Work in Progress

The Rise of the Reactionary Era

The New Jim Crow

Kathleen Cleaver

The Black Panther Party

Significance of George Wright

Secondary and Tertiary Trauma

And that Doesn't Mean I Won't Work with that but It's the Disrupter That I Find that Brings in New

Energy New Thoughts It's once It's on the Menu You Know You Just Select What Is Already Preset

for You and There's Nothing about the Academy That Has a Revolutionary Desire and if Abolitionism

Is about Revolutionary Desire Then You'Re Caught in a Contradiction like You Do the Best Work You Can but You Understand because It's Capital that Capital Likes Markets and Capital Trades and Markets

And if Abolitionism Is about Revolutionary Desire Then You'Re Caught in a Contradiction like You Do the Best Work You Can but You Understand because It's Capital that Capital Likes Markets and Capital Trades and Markets and this Becomes another Item To Trade Then You'Re Very Protective I Think the Way That You Guys Are Envisioning It and Doing It Here and There's Other Places People Are Innovating To Protect so that the Authenticity and the Purpose Remains Intact and that's Not a Photo-Op but Again My Origins Are Not the Academy So I Always Kind Of Stand Back

And We'Re GonNa Plan this Out and We'Re Moving On in some Way a Statement a Protest a Moment of Silent Meditation Prayer There Was Nothing It Was Just like Oh Yeah Then Whatever and It's Next Panel So I'M Not I Love the Idea of What the Future Could Be I Will Not See that Future I Will Not Live Long Enough To Watch It Materialize I Doubt My Daughter Will Either and So for Me I'M like I Just Want To Be Utilitarian like What Is Efficient and if the Most Efficient Is To Call Out Violence and Demand a Critique of It

And Actually You Know There's Just a Simple Logic in this the Moment You Start Doing any of this They Will Start Pushing Back and You Will End Up in a Confrontation so It's like Do Anything Effective and You Will Be Meeting Stage Structure Do Something That's Not Effective and They'LI Give You a Very Long Leash so There Are Different Ways To Plan and Mobilize but for Me the Guardians of the State or the Police the Federal Police the State and the Local and as I Said Earlier Reminds Me of When Freddie Gray's Spot Was Severed in Police Custody

But There's the Practical Stuff You Do Day to Day and You Don't Even Have To Ask Me about It because You Already Know What You Do because It's Local but What Is Going To Be National and International Is What Will Undo the Current Structure and that Means an Architect with a New Blueprint and I Have Yet To See Anyone on the National Stage Particularly Who Functions as a Celebrity To Wield that Kind of Intellectual Capacity I Find It from the Political Prisoners Who Were Pulling 48 to 50 Years I Found It in Eric Erica Gardner before She Died Just You Know from Grief and Poor Health and Poverty I Find It in these Spaces
