The Billionaire's Designer Bride

Despite his name, Billionaire Chance Bennett has never been a man who liked leaving anything to chance. The success of his company was down to careful design rather than luck and this is something he feels he can replicate in all parts of life, including relationships. Now he has made his fortune he feels it is time to settle down and get married. However, Chance does not want to leave it up to the gods of fate. He wants the woman who is perfect for him and he wants to meet her now. So he uses his technological resources to create an algorithm that will search Manhattan for a woman who is perfect for him. He believes this is the only true way of finding "the one." When the machine throws up the name "Regina King" from Harlem he is intrigued and he knows he has to meet her. If the machine is right, this is the woman he is destined to marry and he will stop at nothing to make it happen. Chance Bennett is confident he has designed the perfect relationship from which they will happily ever after, but can true love really be designed?

From Bridal Designer to Bride

From never... ..to for ever?

From Bridal Designer To Bride (Mills & Boon True Love) (How to Make a Wedding, Book 1)

Costume designer Analisa Norfolk, one of an elite team of doubles for rock star Breezy, is called to be a decoy in New York City when Breezy is under threat and running for her life. Billionaire Marco Fuentes is a Broadway producer, director, and choreographer in desperate need of a costume designer. He is determined to have Analisa through trickery or negotiation, the method doesn't matter to him, only the result. Is their chemistry strong enough to survive their secrets?

The Designer Bride

Desperate to see his sons settle down, especially after he's been given six months to a year to live, elderly hotel magnate and family patriarch Jonah E. Belmont, III gives his sons a bucket list challenge. They each must wed—or at least be in a stable, loving relationship before he passes on and in order to keep their respective inheritance in the prestigious Belmont Hotels & Resorts legacy. Only his sons are not too convinced about getting married for any reason and vow to remain single...and safe from heartbreak. Read book 1 in Billionaires of Belmont Series... Dane & Olivia's story Dane Romano-Belmont (a Belmont heir born on the wrong side of the sheets) considers himself too emotionally damaged to ever become a marrying man, especially after having his heart ripped out by his ex who was on the rebound when they'd met—a bad mistake. But when his father gives him a final-wish ultimatum to settle down, he's torn, until... Olivia McAlister, a young social worker, stumbles into Dane's life... The pretty bride-to-be has three hundred wedding guests booked into the Belmont Hotel on the eve of her nuptials. Too bad her groom, Jack Laster, just called off the wedding. She's now officially through with men—for good! But, Dane, the hot and sexy Belmont executive, has given her a proposition so she can save face on her big day. Can she really trust him with her heart?

The Billionaire's Bride for a Day

You ever had one of those really terrible days at work? You know, where the maid of honor accuses the bride of cheating on the groom with the best man AND the groom's father? No? Welp... Welcome to life as a wedding planner for the rich and entitled of Manhattan. I've seen it all--from the nastiest bridezilla to the most overindulged billionaire. And Evan is the worst. Tall, dark, and handsome, he has a ridiculously ripped body under his formal suit and runs a massive hedgefund that's actively making the world a worse place. I don't even feel sorry for him when he walks away from the alter in a daze. Well, maybe a little bit. Enough that I now have a billionaire holed up in my teeny tiny apartment. I regret it immediately. My violently antisocial cat has welcomed him like a long lost brother, Evan's half-naked six-foot-five frame is sprawled across my bed, and he's eaten all of my lasagna. A day and an epic screaming match later, he's out on the street, and I have my high-stress, lonely life back. But I can't worry about a billionaire's hurt feelings. After all I have a business to run and bridezillas to corral. But when I go to meet with my latest bride, guess-who is there smirking at me. Evan's decided he's ready to move on from the cheating witch. Who does he want as he rebound? Me. But I am immune to Evan's obnoxious displays of wealth and his piercing blue eyes. These panties are staying firmly on. Mostly. Except for that one time. But it's not like anyone's falling in love right? Right?! This standalone, full length romantic comedy has no cliffhangers but does have a swoon-worth HEA! This book is STEAMY! The highs are hilarious and the lows are as deep as the voice of the guy you fantasize about!

Catherine Bybee, New York Times best selling author of the Weekday Bride Series *The Best Laid Planner* by Miranda Neville Arwen Kilpatrick gets her big break when she's hired to organize the wedding of an old friend—to a billionaire. Arwen doesn't have time for romance, not even with the sexy hotel handyman, Harry Compton. But putting on the wedding of the year means dealing with one surprise after another, including the discovery that Harry is so much more than he seems. *Will You Be My Wi-Fi?* by Caroline Linden All Natalie Corcoran wants is peace and quiet while she writes her cookbook. The lavish wedding party at the hotel next door is driving her crazy—especially the sexy lawyer who wants her wi-fi password. But Archer Quinn is swamped with work and will do anything to convince her to take a chance on him... first with her wi-fi, then with her friendship, and then with more. But he only has a week to persuade her they'll be scrumptious together... *The Day It Rained* Books by Katharine Ashe Swept away by a mysterious benefactor to the wedding of the year, librarian Cali Blake is living a fairytale. The only thing missing is Prince Charming. Instead the guests include the last man she wants to see—her archenemy, millionaire playboy Piers Prescott. Piers is determined to conquer Cali's resistance to him, and he'll stop at nothing to have her. As long as she can remember it's just for one week, could he be the perfect wedding fling? *That Moment When You Fall In Love* by Maya Rodale Sassy reporter Roxanna Lane might be falling for her date, sexy media mogul Damien Knightly, who just happens to be her boss. Damien Knightly is definitely falling for Roxanna, but thanks to an impulsive wager he must choose between losing the crown jewel of his media empire...or the woman he loves.

At the Billionaire's Wedding

She needs a green card. He's protecting his wounded heart. A swoon-worthy, heart-warming, marriage-of-convenience romance from the bestselling author of the Make-Believe series. From Bridal Designer to Bride/Tycoon's Unexpected Caribbean Fling

The *Backdoor Billionaire's* Bride Ford Adams had led a charmed life, but if he doesn't figure out how to make the equivalent of a silk purse out of a sow's ear, and sell a boat-load of them, he and his mother might find themselves flipping burgers. Determined not to let that happen, he'll need all the help he can get—especially from his sexy new business partner. If he can get her to take a chance on his crazy new idea, then maybe he can convince her to take a chance on him. Becky Jean Parker's life has been anything but what she'd imagined it would be, but she'd been content until a recent turn of events once again left her no choice. Unless she wants to wallow in bankruptcy for the rest of her life, she'll have to go along with her new business partner's insane plan and pray he knows what he's talking about. The only thing crazier than Ford's plan to sell sex toys is her attraction to him. Typical of her life, she'd had no choice but to fall for the one man she can't have. The *Yankee Billionaire's* Bride Visiting the tiny town of Butte Plains, Texas to help out a friend, born and bred Yankee Scott Ramsey has no intention of falling in love, but it isn't long before the wide open plains, and especially the meadows—Roseanne Meadows—stake a claim on his heart. The Lone Star state seems welcoming enough, but after the owner of The Yellow Rose Bed and Breakfast stole his heart, suddenly, for reasons he can't understand, he's relegated to carpetbagger status. What will it take to convince Roseanne his home is where his heart is? Roseanne Meadows knew better than to fall in love with a Yankee carpetbagger, but it's too late now. What's done is done, and the sooner Scott Ramsey packs up his toys and goes home to his venomous family, the better. Faced with an unexpected life-altering situation, in true Texan style, the owner of The Yellow Rose B&B will do whatever it takes to survive, even if it means leaving the only place her heart has ever called home. The Reluctant Billionaire Bride Growing up in tiny Butte Plains, Texas, Colin Parker longed for the bright lights of Nashville to shine on him. Unwilling to let anyone derail his up-and-coming career, Colin is determined to forget Julie Davis and the promise of the one kiss they shared, but forgetting isn't an option. When his career skyrockets he finds himself longing for home and the woman he let get away. There's just one problem—Julie Davis doesn't want any part of him or his celebrity lifestyle. There are certain moments in her life Julie Davis will never forget – like the moment she realized the numbers on her winning ticket would change her life forever. And the moment she thought she'd never live to spend a penny of her winnings. Then there was the moment she kissed Colin Parker and knew there were things in life money couldn't buy—like happiness and happily-ever-afters. There's just one problem—Colin Parker is out to prove her wrong.
