Sherlock Jones and the Assassination Plot

Sherlock over hears an assassination plot for the governor on his new high-tech walkie-talkies. When the police won't listen to him he comes up with a plan to save the governor.

Sherlock Jones

Guided by their Christian beliefs, sixth-graders Jasper Jones and Penny Gordon work together to foil a plot to assassinate Governor Bradley and to catch a thief at school.

Sherlock Jones

Seventh-graders Jasper "Sherlock" Jones and Penny Gordon use their detective skills and faith to identify a software pirate at Diamond Computer Technology, then help solve the kidnapping of the owner's daughter, their new friend Lisa Diamond.

Sherlock Jones and the Missing Diamond

Penny rejects the new wealthy girl's attempts to become friends until she sees that money can't buy everything. The authorities turn to Sherlock to help find a missing diamond, but his newest inventions aren't helping.

Slots. Plots. Murder

Penny and Sherlock and two of their Christian friends spend a week at a cabin on Thunderbird Lake, where they try to solve a dangerous mystery involving the secretive flights of an airplane.

Sherlock Jones

Sherlock Jones, a modern-day hard-boiled detective, is an aging dysfunctional cynic whose major food groups are bourbon, caffeine, nicotine, Vicodin and bar food. He supplements his Army disability check by advertising as a private investigator on Craig's List offering divorce tails and missing person traces. At first, when he's offered a retainer to investigate an actual murder, he sees it as an easy way to pad his meager income, but he quickly realizes reclaiming his own self-worth through the eyes of his client with the sexy European accent is worth much more than the \$500 cash she counted out. Driven by a cast of colorful characters and multiple plots, *No Sh*t!* Sherlock moves at a fast pace, offering action, suspense and laughter. It's a novel that makes it easy to cheer against the really-bad bad guys and cheer for the not-so-good good guys, while wincing at some of the stereotypes that haunt us southerners. The book is set in today's multicultural Atlanta, and deals with contemporary issues like internet stalking, sexual predators, homosexuality, and intolerance.

No Sh*t! Sherlock

A shocking account of the savage world in which Sherlock Holmes operated. The crimes of The Ripper; Conan Doyle's knowledge of the killer's identity; the methods employed by criminals, and of their pursuers; the harrowing truth about Holmes' drug abuse, and of his gang of 'street arabs', the long-lost crime monographs by the Baker Street sleuth; and much more, this book tells the true story of Holmes' gas-lit and sinister criminal world. "Victorian society was violent & exploitive..., footpads and garroters stalked the streets of the City...beggars were rife." Kelvin is the author of many books about Holmes, the definitive biography of Doyle as a spiritualist & the 3 volume edition of the author's spiritualist writings. A distinguished life member of the Sherlock Holmes Society of London, he has published contemporary crime novels and poetry, and is a member of the Crime Writers' Association. "The almost legendary Mr Jones..." - Roger Johnson, commissioning ed. of *The Sherlock Holmes Journal*. "Kelvin Jones takes the reader into Victorian England, walking side by side with the Great Detective..., an all-round, relentless researcher..." - Mark Alberstaat, ed. of *Canadian Holmes*.

The Criminal World of Sherlock Holmes - Volume Two

Ron Reed, the ace pitcher of the L.A. Wave, the newest franchise in major league baseball, hires our "Celebrity PI" to surveil his lingerie model wife who he suspects is cheating. This fourth novel in the "Sherlock Jones" series of contemporary L.A. murder mysteries finds Sherlock, Sasha (his partner in Archer Investigations and sharpshooting lover), plus the WDGA (Wednesday Drunken Golfers Association) "Disreputables" (his zany yet adept rag-tag operatives and drinking buddies), cast into a dangerous sea of adultery, drugs, double-dealing, and betrayal. Here in L.A. the national pastime is drowning in a tsunami of perversity that ultimately leads to murder.

Diamonds. Doubles. Murder.

Kelvin I. Jones has been writing about Sherlock Holmes for over 50 years, and studied the real-life crime, criminals and criminalistics of the late Victorians. Kelvin's forensic approach has already made a significant impact on the Holmes aficionado, previous titles including 'The Sherlock Holmes Murder Files,' etc. However, the first of this three volume magnum opus on Holmes and crime covers absolutely

everything that the reader fresh to, or even more familiar with Holmes wants to know about the murder and mayhem of his age. And there is much more. We learn about the poisoners, the prostitutes, the garroters, the psychopaths and the abductors; in fact the whole panoply of the dangerous criminal underworld once lorded over by Moriarty. This exhaustive study, with its grim descriptions of the savage criminals of that age, is portrayed in graphic, uncompromising detail. What also emerges is a profile of the real Conan Doyle. Here is a profile of an author who knew more than is assumed about crime; and the book includes an examination of the Ripper, plus Conan Doyle's theories on the murderer's identity. Profusely illustrated, with many rare illustrations from 19th Century documents. Overall, a stunning contribution to the literature about Holmes, by someone who David Marcum, the editor and author of Holmes pastiches, once described as 'a Master Sherlockian.'

The Criminal World of Sherlock Holmes - Volume One

For over four hundred years, the Corvus Brotherhood have been plotting for vengeance. As their plans near completion, the Brotherhood are somehow connected with: a spring-heeled tiger; a condemned murder suspect about to be hanged; the deathly communications of a society spiritualist and even Mycroft's sudden disappearance. The claw of the raven is about to strike...

Sherlock Holmes The Corvus Conspiracy: The Complete Series

All new Sherlock Holmes adventures as taken from audio scripts of radio shows that have been syndicated by Imagination Theater. In these all new adventures of the great consulting detective, writers Steven Philip Jones and Matthew J. Elliot manage to honor the world of Sir Arthur Conan Doyle while creating rich and exciting tales. Each tale is accompanied by an original illustration by Joshua Werner, and an introduction from Larry Albert, the voice of Dr. Watson on the radio series. Contained within are FOUR tales: THE ADVENTURE OF THE BORGIA RING - Judith Oxley wants to hire Sherlock Holmes to find her missing father, Lord Oxley, along with their family's prize possession, the Akbar Shah diamond. Holmes is a struggling consulting detective – this adventure takes place before he meets Watson – but before he can accept the case, Inspector Lestrade arrives to ask for his help with a murder investigation: Lord Oxley has just been found dead. THE ADVENTURE OF THE IRREGULAR CLIENT - Fifteen years ago, Duffey was one of the Baker Street Irregulars, but today she is all grown up, working as a housemaid, and accused of stealing from and murdering one of her employers, Mrs. Rosemary Gudgeon. Duffey's other employer, Mr. Watney Gudgeon, is missing and believed murdered as well, but Holmes will prove Duffey's innocence. THE ADVENTURE OF THE PETTY CURSES - Sir Malcolm Angus-Burton, adviser to the Queen on matters of China, insists his Egyptian wife, Halima, has put a curse upon him. With Watson by his side, Holmes tracks the true culprit – the Angus-Burton's butler Tseng to London's docklands and a stronghold of the Chinese criminal organization known as The Triad. A CASE OF UNFINISHED BUSINESS - Soon after Watson returns from the Reichenbach Falls, a former classmate, American Lot Morrill, pays a call. Their visit is cut off by Lestrade, who needs Watson's assistance in a delicate matter. The body of one of Moriarty's lieutenants, Harsh Washburne, has been discovered. Watson attempts to unravel the mystery of Washburne's death and its unusual link to his old friend Morrill. A Caliber Comics release.

A Study in Scarlet and The Sign of the Four: Two Sherlock Holmes Novels

'I crave for mental exaltation. That is why I have chosen my own particular profession, or rather created it, for I am the only one in the world.' Mary Morstan receives a large pearl through the post once a year without any clue as to the sender. When her intriguing correspondent requests a meeting, Holmes and Watson take on the case. Together the trio race through London to uncover the secrets of the Sholto family, who hold the key to uncovering the whereabouts of Mary's father and the existence of a treasure stemming from a crime committed years ago in India. The Sign of the Four has been a crucial part of the Sherlock Holmes canon since its first publication in 1890. It explores theft, betrayal, and murder in the larger context of the British Empire at a time of national upheaval, and the novel's flashbacks to India during the 'Mutiny' and its aftermath call into question the consequences of that imperial venture. Caroline Reitz's new introduction and notes draws attention to some often-overlooked context of the story, such as its original publication in Lippincott's Monthly Magazine, its representation of imperial violence, and changing gender roles. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable

features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Sherlock Holmes: On the Air

Arthur Conan Doyle famously killed off Sherlock Holmes in 1893, in the short story 'The Final Problem', but was tempted to bring him back to life ten years later, in the thirteen tales that comprise *The Return of Sherlock Holmes*. While the outcry that supposedly followed Holmes' death was mostly apocryphal (the claim that readers wore black armbands in mourning has been frequently cited but never actually proved), by 1893 there was a substantial readership for Holmes' two series of adventures published in the *Strand Magazine* and two earlier novels. Doyle returned to Holmes in 1901-2 with *The Hound of the Baskervilles*, a novel set before the events of 'The Final Problem'; the commercial success of the serialisation in the *Strand* led Doyle to consider reviving the Holmes stories on a longer-term basis. Accordingly, in 1903 Doyle was contracted by the American magazine *Collier's Weekly* to supply six more Holmes stories; the agreement was extended to six more, with a final extension for a thirteenth story ('The Second Stain') that Doyle (mistakenly) believed to be the closing episode of the Holmes adventures. These thirteen tales make up this volume.

The Sign of the Four

After a brief hiatus, *Sherlock Holmes Mystery Magazine* is back with a new issue and a new editor. Here are tales in mystery and detection in the classic manner, with a fine selection of new stories, features, and a classic Holmes reprint. Here are: *BEAUTY AND THE BEYOTCH*, by Barb Goffman *THE CASE OF THE COLONEL'S SUICIDE*, by Rafe McGregor *THE HOLMES IMPERSONATOR AND THE BAKER STREET IRREGULARS*, by Janice Law *THE BODY IN THE BACKYARD*, by Peter DiChellis *THE ADVENTURE OF THE GEEK INTERPRETER*, by Hal Charles *CEREAL KILLING*, by J.P. Seewald *LAST WISH AND TESTAMENT*, by V.P. Kava *FROM GREEN TO RED*, by Mike McHone *FAILURE TO OBEY*, by Rebecca K. Jones *TRACE EVIDENCE*, by Keith Brooke *THE ADVENTURE OF THE SECOND STAIN*, by Sir Arthur Conan Doyle Features by Darrell Schweitzer, Kim Newman, and Martha Hudson. Edited by Carla Kaessinger Coupe.

The Return of Sherlock Holmes

Sherlock Jones, a modern-day hard-boiled detective, is an aging dysfunctional cynic whose major food groups are bourbon, caffeine, nicotine, Vicodin and bar food. He supplements his Army disability check by advertising as a private investigator on Craig's List offering divorce tails and missing person traces. At first, when he's offered a retainer to investigate an actual murder, he sees it as an easy way to pad his meager income, but he quickly realizes reclaiming his own self-worth through the eyes of his client with the sexy European accent is worth much more than the \$500 cash she counted out. Driven by a cast of colorful characters and multiple plots, this book moves at a fast pace, offering action, suspense and laughter. It's a novel that makes it easy to cheer against the really-bad bad guys and cheer for the not-so-good good guys, while wincing at some of the stereotypes that haunt us southerners. The book is set in today's multicultural Atlanta, and deals with contemporary issues like internet stalking, sexual predators, homosexuality, and intolerance. (previously published as *No Sh*t! Sherlock*)

Sherlock Holmes Mystery Magazine #29

In this rapid tale Mr. Doyle relates some further detective work of that gifted personage, Sherlock Holmes. Mr. Holmes finds existence lamentably dull in the momentary lack of new phases of abstruse crime until the plot really unfolds. The story is about East Indians, loot, very wicked retired army officers, murder, poisoned darts, an angelic and defrauded lady and the mastermind of Sherlock Holmes

Craig's List Detective

An editor in the offices of the *Strand Magazine* has received a challenge: Holmes' exploits as reported by Watson present only one side of the coin. There are persons working on the other side of the law whose intelligence and planning are equal to Holmes'. Moreover, the crimes they commit are "Such works of art" that authorities don't detect any crime has been committed. The author of the challenge encloses a short story showing how this perfect crime has been committed. Once that murder was verified by Holmes, the plotter announces a planned crime that will throw England into chaos--killing the Queen, the Prime Minister and Sherlock Holmes!

The Sign of Four

The darker side of Sherlock Holmes and the romantic side of Doctor Watson are both revealed in this enthralling second novel in Arthur Conan Doyle's detective series. Thick fog swirls through London, winding its way down Baker Street towards flat 221B where a cocaine-dazed Sherlock Holmes sits awaiting a new case. When a beautiful young woman, Mary Morstan, presents the sleuthing duo with two seemingly unrelated cases, all three work together to solve a decade-long mystery. A tangled web of missing fathers, curious deaths, and cursed treasure, *The Sign of the Four* was first published in 1890. This edition features a specially commissioned introduction alongside an article by Arthur Conan Doyle and an essay on the history of detective fiction by S.S. Van Dine.

Sherlock Holmes, Reports From The Dark Side

A collection of hundreds of Sherlock Holmes puns amassed over decades and stolen from a host of sources. The wordplay may be familiar, but the settings and characters are all original to the sources cited. The puns that have made it into the book are all Sherlockian narratives. Each is a tale describing events featuring Holmes characters, not simply a comment or an observation. We warn traditional Holmes fans up front, you will be annoyed and offended. If you are not, then the authors simply have not found your particular hangup - yet. Pick a number, they will get to you in a later edition.

The Sign of the Four - The Sherlock Holmes Collector's Library

"I never can resist a touch of the dramatic." The *Memoirs of Sherlock Holmes* is now best remembered for its concluding story in which the great detective appears to plunge to his death into the waters at the bottom of the Reichenbach Falls, locked in a struggle with his nemesis, Professor Moriarty. However, the collection also brings the reader back to the beginnings of Holmes' career, involving a mutiny at sea and a treasure hunt in a Sussex country house, and a first encounter with Holmes' older brother Mycroft, of whom Holmes says, "If the art of the detective began and ended in reasoning from any armchair, my brother would be the greatest criminal agent that ever lived". This collection includes some of the detective's greatest cases, such as 'Silver Blaze' and 'The Naval Treaty', and even one case which Holmes fails to solve. Edited with an introduction by Jarlath Killeen, this volume examines Holmes as a safeguard against social breakdown and chaos, as well as an agent of justice and goodness against the forces of evil. It also situates the collection in the growth of life writing in the period, and explores the ways in which Holmes became increasingly 'real' to readers as more details about his personality and biography are revealed in the stories. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Punishment of Sherlock Holmes

Sherlock Holmes assists a popular mystery writer whose plots seem to be coming to life. May 1898. A new client arrives at Baker Street - Abigail Moone, a wealthy, independent writer of successful mystery stories under a male pseudonym. She presents an unusual problem. Abigail claims that she devised a man's death that was reported in that morning's newspaper: that is, she planned his murder as an event to be included in one of her mystery stories. Following real people and imagining how she might murder them and get away with it is how Abigail comes up with her plots, but this victim has actually died, apparently of the poison method she meticulously planned in her notebook. Someone is trying to frame Abigail for his death, but with the evidence stacking up against her, she turns to Holmes to prove her innocence.

The Memoirs of Sherlock Holmes

It is the year 1888. A madman stalks the East End of London and only Sherlock Holmes and his trusted colleague and scribe Dr. John Watson stand between him and the women he preys upon. However, the World's first Consulting Detective is plunged into a web of intrigue and deceit. Is Jack the Ripper acting alone? Is there a conspiracy to murder fallen women in Whitechapel? How far must Holmes go to stop it? Add a plot to steal the most famous jewels in existence and a sinister figure known only as 'The Professor' and you have more than one mystery to be solved...

The New Adventures of Sherlock Holmes - The Back-to-Front Murder

"Mr. Sherlock Holmes? I am or was, Lady Juliet Armstrong, Baroness Crestwell. Having been murdered, I am deceased and require your assistance." Thus began the strangest partnership in the long career of Sherlock Holmes. In Book One of this series we met the brash and bold, silly and sassy Lady Armstrong who wouldn't let a simple thing like death stop her from seeking the help of the great Detective in solving the mystery of her violent and untimely demise. Further adventures followed and now in Book Two, she and her dog Pookie have become frequent companions to Holmes, Watson and yes, Mrs. Hudson. Sherlock Holmes and the Glamorous Ghost is the brainchild of author Harry DeMaio, creator of the of the famous Octavius Bear adventure series. Once again, join us for more comic and lighthearted mysteries of madcap mystical mischief and mayhem!

Sherlock Holmes and the Whitechapel Murders

A web of clues involving strange gifts, anonymous invitations, mystery tours, hidden treasure, and murder are parts of this Sherlock Holmes mystery.

The Adventures of Sherlock Holmes and the Glamorous Ghost - Book 2

Sign of the Four is one of the outstanding novels of the Sherlock Holmes series. It is a brilliant mixture of suspense and action with the protagonist disentangling an apparently unsolvable mystery and catching the criminal with great panache....

The Sign of the Four

In 1910, American author and social critic Jack London began writing The Assassination Bureau, Ltd., a work that he never completed. Now, thanks to the recently discovered manuscript of Dr. John Watson, we know why. The early part of London's book describes a secret organization-scoffed at or ignored by police officials-that conspires to murder influential political and social leaders. Not until Sherlock Holmes is provoked into action by threats close to home does anyone appear able to stop the Assassination Bureau. As Holmes and Watson proceed, they uncover devilish plots involving the deaths of some of the most prominent figures in history-from American Presidents to European heads of state, from murderous gangsters to muckraking writers like Jack London himself. With a deadly timing-device ticking, Sherlock Holmes hopes to prevent any further murders from threatening world peace. But by 1912, is he already too late?

Sign of the Four

This eBook edition of an intriguing Sherlock Holmes case has been specially formatted for today's e-readers. The Sign of the Four is a popular Sherlock Holmes book written by Sir Arthur Conan Doyle. Set in the late 1880s, the case features a complex plot involving stolen treasure and a secret pact by four ex-convicts. The book is set in Colonial India, and is critically acclaimed for how well it humanizes the character of Sherlock Holmes (including his drug habit!). This eBook is highly recommended for all fans of the famous detective, and fiction lovers in general.

A Study in Scarlet, and, the Sign of the Four

Sherlock Homes and his companion, the doctor, were inveterate users of the Victorian steam railway. In the famous chronicles of Dr Watson, the great network of the South Eastern and South Western Railways carried them through the sprawling suburbs of south London, out to the far corners of the Kent and Sussex countryside, to places where dark deeds were planned and where evil stalked the lonely and isolated neighbourhoods; where, beneath the sputtering gas lamp, the wary traveller paused awhile to hearken at the soft tread of his pursuer; and where the long arm of the law was forever strengthened by the rapier-like intellect of the famous Baker Street detective and his stoic chronicler. In this far-reaching study of twenty of the Sherlock Holmes stories, Kelvin I Jones, the renowned British Sherlockian, brings to life that murky and crime ridden world of murder and mayhem. 'I believe that even some non-Sherlockians will discover much interest in these pages ... Jones reveals a sensibility and knowledge of 19th Century literature that goes far beyond the world of Sherlock Holmes.' - Ed Hoch, award winning American short story writer.

The Outrage at the Diogenes Club (Sherlock Holmes and the American Literati Book 4)

In 1910, American author and social critic Jack London began writing The Assassination Bureau, Ltd., a work that he never completed. Now, thanks to the recently discovered manuscript of Dr. John

Watson, we know why. The early part of London's book describes a secret organization-scoffed at or ignored by police officials-that conspires to murder influential political and social leaders. Not until Sherlock Holmes is provoked into action by threats close to home does anyone appear able to stop the Assassination Bureau. As Holmes and Watson proceed, they uncover devilish plots involving the deaths of some of the most prominent figures in history-from American Presidents to European heads of state, from murderous gangsters to muckraking writers like Jack London himself. With a deadly timing-device ticking, Sherlock Holmes hopes to prevent any further murders from threatening world peace. But by 1912, is he already too late?

Sherlock Holmes - The Sign of the Four

Sherlock Holmes and Dr. Watson are no strangers to peculiar cases. Be it the dilemma of an Indian princess on the run, perfectly healthy people dropping dead as divine punishment, being challenged to a duel, a heartbroken and suicidal young man, a beautiful woman claiming to be Mrs. Holmes, a little boy who loves his dog, an old Scottish ghost that traditionally haunts husbands of pregnant women - there is very little they haven't seen (and solved). But, besides regular adventures, there are quite a few questions - Where was Holmes during the Great Hiatus? How was Sherlock Holmes as a child? Who was 'the most repellent man'? What happened after 'The Five Orange Pips'? What ingenious crime did Holmes solve by observing 'the depth which the parsley had sunk into the butter upon a hot day'? A Continuum of Sherlock Holmes brings together a baker's dozen of such stories. These are all traditional-style pastiches published in various anthologies from 2015 - 2020, including the MX Book of New Sherlock Holmes Stories. Jayantika Ganguly, better known as Jay, is an international Sherlockian from India who believes there can never be enough Sherlockian stories.

Sherlock Holmes and the Southern Railway Cases

"I Never Make Assumptions. Assuming is a Bad Habit." A STUDY ON SCARLET is the first book of popular Sherlock Holmes series written by author Arthur Conan Doyle. The story features the introduction of Sherlock Holmes and Dr. Watson through mutual friends and a mystery revolving around a corpse found at a derelict house in Brixton, England. The novel establishes many peculiarities and the working styles of Sherlock and Watson, who would become the most famous detective duo in popular fiction. Arthur Conan Doyle went on to write over fifty Sherlock Holmes short stories, and three more full length novels. The Sherlock Holmes stories have been adapted into many successful television series and feature films. A STUDY ON SCARLET is highly recommended for those who enjoy well fictioned detective novels and also individuals who enjoy to discover the incredible mind of Sherlock Holmes.

Outrage at the Diogenes Club (Sherlock Holmes and the American Literati Book 4)

"The Boxer" is a fictional crime novel based on Detective Ellis H. Parker's career, a real detective who was commonly called America's Sherlock Holmes during his lifetime. He solved 288 of the 300 major crime cases he investigated. He also handled thousands more in his career as the Chief of Detectives in Burlington County, New Jersey. Later in his life, when the Lindbergh baby was kidnapped allegedly by Bruno Richard Hauptmann, Parker was asked by the New Jersey Governor to join the New Jersey State Police to find and return the child, Charles Lindbergh Jr, to his parents. In "The Boxer," Detective Parker is tasked to discover why the newly crowned United States Heavyweight Boxing Champion Albert Smith was found dead in his hometown soon after winning his title. We learn that Smith had character flaws that may have attracted the killer to him and other victims. The suspects are many with their own suspicious stories to tell. Detective Parker has a lot of evidence to figure out until the novel's surprising conclusion shocks you.

A Continuum of Sherlock Holmes Stories

"The Sign of the Four" (1890), also called "The Sign of Four"

Sherlock Holmes A Study In Scarlet

2017 is the 130th anniversary of the publication of A Study in Scarlet, the first recorded adventure of Sherlock Holmes and Dr. John H. Watson. What an amazing journey it's been! In addition to the pitifully few sixty tales originally presented in The Canon, published between 1887 and 1927, there have been literally thousands of additional Holmes adventures in the form of books, short stories, radio and television episodes, movies, manuscripts, comics, and fan fiction. And yet, for those who are true

friends and admirers of the Master Detective of Baker Street, where it is always 1895 (or a few decades on either side of that!) these stories are not enough. Give us more! In March 1998, legendary radio dramatist, producer, writer, director, and founder of Imagination Theatre listened to this request and broadcast the first of an astounding number of Holmes radio shows over their United States network of stations. In the intervening years, 128 original Holmes episodes (and one recently found "lost" episode) were broadcast before Imagination Theatre closed its doors in early 2017. Additionally, the cast and crew performed their version of the entire Holmes Canon between 2005 and 2016, featuring the same actors as Holmes and Watson, (John Patrick Lowrie and Larry Albert, respectively,) as well as having every script adapted by the same author, M.J. Elliott - something that has never been done before. Astonishingly, this great number of episodes were written by a relatively small group of dramatists. Imagination Theatre's departure from the airwaves left a great void, both in terms of those seeking "movies for your mind"

The Boxer

The Sherlockian, the magazine that the indefatigable Holmesian, Kelvin I. Jones, edited in the mid-1980s for publication by Magico Magazine, is re-published in one volume. New material includes essays and stories by leading Sherlockians in the UK, USA and Canada. Contributors included in the original, and now much sought after, editions included the renowned radio writer, Michael Hardwick, Godfrey Hunt, Michael Kean, Catherine Cooke, crime writer David Stuart Davies, and that doyen of pastiche writers, Denis O Smith, George Cleve Haynes, Kelvin I Jones and the present editor of the Sherlock Holmes Journal, Roger Johnson. This new enlarged version features additional material by such luminaries as Glen Miranka (the world's biggest Doyle/Holmes collector), Wendy Heyman Warsaw (Canada), Glen Harris et al. This bumper edition is a great delight for the followers of Mr Sherlock Holmes.

The Sign of the Four

The treatment of formal features is historical."--Jacket.

Imagination Theatre's Sherlock Holmes

'Mr Sherlock Holmes, the well-known private detective, was the victim of a murderous assault this morning which has left him in a precarious position'. Dr Watson stops dead in his tracks when he reads of the attempt on his friend's life. The forces of nature turn against man, love breeds hatred and cowardice, mothers appear to attack their own children, and Sherlock Holmes, the one man who can redress the balance, seemingly lies at death's door ... When an assassination attempt is made on the great detective's life it seems that no one can escape the death and dread which blights Britain...
