna May doesn't want to waste her summer staying clean on the porch. Can she and her family figure out a way for her to have fun without worrying about her clothes?

Strega Nona

In his Caldecott Honor book, dePaola tells the story of Strega Nona, who is the source for potions, cures, magic, and comfort in her Calabrian town. When Strega Nona leaves him alone with her magic pasta pot, Big Anthony is determined to show the townspeople how it works.

Though they live frugally, eking out a living with Laurel's patchwork of jobs, their deep love for each other feels like it can warm them even on the coldest of nights. What more do they need? One otherwise normal afternoon, their landlord decides to evict them in favor of a more profitable summer rental, and, without any warning, they are pushed farther to the margins. Suddenly it feels like the independence that has defined them is a liability. And when a dangerous incident threatens to separate them, Laurel and Skye must forever choose--will they leave the place they love and the hardscrabble life they've built to move closer to civilization, or risk everything to embrace the emptiness and wildness that has defined them? What follows is an uplifting, profoundly moving story about a mother and daughter fighting for each other, against all odds, as they learn to build community and foster the resilience that will keep them alive.

The Magical World of Strega Nona: a Treasury

Enter the marvelous, magical world of Strega Nona! This wonderful treasury features six favorite stories about Strega Nona and her sidekick, the bumbling Big Anthony—including the original Strega Nona, as well as Strega Nona Meets Her Match, Strega Nona: Her Story, Strega Nona Takes a Vacation, Strega Nona's Harvest, and Strega Nona's Gift. Tomie's brand-new introductions to each story take readers behind the scenes to see how Strega Nona's world has developed through the years. Also including an original lullaby—with sheet music and a CD—a map of Strega Nona's town, and some fun recipes, this collection will give readers and music lovers much to savor. Strega Nona, Tomie dePaola's beloved "grandmother witch," has been enchanting readers since the publication of the Caldecott Honor Award-winning Strega Nona in 1975. Strega Nona's gentle humor, irrepressible spirit, and matter-of-fact approach to life have won her legions of fans young and old, and the American Library Association called her "an enduring character who has charmed generations of children."

Merry Christmas, Strega Nona

In this holiday follow-up to Tomie dePaola's Caldecott Honor-winning Strega Nona, our favorite Grandma-Witch is back and bringing her magic to Christmas with a town feast—can she count on Big Anthony as her only helper? It's Christmas time in Calabria and with Strega Nona's annual feast around the corner, she has no time for her usual magical tasks. Christmas has a magic of its own, and no one knows magic like Strega Nona does, especially Big Anthony. But with the clock ticking on her preparations, will Big Anthony finally be able to prove that he can be counted on with some magic of his own? With warm illustrations in Tomie's classic folk-art style, this refreshed addition to the Strega Nona series is a must-have for fans of all ages.

Strega Nona's Magic Lessons

Big Anthony disguises himself as a girl in order to take magic lessons from Strega Nona.

Big Anthony and the Magic Ring

When Big Anthony borrows Strega Nona's magic ring to turn himself into a handsome man, he gets more trouble than fun.

Strega Nona's Gift

In Strega Nona's village, the holiday season is a time of celebrations - and nothing says celebration like a feast! All the kitchens are bustling from the Feast of San Nicola, when the children choose the food, to the Feast of Epiphany, when someone gets to be king or queen for the day. Even the animals share in the holiday spirit, and when Big Anthony smells the delicious treats Strega Nona is cooking for them, he decides that just a taste couldn't hurt, right? Wrong! Big Anthony gets his just desserts, while Strega Nona surprises everyone with a special gift. Starring two of Tomie dePaola's best-loved characters, this funny story features beautiful art, introduces young readers to Italian holiday traditions, and lands Big Anthony in yet another silly predicament that will delight fans young and old. (cover may vary)

Strega Nona Takes a Vacation

It has been a long time since Strega Nona had a vacation. At night she dreams she's at her Grandma Concetta's little house by the seashore. During the day she hears Grandma Concetta's voice saying, "Vieni, Nonalina, come." Soon even Big Anthony notices that Strega Nona is distracted--she gives the Mayor the wrong remedy for his headache! Everybody says, "Strega Nona needs a vacation!" But when she sends bubble bath to Bambolona and candy to Big Anthony, greedy Bambolona takes the candy for herself, leaving Big Anthony--and the town--in a sea of bubbles! Only Big Anthony, famous for his problem with pasta, could have trouble like this with soap! Award-winning artist/author Tomie dePaola brings us a warm and very funny addition to the stories of his most beloved character, Strega Nona.

The Legend of Old Befana

Because Befana's household chores kept her from finding the Baby King, she searches to this day, leaving gifts for children on the Feast of the Three Kings.

Marianna May and Nursey

In this reissue of Tomie dePaola's charming 1983 classic *Marianna May and Nursey*, a family works together to make sure Marianna May can make the most of her summer. Marianna May's Nursey likes to dress her in white, which means Marianna May isn't allowed to roll in the grass, or make mud pies, or eat orange ice and strawberry ice cream, or paint pictures because her clothes could get messy. But Marianna May doesn't want to waste her summer staying clean on the porch. Can she and her family figure out a way for her to have fun without worrying about her clothes?

Strega Nona

In his Caldecott Honor book, dePaola tells the story of Strega Nona, who is the source for potions, cures, magic, and comfort in her Calabrian town. When Strega Nona leaves him alone with her magic pasta pot, Big Anthony is determined to show the townspeople how it works.

Super Spaghetti

A laugh-out-loud funny picture book about an unexpected superhero for fans of *Cloudy with a Chance of Meatballs* filled with humor and fun and lots of spaghetti! Meet Fred, a boy who loves spaghetti. Fred's mom is an inventor, and when she builds a machine that can turn anything into spaghetti, Fred thinks life will be nothing but noodles from here on out. But when Fred himself accidentally ends up in the amazing spaghetti-making machine, Fred finds himself transformed. He becomes Super Spaghetti! (A superhero made entirely of spaghetti.) Is this spaghetti-crazy-boy-turned-superhero made of the right stuff to save his town? With fun comics-style action, this is a superhero story that will have readers laughing and cheering for Super Spaghetti! Rebecca Donnelly's funny read-aloud text and Bonnie Lui's bright, action-packed art make this an irresistible story!

Tin Camp Road

"Moving and brave." —People Set against the wide open beauty of Michigan's Upper Peninsula, a wise, big hearted novel in which a young single mother and her ten-year-old daughter stand up to the trials of rural poverty and find the community they need in order to survive. Laurel Hill and her precocious daughter Skye have always been each other's everything. The pair live on Lake Superior, where the local school has classes of just four children, and the nearest hospital is a helicopter ride away. Though they live frugally, eking out a living with Laurel's patchwork of jobs, their deep love for each other feels like it can warm them even on the coldest of nights. What more do they need? One otherwise normal afternoon, their landlord decides to evict them in favor of a more profitable summer rental, and, without any warning, they are pushed farther to the margins. Suddenly it feels like the independence that has defined them is a liability. And when a dangerous incident threatens to separate them, Laurel and Skye must forever choose--will they leave the place they love and the hardscrabble life they've built to move closer to civilization, or risk everything to embrace the emptiness and wildness that has defined them? What follows is an uplifting, profoundly moving story about a mother and daughter fighting for each other, against all odds, as they learn to build community and foster the resilience that will keep them alive.
