## I Love Jesus, But I Want to Die

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

## The Four Loves

The Four Loves is a 1960 book by C. S. Lewis which explores the nature of love from a Christian and philosophical perspective through thought experiments. The book was based on a set of radio talks from 1958 which had been criticized in the U.S. at the time for their frankness about sex. C.S. Lewis examines storge or empathy love; philia, friendship love; eros, romantic love; and agape, or God love. Excerpt: "GOD is love," says St. John. When I first tried to write this book I thought that his maxim would

provide me with a very plain highroad through the whole subject. I thought I should be able to say that human loves deserved to be called loves at all just in so far as they resembled that Love which is God."

It shows throughout a deep awareness and appreciation of the grand themes of the gospel, as found from the opening book of the Bible through Revelation.

### The Final Triumph

Christians generally recognize the need to live a holy, or sanctified, life. But they differ on what sanctification is and how it is achieved. How does one achieve sanctification in this life? How much success in sanctification is possible? Is a crisis experience following one's conversion normal--or necessary? If so, what kind of experience, and how is it verified? Five Views on Sanctification--part of the Counterpoints series--brings together in one easy-to-understand volume five major Protestant views on sanctification: Wesleyan View – represented by Melvin E. Dieter Reformed View – represented by Anthony A. Hoekema Pentecostal View – represented by Stanley M. Horton Keswick View – represented by J. Robertson McQuilkin Augustinian-Dispensationalism View – represented by John F. Walvoord Writing from a solid evangelical stance, each author describes and defends his own understanding of the doctrine sanctification and then responds to the views of the other authors. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

The translation here undertaken is, by kind permission, from the Revised Text (Cambridge, University Press, 1893) of Dr. Armitage Robinson, then Norrisian Professor of Divinity, subsequently Dean of Westminster, now Dean of Wells, who thus describes the original: "The Philocalia of Origen is a compilation of selected passages from Origen's works made by SS. Gregory and Basil. The wholesale destruction of his writings which followed upon the warfare waged against his opinions shortly after his death, has caused a special value to attach to the Philocalia as preserving to us in the original much of Origen's work which would otherwise have been entirely lost, or would have survived only in the translations of Rufinus. ### Five Views on Sanctification

Explores the paradoxical symmetry between the divine and demonic in early Jewish mystical texts. Divine Scapegoats is a wide-ranging exploration of the parallels between the heavenly and the demonic in early Jewish apocalyptic accounts. In these materials, antagonists often mirror features of angelic figures, and even those of the Deity himself, an inverse correspondence that implies a belief that the demonic realm is maintained by imitating divine reality. Andrei A. Orlov examines the sacerdotal, messianic, and creational aspects of this mimetic imagery, focusing primarily on two texts from the Slavonic pseudepigrapha: 2 Enoch and the Apocalypse of Abraham. These two works are part of a very special cluster of Jewish apocalyptic texts that exhibit features not only of the apocalyptic worldview but also of the symbolic universe of early Jewish mysticism. The Yom Kippur ritual in the Apocalypse of Abraham, the divine light and darkness of 2 Enoch, and the similarity of mimetic motifs to later developments in the Zohar are of particular importance in Orlov's consideration.

### The Philocalia of Origen

What we propose doing in this book, namely, to make a serious attempt to assist some of those who have inhaled the poisonous fumes of infidelity and been left in a state of mental indecision concerning sacred things. Our principal object will be to set forth some of the numerous indications that the Bible is something far superior to any human production, and give some of the rules which require to be heeded if the Scriptures are to be properly interpreted; and though their scope will go beyond the general title of ""Divine revelation,"" yet they will complement and complete the earlier ones.

### In the Hour of Silence

Elizabeth George shares six simple yet powerful Bible truths that God uses to transform a woman's life . . . truths that will permanently change the way you think, feel, and live. More than 10,000 thoughts pass through our minds each day. Wouldn't you like every one of those thoughts to be pleasing to God? That can be a challenge with the pressures of daily living. When we find our thoughts overwhelmed by fear, worry, and depression, it's difficult to keep our minds focused on truth and joy!

### Doctrine of Revelation

One of the greatest and best-loved spokesmen for the Faith here sets out the Church's beautiful understanding of marriage in his trademark clear and entertaining style. Frankly and charitably, Sheen presents the causes of and solutions to common marital crises, and tells touching real-life stories of people whose lives were transformed through marriage. He emphasizes that our Blessed Lord is at the center of every successful and loving marriage. This is a perfect gift for engaged couples, or for married people as a fruitful occasion for self-examination.

### Loving God with All Your Mind

"In approaching the study of one of the books of Scripture it must be of considerable help to the student if he can ascertain what is its main design and what is its outstanding topic. As pointed out in the pages in our Introduction to Exodus each book in the Bible has a prominent and dominant theme which, as such, is peculiar to itself, around which everything is made to center and of which all the details are but the amplification. What that leading subject may be, we should make it our business to prayerfully and diligently ascertain. This can best be discovered by reading and re-reading the book under review, noting carefully any particular feature or expression which occurs frequently in it-such as "under the sun" in Ecclesiastes or "the righteousness of God" in Romans. "The book of Joshua records one of the most interesting and important portions of Israel's history. It treats of the period of their estate as a nation, of which Genesis was prophetic and the rest of the Pentateuch immediately preparatory. The books of Moses would be imperfect without this one: as it is the capstone of them, so it is the foundation of those which follow. Omit Joshua and there is a gap left in the sacred history which nothing could supply. Without it what proceeds would be incomprehensible and what follows unexplained. The sacred writer was directed to fill that gap by narrating the conquest and apportionment of the Promised Land. Thus this book may be contemplated from two distinct but closely related standpoints: first as the end of Israel's trials and wanderings in the wilderness, and second as the beginning of their new life in the land. It is that twofold viewpoint which supplies the clue to its spiritual interpretation, as it alone solves the problem which so many have found puzzling in this book." Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan-like teachings. Though born to Christian parents, prior to conversion he migrated into a Theosophical society (an occult gnostic group popular in England during that time), and quickly rose in prominence within their ranks. His conversion came from his father's patient admonitions from Scripture. It was the verse, Proverbs 14:12, 'there is a way which seemeth right unto a man, but the end thereof are the ways of death,' which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus.

#### Northwestern Christian Advocate

Despite the ubiquity of the word "God" in our daily lives, how much time do we spend actually contemplating the nature of the divine? In this volume, author A.W. Pink plumbs the Scriptures and Christian theology to compile a surprisingly detailed account of the nature of God. Even lifelong believers might be surprised by some of the findings presented in this engrossing analysis.

#### Three to Get Married

In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible, many Christians are choosing to become more shallow, more entertainment-oriented, and therefore irrelevant in the face of massive suffering. In *Suffering and the Sovereignty of God*, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Powlison, Dustin Shrimek, and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest fellowship they have ever known.

#### The Epworth Herald

*Lessons for the Christian's Daily Walk* Devotional and Practical Meditations on the Book of Ecclesiastes George Mylne, 1859 Editor's note: This is the best devotional commentary on the book of Ecclesiastes that we have ever come across! In each verse which he comments on, George Mylne first views the verse just as Solomon intended from the perspective of mere human wisdom. That is, the book of Ecclesiastes is simply God's record of the rational conclusions of the wisest and most experienced man who ever lived. In other words, Solomon seriously thought upon all of life, the world and everything in it and concluded that all are puzzling enigmas, emptiness, vanity, meaningless, purposeless, futile, hopeless, vexatious, unsatisfying, unjust, etc., etc. Secondly, Mylne then views each verse from the Christian perspective that is, through the lens of the cross of Jesus. From this perspective, all the

enigmas are solved, all the meaninglessness and futility of life is removed, and all the injustices are rectified. Only through the cross, does life become meaningful, purposeful and satisfying!

The soul being so precious, and salvation so glorious-it is the highest point of prudence to make preparations for the eternal world. It is beyond all dispute, that there is an inheritance in light; and it is most strenuously asserted in Holy Scripture that there must be a fitness and suitability for it (Col. 1:12). If anyone asks, ""Who shall ascend into the hill of the Lord?"" the answer is, ""He who has clean hands, and a pure heart"" (Psalm 24:4). ### Suffering and the Sovereignty of God

When was the last time we truly paused to meditate and study the crucially important doctrine of the sovereignty of God? In this book A.W. Pink unpacks the theology of the sovereignty of God for us in a way few others have before or after him. Pink dives into Scripture not only to define the sovereignty of God; he goes on to help us apply the doctrine to various aspects of our lives. Pink passionately challenges us to wrestle with and accept a higher, deeper and broader view of our omniscient and omnipotent King.

### Lessons for the Christian's Daily Walk

Jesus the name above every other name. The Bible has over 700 names for Jesus because no one name can fully describe who He is. In this book, written in first person, you are invited to deepen your relationship with Jesus through the study of His names. As you read, you will expand your understanding of Jesus nature, how He meets our needs, and His relationship to His people. In most religious systems, deity is to be feared and served, in contrast, Jesus delights in developing greater intimacy with those who believe in Him. He reveals Himself through His names so you can know Jesus know as a person the One who loves you, wants to transform you, and use you greatly in the Father's work on earth. Encounter Jesus through His many names: Jesus, the name of salvation, forgiveness, and hope. Lord, the invitation to relationship, growth, and intimacy. Christ, the One who

indwells and empowers. The Son, the perfect personification of God Himself. Jehovah, I Am, the eternal contemporary who meets your every need. Discover that all of your questions are answered and all of your needs are met in Jesus names.

### Godly Man's Picture

The person to whom I had addressed the three books entitled *De Peccatorum Meritis et Remissione*, in which I carefully discussed also the baptism of infants, informed me, when acknowledging my communication, that he was much disturbed because I declared it to be possible that a man might be without sin, if he wanted not the will, by the help of God, although no man either had lived, was living, or would live in this life so perfect in righteousness. He asked how I could say that it was possible of which no example could be adduced. Owing to this inquiry on the part of this person, I wrote the treatise entitled *De Spiritu et Littera*, in which I considered at large the apostle's statement, "The letter kills, but the spirit gives life." In this work, so far as God enabled me, I earnestly disputed with those who oppose that grace of God which justifies the servances of the Jews, who abstain from sundry meats and drinks in accordance with their ancient law, I mentioned the "ceremonies of certain meats" [quarumdam escarum cerimoniae] - a phrase which, though not used in Holy Scriptures, seemed to me very convenient, because I remembered that cerimoniae is tantamount to carimoniae, as if from carere, to be without, and expresses the abstinence of the worshippers from certain things. If however, there is any other derivation of the word, which is inconsistent with the true religion, I meant no reference whatever to it; I confined my use to the sense above indicated. This work of mine begins thus: "After reading the short treatise which I lately drew up for you, my beloved son Marcellinus," etc.

### Revelations of Divine Love

In December 1945, at the base of cliffs that run along the Nile River near the modern-day town of Nag Hammadi, an Egyptian farmer discovered, in a sealed jar, thirteen ancient Coptic codices containing more than fifty separate tracts. This discovery represented arguably the most significant manuscript discovery of the twentieth century for the study of the New Testament and Christian origins. Of all the texts in this Nag Hammadi Library, none has been more celebrated than the Gospel of Thomas--a Gospel that has played a crucial role in the newly emerging view of early Christianity as a very diverse phenomenon and in the recent revival of historical Jesus studies. Now, after more than fifty years of study, the best text and the best translation of Thomas are presented here in user-friendly form by the Berlin Working Group for Coptic Gnostic Writings, with Stephen J. Patterson and James M. Robinson. In addition, two essays have been included for persons who may be unfamiliar with this new Gospel or with events that led to its discovery and publication. The first, by Patterson, is a general introduction to the Gospel of Thomas as it appears fifty years after its discovery. The second, by Robinson, tells the fascinating story of that discovery itself by one who was directly involved in bringing this new Gospel to light. An annotated list "for further reading" completes the volume. Stephen J. Patterson is Associate Professor of New Testament at Eden Theological Seminary and author of *The God of Jesus: The Historical Jesus and the Search for Meaning* (Trinity Press). James M. Robinson is the former director of the Institute for Antiquity and Christianity, Professor Emeritus at The Claremont Graduate School, and editor of *The Nag Hammadi Library*.

### Words on Cassette

"As the psalms are a microcosm of the Old Testament, so the Expositions of the Psalms can be seen as a microcosm of Augustinian thought. In the Book of Psalms are to be found the history of the people of Israel, the theology and spirituality of the Old Covenant, and a treasury of human experience expressed in prayer and poetry. So too does the work of expounding the psalms recapitulate and focus the experiences of Augustine's personal life, his theological reflections and his pastoral concerns as Bishop of Hippo."--Publisher's website.

### My Name is Jesus

Perhaps Dietrich Bonhoeffer's most radical book, this reading of the Sermon on the Mount has influenced many Christians throughout the world over the last 50 years.

### On the Spirit and the Letter

Gleanings In Genesis is a message of meditation based on the Bible and written by Arthur Walkington Pink. Pink was born in Nottingham, England, to a corn merchant, a devout non-conformist of uncertain denomination, though probably a Congregationalist. Otherwise, almost nothing is known of Pink's childhood or education except that he had some ability and training in music. As a young man, Pink joined the Theosophical Society and apparently rose to enough prominence within its ranks that Annie Besant, its head, offered to admit him to its leadership circle.[4] In 1908 he renounced Theosophy for evangelical Christianity. Desiring to become a minister but unwilling to attend a liberal theological college in England, Pink very briefly studied at Moody Bible Institute in Chicago in 1910 before taking the pastorate of the Congregational church in Silverton, Colorado. In 1912 Pink left Silverton, probably for California, and then took a joint pastorate of churches in rural Burkesville and Albany, Kentucky. In 1916, he married Vera E. Russell (1893–1962), who had been reared in Bowling Green, Kentucky. Pink's next pastorate seems to have been in Scottsville. Then the newlyweds moved in 1917 to Spartanburg, South Carolina, where Pink became pastor of Northside Baptist Church. By this time Pink had become acquainted with prominent dispensationalist Fundamentalists, such as Harry Ironside and Arno C. Gaebelin, and his first two books, published in 1917 and 1918, were in agreement with that theological position. Yet Pink's views were changing, and during these years he also wrote the first edition of *The Sovereignty of God* (1918), which argued that God did not love sinners and had deliberately created "unto damnation" those who would not accept Christ. Whether because of his Calvinistic views, his nearly incredible studiousness, his weakened health, or his lack of sociability, Pink left Spartanburg in 1919 believing that God would "have me give myself to writing." But Pink then seems next to have taught the Bible with some success in California for a tent evangelist named Thompson while continuing his intense study of Puritan writings. In January 1922, Pink published the first issue of *Studies in the Scriptures*, which by the end of the following year had about a thousand subscribers and which was to occupy most of his time for the remainder of his life and become the source for dozens of books, some arranged from *Studies* articles after his death. In 1923 Pink suffered a nervous breakdown, and he and his wife lived with friends in Philadelphia until he regained his health. In 1925, the Pinks sailed to Sydney, Australia, where he served as both an evangelist and Bible teacher at the Ashfield Tabernacle. But his impolitic preaching of Calvinist doctrine resulted in a unanimous resolve of the Baptist Fraternal of New South Wales not to endorse him. From 1926 to 1928, Pink served as pastor of two groups of Strict and Particular Baptists.

### The Fifth Gospel

*Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More.* Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. *Not Yet Married* is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

### Deliverance Prayers

What would happen if you started listening to your cravings instead of trying to silence them? If you're tired of the same old messages of eat less and move more, this book is what you've been missing. You know "how to" get healthy... but now there's finally a book to help you find your "want to"- the lasting emotional and spiritual motivation to meet your goals and stay healthy. The reality is we were made to crave. Craving isn't a bad thing. But we must realize God created us to crave more of him. Many of us have misplaced that craving by overindulging in physical pleasures instead of lasting spiritual satisfaction. New York Times bestselling author of *It's Not Supposed to Be This Way*, *Uninvited*, and *The Best Yes*, Lysa TerKeurst, invites you to find the missing link between a woman's desire to be healthy and the spiritual empowerment necessary to make that happen. In this book, Lysa will help you: Break the cycle of "I'll start again Monday" and feel good about yourself today. Stop agonizing over numbers on the scale and make peace with your body. Replace rationalizations that lead to failure with wisdom

that leads to victory. Reach your healthy goals and grow closer to God through the process. This is not a how-to book. This is not the latest and greatest dieting plan. This book is the necessary companion for you to use alongside whatever healthy lifestyle plan you choose. This is a book and Bible study to help you find the "want to" in making healthy lifestyle choices.
