The Exile and the Sorcerer

The quest for the stolen chalice is a sham - her family's excuse to get rid of Tevi. Exiled in a dangerous and confusing world filled with monsters, bandits, and sorcerers, Tevi battles demons within and without as she searches for her place in the strange new world. Jemeryl has her future planned out - a future that will involve minimal contact with ordinary folk who do not understand sorcerers. Her ambition is to lead a solitary life within the Coven and to devote herself to the study of magic. It is all very straightforward - until she meets Tevi. Two unlikely allies join forces to defeat an insidious evil and on the journey find one another.

The Exile and the Sorcerer

Two women, ensnared by the conspiracies of their rulers, become reluctant allies in a dangerous quest. Monsters, sorcerers and treacherous journeys all await Tevi on her quest to find the stolen chalice. If this isn't enough, her search leads her to join forces with Jemeryl, a tempestuous sorcerer who dreams only of the day when she will have completed her studies and be able to return to the sanctuary of Lyremouth, with her books and her research.

Exiled

Stripped of his powers and banished to The Never, James must save himself before he can save his fellow sorcerers from imminent demise. Prophesied by the greatest of all seers to be the sorcerer who would bring an end to the Epoch Terminus--the destruction of his kind--James grew up developing his powers under the watchful eye of his mentor, Akil Karanis. James's insular world is shattered when he is found guilty of murdering Akil and exiled to The Never, a mysterious and dangerous place reserved for the worst of the worst, a land from which no one returns. Powerless and alone, James quickly learns that the land itself poses a greater threat than its inhabitants. If he is to have any chance of returning to his family, any chance of proving his innocence, any chance of saving his kind, he must survive the dangers and temptations meant to ensnare both body and mind in order to discover what no one else has been able to discover--a way home.

The Walls of Westernfort

All Natasha Ionadis wants is to serve the Goddess as a Temple Guard, and she volunteers eagerly for a dangerous mission to infiltrate a band of renegade warriors and imprinters. But, once away from the temple, the issues are no longer so simple and she must reevaluate her beliefs, especially in light of her growing attraction for one of the outlaws. Is it too late to work out what she really wants from life?

Rangers at Roadsend

Sergeant Chip Coppelli escaped the manipulative plots of her powerful family by becoming a soldier. After 9 years in the elite Rangers, dealing with thugs and wild predators, she has learned to spot trouble coming, and that is exactly what she sees in the mystery surrounding her new recruit, Katryn Nagata. But even so, Chip was not expecting murder.

The High Priest and the Idol

Jemeryl and Tevi's relationship is put to the test when the Guardian sends Jemeryl on a mission that lands her not only in harm's way, but also back into the sights of a previous lover. The Protectorate of Lyremouth promises liberty for all its citizens, but this does not mean that everyone is equal. When Jemeryl is summoned alone to Lyremouth, she suspects it is a ploy to separate her from her lover, Tevi. After all, many disapprove of their relationship, not because they are both woman, but because Jemeryl is a sorcerer and Tevi is not. The task Jemeryl is given, to track down an ex-lover who has turned renegade on the Coven, does nothing to assuage her doubts. However, old bonds of affection are enough to make her accept the assignment, even though she is sure that she has been told only half the true story. But Jemeryl is wrong, she has not been told even a tenth of what is behind this mission. When Jemeryl does not return, nobody can stop Tevi from going after her.

Wolfsbane Winter

The Iron Wolf mercenaries who guard travelers on the Misery Trail are notorious for their quick and casual sex lives. Deryn may fit the stereotype better than most, but she has her reasons. A childhood tragedy has left her wary of forming attachments. If you don't care, then you can't get hurt, but you can still make a mess of things—such as the error of judgment that leaves her with no money, forced to spend the winter on a lousy job in a miserable little backwater. There she meets Alana, local healer, vet, and woman of mystery. It does not take Deryn long to find out that Alana is more than she seems, and has her own perilous secret to keep. Yet Deryn still finds herself falling for the woman, so much so that her come-and-go lifestyle is at risk. This would be bad enough, but serious trouble arrives for Deryn and Alana in the form of demon magic from the Time of Chaos—revealing that old legends are not merely material for ghost stories around the fire. As the danger increases, who do they need to fear more, the living or the dead?

Dynasty of Rogues

When you're short on friends and long on enemies, things can't get much worse. Until they do... Ranger Riki Sadiq is known as a troublemaker, and in the close knit heretic community, a bad name is hard to lose. Standing sentry duty on a winter's day, all she can see lying ahead is an afternoon of being cold, miserable, and bored. Her mood isn't helped by deliberate goading from people who are supposed to be working with her. Even so, retaliating in kind isn't one of Riki's better ideas. When Riki is dispatched to Westernfort for one last chance in the Rangers, the hostile reception means her list of enemies has become still longer, and prime candidate to head the list is her new patrol corporal, Tanya Coppelli. It is hate at first sight. The way Riki sees it, Tanya may have good looks, talent and sharp wits, but is that any reason to like her? However, if Riki but knew it, trouble of a deadly kind is heading her way. With their lives at stake, Riki and Tanya will have to overcome the mutual antagonism and learn to work together.

The Traitor and the Chalice

Tevi and Jemeryl, soldier and sorceress, must risk all in the race to uncover a traitor and retrieve the chalice that, in the wrong hands, could bestow dangerous powers. A dark presence is threatening to uncover long hidden secrets, and the future of the whole Protectorate is at stake. Without allies to help them, Tevi and Jemeryl will need to rely totally on each other; something made all the more difficult when the rest of the world seems intent on pulling them apart. Events will force them to re-evaluate

their assumptions about society and their places in it. Success will require making difficult choices, even while they battle for their lives.

The Temple at Landfall

Lynn is an imprinter, one chosen by the Goddess to receive her greatest gift, that of creating new life. So why does she feel like a prisoner in the Temple? When Lynn learns that she is to be relocated to the temple at Landfall, the arduous journey seems more like a gift--her last chance to see something of the outside world. She does not anticipate the dangers and temptations she will encounter along the way, nor does she expect Lieutenant Kim Ramon, an officer in the squadron of Rangers assigned to protect her. Despite all prohibitions forbidding it, attraction grows between the two women. Against them stand the powerful religious Sisterhood and their holy warriors--the Temple Guards. In a world ruled by the Church, what chance is there that Lynn can escape?

Lorimar's Chalice

Stripped of his powers and banished to The Never, James must save himself before he can save his fellow sorcerers from imminent demise. Prophesied by the greatest of all seers to be the sorcerer who would bring an end to the Epoch Terminus--the destruction of his kind--James grew up developing his powers under the watchful eye of his mentor, Akil Karanis. James's insular world is shattered when he is found guilty of murdering Akil and exiled to The Never, a mysterious and dangerous place reserved for the worst of the worst, a land from which no one returns. Powerless and alone, James quickly learns that the land itself poses a greater threat than its inhabitants. If he is to have any chance of returning to his family, any chance of proving his innocence, any chance of saving his kind, he must survive the dangers and temptations meant to ensnare both body and mind in order to discover what no one else has been able to discover--a way home.

Exiled

Preternatural Private Investigator and Paranormal Huntress Cassandra Lyall is used to working alone. Whenever there's a murder or a mystery to solve that involves the preternatural—she's the witch they call. When she's called in to help the local cops work on a mysterious murder case, she finds herself needing all the help she can get. A bloodthirsty werewolf is loose in the city and on a killing spree. As if her plate weren't full enough, a strange she-wolf seeks Cassandra's aid, asking her to help find her missing brother. Cassandra soon learns that the strange she-wolf serves two masters, and one of those masters has taken quite an interest in her. In a world where vampires have charmed their way into modern society, where werewolves walk the streets with their beasts disguised by human skin, Cassandra Lyall has a secret of her own to protect. She's one of them. The First Book in the Cassandra Lyall Preternatural Investigator Series.

Witch Wolf

"In a world without men, imprinter Lynn has a vital gift--the ability to link strands of DNA to create new life. Owned by the Temple, protected and effectively held prisoner there, she leads a life of quiet despair, shut away forever from her family and the world outside. Then into her life comes Kim; tough, worldly, and courageous, part of a squadron of rangers assigned to protect her on the arduous journey through the mountains to Landfall, the holiest of the Temple sites. Haunted by a tragedy in her own past, Kim is quickly drawn to the lonely young imprinter. But as the two women grow closer, they know they are putting themselves in grave danger. For in a world where the Church rules the State, there are people who will stop at nothing to make sure Lynn can never escape ..."--www.anobii.com.

The World Celaeno Chose

When fate takes a wrong turn, even a romance written in the stars can be destroyed. Soul mates from preschool, Dana Ryan and Keri Flemons are separated by tragedy when they are eight years old. Twenty years later, fate throws them together again. Dana is a retired pro-soccer player and a rookie sports photographer, and Keri has reluctantly assumed control of a professional football team after her father's untimely death. When Keri offers Dana a position as a photographer for a team project, an opportunity that would make her career, Dana is faced with the challenge of working with the woman whom she holds personally responsible for most of the heartbreak in her life. Despite their rocky history, as time passes their attraction grows—until the past resurfaces to threaten the shape of their future.

Forever Found

Militia rookie Ellen Mittal is well aware that the world cannot be reduced to simple questions of black and white, but she has no idea of just how complex and dangerous her life is about to become. The most vicious gang in the Homelands, led by the infamous Butcher, is extending its operations to Roadsend. By her oath as a member of the Militia, Ellen is sworn to uphold the rule of law, no matter what the cost to herself. But as the body count starts to rise, Ellen finds her task made all the harder by a wall of silence from ordinary citizens, a commanding officer with her head in the sand, and the attentions of an attractive young farmer who is probably not who she claims to be. Ellen must work out who to trust, because if she gets it wrong she might easily lose her heart, or her life.

Shadow of the Knife

Danger, destiny, and romance on the river. A wilderness kayak adventure brings together two very different women—Chaz Herrick, a laid-back outdoorswoman, and Megan Maxwell, a workaholic news executive. As they battle the challenges of nature for survival, they discover that true love may be nothing at all like they imagined.

Whitewater Rendezvous

Catalina de Valasco's parents have her future fully planned. The most important step for a 17th century Spanish noblewoman being, of course, an advantageous marriage. Unfortunately, a series of setbacks has left Catalina unwed. On a galleon bound for the Americas and her latest husband-to-be, Catalina again finds her marriage plans frustrated. Pirates capture the ship, and she is held for ransom. The danger intensifies as they sail into seas which, one day, will become known as "The Bermuda Triangle". Catalina enters a terrifying world that she could never have imagined or planned for. Yet of all the surprises awaiting her, the most unexpected one is love.

Isle of Broken Years

Jemeryl must take the Empress Bykoda's talisman to a place of safety. Failure will mean complete destruction not only in the present, but also the past.

The Empress and the Acolyte

The Celts knew it as Annwyn, the Otherworld—certainly not a destination IT professional Lori Cooper anticipates when distracting herself with a magazine puzzle page in the dentist's waiting room. Clues buried in the answers lead her to Tamsin, who claims to command a band of warriors for the queen of the fay. From this, Lori concludes that Tamsin is both insane and dangerous. She's also quite worryingly attractive. However, Lori's own sanity becomes a bigger concern when she finds herself held captive in a strange world with yet more puzzles to solve. She must pick her way through layers of illusion and deceit. Nothing and nobody, including Tamsin, is quite as they seem. Who can Lori trust? She will need to uncover the full truth if she is to return home, mind and body intact.

Silver Ravens

In a magical world where being different is the norm, why must Rye Woods fear for her life if the truth about her hidden identity is revealed? When Rye Woods, a fairy, meets the beautiful dryad Flora Withe, her libido, as squashed and hidden as her wings, reawakens along with her heart. But Rye is a poor builder's labourer with a teenage sister to raise, while Flora is a wealthy artist-celebrity with a tree-top condominium and a sporty, late-model flying carpet. If those aren't obstacles enough to the scorching attraction that rapidly develops, Rye lives under the pall of a dark secret that has made her a fugitive in the very land where she sought freedom. The more Rye reveals to Flora, the more vulnerable she is to her past catching up with her. Can she and Flora find their way to loving one another in the face of their social and cultural differences while struggling with the dark forces that threaten Rye?

Broken Wings

Tarkyn, a young sorcerer prince, exiled by his brothers, finds himself the unwelcome, resented liege lord of an egalitarian people who live deep within the forest. As the prince struggles to come to terms with such different people and to work with them against impending danger, unlikely friendships develop and a living legend emerges.

Bronze Magic

In the port city of Fortaine, two young girls acquire new families. Four-year-old Eawynn, the unwanted illegitimate daughter of an ambitious noble, is dumped in the temple. When she is old enough, she will be initiated into its sisterhood of priestesses. Meanwhile Matt, the street urchin, earns a crime lord's admiration, so much so he adopts her as his daughter and heir to his underworld clan. Nearly two decades later, their paths cross when Eawynn is appointed custodian of the Shew stone, the mystical orb of prophecy. Unfortunately for her, Matt is on a mission to steal it.

The Shewstone

Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

Library Journal

Five short stories that give us glimpses into the lives of Griffin, Jorie, and the other characters from Second Nature. Bonding Time: Griffin has been looking forward to a little feline bonding time with a special lady. Leave it to her sister Leigh to interrupt. Coming to Dinner: Jorie and Griffin are having second thoughts about their decision to invite Griffin's shape-shifter relatives and Jorie's mother for dinner on Christmas Day. What could be more nerve-racking than eight cat-shifters who don't believe in Christmas celebrating with a human woman, allergic to cats, who doesn't believe in the existence of shape-shifters? Will it end with peace on earth, or will fur fly? Babysitter Material: It's Rufus and Kylin's anniversary-and no babysitter for the triplets in sight. Kylin has a desperate idea, but is her gruff father Brian, ruler of the pride, really babysitter material? When the Cat's Away: When a mouse takes up residence in Griffin and Jorie's house, Griffin calls her fathers over. With three cat-shifters on the hunt, the house will be a rodent-free zone in no time. Or so she thinks. Plus One: Griffin accepts Jorie's invitation to be her "plus one" at Jorie's high school reunion, eager to find out more about her lover's past. But the food at the buffet has an unexpected effect on Griffin.

Natural Family Disasters

Born into a world of intrigue and mystery... Nath Dragon knows his place in life. Born a man and destined to protect Dragon Home, Nath must carry the burden of his legacy, despite his own desires. Threatened by a perilous enemy... With cunning dark elves out to destroy Nath, his life takes a turn that threatens to ruin his family. With nobody to trust and nowhere to go, the young warrior sets out to uncover answers that his rivals will kill to protect. Unleashing the truth changes everything... The closer he gets to the truth, the more dangerous Nath's quest becomes. Battling ruthless enemies, wizards, dragons, and thieves, Nath uncovers the one thing he thought he always knew: who he really is. Note: This is a prequel series to the #1 International Bestselling Fantasy Series, The Chronicles of Dragon, written for Dragon Lovers of all ages!

Exiled

A split-second decision to save a civilization. Another decision to give it away. Captain Ekatya Serrado has spent her career fighting the Voloth, who view less advanced civilizations as fuel for their empire. The choice between saving her ship or a world under attack is easy. The choices that come after are harder. Lancer Andira Tal, the leader of Alsea, believes her people are alone in the universe until a gigantic spaceship crashes near her capital city. Now she is thrust into a struggle between two powerful forces, and her planet is the prize. With a civilization and the galactic balance of power at risk, friendships and alliances may not hold against betrayal. Honor is easy when the stakes are low.

The Caphenon

A shape-shifting soldier falls in love with the human woman she's supposed to kill in this compelling lesbian paranormal romance, part one in the award-winning Shape-Shifter series. For solitary novelist Jorie Price, true love seems as fictional as the shape-shifting creatures she writes about in her paranormal romances. Griffin Westmore doesn't believe in love either, but she's one of those not-so-fictional shape-shifters who secretly live among humans. When Jorie's writing gets uncomfortably close to the truth, Griffin is sent to investigate and, if necessary, kill the author to protect the secrets of her kind. But when Griffin unexpectedly finds herself drawn to Jorie, her world is turned upside-down. Hell, she's supposed to kill the human, not fall in love with her! How can she complete her mission now?

Second Nature

Elaine MacLeod, the most feared and revered Mistress of Rowan House, is frustrated. Overworked, still hurt and angry over the departure of her long-term lover, she refuses to admit Rowan House needs another Mistress to accommodate their guests. Unconvinced anyone will be able to meet her high standards, Elaine grudgingly agrees to audition the sole applicant, Petra Grendhal. Robin Broadacre would do anything for the woman who rescued her from certain death at the hands of her previous employers. When she volunteers to assist Petra with her audition, Elaine is forced to reckon with her desire for Robin. Drawn to Petra's fiery strength and icy demeanor as well Robin's devotion, Elaine finds herself torn between her passion for both women. When Petra disappears on a trip to Oslo, Elaine and Robin's search leads them to menaces from Robin's past and a fight for their lives.

Double Six

The adventure continues in the final instalment of the New York Times bestselling series from the fantasy author who is a legend herself: Tamora Pierce. A powerful classic that is more timely than ever, the Protector of the Small series is about smashing the ceilings others place above you.

Lady Knight (The Protector of the Small Quartet, Book 4)

A Newbery Honor Book and a modern classic of young adult fantasy, *The Blue Sword* introduces the desert kingdom of Damar, where magic weaves through the blood and weaves together destinies. New York Times–bestselling and award-winning author Robin McKinley sets the standard for epic fantasy and compelling, complex heroines. Fans of Sarah J. Maas, Leigh Bardugo, and Rae Carson will delight in discovering the rich world of Damar. Harry Crewe is a Homelander orphan girl, come to live in Damar from over the seas. She is drawn to the bleak landscape, so unlike the green hills of her Homeland. She wishes she might cross the sands and climb the dark mountains where no Homelander has ever set foot, where the last of the old Damarians, the Free Hillfolk, live. Corlath is the golden-eyed king of the Free Hillfolk, son of the sons of the legendary Lady Aerin. When he arrives in Harry's town to ally with the Homelander against a common enemy, he never expects to set Harry's destiny in motion: She will ride into battle as a King's Rider, bearing the Blue Sword, the great mythical treasure, which no one has wielded since Lady Aerin herself. Legends and myths, no matter how epic, no matter how magical, all begin somewhere.

The Blue Sword

Warleader. This is what the people of Y'Dan used to call the proud warrior Azhani Rhu'len. Banshee. Oath breaker. Murderer. These are words that slip off their tongues now. Azhani Rhu'len, once one of the greatest of Y'Dan's warriors, is now just a common criminal, escaping the justice of the kingdom she swore to serve. Kyrian Stardancer. Goddess' Own. A healer and priestess, she is inviolate until one day, when her world is turned upside down and tossed over the back of a horse—literally. Torn from all she knows, Kyrian finds her fate now rests squarely on the shoulders of the oath breaker, Azhani Rhu'len. When signs of ancient evil appear, Azhani and Kyrian must choose whether to ignore the warnings or stand and face the terrifying menace.

Banshee's Honor

Aided by a haunted young City medic, the descendents of an ancient warrior tribe fight for—their freedom. Brenna's new duties as a Clinic medic include monitoring the health of political prisoners after they've been interrogated. The extreme measures employed by Caster, the Clinic's director, are

not supposed to distress Brenna—any such humanistic concerns have long been dismissed by the tyrannical City Government. But Brenna finds herself deeply conflicted by her first patient, Jesstin, a wild and rebellious warrior reputed to be descended from ancient Amazons. Through Jess, she learns of another way of life in the Amazon village of Tristaine, where freedom and passion are prized more highly than political power. As Caster's methods grow increasingly brutal, Brenna fears for Jess's life, and struggles with the deepening bond between them. Soon she faces a critical choice, and a harrowing fight for survival.

The Clinic

Clara Gutierrez is an AI repair technician and a wanderer. Her childhood with her migrant worker family has left her uncomfortable with lingering for too long, so she moves from place to place across retro-futuristic America. Sal is a fully autonomous robot. Older than the law declaring her kind illegal due to ethical concerns, she is at best out of place in society and at worst vilified. She continues to run the tea shop previously owned by her long-dead master, lost in memories of the past, struggling to fulfill her master's dream for the shop while slowly breaking down. They meet by chance, but as they begin to spend time together, they both start to wrestle with the concept of moving on... A F/F retro-future sci-fi asexual romance. A story about artificial intelligence and real kindness, about love, and the feeling of watching steam rising softly from a teacup on a bright and quiet morning.

The Cybernetic Tea Shop

As a young parish priest, Father Christopher has heard many confessions, but his own tale is more astounding than any revelation he has ever encountered in the confessional . . . for Chris was once a pirate captain, hundreds of years before his birth. Fresh from the monastery, the former novice finds himself inexplicably transported back to the Golden Age of Piracy, where an unexpected new life awaits him. At first, he resists joining the notorious Brethren of the Coast, but he soon embraces the life of a buccaneer, even as he succumbs to the seductive charms of a beautiful and enigmatic senorita. As the captain of his own swift ship, which may or may not be cursed, he plunders the West Indies in search of Spanish gold. From Tortuga to Port Royal, from the stormy waters of the Caribbean to steamy tropical jungles, Captain Chris finds danger, passion, adventure, and treachery as he hoists the black flag and sets sail for the Spanish mainland. Where he will finally come to port only God knows Pirate Freedom is a captivating new masterpiece by the award-winning author of The Wizard Knight and Soldier of Sidon. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Pirate Freedom

"Beautifully written."—Publishers Weekly, starred review The martial Sainnites have occupied Shaftal for fifteen years. Every year the cost of resistance rises. Emil, an officer and scholar; Zanja, a diplomat and last survivor of her people; and Karis, a metalsmith, half-blood giant, and an addict, can only watch as their country falls into lawlessness and famine. Together, perhaps they can change the course of history. Laurie J. Marks' first two Elemental Logic novels (Fire Logic and Earth Logic) both won the Gaylactic Spectrum Award and received multiple starred reviews. She lives in Boston, Massachusetts, and teaches at the University of Massachusetts.

Fire Logic

Gideon the Ninth meets Black Sun in this queer, M ori-inspired debut fantasy about a police officer who is murdered, brought back to life with a mysterious new power, and tasked with protecting her city from an insidious evil threatening to destroy it. The port city of Hainak is alive: its buildings, its fashion, even its weapons. But, after a devastating war and a sweeping biotech revolution, all its inhabitants want is peace, no one more so than Yat Jyn-Hok a reformed-thief-turned-cop who patrols the streets at night. Yat has recently been demoted on the force due to "lifestyle choices" after being caught at a gay club. She's barely holding it together, haunted by memories of a lover who vanished and voices that float in and out of her head like radio signals. When she stumbles across a dead body on her patrol, two fellow officers gruesomely murder her and dump her into the harbor. Unfortunately for them, she wakes up. Resurrected by an ancient power, she finds herself with the new ability to manipulate life force. Quickly falling in with the pirate crew who has found her, she must race against time to stop a plague from being unleashed by the evil that has taken root in Hainak.

The Dawnhounds

Some things are better than chocolate... Molly O'Brien is a sweetheart. Her friends and neighbors all think so. While she enjoys her quiet life running the town bakeshop in Applewood, Illinois, she wonders if there could be more. After losing the love of her life four years prior in a plane crash, Molly thinks she's ready to navigate the dicey dating waters once again. However, you can't always pick who your heart latches on to. When Jordan Tuscana, the beautiful younger sister of her lost love, returns to town, Molly finds her interest piqued in a manner she wasn't prepared for. As secrets are uncovered, Molly and Jordan must figure out how to navigate the difficult terrain of their multi-faceted relationship. Especially when something much deeper seems to be bubbling between them.

How Sweet It Is

"The story of two teenage women, growing up during the "great depression" and fighting their way out of the trials they inherit. A love story, for and about, all true lovers." -- Publishers description.

All True Lovers

Actress Caidence Harris is living her dreams after landing a leading role among the star-studded, veteran cast of 9th Precinct, a hot new police drama shot on location in glitzy LA. Her sometimes-costar Robyn Ward is magnetic, glamorous, and devastatingly beautiful, the quintessential A-List celebrity on the fast-track to super-stardom. When the two meet on the set of 9th Precinct, Caid is instantly infatuated but settles for friendship, positive that Robyn is both unavailable and uninterested. Soon Caid sees that all is not as it appears, but can she take a chance and risk her heart when the outcome is so uncertain?

And Playing the Role of Herself

Exiled: The Battle for Enderseer Hold

Azriel's plans of endless domination are coming to fruition. Nasith's care is her first priority as she persuades the Deathbringer to concede to her wishes. Each day he delays capitulation gives the forces allied against her another chance for victory. They face more than another season of winter warfare. An adversary from history swells the ranks of Azriel's army. The people of Allorn must defeat a foe whose very touch is deadly as they face a witch who stands supreme.

The Jack of Souls (Fantasy)

Harric, an outcast rogue, must break a curse put on his fate, or die on his nineteenth birthday. As the day approaches, nightmares from the spirit world tear at his sanity. To survive, he'll need more than his usual tricks. He'll need help--and a lot of it. But on the kingdom's lawless frontier, his only allies are other outcasts. One of these is Caris, an autistic, horse-whispering runaway, intent upon becoming the Queen's first female knight. The other is Sir Willard--ex-immortal, ex-champion, now addicted to pain-killing herbs and banished from the court. With their help, Harric might keep his curse at bay, but for how long? And both companions bring perils and secrets of their own: Caris bears the scars of a troubled past, and Willard is at war with the Old Ones, an order of insane immortal knights who once enslaved the kingdom, and who now return to murder Willard, and seize the throne from his queen. Together, Harric and his companions must overcome fanatical armies, murderous sorcerers, and powerful supernatural foes. Alone, Harric must face the temptation of a forbidden magic that could break his curse, but cost him the only woman he's ever loved. * * * A tale of magic, mischief, and the triumph of trickery. * * * MIDWEST REVIEW says, "The first volume in Stephen Merlino's 'The Unseen Moon' series, 'The Jack of Souls' is a terrific read from beginning to end and clearly establishes Merlino as a master of the fantasy action/adventure genre. Highly recommended for community library Science Fiction & Fantasy collections..." * * * "Of all the books I've read in the past couple of years, The Jack of Souls is by far my favorite. Merlino's remarkable imagination and storytelling skills had me on the edge of my seat the whole way through!" --Karen Duvall, author of Darkest Knight, and Demon Fare * * * "A rich and rewarding new mythos!" --Rob May, author of Dragon Killer and Roll the Bones.

Exiled

An exciting fusion of technology and magic, the second book in this Australian series is a MUST read for lovers of fantasy, loaded with swords, sorcery, dragons and alien threats.

Dickens' Women

A captivating portrait of some of Charles Dickens' most memorable female characters presented by popular actress Miriam Margolyes to accompany her hugely successful one-woman show touring the world in 2012. In his novels Dickens presents a series of unrivalled portraits of women, young and old. From Little Nell to Miss Havisham, these girls and women speak to us today, making us laugh and sometimes cry. The popular British actress Miriam Margolyes will be touring the world in 2012, the bicentenary of Dickens' birth, with a one-woman show about Dickens' women, and this book accompanies the show by building on the script and expanding to include many more of the female characters Dickens described and analysed so astutely in his novels. "Mrs Pipchin was a marvellous ill-favoured, ill-conditioned old lady, of a stooping figure, with a mottled face, like bad marble, a hook nose, and a hard grey eye, that looked as if it might have been hammered at on an anvil without sustaining any injury." "OCO"

Demon Fare

In an alternate history New York City—one hundred and fifty years after an earthquake from hell nearly destroyed the planet—the twenty-first century clings to an industrial age. Steam engines rule, and demon-powered technology is the up and coming thing. Henry Paine, a half-demon taxi driver, is the go-to guy for just the right demon to possess your machine and automate any mechanical gizmo with or without an engine. The creatures are tame as pets. Or at least they have been... until now. Wanda Snow is an exorcist who grudgingly admits to having a few drops of demon blood herself. She's come to New York to rid the city of demonic vermin as well as any other demons that get in her way. Wanda and Henry are naturally at odds, but the two are forced to become partners in a mutual goal to round up the rogue demons biting the Big Apple and take down the sinister tyrant who started it all.

The Demon's Apprentice

At fifteen, Chance Fortunato has seen more evil than most people ever will. Indentured by his father to the demon count Dulka, he's been taught dark magick and forced to do his Infernal master's dirty work for eight years. But now Chance has figured out a way to defeat his master and free himself. His new life with his mother and sister is far from easy, and freedom has its own perils. Normal life is hard enough, but even in a mundane looking high school, there are paranormal threats from both sides of the mystical fence. When his new mentor is murdered, Chance knows he is the only one who can track the killer down. To bring his mentor's killer to justice, Chance will have to fight evil on its own terms, and discover if that makes him a hero...or a monster.

Dragon Killer

The epic fantasy trilogy begins. In a world fearfully awaiting the return of the dormant dragon god, a triumvirate of evil villains rises up to take advantage of the chaos. Reluctantly pitted against them is Kal Moonheart, an adventurer and gambler, marked for a life of danger at a young age. But Kal has friends to stand with her: honest thief Will Straightarrow, smuggler and pirate Lula Pearl, knight-errant Rafe Firehand, and wily politician Benedict Godsword. Kal's quest for peace will take her from the tallest mountains to the deepest seas, from the darkest dungeons to the highest halls of power. All the traditional fantasy elements are here, but with the added suspense and unpredictable plots of a thriller. There will be blood. There will be a reckoning ... In DRAGON KILLER, a mysterious threat puts Kal on a collision course with terrors she thought were long buried in her past. Teaming up with a young guard captain, aspiring knight Rafe Firehand, she travels to a dragon-haunted island to hunt down a murderous beast. But once there, Kal soon discovers there are worse things in the world than dragons, and when an unexpected sequence of events leaves her in an impossible situation, she must summon every ounce of skill, cunning and strength in order to survive.

Chased by Fire

An ancient artifact that must be found... Terrifying creatures from dark and dangerous Incendin... And long-forgotten elementals again unleashed on the world. As an earth senser, Tan is tasked with helping guide the king's servant through the dangerous mountain passes in search for the artifact before Incendin can reach it first. But after losing his father to the war, Tan wants nothing to do with the king's demands. When everything he knows is lost, he is forced to risk himself to save the one person who can find the artifact, a beautiful girl who has lost as much as Tan. In doing so, power the world hasn't seen in nearly a thousand years is awoken, and a warrior long thought dead returns to claim the artifact for himself.

Kingdoms of the Cursed

"Greg Keyes has always been both a skilled storyteller."—Terry Brooks, New York Times bestselling author Errol Greyson is awake and back in his own body, thanks to his friends Aster the witch and Veronica the half-dead girl. Unfortunately, due to the attempted suicide that led to his months-long coma and temporary reincarnation in Aster's wooden automaton in the first place, he's also in a mental hospital. But when the last person Errol expects breaks him out and forces him back to the magical Kingdoms, he has no other option but to attempt to undo a deadly curse threatening reality itself, in hopes of returning the realm to equilibrium. It's dangerous business, especially in Errol's merely-human form, weakened from months in bed. Fearing for their friend's life, Aster and Veronica follow, but are quickly separated. Aster is captured by an ancient evil—the source of the curse—while Veronica confronts a mysterious admirer, her own evolving nature, and the dark spirit that murdered

her years earlier. As vast armies collide and dragons take wing, the friends must find each other—and themselves—again.

The Raven Son

Five hundred years of peace and prosperity have been shattered by the assassination of the king's eldest son, the heir to the Union of Cities' throne. Now the kingdom must determine how to prevent being overtaken by a malevolent force and whether they trust the new heir-apparent, Brennan, whose unorthodox ideas and methods cause some to doubt his ability to lead. Brennan himself must not only struggle to accept his brother's cruel death and his new role in the kingdom, but also finds himself the unexpected caretaker of the refugee Galya, whose shrouded past could ultimately turn the tide for the Union.

The Sigil Blade

The people of An Innis have fallen on hard times. Vengeful thieves, rumored to be men returned from death, have brought the island to its knees. Using a fleet of captured ships, they systematically plunder everything that enters or attempts to leave the coastal waters that surround the island. The Sigil Blade, the first book of the Archon Sigil Trilogy, tells the story of Edryd, a man who is trying to reinvent himself and conceal the truth about his past. His unexplained arrival as a stranger upon the island will change the course of its history and set in motion events that will ultimately shape the future of an entire world.

Valkwitch

"I want to hear your version of the beginning, oh master bard. Let's hear about the time before the titles and plane-shifting. When I was just...me." Life and Death. Fire and Water. Light and Shadow. Air and Earth. Together, the eight elemental forces were used in the creation of the world. Now, separately, they seek to unmake it. To do that, they need agents to carry out their designs. Thus, the Elements offer a pact to anyone willing to listen and the terms are simple: power for service. Those who accept have become heroes and villains, men and women of legend. History and myth are littered with tales of their deeds, while the face of the world is scarred by their successes and failures in equal measure. For Tyrissa, such tales reside solely in within the pages of a book. While she feels the call of a more adventurous life, she reins in the urge and settles for ownership of the immense evergreen forests of her homeland. As much as she may dream, it seems she wasn't meant for a life beyond her current reach. But such tales have a certain way of unfolding, and Tyrissa will find herself drawn into the long-simmering elemental conflict in a way she never quite imagined. VALKWITCH is the beginning of an epic fantasy saga that stretches across a fracturing world and into realms beyond.

Darkest Knight

"Betray your sisters or your lover. You choose." After the warrior she loves saved her from a murderous gargoyle, Chalice watched helplessly as Aydin turned into a gargoyle himself. Now, free from the curse that enslaved her, Chalice pledges to join her sister knights in The Order of the Hatchet—and do whatever it takes to regain Aydin's humanity...and his love. What she encounters within their hallowed sanctuary is pure intrigue. Someone—or something—is murdering her sisters in their sleep, provoking fear and suspicion among the order. Meanwhile, Aydin, unable to stay away, starts haunting Chalice's dreams, urging her onward. Ultimately, Chalice will be faced with an agonizing choice—one that will tear away at her newfound identity and force her to choose between duty and desire....
