The Crown Conspiracy

They killed the king. They pinned it on two men. They chose poorly.#13;#13;There's no ancient evil to defeat, no orphan destined for greatness, just two guys in the wrong place at the wrong time...Royce

Melborn, a skilled thief, and his mercenary partner, Hadrian Blackwater make a profitable living carrying out dangerous assignments for conspiring nobles until they become the unwitting scapegoats in a plot to murder the king. Sentenced to death, they have only one way out--and so begins this epic tale of treachery and adventure, sword fighting and magic, myth and legend. #13;#13;AWARDS#13;2009 National Indie Excellence Award Finalist#13;2008 ReaderViews Literary Award Finalist#13;2007 Foreword Magazine Book of the Year Finalist#13;Named One of the 2008 Notable Indie Books by Fantasy Book Critic #13;Named Top Five Fantasy of Books of 2009 by Dark Wolf's Fantasy Reviews#13;#13;ABOUT THE SERIES#13;The Crown Conspiracy is book one of the multi-book saga: The Riyria Revelations. Instead of a string of sequels, this six-book fantasy series was conceived as a single epic tale divided into individual novels. While one book may hint at building mysteries and thickening plots, these threads are not essential to reach a satisfying conclusion to the current episode--which has its own beginning, middle, and end. It should be noted that all six were written before the first was released to ensure continuity across a complex plot filled with twists, turns, and page-turning mysteries. Characterization occur across the whole series allowing readers to build friendships with likeable characters that are shaped as events unfold. The Riyria Revelations is written for adults but has no sex and limited violence centered on swordplay and is therefore, appropriate for younger audiences and a movie version based on the novels would garnish a PG-13 rating.

Age of Swords

The gods have been proven mortal and new heroes will arise as the battle continues in the sequel to Age of Myth—from the author of the Riyria Revelations and Riyria Chronicles series. In Age of Myth, fantasy master Michael J. Sullivan launched readers on an epic journey of magic and adventure, heroism and betrayal, love and loss. Now the thrilling saga continues as the human uprising is threatened by powerful enemies from without—and bitter rivalries from within. Raithe, the God Killer, may have started the rebellion by killing a Fhrey, but long-standing enmities dividing the Rhunes make it all but impossible to unite against the common foe. And even if the clans can join forces, how will they defeat an enemy whose magical prowess renders them indistinguishable from gods? The answer lies across the sea in a faraway land populated by a reclusive and dour race who feel nothing but disdain for both Fhrey and mankind. With time running out, Persephone leads the gifted young seer Suri, the Fhrey sorceress Arion, and a small band of misfits in a desperate search for aid—a quest that will take them into the darkest depths of Elan. There, an ancient adversary waits, as fearsome as it is deadly. Magic, fantasy, and mythology collide in Michael J. Sullivan's Legends of the First Empire series: AGE OF MYTH • AGE OF SWORDS • AGE OF WAR

Unfettered is an anthology of original fantasy fiction by some of the very biggest names in fantasy fiction, and it also features deleted scenes from A MEMORY OF LIGHT, the final book in Robert Jordan's Wheel of Time series. This collection is not only a fantastic anthology in its own right, but it's a testament to the generosity found in the science fiction and fantasy community. When author Shawn Speakman fell seriously ill and was unable to pay his medical bills, that's when New York Times bestselling author Terry Brooks offered to donate a short story that Shawn could sell to help alleviate those bills. He also suggested he ask the same of his other writer friends, and Unfettered is the incredible result. Twenty-four tales comprise this superb collection, and as the title suggests, the writers were free to contribute whatever they wished. Table of contents: - Foreword by Patrick Rothfuss - Introduction: On Becoming Unfettered - Imaginary Friends by Terry Brooks - How Old Holly Came To Be by Patrick Rothfuss - The Old Scale Game by Tad Williams - Game of Chance by Carrie Vaughn - The Martyr of the Roses by Jacqueline Carey - Mudboy by Peter V. Brett - The Sound of Broken Absolutes by Peter Orullian - The Coach with Big Teeth by R.A. But when an old flame's family is murdered, Adoulla is drawn back to the hunter's path. Raseed bas Raseed, Adoulla's young assistant, a hidebound holy warrior whose prowess is matched only by his piety, is eager to deliver God's justice. Zamia Badawi has been gifted with the near-mythical power of the Lion-Shape, but shunned by her people for daring to take up a man's title. She lives only to avenge her father's death. Until she learns that Adoulla and his allies also hunt her father's killer. Until she meets Raseed.
