Read Along or Enhanced eBook: In this story, a farmer and his wife match wits with a large, mean-spirited ogre. If they can't outwit him, they will end up with no crops of their own to eat or sell. This whimsically drawn story is based on an old Swedish folktale.

The Ogre's Story

The Ogre's Story: From Bully to Hero is an educational tale for children and parents alike, illustrating how negative attention or lack thereof can turn a child into a bully or troublemaker. The story follows the adventure of a little bully ogre and his transformation as he discovers friendship and his true calling. This book is a powerful lesson in empathy and personal growth, perfect for young readers who may be struggling with their own behavior or those who want to learn about the importance of treating others with kindness and respect.

The Three Bully Goats

When Gruff, Ruff, and Tuff, bully their way across a bridge and into a meadow -- teasing a kind ogre and butting small animals along the way. The ogre, frustrated that being friendly and polite didn't work, hatches a plan to teach the ""bully"" goats a lesson. This twist on ""The Three Billy Goats Gruff"" is a great read-aloud (and discussion starter) will have kids laughing in the aisles.

Get Rid of Bullies

Read about fairy-tale villains like Cinderella's stepsisters, the Ogre from Tom Thumb, or the Wolf from the Three Little Pigs, and most importantly, how the protagonist overcame their teasing and threats. One of the issues children face from a very young age is bullying. That's why it becomes very important for them to be prepared, and this book comes in to help! The first "bullies" the children meet are, in fact, the evil villains of fairy tales. But they can always be defeated. In the book, they'll encounter many different types of fairy-tale bullies. They'll find out why they act the way they do and what makes them so mean. Sometimes jealous sorceresses, angry ogres, and menacing wolves aren't so different from the bullies children might meet at school, in the park, on the soccer field, or on the Internet. The problem is that bullies can be hard to recognize. That's where fairy tales can help. Some of these tales will be familiar, while others will be completely new. As the child reads each one, see if they can identify the bully and how the hero deals with them.

The Greedy Tyrant

When a mean ogre comes to town to bully the citizens of Gaddington, the clever Mayor outwits the ogre playing on his greed for riches. From award-winning author, Thal Dixon, comes a story about greed, bullying, and how children can choose to become better than a tyrant.

The Three Bully Goats

Best Children's Books of the Year 2012, Bank Street College When Gruff, Ruff, and Tuff, bully their way across a bridge and into a meadow—teasing a kind ogre and butting small animals along the way. The ogre, frustrated that being friendly and polite didn't work, hatches a plan to teach the "bully" goats a lesson. This twist on The Three Billy Goats Gruff is a great read-aloud (and discussion starter) will have kids laughing in the aisles.

Diana Wynne Jones

First Published in 2005. Routledge is an imprint of Taylor & Francis, an informa company.

Ollie the Ogre

Ollie the Ogre is a very greedy Ogre who keeps eating all his 'friends' in the forest where he lives. One day he takes it too far and ends up somewhere he'd rather not be!

Bully in Sight

Bully In Sight is a comprehensive guide on how to predict, resist, challenge and combat bullying in the workplace. Find out why some people become bullies while others become victims, and how and why the bullies victims are picked.

The Odious Ogre

The author and the illustrator of THE PHANTOM TOLLBOOTH--together again This is the story of a really rotten Ogre who is extraordinarily large, exceedingly ugly, unusually angry, constantly hungry, and absolutely merciless. He terrorizes the entire countryside and all the surrounding towns, wreaking havoc, sowing confusion, and dining happily on the hapless citizens. Nothing can stop him. But then he takes a wrong turn and encounters a kind and friendly young lady who does her best to help him--with a surprising result.

Music from the Inside Out

Have you ever been devastated by performance anxiety? Have you struggled with physical problems like tendonitis or nodules on your vocal cords? Are you battling with issues of confidence and self-belief? Music from the Inside Out tackles these thorny issues and others, which can profoundly affect musicians and which they may not want to face. Readers are encouraged to look at what lies beneath the surface and guided to unlock what's holding them back. With this book, musicians can:

- Learn how to transform their own inner critic
- Get to grips with their performance nerves
- Discover how to play with complete physical freedom
- Perform to the peak of their expressive power

Music from the Inside Out gives musicians the tools to transform their whole approach to performing music. It is suitable for classical musicians, students, amateurs and professionals. Because of its universal messages, it can cross over into the worlds of jazz, pop and rock; even sport, acting and any other performance-related professions. Author Charlotte Tomlinson has been inspired by a number of books, including The Inner Game of Tennis by W Timothy Gallwey, A Soprano on Her Head by Eloise Ristad, The Musician's Way by Gerald Klickster and The Art of Practicing by Madeline Bruser.

Israel Warrior

In light of the October 7th massacre of fourteen hundred Israeli and American Jews at the hands of the savage terrorists of Hamas, and the brazen tsunami of antisemitism that has been overtaking the media and college campuses, it's now time to fight back. It's time for the rise of the Israel Warrior. Rabbi Shmuley Boteach provides the information that will win the war for Israel in the marketplace of ideas and publicize the justice of Israel's cause. The Israel Warrior is an electrifying journey through the murky waters of Middle East muddle that allows the reader to finally understand the truth about Israel and the genocidal enemies who will stop at nothing to destroy it. The Israel Warrior is for those brave souls prepared to take up the cudgel in defense of the only democracy and human-rights-protecting republic of the Middle East and the first Jewish state in two thousand years.

Sword and Helms

Is revenge really a dish best served cold? Or is it better to follow the belief of "turn the other cheek?" Adolescent Anthony Marsetti, struggles with these conflicting ideas. In his class at school, he is picked on by bully Phillip. Although he tries to stand up to the boy, he is constantly trounced. Finally he finds an escape in a new pup and a girl friend but then tragedy strikes when he loses a beloved member of his family. It is up to Tony to right this terrible wrong but if he follows his father's wishes, to get revenge in the Old World way, he will be in conflict with his Christian mother who wants him to forgive. And even if the boy follows his father's desire, he does not know how to accomplish that revenge. Although Sandy, the prettiest girl in his class, stays by his side, Tony's best friends betray him out of fear of the bully Phillip. Then young Marsetti stumbles upon a World War II ex-Marine and his wife who own a farm a few miles outside Tony's town of Ambridge, a steel mill center near Pittsburgh, Pennsylvania. The old couple introduce him to the world of hard farm work, the martial arts of Mui Thai and judo, and fight training for the American Pit Bull Terrier. Gradually Anthony discovers that although Christianity teaches non-violence and forgiveness, there are times when a person must not retreat. But he also learns that there are times when revenge no longer accomplishes much of worth. The novel explores the very real world of illegal dog fighting, of martial arts training, of school bullying, of the betrayal of friends, and of young love.

Ogre

The Adventurers is a series of AD&D (Advanced Dungeons and Dragons) campaign writeups, set in the World of Greyhawk, which has evolved over time into an ongoing story of epic proportions. They are among the first internet D&D sagas and chronicles an adventuring group's rise from the anonymity

of first level to the heights of prestige and power at 15th to 20th level, and is VERY entertaining reading. This isn't Dragonlance, or Eberron, or even Forgotten Realms. This is classic Greyhawk, the first published setting for D&D and created by Gygax himself.

The Adventurers

Delinquency in Society: The Essentials is a concise introduction to the important topics covered by the same authors in the popular **Delinquency in Society**, Eighth Edition. This practical text explores how juvenile delinquency is defined, measured, and explained, as well as how the juvenile justice system deals with delinquent youth. The new Essentials text provides separate chapters focusing on the police, juvenile courts, corrections, and delinquency prevention.

Delinquency in Society

All Willy can think about is The Great Annual Picnic. Then he discover a smell like a huge pile of rotting broccoli and three-year-old -fish heads is stinking up the whole area. He decides to take it upon himself to figure out what is making that awful smell. Discovering the smell is coming from a giant ogre, he decides to take care of the problem himself! When the bully that made him miss the Great Annual picnic last year threatens to ruin his plans, Willy has to think fast of what to do. he won't let the bully or a giant smelly ogre keep him from going to the picnic this year!! He just has to come up with a foolproof idea!

The Odorous Ogre

Suitable for boys and girls aged 7 to 9. In this first book of the Billy Growing Up series, Billy Field is uber excited at his approaching tenth birthday. Not only is it his first double-digit birthday, but he'll be ten on the tenth day of the tenth month—a once in a lifetime event. Billy's invited his best friend Ant to his party. They're having a magician who's being assisted by Max, Ant's sister. Granddad magics Billy's present – a twenty-pound note, but soon after the party, Billy has his money stolen by the local bully. Bullying is unacceptable, and has to be dealt with... Billy Has A Birthday is a wonderful example of a story that young children can enjoy reading alone or together with their parents. Using traditional storytelling, it is entertaining while dealing with a serious issue that affects many children as they grow up. Bullying can be a difficult subject for children to talk about, and many feel frightened or embarrassed if they fall victim to bullying. This book acts as the perfect icebreaker for adults and children to begin discussing these issues. Find out how this negative experience turns out. A perfect read for children who enjoy school fiction, but with a positive learning to help other bullied children. If you enjoy reading David Walliams or Jeff Kinney you will love the Billy Growing Up series.

The Ogre and the Cat

A Thoroughly Revised and Updated Ninth Edition of the Leading Text in the Field **Delinquency in Society** is a balanced and up-to-date examination of the historical, social, and theoretical contexts of delinquency. A comprehensive and systematic overview of juvenile delinquency, criminal behavior, and status-offending youths, the text includes an overview of critical theories on delinquency and juvenile crime as well as a review of historical and institutional responses to delinquency. Clear, accessible language, a student-friendly approach, and fully updated research make the text suitable for students in undergraduate and graduate criminology and sociology programs. The text's focus on interdisciplinary analysis encourages student critical thinking and connection-building. The revised and updated ninth edition includes new sections on gender and violence, biological and biosocial theories of violence, gang violence, and an expanded discussion of bullying in schools, zero-tolerance policies, and reducing school risk factors for bullying. The ninth edition incorporates the most current statistics and research and includes case studies and discussion questions to prompt student engagement and self-directed study. Long considered the best and most accessible text available on delinquency, **Delinquency in Society** is the most thoroughly and accurately researched delinquency text on the market and is a superb reference for students at all stages of their academic careers. The revised and updated ninth edition includes:

- * A full ancillary suite of instructor support materials, including PowerPoint lecture outlines, an Image Bank, and a Test Bank
- * Full student access to the companion website, which features a variety of interactive and engaging study tools (included in the price of a new print textbook)
- * A balanced, apolitical approach that prompts student engagement, discussion, and critical thinking*

The most current research across multiple related fields, including psychology, psychiatry, and public health

- * New, up-to-date content, including new box features throughout that provide further insight

into contemporary issues* A student-friendly approach designed to engage students and encourage exploration and self-directed study

Billy Gets Bullied

Everyone knows that Simon Mason is a bully, and that he is picking on Anna, David and Rebekkah, but when Simon's teacher takes a closer look, the situation turns out not to be as clear cut as it seemed. Suggested level: primary, intermediate.

Delinquency in Society

A brand new edition of the humorous tale of a boy, a bully, and a serious case of mistaken identity, now with cover artwork by the award-winning Catherine Rayner.

The Bully

When a disagreeable man with two boys marries a widow with three children, family adjustments are complicated by two magic chemistry sets which cause strange things to happen around the house.

The Bully

When a girl and her dragon friend go to Camp Camelot to have some knightly fun, some of the other knights refuse to let the dragon play, but the king soon sorts the bullies out.

Who's a Big Bully Then?

This book should have great appeal for the 8 to 10 crowd, partly because of its slightly outrageous body-function humor. And parents should applaud its positive values. The title story features the plight of a shockingly handsome monster boy in a land of ugly monsters. To his shame, he resists joining in their humorously gross behavior. Then a beautiful witch (witches in Grossland are beautiful) aids him with a strange but temporary enchantment. And when he triumphs over the other monsters, he struggles against the urge to seek revenge . . . Next, "Dr. Pettibone" is visited by a girl and a boy with absurd problems. The bungling doctor offers little help, but notifies Endingman, a superhero-like character who fixes the endings of stories gone awry. Each time Endingman appears, the verse narration abruptly shifts to prose, suggesting another dimension. "Crazy-legs" is based on the Eastern tradition of holy men with magical powers. The zany monk in this tale may be deemed a sort of Drukpa Kunley (in Tibetan, Brugpa Kunlegs) for children. He exemplifies what is sometimes called "Crazy Wisdom." Finally, "Birbal The Wise" is based on King Akbar of India's legendary minister Birbal, whose wisdom enabled him to thwart the evil plots of jealous enemies.

The Ogre Downstairs

Margaret Starbird's theological beliefs were profoundly shaken when she read *Holy Blood, Holy Grail*, a book that dared to suggest that Jesus Christ was married to Mary Magdalen and that their descendants carried on his holy bloodline in Western Europe. Shocked by such heresy, this Roman Catholic scholar set out to refute it, but instead found new and compelling evidence for the existence of the bride of Jesus--the same enigmatic woman who anointed him with precious unguent from her "alabaster jar." In this provocative book, Starbird draws her conclusions from an extensive study of history, heraldry, symbolism, medieval art, mythology, psychology, and the Bible itself. *The Woman with the Alabaster Jar* is a quest for the forgotten feminine--in the hope that its return will help restore a healthy balance to planet Earth.

The Tale of Sir Dragon

Bullying is a serious issue that is seen in schools today. Throughout the story *Maggie and The Moo Bully*, readers meet Maggie, a special cow, that looks different from all the other animals on the farm. Through Maggie's day, readers see first hand what bullying is and the emotions that are caused by bullying. As you journey throughout the book, readers will see that some animals take a stand and come to realize, that everyone is different and shares that being different is a good thing

Magic in Grossland

The loveable ZEANN gang returns, but they are not together anymore. Andrea and Elise go to Elstree, but the twins, Nnena and Nnadi find themselves in a top grammar school in the country. Unfortunately, it is a school where bullying is rampant. Will having their BFF's Zoe and Nathan at the school make a difference? How will they cope against the toughest bullies they ever imagined? Who will help them when even the teachers do not care? OMG! As if dealing with puberty was not difficult enough! Then their old nemesis, Zack, the top bully shows up again. A near tragic experience brings things to a head. What should they do? How will they reunite the rest of the gang to help tackle bullying in their school? Can the legend of the ZEANN gang live on?

The Woman with the Alabaster Jar

Ogden the Ogre was worried one night. His jim-jams had grown far too short and too tight. The people said, "Jim-jams too tight and too short? Overweight ogres should take up a sport." But finding the perfect sport for a big, bumbling ogre isn't that easy, as everyone soon finds out! Another infectiously funny picture book from the winner of the Roald Dahl Funny Prize 2011.

Maggie and the Moo Bully

Bullying is an increasing problem in the workplace. It is estimated that five million workers are bullied each year in the UK, and that one in four employees is aware of colleagues being bullied. Bullying creates significant health problems for employees and, despite this, there is a conspicuous absence of published material on why these behaviors

The ZEANN gang, Bully busters 2

There's a delightful melody in the ancient voices as they travel through time's narrow door. I hear them best on my front-porch rocker that faces an ocean marsh. There, beneath curious stars, the orchestration emerges, mingling with moonlight tides. Sometimes Socrates sings the high notes while Thucydides pulls the bass line. Aristophanes rallies his chorus, and Caesar charges over a hilltop near the dark Teutoburg Forest. There are times when I struggle with the faint lyrics, but with patience, the scenes begin to breathe again. Hurry! It's midnight, and the curtain is opening. The actors twirl their swords and fluff their flowing robes. Sophocles is quieting the theater, requesting our attention. Oedipus, now an aged actor, leans upon his daughter Antigone. His face glowers from twenty years of wandering beneath ghastly burdens and past failures. Slowly, they climb a rocky path that leads to the edge of a forest. His words still resonate for us today with a vibrant relevance, as do all thirty-three ancient authors in *Meditations from the Classics*.

The Yoga Ogre

Billy is a quiet church mouse who doesn't have friends and spends his time on the playground living his own adventures. Thomas is a raccoon bully who picks on anyone who is different. During lunch recess, Thomas decides to go and pick on Billy and make fun of him for being different. Instead of letting the bully's words hurt him, Billy turns the teasing into a game and interacts in a manner that has Thomas looking at him in a whole new way. The pair eventually become friends and learn to enjoy using their imagination together on the playground.

Building a Culture of Respect

Meditations from the Classics

The numerous anti-bullying programs in schools across the United States have done little to reduce the number of reported bullying instances. One reason for this is that little attention has been paid to the role of the media and popular culture in adolescents' bullying and mean-girl behavior. This book addresses media role models in television, film, picture books, and the Internet in the realm of bullying and relational aggression. It highlights portrayals with unproductive strategies that lead to poor resolutions or no resolution at all. Young viewers may learn ineffective, even dangerous, ways of handling aggressive situations. Victims may feel discouraged when they are unable to handle the situation as easily as in media portrayals. They may also feel their experiences are trivialized by comic portrayals. Entertainment programming, aimed particularly at adolescents, often portray adults as

incompetent or uncaring and include mean-spirited teasing. In addition, overuse of the term "bully" and defining all bad behavior as "bullying" may dilute the term and trivialize the problem.

Billy and the Bully

Eddie's mother was up on a ladder cleaning the kitchen ceiling when her water broke. She was annoyed at the interruption, and the mess. Contemporary psychiatry has fallen under the sway of biological reductionism, where our patients do not receive proper care. They are treated primarily or exclusively with psychoactive drugs. The result has been a pharmaceutical epidemic, with psychiatric drug sales topping \$70 billion a year. Pharmaceutical psychiatry ignores the complexities of the human condition as if the agency of human suffering can be cured by a pill. Eddie never really enjoyed swimming.... he couldn't stop water from pouring into his nose and sinuses. It didn't occur to him to tell his counselors, never mind his parents, where he could have gotten nose clips. It didn't occur to him that anyone would be responsive to his needs. In *Psychotherapy of Character*, Dr. Berezin presents a much-needed alternative to the prevailing doctrine, one that is grounded in an understanding of human nature. Suffering is not a brain problem, it is a human problem. He illuminates the practice and effectiveness of psychotherapy through the story of his patient, Eddie. Eddie's complicated inner life, varied experiences, and ultimate breakthrough, stand in contrast to the destructive and false promises of a magical cure. He introduces a new and inclusive paradigm of consciousness for the twenty-first century. On the surface, he lived a successful college life. Eddie was due to graduate with honors, and was accepted into a prestigious PhD program in biology. All the while, he felt alone and dead inside. No one really knew him.

The Best in Children's Books

The Things in the Air is a tale that will fill your air with surprises and fill your child's face with a huge smile that no one will be able to wipe off — not even the Snouty Witches! Guided Reading Level: Q, Lexile Level: 1040L

Bullies and Mean Girls in Popular Culture

Ming and her family harvest rice at the base of a tall mountain. And if her family could sell the extra rice at market on the other side of the mountain, they could live comfortably. But her father says the dragon on the mountain steals the rice. Ming decides to try on her own to get past the bully dragon. So she packs up her ox and heads to the market. When the dragon tries to stop her, Ming outwits the bully in a clever way and makes it safely to market and back home with the money, proving that a boastful bully is no match for a smart girl.

Psychotherapy of Character: The Play of Consciousness in the Theater of the Brain

Big Red was a bully who liked to pick on all the children at school. He was a big, mean eleven year old boy with bright red hair. This was why everyone called him Big Red.

The Things in the Air

Books 1-3 in the Smelly Troll series. Eating children is wrong. But what did you expect from a creature that slurps other people's bogies? When Rufus Sebbleford learns that trolls plan to attack Sludgeside School, he has to act fast. He and Polly hatch a plan with the help of their new friend Bruno, unaware that Bruno happens to be a troll. A school trip to the Mr Splendiferous Science Park results in chaos, when the mad scientist is found to be keeping a dangerous troll locked up in the grounds. And Rufus comes face to face with the dangerous sporting hero Brawnulator Powerknees, when a skiing holiday to the Craggle Alps collides with the Winter Trollympics. A stinky, squelchy adventure; a slimy, sausage-slinging adventure; and a slippery, icy adventure — all packed into one gruesome volume.
