A text book on English

The Nightingale and the Frog

Read-aloud for children. A story about different animal's and their sounds around a pond and a nightingale that decides to join them in song.

Aesopic Conversations

Examining the figure of Aesop and the traditions surrounding him, Aesopic Conversations offers a portrait of what Greek popular culture might have looked like in the ancient world. What has survived from the literary record of antiquity is almost entirely the product of an elite of birth, wealth, and education, limiting our access to a fuller range of voices from the ancient past. This book, however, explores the anonymous Life of Aesop and offers a different set of perspectives. Leslie Kurke argues that the traditions surrounding this strange text, when read with and against the works of Greek high culture, allow us to reconstruct an ongoing conversation of "great" and "little" traditions spanning centuries. Evidence going back to the fifth century BCE suggests that Aesop participated in the practices of nonphilosophical wisdom (sophia) while challenging it from below, and Kurke traces Aesop's double relation to this wisdom tradition. She also looks at the hidden influence of Aesop in early Greek mimetic or narrative prose writings, focusing particularly on the Socratic dialogues of Plato and the Histories of Herodotus. Challenging conventional accounts of the invention of Greek prose and recognizing the problematic sociopolitics of humble prose fable, Kurke provides a new approach to the beginnings of prose narrative and what would ultimately become the novel. Delving into Aesop, his adventures, and his crafting of fables, Aesopic Conversations shows how this low, noncanonical figure was--unexpectedly--central to the construction of ancient Greek literature. Some images inside the book are unavailable due to digital copyright restrictions.

Gulmohar Love

Gulmohar Love is the first of a two book Romance series – Love under the Gulmohar. The fiery Gulmohar is in full bloom when Eliana Sharma realizes with horror that she has fallen for her boss, the handsome and equally arrogant Aaditya Bhargava. She strongly feels rather knows that he expects nothing more than her professional expertise. Hadn't he told her that himself? Or is she mistaken in thinking so? After all Cupid is known to be capricious!

Talking Animals

The Century Dictionary

This picture book story is for everyone who is young at heart or older. It's about a young girl called Jennifer who loves to read books, especially books about water fairies. One summer's day sitting by the pond near her village she meets a talking frog named Waldor. Waldor is quite a charming character and introduces Jennifer to some of his friends, the water fairies and Mrs. Nightingale. How does Jennifer get onto the lily pad with Waldor? And the story continues.

Conversations on the Animal Economy

Good Press presents to you this meticulously edited Oscar Wilde fairytales collection. During his prolific career, Oscar Wilde also wrote several stories for children and fairy tales. In these stories Wilde really expressed his affection for aesthetic writing. His children's tales are assembled in his two short story collections: *The Happy Prince and Other Tales*: The Happy Prince The Nightingale and the Rose The Devoted Friend The Selfish Giant The Remarkable Rocket A House of Pomegranates: The Young King The Birthday of the Infanta The Fisherman and His Soul The Star-Child

Conversations on the animal economy, by a physician

The Most Beloved Fairytales of Oscar Wilde Edition

A "sublime and gripping novel ... about hope: that within the world's messy pain there is still room for transformation and healing" (Madeline Miller, New York Times bestselling author of *Circe*), from the acclaimed author of *Cantoras*. "In the president's excruciating (and sometimes humorous) encounters with his strangely healing frog ... De Robertis daringly invites us to imagine a man's Promethean struggle to wrest control of his broken psyche under the most dire circumstances possible." —The New York Times Book Review At his modest home on the edge of town, the former president of an unnamed Latin American country receives a journalist in his famed gardens to discuss his legacy and the dire circumstances that threaten democracy around the globe. Once known as the Poorest President in the World, his reputation is the stuff of myth: a former guerilla who was jailed for inciting revolution before becoming the face of justice, human rights, and selflessness for his nation. Now, as he talks to the journalist, he wonders if he should reveal the strange secret of his imprisonment: while held in brutal solitary confinement, he survived, in part, by discussing revolution, the quest for dignity, and what it means to love a country, with the only creature who ever spoke back—a loud-mouth frog. As engrossing as it is innovative, vivid, moving, and full of wit and humor, *The President and the Frog* explores the resilience of the human spirit and what is possible when danger looms. Ferrying us between a grim jail cell and the president's lush gardens, the tale reaches beyond all borders and invites us to reimagine what it means to lead, to dare, and to dream.

Complete Works: The happy prince. The nightingale and the rose. The selfish giant. The devoted friend. The remarkable rocket. Lord Arthur Savile's crime. The Canterville ghost. The sphinx without a secret. The model millionaire. The portrait of Mr. W.H. Poems in prose. The rise of historical criticism
