The Heart of the Bhagavad-Gita

The Ultimate Reality

How Do We Withstand Suffering

Effects and Causes

Arguments against Reincarnation

How Does this World Exist in Brahman

The Hard Problem of Consciousness

The Problem of Other Minds

So the Ruby Is Red Cult My My Consciousness Colors the Ruby Red and the Emerald Green What It Basically Means Is It's in My Consciousness that Everything Gets Its Existence We'll See in the Meditation Today How We Are Oceans of Existence and Consciousness in Which the Entire Universe all of this There Waves in the Ocean that You Are You Are Not a Body You'Re Not Even Just a Mind all Bodies and Minds and Things of the Universe Are but Waves Arising and Floating and Playing around My Ear unto Muhammad Oh in Me the Infinite Ocean of Existence

What Is the Goal of Spiritual Life It Is To Be Delivered from Suffering Why Sheikha What Is the Goal of Spiritual Life It's To Bring an End to Suffering Sankhya What Is the Goal of Spiritual Life Pestered Afflicted by the Three Kinds of Suffering the Suffering Inflicted by Nature Suffering Inflicted by Other Beings and Internal Suffering from Our Own Minds and Bodies Afflicted by Three Kinds of Sufferings People all Human Beings Are Seeking for a See Cessation of Suffering It Does Not Even Say They'Re Seeking Joy They'Re Just Seeking Relief from Suffering and Ultimately They Find Only in Spiritual

Life Can a Final End to Suffering Be Found sankhya Yoga What Happens in Enlightenment You Are Separated from the Universe from Prakruti from Nature You Remain as Pure Consciousness no Mention of Ananda You Remain as Pure Awareness in Serenity no Positive Bliss There So All these Post to Panasonic Philosophies They Concentrated on Suffering and an End to Suffering that Was What Spirituality Was About but Vedanta Is Constantly without Fail Asserts that Positive Bliss Is To Be Found and Your Real Nature Is Bliss in Fact the Entire Universe Misperceived Suffering Truly Understood this Entire Universe There Are Waves and Waves of Please You Said I Don't See that this Way I See It as Crime and Terrible Suffering and Most Horrible Things in the World You Are on this Side of the Ignorance

That Was What Spirituality Was About but Vedanta Is Constantly without Fail Asserts that Positive Bliss Is To Be Found and Your Real Nature Is Bliss in Fact the Entire Universe Misperceived Suffering Truly Understood this Entire Universe There Are Waves and Waves of Please You Said I Don't See that this Way I See It as Crime and Terrible Suffering and Most Horrible Things in the World You Are on this Side of the Ignorance once We Cross Over and See the Reality as It Is and See Yourself as It Is You See the Underlying Bliss Whose Expressions Are Pleasure and Pain Whose Expressions Are Pleasure Anything Right I'll Come to You One More Point You Go Further Down into the Bugbee Philosophies Which Come About a Thousand Years Back 1500
