111 Places in Toronto That You Must Not Miss

From its humble beginning as Muddy York, Toronto has emerged as an exemplary, world-class city. As the fourth largest urban area in North America, it is a treasure trove of obscure, trend-setting Canadian places. This ultimate insider's guide maps out interesting and unusual places not found in traditional travel guides.

111 Places in Calgary That You Must Not Miss

* Features interesting and unusual places not found in traditional travel guides* Part of the international 111 Places/111 Shops series with over 250 titles and 1.5 million copies in print worldwide* Appeals to both the local market (more than 1.3 million people call Calgary home) and the tourist market

(nearly 7 million people visit Calgary every year!)* Fully illustrated with 111 full-page color photographs* Revised and updated edition 111 Places in Calgary That You Must Not Miss takes you on adventures across a city that is full of secrets and surprises. Walk in the footsteps of Calgary's most flamboyant, diamond-covered madam. Pay homage at the grave of the region's first Black cowboy, who became a legendary rancher. And meet the chef at the helm of the city's only full-service restaurant serving Indigenous cuisine. Learn about the birth of the Caesar - Calgarians know it's neither an emperor nor a salad, but Canada's most beloved cocktail. Discover the magic of Stampede Park when the rodeo is not in town. Beware of a ghostly lady who haunts a historic mansion. And find out if you're brave enough to try a mouthful of prairie oysters. Grab your toque, your sunscreen, and a friend, and go exploring. Calgary's true energy is all around you.

111 Places in Vancouver That You Must Not Miss

* The ultimate insider's guide to Vancouver * Features interesting and unusual places not found in traditional travel guides * Part of the international 111 Places/111 Shops series with over 250 titles and 1.5 million copies in print worldwide * Appeals to both the local market (more than 630,000 people call Vancouver home) and the tourist market (more than 10 million people visit Vancouver every year!) * Fully illustrated with 111 full-page color photographs Often referred to as Canada's 'Evergreen Playground' Vancouver is a unique and breathtakingly beautiful city nestled between the ocean, mountains and forests. Its pristine fresh surroundings and mild laid-back climate has always attracted artists, writers, thinkers and tinkers, and dreamers of every variety; over time they have left their indelible creative mark on this relatively young city. The outcome is a treasure trove of hidden sculptures, secret tree forts, quirky coffee shops, undiscovered galleries, eclectic stores, totem poles and bike lanes that wind around floatplanes and houseboats. From the glistening new glass and chrome towers of Downtown, to the worn cobblestone streets of Gastown, and the red pagodas of Chinatown, each neighborhood in the city contributes to a rich cultural mosaic. Diversity is not only celebrated in Vancouver, but it's as widespread as the city's frequent rain showers. Just as the seawall, which winds its way around Vancouver's iconic Stanley Park presents a new and fresh attraction around every corner, 111 Places Vancouver puts you on a path to discover new insights and perspectives on Canada's beloved west coast gem.

111 Places in the Lake District That You Shouldn't

"The ultimate insider's guide to the Lake District - Features interesting and unusual places not found in traditional travel guides - Part of the international 111 Places/111 Shops series with over 300 titles and 1.8 million copies in print worldwide - Appeals to both the local market (over 41,000 people call the Lake District home) and the tourist market (more than 18 million people visit the Lake District every year!) - Fully illustrated with 111 full-page color photographs The Lake District delights its visitors with a series of superlatives: England's largest national park, highest mountain, deepest lakes and now a new World Heritage status. One of Britain's best-loved and most visited locations unveils its secrets. Outside the somewhat arbitrary National Park boundaries, more gems await, secluded roman ruins, llama farms, and pirate hidey-holes. This unusual guidebook explores 111 of the area's most interesting places, it leaves the well-trodden paths to find the unknown: marvel at a stained glass window which inspired the American flag, let others flock to Hill Top while you explore Beatrix Potter's holiday home,

walk through ancient forest to talk to fairies and swim with immortal fish. Pause to wonder at a stunning lake where a President proposed, view a constellation of stars like nowhere else, find out why exotic spices are used in local cuisine."--Publisher description

111 Places in Columbus That You Must Not Miss

* The ultimate insider's guide to Columbus* Features interesting and unusual places not found in traditional travel guides* Part of the international 111 Places/111 Shops series with over 250 titles and 1.5 million copies in print worldwide* Appeals to both the local market (2 million people call Columbus home) and the tourist market (219 million visits to Ohio every year!)* Fully illustrated with 111 full-page color photographsFrom 'Cowtown' to the biggest town in Ohio, Columbus has always been an incubator for new ideas and products. There's always something to do and something for everyone, whether attending one of the many professional and amateur sporting events; experiencing fine dining or experimenting with exotic cuisine; or participating in the city's vivid, nonstop arts and cultural scene. A hidden gem that stands on its own, Columbus keeps people coming back for more.

Three Ringling Circus

Sarasota would not be what it is today without the influence of the Ringling family, particularly John and Mable Ringling and John's brother Charles. Unlike some other entertainers of the era, the Ringling family saw their enterprise as a business and as a way of entertaining the masses through good, clean fun. Three Ringling Circus will focus on the history of this family and will bring to life (and light) their past and present impact on Sarasota's unique artistic, historical and cultural scene, a rarity in Florida, where much of the economy is driven by tourism and the retirement industry.

111 Places in Boston That You Must Not Miss

- The ultimate insider's guide to Boston - Features interesting and unusual places not found in traditional travel guides - Part of the international 111 Places series with over 650 titles and 3.8 million copies in print worldwide - Appeals to both the local market (more than 690,000 people call Boston home) and the tourist market (more than 19 million people visit Boston every year!) - Fully illustrated with 111 full-page color photographs - New revised and updated edition Faneuil Hall is fine and the duck boats are just dandy, but if you want to go beyond the Boston of brochures and get to the heart of this mysterious, charming old metropolis, you have to dig deep and be willing to get a little weird. 111 Places in Boston That You Must Not Miss is a guidebook with a twist: one that takes you far off the beaten path - and the Freedom Trail - to explore a side of the city that's offbeat, unexpected, and completely fascinating for visitors and locals alike. Whether you want to pay your respects at the memorial for a fictional character, sneak behind a vending machine to go shopping for sneakers, sip cocktails where hardened criminals sat behind bars, or hang out with some life-sized puppets, you can do it all here... and before dinnertime, to boot. Throw on your Red Sox cap, hop on the T, and uncover some secrets along the way.

Information Theory, Inference and Learning Algorithms

Table of contents

Of the Nature of Things

"Of the Nature of Things" is a first-century BCE didactic poem by the Roman poet and philosopher Lucretius to explain Epicurean philosophy to a Roman audience. In this work, T. Lucretius Carus presents the view that the world can be described by the function of material forces and natural laws. So, one should not fear the gods or death.

Acquisition

Examines how and why people bought, sold, donated and received works of art at a time of dynamic exchanges between those making and those acquiring art.

Statistical Power Analysis for the Behavioral Sciences

Statistical Power Analysis is a nontechnical guide to power analysis in research planning that provides users of applied statistics with the tools they need for more effective analysis. The Second Edition

includes: * a chapter covering power analysis in set correlation and multivariate methods; * a chapter considering effect size, psychometric reliability, and the efficacy of "qualifying" dependent variables and; * expanded power and sample size tables for multiple regression/correlation.

The Breadwinner

Afghanistan: Parvana's father is arrested and taken away by Taliban soldiers. Under Taliban law, women and girls are not allowed to leave the house on their own. Parvana, her mother, and sisters are prisoners in their own home. With no man to go out to buy food, they face starvation. So Parvana must pretend to be a boy to save her family. It is a dangerous plan, but their only chance. In fear, she goes out - and witnesses the horror of landmines, the brutality of the Taliban, and the desperation of a country trying to survive. But even in despair lies hope . . . Deborah Ellis has been to Afghan refugee camps and has listened to many stories like Parvana's.

Betrayal Trauma

Laying bare the logic of forgotten abuse, psychologist Jennifer Freyd shows how psychogenic amnesia not only happens but, if the abuse occurred at the hands of a parent or caregiver, is often necessary for survival. Freyd's book gives embattled professionals, beleaguered abuse survivors, and the confused public a new, clear understanding of the lifelong effects of child abuse. 18 line illustrations.

The 500 Hidden Secrets of Toronto

An insider's guide to Toronto and its hidden secrets and addresses An inspirational and practical guide to Toronto's finest and most interesting places, buildings, restaurants, shops, museums, galleries, neighborhoods, gardens and cafés A new edition in Luster's successful and attractive series of city guides There's so much more to Toronto than the CN Tower and Niagara Falls. Toronto has just as much to offer as Montreal or Quebec. Enjoy the historical sites or the bustling night life, take in the jaw-dropping beauty of the natural environment or try out one of the city's top restaurants. Author Erin FitzGibbon selected her 500 favorite places with great care, assembling lists such as: - 5 places to try the local specialty poutine - 5 spooky hang-outs with a Halloween vibe - 5 walks to spot the most beautiful buildings and art works - the 5 best shops for made-in-Canada design - 5 great film festivals, and much more.

The Cockroach Hall of Fame

Unusual and eccentric museums throughout the United States and Canada which feature such displays as Dan Quayle's baby pictures and spelling tests, 2,000 cookie jars, the largest and best dressed cockroaches, and antique dental instruments in Charleston, South Carolina, whose fame is spread "thanks to word of mouth."

Out of the Dust (Scholastic Gold)

Acclaimed author Karen Hesse's Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma. Out of the Dust joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content!"Dust piles up like snow across the prairie. . . ."A terrible accident has transformed Billie Jo's life, scarring her inside and out. Her mother is gone. Her father can't talk about it. And the one thing that might make her feel better -- playing the piano -- is impossible with her wounded hands. To make matters worse, dust storms are devastating the family farm and all the farms nearby. While others flee from the dust bowl, Billie Jo is left to find peace in the bleak landscape of Oklahoma -- and in the surprising landscape of her own heart.

Buffalo Girl Cooks Bison

More than 100 wildly delicious recipes that use North America's original red meat, from bison rancher and award-winning food writer Jennifer Bain. Buffalo Girl Cooks Bison is the first comprehensive contemporary bison cookbook for a general North American market. With more than 100 well-tested, delectable recipes, Bain ensures that you'll have plenty of culinary inspiration for every cut of bison. Recipes include Bison + Cheddar Biscuits, Quinoa + Kale Bison Soup, Maple-Whisky Bison Burgers, Southwestern Braised Bison Short Ribs, Pan-Fried Bison Liver with Dijon-Shallot Cream Sauce, and many more. Bison are primarily grass-fed as well as hormone and antibiotic free. And their meat is

naturally lean and high in protein, iron, and omega-3 essential fatty acids. In *Buffalo Girl Cooks Bison*, you'll also meet prominent bison ranchers from all over the United States and Canada who share their rowdy and riotous adventures. They champion "ethical carnivorism": meeting what you eat, caring about how an animal is raised, and being respectful enough to eat every available part.

Dream Lovers: John and Yoko in NYC

New and unseen photographs of Beatles icon, John Lennon, and artist Yoko Ono. Featuring images from Lennon's only full-length solo gigs, a two-night stint at Madison Square Garden. Includes essays by journalist and author Pete Hamill, director Barry Levinson, actor Dana Delany and songwriter and photographer David Palmer. Foreword by actor Alec Baldwin. John Lennon's life, death and music shaped the world. His reputation as a philanthropist, political activist and pacifist influenced millions worldwide. If Elvis was King, Lennon was his rightful successor - and fittingly, several images in this collection of both classic and unseen photos show him wearing a diamond-studded 'Elvis' pin over his heart, in homage to his forefather on the throne of Rock 'n' Roll. John Lennon is seen here in several sessions in New York, performing on stage, relaxed at home and walking on the street with Yoko Ono. Renowned celebrity photojournalist Brian Hamill delivers his own insider view of this Beatles icon, through intense, intimate photographic portraits and insightful texts. Whether Lennon is dominating the stage, posing on the roof of the Dakota building, or relaxing with Yoko Ono, Hamill's photography takes this quasi-mythical figure from the world of Rock 'n' Roll and shows him as the man he really was. "Brian looked at the John Lennon who had become an icon and saw instead a familiar face. He saw a working-class hero like those that built the City of New York. And so when John Lennon came to live in New York, Brian captured him as a New Yorker, in the joyous images that you will find in this book." - Pete Hamill "Lennon, one of the most famous men in human history, wanted to live as one among many. Of course, he hit it off with Hamill. The guy that flew so high needed some oxygen. Hamill is fresh air. His folio of Lennon images shows Lennon focused, present, but edgy, never relaxed." - Alec Baldwin

A Book About Love

"Jonah Lehrer has a lot to offer the world.... The book is interesting on nearly every page.... Good writers make writing look easy, but what people like Lehrer do is not easy at all." —David Brooks, *The New York Times Book Review* Science writer Jonah Lehrer explores the mysterious subject of love. Weaving together scientific studies from clinical psychologists, longitudinal studies of health and happiness, historical accounts and literary depictions, child-rearing manuals, and the language of online dating sites, Jonah Lehrer's *A Book About Love* plumbs the most mysterious, most formative, most important impulse governing our lives. Love confuses and compels us—and it can destroy and define us. It has inspired our greatest poetry, defined our societies and our beliefs, and governs our biology. From the way infants attach to their parents, to the way we fall in love with another person, to the way some find a love for God or their pets, to the way we remember and mourn love after it ends, this book focuses on research that attempts, even in glancing ways, to deal with the long-term and the everyday. The most dangerous myth of love is that it's easy, that we fall into the feeling and then the feeling takes care of itself. While we can easily measure the dopamine that causes the initial feelings of "falling" in love, the partnerships and devotions that last decades or longer remain a mystery. This book is about that mystery. Love, Lehrer argues, is not built solely on overwhelming passion, but, fascinatingly, on a set of skills to be cultivated over a lifetime.

Brown Girl in the Ring

In this "impressive debut" from award-winning speculative fiction author Nalo Hopkinson, a young woman must solve the tragic mystery surrounding her family and bargain with the gods to save her city and herself. (*The Washington Post*) The rich and privileged have fled the city, barricaded it behind roadblocks, and left it to crumble. The inner city has had to rediscover old ways -- farming, barter, herb lore. But now the monied need a harvest of bodies, and so they prey upon the helpless of the streets. With nowhere to turn, a young woman must open herself to ancient truths, eternal powers, and the tragic mystery surrounding her mother and grandmother. She must bargain with gods, and give birth to new legends.

A Course in Game Theory

A Course in Game Theory presents the main ideas of game theory at a level suitable for graduate students and advanced undergraduates, emphasizing the theory's foundations and interpretations of its

basic concepts. The authors provide precise definitions and full proofs of results, sacrificing generalities and limiting the scope of the material in order to do so. The text is organized in four parts: strategic games, extensive games with perfect information, extensive games with imperfect information, and coalitional games. It includes over 100 exercises.

Paris Hilton

This revealing portrait of the real Paris Hilton gets underneath the hype and hate, the glamour and greed. Unlike other biographies that range from the exposé to the gushing, *Paris Hilton: A Biography* is both detailed and objective. It covers Paris's checkered family history, her privileged yet surprisingly unassuming upbringing, and her explosion with sister Nicky as "It Girls" on the international social scene. Readers will learn how her family influenced her, why she made the decision to step into the limelight, and why she continues today, despite her many critics and setbacks. Each chapter of the biography provides an in-depth view of a specific aspect of Paris's life: her relationship with men and the media, how she turned herself around emotionally and projected a new image, and what makes her such a smart businesswoman. The book also looks at darker moments, including the sex tape, her jail time, and her publicity faux pas. In the end, readers will understand what makes this complex young woman tick—and have a better sense of what it is like to walk a mile in her Manolo Blahniks.

Family Matters

Nariman Vakeel is a seventy-nine-year-old Parsi widower beset by Parkinson's disease and haunted by memories of the past. He lives with his two middle-aged step-children. When Nariman's illness is compounded by a broken ankle, he's forced to take up residence with his daughter Roxana, her husband Yezad and their two young sons. This new responsibility for Yezad, who is already besieged by financial worries, proves too much and pushes him into a scheme of deception - with devastating consequences. Wise and compassionate, *Family Matters* has all the richness, the gentle humour and the narrative sweep that have earned Rohinton Mistry the highest accolades. 'It is rare to discover a novel in which the characters are so well drawn that you feel wrapped up in their problems, rather than just privy to them.' *Independent on Sunday* 'A brilliant novel from one of India's finest living novelists.' *Observer*

Rewire Your Brain

How to rewire your brain to improve virtually every aspect of your life-based on the latest research in neuroscience and psychology on neuroplasticity and evidence-based practices Not long ago, it was thought that the brain you were born with was the brain you would die with, and that the brain cells you had at birth were the most you would ever possess. Your brain was thought to be "hardwired" to function in predetermined ways. It turns out that's not true. Your brain is not hardwired, it's "softwired" by experience. This book shows you how you can rewire parts of the brain to feel more positive about your life, remain calm during stressful times, and improve your social relationships. Written by a leader in the field of Brain-Based Therapy, it teaches you how to activate the parts of your brain that have been underactivated and calm down those areas that have been hyperactivated so that you feel positive about your life and remain calm during stressful times. You will also learn to improve your memory, boost your mood, have better relationships, and get a good night sleep. Reveals how cutting-edge developments in neuroscience, and evidence-based practices can be used to improve your everyday life Other titles by Dr. Arden include: *Brain-Based Therapy-Adult*, *Brain-Based Therapy-Child*, *Improving Your Memory For Dummies* and *Heal Your Anxiety Workbook* Dr. Arden is a leader in integrating the new developments in neuroscience with psychotherapy and Director of Training in Mental Health for Kaiser Permanente for the Northern California Region Explaining exciting new developments in neuroscience and their applications to daily living, *Rewire Your Brain* will guide you through the process of changing your brain so you can change your life and be free of self-imposed limitations.

The Rotarian

Established in 1911, *The Rotarian* is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about, or of interest to, Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners – from Mahatma Ghandi to Kurt Vonnegut Jr. – have written for the magazine.

1,000 Places to See in the United States and Canada Before You Die

Covering the U.S.A. and Canada like never before, and for the first time with full-color photographs, here are 1,000 compelling, essential, offbeat, utterly unforgettable places. Pristine beaches and national parks, world-class museums and the Just for Laughs festival, mountain resorts, salmon-rich rivers, scenic byways, the Oyster Bar and the country's best taco, lush gardens and coastal treks at Point Reyes, rafting the Upper Gauley (if you dare). Plus resorts, vineyards, hot springs, classic ballparks, the Talladega Speedway, and more. Includes new attractions, like Miami's Pérez Art Museum and Manhattan's High Line, plus more than 150 places of special interest to families. And, for every entry, what you need to know about how and when to visit. "Patricia Schultz unearths the hidden gems in our North American backyard. Don't even think about packing your bag and sightseeing without it." —New York Daily News

Twentieth Century Pewter

An in-depth study of 20th century pewter, which combines key international manufacturers and designers in one book.

Country Club Wives

Sex. Money. Murder. Drama. Housewives...And homeless animals! All run amok in the affluent suburb of New Wellington! Tish McLean has been left high and dry, both financially and emotionally, by Brian, her husband of over 20 years. To make matters worse, Brian is about to marry the social chameleon Susan, Tish's one close unattached friend. As Tish struggles to realize her dream of opening a shelter for homeless animals-and her love with a very married veterinarian who has big problems of his own-she strips away the cubic zirconium studded underbelly of country club society. What she finds may shock you-and make you laugh!

23 Things They Don't Tell You about Capitalism

One of the world's most respected economists and author of the international bestseller "Bad Samaritans" equips readers with an understanding of how global capitalism works--and doesn't.

The World Without Us

Revised Edition with New Afterword from the Author Time #1 Nonfiction Book of the Year Finalist for the National Book Critics Circle Award Over 3 million copies sold in 35 Languages "On the day after humans disappear, nature takes over and immediately begins cleaning house - or houses, that is. Cleans them right off the face of the earth. They all go." What if mankind disappeared right now, forever... what would happen to the Earth in a week, a year, a millennium? Could the planet's climate ever recover from human activity? How would nature destroy our huge cities and our myriad plastics? And what would our final legacy be? Speaking to experts in fields as diverse as oil production and ecology, and visiting the places that have escaped recent human activity to discover how they have adapted to life without us, Alan Weisman paints an intriguing picture of the future of Earth. Exploring key concerns of our time, this absorbing thought experiment reveals a powerful - and surprising - picture of our planet's future.

The Simple Wild

City girl Calla Fletcher attempts to reconnect with her estranged father, and unwittingly finds herself torn between her desire to return to the bustle of Toronto and a budding relationship with a rugged Alaskan pilot in this masterful new romance from acclaimed author K.A. Tucker. Calla Fletcher was two when her mother took her and fled the Alaskan wild, unable to handle the isolation of the extreme, rural lifestyle, leaving behind Calla's father, Wren Fletcher, in the process. Calla never looked back, and at twenty-six, a busy life in Toronto is all she knows. But when her father reaches out to inform her that his days are numbered, Calla knows that it's time to make the long trip back to the remote frontier town where she was born. She braves the roaming wildlife, the odd daylight hours, the exorbitant prices, and even the occasional—dear God—outhouse, all for the chance to connect with her father: a man who, despite his many faults, she can't help but care for. While she struggles to adjust to this new subarctic environment, Jonah—the quiet, brooding, and proud Alaskan pilot who keeps her father's charter plane company operational—can't imagine calling anywhere else home. And he's clearly waiting with one hand on the throttle to fly this city girl back to where she belongs, convinced that she's too pampered to handle the wild. Jonah is probably right, but Calla is determined to prove him wrong. As time passes, she unexpectedly finds herself forming a bond with the burly pilot. As his undercurrent of disapproval

dwindles, it's replaced by friendship—or perhaps something deeper? But Calla is not in Alaska to stay and Jonah will never leave. It would be foolish of her to kindle a romance, to take the same path her parents tried—and failed at—years ago. It's a simple truth that turns out to be not so simple after all.

The Limits to Growth

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin

I Know Why the Caged Bird Sings

In the wake of the 2011 tsunami, Ruth discovers a Hello Kitty lunchbox washed up on the shore of her beach home in British Columbia. Within it lies a diary that expresses the hopes, heartbreak and dreams of a young girl desperate for someone to understand her. Each turn of the page pulls Ruth deeper into the mystery of Nao's life, and forever changes her in a way neither could foresee. Weaving across continents and decades, *A Tale for the Time Being* is an extraordinary novel about our shared humanity and the search for home.

A Tale for the Time Being

What happens when media and politics become forms of entertainment? As our world begins to look more and more like Orwell's 1984, Neil's Postman's essential guide to the modern media is more relevant than ever. "It's unlikely that Trump has ever read *Amusing Ourselves to Death*, but his ascent would not have surprised Postman." -CNN Originally published in 1985, Neil Postman's groundbreaking polemic about the corrosive effects of television on our politics and public discourse has been hailed as a twenty-first-century book published in the twentieth century. Now, with television joined by more sophisticated electronic media—from the Internet to cell phones to DVDs—it has taken on even greater significance. *Amusing Ourselves to Death* is a prophetic look at what happens when politics, journalism, education, and even religion become subject to the demands of entertainment. It is also a blueprint for regaining control of our media, so that they can serve our highest goals. "A brilliant, powerful, and important book. This is an indictment that Postman has laid down and, so far as I can see, an irrefutable one." —Jonathan Yardley, *The Washington Post Book World*

Amusing Ourselves to Death

How do you tailor education to the learning needs of adults? Do they learn differently from children? How does their life experience inform their learning processes? These were the questions at the heart of Malcolm Knowles' pioneering theory of andragogy which transformed education theory in the 1970s. The resulting principles of a self-directed, experiential, problem-centred approach to learning have been hugely influential and are still the basis of the learning practices we use today. Understanding these principles is the cornerstone of increasing motivation and enabling adult learners to achieve. The 9th edition of *The Adult Learner* has been revised to include: Updates to the book to reflect the very latest advancements in the field. The addition of two new chapters on diversity and inclusion in adult learning, and andragogy and the online adult learner. An updated supporting website. This website for the 9th edition of *The Adult Learner* will provide basic instructor aids. For each chapter, there will be a PowerPoint presentation, learning exercises, and added study questions. Revisions throughout to make it more readable and relevant to your practices. If you are a researcher, practitioner, or student in education, an adult learning practitioner, training manager, or involved in human resource development, this is the definitive book in adult learning you should not be without.

The Adult Learner

Toronto has been hailed as “a city in the making” and “the city that works.” It’s an ongoing project: in recent years Canada’s largest city has experienced transformative, exciting change. But just what does contemporary Toronto look like? This authoritative architectural guide, newly updated and expanded, leads readers on 26 walking tours—revealing the evolution of the place from a quiet Georgian town to a dynamic global city. More than 1,000 designs are featured: from modest Victorian houses to shimmering downtown towers and cultural landmarks. Over 300 photographs, 29 maps, a description of architectural styles, a glossary of architectural terms, and indexes of architects and buildings pilot readers through Toronto’s diverse cityscape. New sections illustrate the swiftly changing face of Toronto’s waterfront and design highlights across the region. Originally written by architectural journalist Patricia McHugh and enhanced with new material and insights by Globe and Mail architecture critic Alex Bozikovic, this definitive guide offers a revealing exploration of Toronto’s past and future, for the city’s visitors and locals alike.

Toronto Architecture

Winner of the Man Booker Prize By the author of *The Handmaid's Tale* and *Alias Grace* Laura Chase's older sister Iris, married at eighteen to a politically prominent industrialist but now poor and eighty-two, is living in Port Ticonderoga, a town dominated by their once-prosperous family before the First War. While coping with her unreliable body, Iris reflects on her far from exemplary life, in particular the events surrounding her sister's tragic death. Chief among these was the publication of *The Blind Assassin*, a novel which earned the dead Laura Chase not only notoriety but also a devoted cult following. Sexually explicit for its time, *The Blind Assassin* describes a risky affair in the turbulent thirties between a wealthy young woman and a man on the run. During their secret meetings in rented rooms, the lovers concoct a pulp fantasy set on Planet Zycron. As the invented story twists through love and sacrifice and betrayal, so does the real one; while events in both move closer to war and catastrophe. By turns lyrical, outrageous, formidable, compelling and funny, this is a novel filled with deep humour and dark drama.

The Blind Assassin

'Dad walked determinedly down the path, joined by two neighbours with five children between them. As we reached the corner of Kent Avenue, I looked back for one last wave. But Mum had buried her head in her pinny and it was a year before I saw her again.' In June 1940, 10-year-old Pam Hobbs and her sister Iris took the long journey from their council home in Leigh-on-Sea to faraway rural Derbyshire. Living away from Mum and Dad for two long years, Pam was moved between four foster homes. In some she and Iris found a second family, with babies to look after, car rides and picnics, and even a pet pig. But other billets took a more sinister turn, as the adults found it easy to exploit the children in their care. Returning to Essex, things would never be the same again, and the war was far from over. Making do with rations, dodging bombs and helping with the war effort, Pam and her family struggled to get by. In *Don't Forget to Write*, with warmth and vivid detail, Pam describes a time that was full of overwhelming hardship and devastation; yet also of kindness and humour, resilience and courage.

111 Places in Edinburgh That You Shouldn't Miss

- Explore hidden corners, secret sights, and fascinating locations in Scotland's vibrant capital city-Part of the international 111 Places/111 Shops series with over 150 titles and 1 million copies in print worldwide Edinburgh is rightly celebrated for its famous historical and cultural attractions. But for the discerning visitor it has much more to offer away from the well-worn tourist trail. This book takes you to hidden corners and secret sights in this city of contrasts, exploring fascinating locations unknown even to most residents, and revealing unexpected aspects of some familiar local landmarks. Marvel at a unique underground temple hewn out of the living rock; learn how a world-famous illusionist came to be buried here - with his dog; find out why the city council once commissioned an enormous electric blanket; look out for the ordinary Edinburgh post box with an explosive history. Discover the human

stories behind a wide range of places, both exceptional and commonplace, bringing to life the greatly varied cityscape where people have been leaving their mark for at least 5,000 years.

111 Places in Edinburgh that you shouldn't miss

The ultimate insider's guide to Edinburgh features interesting and unusual places not found in traditional travel guides. Edinburgh is rightly celebrated for its famous historical and cultural attractions. But for the discerning visitor it has much more to offer away from the well-worn tourist trail. This book takes you to hidden corners and secret sights in this city of contrasts, exploring fascinating locations unknown even to most residents, and revealing unexpected aspects of some familiar local landmarks. Marvel at a unique underground temple hewn out of the living rock; learn how a world-famous illusionist came to be buried here - with his dog; find out why the city council once commissioned an enormous electric blanket; look out for the ordinary Edinburgh post box with an explosive history. Discover the human stories behind a wide range of places, both exceptional and commonplace, bringing to life the greatly varied cityscape where people have been leaving their mark for at least 5,000 years. Entdecken Sie versteckte Orte und Geschichten abseits der bekannten Pfade, die den wahren Charakter Edinburghs enthüllen. Edinburgh ist berühmt für seine historischen und kulturellen Sehenswürdigkeiten. Aber es hat abseits der ausgetretenen Touristenpfade noch viel mehr zu bieten. Dieses Buch führt Sie zu versteckten und geheimen Plätzen in dieser Stadt der Gegensätze, es zeigt faszinierende Orte, die selbst den meisten Edinburghern unbekannt sind, und enthüllt unerwartete Aspekte bekannter Wahrzeichen. Bestaunen Sie einen einzigartigen unterirdischen Tempel, der aus einem Felsen gehauen wurde. Erfahren Sie, wie ein weltberühmter Zauberer hier gemeinsam mit seinem Hund beerdigt wurde. Finden Sie heraus, warum der Stadtrat einst eine riesige Heizdecke in Auftrag gegeben hat. Oder halten Sie Ausschau nach einem gewöhnlichen Edinburgher Briefkasten, hinter dem eine explosive Geschichte steckt. Gillian Tait was born in Edinburgh, and studied at the University of Edinburgh and the Courtauld Institute of Art in London. She was employed for many years in the field of fine art conservation, and has written and edited several technical publications. More recently, she has been working as a researcher and editorial assistant, while continuing to indulge her passions for foreign travel and singing. She has lived in the heart of Edinburgh's Old Town for the past 30 years. Gillian Tait, geboren in Edinburgh, studierte an der »University of Edinburgh« und am »Courtauld Institute of Art in London«. Sie arbeitete einige Jahre im Bereich der Kunstrestauration und hat verschiedene technische Publikationen geschrieben und veröffentlicht. Zurzeit arbeitet sie im Bereich Recherche und Redaktionsassistentz, während sie ihren eigentlichen Leidenschaften, dem Reisen und Singen, nachgeht. Seit 30 Jahren lebt sie im Herzen von Edinburghs Altstadt.

111 Places in York that you shouldn't miss

What sort of curious place would give its shortest street the longest name? Or build a dazzling gold-lined dome - and hide it from view? The same mixed-up metropolis that was once the capital of England - and also birthplace of its most infamous terrorist... Even if you were the world's most imaginative storyteller, you couldn't make York up. The city is stranger than any fiction. But to find its oddities and secrets you'll need to step off the beaten tourist path and explore its footstreets and alleys, known locally as snickelways. Be warned, the journey might throw up a few dark moments, from the Bitchdaughter Tower to the spikes upon which traitors' heads were impaled. Yet you'll also encounter the traces of many local colourful characters, from an Oscar-winning actor to a dastardly plotter, from assorted stone cats to a rather rude ghost. You can browse the shops in the street that inspired Harry Potter's Diagon Alley and tour remarkable retailers like Duttons For Buttons and the Banana Warehouse, which sells pretty much everything - except bananas; or celebrate in the city that hosted Britain's first Christmas and is home to Ulph's Drinking Horn. With 2,000 years of history to discover, there is a surprise around every corner - if you know where to look... Welcher kuriose Ort gab der kürzesten Straße den längsten Namen? Wo feierte man das erste Weihnachtsfest Englands? Und wieso kann man im Banana Warehouse (fast) alles kaufen - nur keine Bananen? York ist seltsamer als jede Geschichte, die man sich ausdenken kann. Wenn Sie seine Kuriositäten und Geheimnisse entdecken wollen, müssen Sie sich abseits der Touristenpfade bewegen. Aber Achtung: Die Reise könnte ein wenig schaurig werden! Besuchen Sie den Bitchdaughter Turm. Oder die fähle, auf die die Köpfe von Verrätern gespießt wurden. Finden Sie die Spuren der vielen lokalen und schrägen Charaktere - vom Oscar-Preisträger über eine Reihe von Steinkatzen bis hin zu einem ziemlich ruppigen Gespenst. Chris Titley is an award-winning journalist and writer. During his time as features editor at the Yorkshire Evening Press he wrote a weekly column, two books, and a number of supplements on the history of York. Since turning freelance in 2006 he has written for the Guardian, the Times Educational Supplement and Yorkshire Life. Chris also

researched and wrote the 50,000-word text for the History of York website on behalf of the city's Museums Trust, and a biography of the city's confectionery pioneer Joseph Rowntree. He is co-founder and editor of the online news magazine YorkMix. Chris Titley ist ein preisgekrönter Journalist und Schriftsteller. Während seiner Zeit als Feuilletonredakteur bei der Yorkshire Evening Press schrieb er eine wöchentliche Kolumne, zwei Bücher und eine Reihe von Aufsätzen über die Geschichte von York. Seit 2006 arbeitet er freiberuflich unter anderem für den Guardian, das Times Educational Supplement und Yorkshire Life. Er ist Mitbegründer und Herausgeber des Online-Nachrichtenmagazins YorkMix.

111 Places in Fife That You Shouldn't Miss

* The ultimate insider's guide to Fife* Features interesting and unusual places not found in traditional travel guides* Part of the international 111 Places/111 Shops series with over 250 titles and 1.5 million copies in print worldwide* Appeals to both the local market (more than 366,000 people call Fife home) and the tourist market (more than 8 million people visit Fife every year!)* Fully illustrated with 111 full-page color photographsFife is an ancient Scottish county, proudly known as the Kingdom. Its distinctive, self-contained identity is summed up in the old adage 'Bid farewell to Scotland, and cross to Fife!' A compact peninsula shaped like the head of a Scottie dog nosing the North Sea, it boasts magnificent approaches from south and north via the celebrated bridges over the Forth and Tay. Tourists flock to the world-famous golf courses in the old university town of St Andrews. But Fife is packed with all manner of much less-visited treasures, places of stunning natural beauty as well as fascinating monuments of every era, from prehistoric to post-industrial, testaments to its long and eventful past and richly diverse cultural heritage. You will discover a land where generations of the illustrious and the powerful, the humble and the hard-working have all left their mark, from kings and queens to miners and fishermen, from bishops, earls and industrialists to scholars, artists and sportsmen - to say nothing of the internationally famed Fifers whose legacies have changed history. This book will introduce visitor and native alike to a whole host of unexpected and contrasting sites and sights that celebrate the delightful otherness of this unique little Kingdom.

Secret Edinburgh

Discover hidden gardens and clandestine art that even the neighbours overlook, visit the strangest of museums, get water-boarded in a prototype Jacuzzi and traumatised by Rabelaisian rafters, decrypt mysterious Masonic markings, step inside an Icelandic lava grotto, travel to the Wild West of Morningside, learn the secrets of Mrs Coade's stone, sniff out the dogs more dazzling than Greyfriars Bobbie, track down traces of Edinburgh's Great Exhibition... Far from the tourist traps and the crowded landmarks, you may have thought Edinburgh had no more to reveal, but the city still keeps many treasures hidden away in the most unexpected of places. An indispensable guide for those who thought they knew Edinburgh well, or who would like to explore the curiosities of this most secretive of cities.

Laidlaw

First in "a crime trilogy so searing it will burn forever into your memory. McIlvanney is the original Scottish criminal mastermind" (Christopher Brookmyre, international bestselling author). The Laidlaw novels, a groundbreaking trilogy that changed the face of Scottish fiction, are credited with being the founding books of the Tartan Noir movement that includes authors like Val McDermid, Denise Mina, and Ian Rankin. Says McDermid of William McIlvanney: "Patricia Highsmith had taken us inside the head of killers; Ruth Rendell tentatively explored sexuality; with No Mean City, Alexander McArthur had exposed Glasgow to the world; Raymond Chandler had dressed the darkness in clever words. But nobody had ever smashed those elements together into so accomplished a synthesis." In Laidlaw, the first book of the series, readers meet Jack Laidlaw, a hard-drinking philosopher-detective whose tough exterior cloaks a rich humanity and keen intelligence. Laidlaw's investigation into the murder of a young woman brings him into conflict with Glasgow's hard men, its gangland villains, and the moneyed thugs who control the city. As the gangsters running Glasgow race Laidlaw for the discovery of the young woman's killer, a sense of dangerous betrayal infests the city that only Laidlaw can erase. "From the opening chapter of Laidlaw, I knew I'd never read a crime novel like this." —Val McDermid, international bestselling author "It's doubtful I would be a crime writer without the influence of McIlvanney's Laidlaw." —Ian Rankin, New York Times—bestselling author "Laidlaw is a tough novel, with an exciting ending, and it is superbly written. You should not miss this one." —The New York Times "A classic of the genre." —The Guardian

111 Coffee Shops in London that You Must Not Miss

"Get your espresso fix in a gentlemen's toilet. Sip a cappuccino in a café-cum-upholstery shop. Scoop up a vintage Hermes scarf while you wait for your macchiato. London's new and adventurous coffee culture is full of exotic surprises and unexpected entertainments. Coffee enthusiasts in search of the best brew in town are being spoiled by baristas who have turned coffee-making into an art form; many cafés today roast their own beans, combine coffee with art, music, and literature, sell equipment for home brewing, or can be found in unusual locations such as lavatories and barber shops. This modern guidebook takes you on a caffeinated journey to the capital's hippest, tastiest, and most unusual coffee shops."--Publisher's description.

Mrs Death Misses Death

SHORTLISTED FOR THE GORDON BURN PRIZE Mrs Death tells her intoxicating story in this life-affirming fire-starter of a novel Mrs Death has had enough. She is exhausted by her job and now seeks someone to unburden her conscience to. She meets Wolf, a troubled young writer, who – enthralled by her stories – begins to write Mrs Death's memoirs. As the two reflect on the losses they have experienced (or facilitated), their friendship flourishes. All the while, despite her world-weariness, Death must continue to hold humans' fates in her hands, appearing in our lives when we least expect her . . .

The Battle Ground

Dive into a richly detailed historical romance that provides a fascinating glimpse into nineteenth-century life in the American South, with a sweeping perspective that considers the challenges facing the working classes, the landed gentry, and everyone in between. An engrossing read for anyone who likes to learn from their romance fiction reads!

Taking Tea with Mackintosh

In 1896, Kate Cranston, the pioneer of Glasgow tea rooms in the late nineteenth century, commissioned Charles Rennie Mackintosh -- who would become one of the Western world's most renowned designers -- to design her tea rooms, and over the next two decades he did so with dazzling inventiveness. (Mackintosh's wife, Margaret, herself an artist, also made important contributions to the interior designs.) A pair of perfectionists, Cranston and Mackintosh opened up a unique, avant-garde artistic world to thousands of ordinary people. Their tea rooms became internationally famous. Taking Tea with Mackintosh illustrates this exciting collaboration with black-and-white historical photographs of the tea rooms and color photographs of their surviving components. In addition, sixteen recipes for traditional tea room cakes, breads, and pastries are supplied, offering the best chance the reader will have to revisit these extraordinary places.

The Nowhere Emporium

When the mysterious Nowhere Emporium arrives in Glasgow, orphan Daniel Holmes stumbles upon it quite by accident. Before long, the 'shop from nowhere' -- and its owner, Mr Silver -- draw Daniel into a breathtaking world of magic and enchantment. Recruited as Mr Silver's apprentice, Daniel learns the secrets of the Emporium's vast labyrinth of passageways and rooms -- rooms that contain wonders beyond anything Daniel has ever imagined. But when Mr Silver disappears, and a shadow from the past threatens everything, the Emporium and all its wonders begin to crumble. Can Daniel save his home, and his new friends, before the Nowhere Emporium is destroyed forever? Scottish Children's Book Award winner Ross MacKenzie unleashes a riot of imagination, colour and fantasy in this astonishing adventure, perfect for fans of Philip Pullman, Corneila Funke and Neil Gaiman.

Glasgow

25 walks in and around Glasgow with colour maps and stunning photography. Greenock Cut, Windy Hill, Clyde Muirhall Park, Balloch Castle Country Park, Castle Semple Loch and Parkhill Wood, Lang Craigs, Duncryne near Loch Lomond, Dams to Darnley Country Park, Whitelee Windfarm, Earl's Seat from Glengoyne Distillery, Mugdock Country Park, Pollock Country Park, River Kelvin, The Clyde, Medieval Glasgow, The Necropolis, Cathkin Braes, Campsie Glen, Dungoil in the Campsies, Spectacle E'e Falls, Calderglen, Bar Hill near Kilsyth, Calderglen, Chatelherault Country Park, Strathclyde Country Park, Falls of Clyde, New Lanark and Tinto.

Edinburgh's Hidden Walks

An indispensable travel guide for those who thought they knew Glasgow well or would like to discover the other face of the city.

Secret Glasgow

Karen Pirie returns . . . Pre-order Past Lying, the eagerly-awaited new Karen Pirie thriller, publishing October 2023 _____ 'Gripping, thought-provoking and original - a tour-de-force' Literary Review When a skeleton is discovered hidden at the top of a crumbling, gothic building in Edinburgh, Detective Chief Inspector Karen Pirie is faced with the unenviable task of identifying the bones. As Karen's investigation gathers momentum, she is drawn deeper into a dark world of intrigue and betrayal. Meanwhile, someone is taking the law into their own hands in the name of justice and revenge -- but when present resentment collides with secrets of the past, the truth is more shocking than anyone could have imagined . . . An atmospheric, chilling mystery from the number one bestseller. _____ Praise for Val McDermid: 'It grabs the reader by the throat and never lets go' Daily Mail 'As good a psychological thriller as it is possible to get' Sunday Express 'One of today's most accomplished crime writers' Literary Review 'McDermid remains unrivalled' Observer 'The queen of crime is still at the top of her game' Independent This is the third book in the bestselling Karen Pirie series.

The Skeleton Road

One of Alasdair Gray's most brilliant creations, Poor Things is a postmodern revision of Frankenstein that replaces the traditional monster with Bella Baxter--a beautiful young erotomaniac brought back to life with the brain of an infant. Godwin Baxter's scientific ambition to create the perfect companion is realized when he finds the drowned body of Bella, but his dream is thwarted by Dr. Archibald McCandless's jealous love for Baxter's creation. The hilarious tale of love and scandal that ensues would be "the whole story" in the hands of a lesser author (which in fact it is, for this account is actually written by Dr. McCandless). For Gray, though, this is only half the story, after which Bella (a.k.a. Victoria McCandless) has her own say in the matter. Satirizing the classic Victorian novel, Poor Things is a hilarious political allegory and a thought-provoking duel between the desires of men and the independence of women, from one of Scotland's most accomplished authors. Alasdair Gray is the author of over a dozen novels and short story collections, including Lanark, 1982 Janine, and Unlikely Stories, Mostly.

Poor Things

About thirty years ago there was at the top of the right-hand side of Orange Street, in Polchester, a large stone house. I say "was"; the shell of it is still there, and the people who now live in it are quite unaware, I suppose, that anything has happened to the inside of it, except that they are certainly assured that their furniture is vastly superior to the furniture of their predecessors. They have a gramophone, a pianola, and a lift to bring the plates from the kitchen into the dining-room, and a small motor garage at the back where the old pump used to be, and a very modern rock garden where once was the pond with the fountain that never worked. Let them cherish their satisfaction. No one grudges it to them. The Coles were, by modern standards, old-fashioned people, and the Stone House was an old-fashioned house.

Fortitude

New York Offbeat Walks is a pocket-size guide containing 13 walks covering Manhattan. It is not a guide to the mainstream, but the quirkier side of Manhattan, for jaded residents who want to rediscover their city and explore areas they often overlook. Each walk will cover lesser-known architectural, historical,

and cultural highlights and everything in between: from movie locations to hidden rivers; where Warhol and the Beats hung out to where Billie Holliday lived, and Mafia hits carried out. It explores the relics of Dutch and British rule, where Sid killed Nancy and Bowie made his home. You will be led to community gardens, learn why parks got their name, and the curious stories behind obscure statutes. Accompanied by full-color photographs and maps, the walks will take readers in the footsteps of celebrities, pioneering women, poets, rock stars, murders, anarchists, and the people who helped shape this great city.

New York Offbeat Walks

Max is used to being called Stupid. And he is used to everyone being scared of him. On account of his size and looking like his dad. Kevin is used to being called Dwarf. And he is used to everyone laughing at him. On account of his size and being some cripple kid. But greatness comes in all sizes, and together Max and Kevin become Freak The Mighty and walk high above the world. An inspiring, heartbreaking, multi-award winning international bestseller.

The Theory of Moral Sentiments

The Cambridge Art Book showcases one of the most beautiful cities in the world. Inspired by Cambridge's unique architecture and historic university, over 50 artists have produced a unique collection of contemporary images illustrating all aspects of the city and surrounding area. The city is shown in a new light through a range of media, from screen print and computer aided design to hand-cut collage.

Freak the Mighty

"The papers presented in this volume focus on a series of conservation 'flashpoints'-- painted works, drawings, sculpture, installations, new media, performance, interiors and historic houses, cultural objects-- and revolve around three key areas considered vital in establishing or vouchsafing an artwork's 'authenticity': material, concept and context. A wide range of approaches, some object-based, some more conceptual and philosophical, demonstrate that although the term authenticity is generally employed in the singular, the values associated with it are multiple, multilayered and often competing. The papers, each in their own way, evaluate the critical potential of the pluralised form, 'authenticities', creating a platform for a continuous discussion on this important and fascinating theme"--P. [4] of cover.

The Cambridge Art Book

The Dive is a thrilling narrative nonfiction in the tradition of The Perfect Storm and Apollo 13. They were out of their depth, out of breath, and out of time. It was 1973. Two men were trapped in a crippled submarine 1,700 feet below sea. They only had enough air to survive for two days. On the ocean's surface there was a hastily assembled flotilla of rescue ships from both sides of the Atlantic. The world held its breath to await word of a rescue. In a routine dive to fix the telecommunication cable that snakes along the Atlantic sea bed, their mission had gone badly wrong. There was a catastrophic fault on board the Pisces III, and Roger Chapman and Roger Mallinson's mini-submarine went tumbling to the ocean bed almost half a mile below. The crippled sub and its crew were trapped far beyond the depth of any previous sub-sea rescue. They had just two days' worth of oxygen. However, on the surface the best estimates for a rescue of these men was a minimum of three days' time. The Dive is brilliantly researched by veteran journalist Stephen McGinty. Stephen adeptly reconstructs the race against time as Britain, America and Canada pooled their resources into a 'Brotherhood of the Sea' dedicated to stopping the ocean depths claiming two of their own. Based on previously undisclosed records, maritime logbooks, and exclusive interviews with all the key participants, The Dive takes the reader on an emotional and thrilling ride from the depths of defeat to a glimpse of the sun-dappled surface.

Art, Conservation and Authenticities

A photography book featuring luscious plants shot through the translucent glass of greenhouses found in botanical gardens. The photographer travelled to over 15 European cities to complete the project

The Rights of War and Peace

NOW A MAJOR MOTION PICTURE starring Tom Hanks, Emma Watson and John Boyega A thrilling and compulsively addictive novel about our obsession with the internet When Mae is hired to work for the Circle, the world's most powerful internet company, she feels she's been given the opportunity of a

lifetime. Run out of a sprawling California campus, the Circle links users' personal emails, social media, and finances with their universal operating system, resulting in one online identity and a new age of transparency. Mae can't believe her great fortune to work for them - even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public ... 'Tremendous. Inventive, big hearted and very funny. Prepare to be addicted' Daily Mail 'Prescient, important and enjoyable . . . a deft modern synthesis of Swiftian wit with Orwellian prognostication' Guardian 'A gripping and highly unsettling read' Sunday Times

Two Treatises of Government

A brand new book from the author of the acclaimed Britain from the Rails. Entertaining, eccentric, informative, inspirational and only very occasionally trainspotter-ish, Scotland from the Rails is the perfect guide to some of the most romantic rail journeys not just in Britain but the world. Scotland's rail network boasts the highest mainline summits in Britain; the longest bridge; the longest and boldest spans; the most famous railway bridge of all (the Harry Potter one); some of the friendliest staff and the most lovely - and downright quirky - station buildings, many lovingly maintained or restored. And for icing on the cake, or rather cream on the Cranachan (a Scottish pudding best enjoyed with a wee dram) - some utterly charming and fascinating preserved lines, steam centres and luxury excursion trains which cruise through this magnificent land.

The Dive

From the early days of pop when The Beatles shook the Caird Hall, to the current day when local heroes The View shake that same hall, Dundee has had a rich and passionate connection with music. This book takes us on a journey from the heyday of the dancehalls through to today's diverse music scene. Dundee's musical history is littered with famous names including the Average White Band, Billy Mackenzie and the Associates, Danny Wilson, Ricky Ross from Deacon Blue and Michael Marra. This book covers that and much more, including local heroes such as St. Andrew and Dougie Martin - figures who are respected beyond the city limits. It looks at the rich jazz and folk scenes as well as the record stores, venues and figures that have made the music scene in the city so vibrant. Through their own words we see behind the scenes and share the stories that made Dundee music great fun.

Botanical

Social problems in many domains, including health, education, social relationships, and the workplace, have their origins in human behavior. The documented links between behavior and social problems have compelled governments and organizations to prioritize and mobilize efforts to develop effective, evidence-based means to promote adaptive behavior change. In recognition of this impetus, The Handbook of Behavior Change provides comprehensive coverage of contemporary theory, research, and practice on behavior change. It summarizes current evidence-based approaches to behavior change in chapters authored by leading theorists, researchers, and practitioners from multiple disciplines, including psychology, sociology, behavioral science, economics, philosophy, and implementation science. It is the go-to resource for researchers, students, practitioners, and policy makers looking for current knowledge on behavior change and guidance on how to develop effective interventions to change behavior.

The Circle

"The Peak District is a remarkable area of contrasting yet compatible characters: the rolling limestone of White Peak country and the brooding, atmospheric moorland of Dark Peak terrain. The AA Guide to The Peak District gives you all you need to know to get the most out of your visit to this wonderful region. From the origins of mass rambling on Kinder Scout to the ducal home of the Devonshires at Chatsworth, each entry is packed with the very best sites to see, things to do, recommendations for eating and drinking, and places to explore nearby. With everything from local legends to must-see festivals and events, this authoritative and practical guide ensures you will never be lost for something to do"--Provided by publisher.

Scotland from the Rails

An exhilarating new book from the author of the worldwide bestseller The Tulip

Take it to the Bridge

The work of Martin Parr bridges the divide between art and documentary photography. His studies of the idiosyncrasies of mass culture and consumerism around the world, his innovative imagery and his prolific output have placed him firmly at the forefront of contemporary art. A member of the international photo agency Magnum, Parr is an avid collector of books and a world authority on the photobook.

The Handbook of Behavior Change

Best known for his 1970 polemic "The Revolution Will Not Be Televised," Gil Scott-Heron was a musical icon who defied characterization. He tantalized audiences with his charismatic stage presence, and his biting, observant lyrics in such singles as "The Bottle" and "Johannesburg" provide a time capsule for a decade marked by turbulence, uncertainty, and racism. While he was exalted by his devoted fans as the "black Bob Dylan" (a term he hated) and widely sampled by the likes of Kanye West, Prince, Common, and Elvis Costello, he never really achieved mainstream success. Yet he maintained a cult following throughout his life, even as he grappled with the personal demons that fueled so many of his lyrics. Scott-Heron performed and occasionally recorded well into his later years, until eventually succumbing to his life-long struggle with addiction. He passed away in 2011, the end to what had become a hermit-like existence. In this biography, Marcus Baram--an acquaintance of Gil Scott-Heron's--will trace the volatile journey of a troubled musical genius. Baram will chart Scott-Heron's musical odyssey, from Chicago to Tennessee to New York: a drug addict's twisted path to redemption and enduring fame. In *Gil Scott-Heron: Pieces of a Man*, Marcus Baram puts the complicated icon into full focus.

The AA Guide to the Peak District

"How do city and architecture flourish together? This question is central to the three-dimensional capriccio that displays a fictional Flemish urban environment. Over time, the informal city in Flanders and Brussels has developed a unique relationship with its architecture. This staged urban landscape reveals how historical layers, morphological peculiarities and unforeseen collisions are an endless source of energy for contemporary architectural production."--(Back cover).

The Boy in the Striped Pyjamas

These further rootin', tootin', shootin' adventures of Lobey Dosser, the Sheriff of Calton Creek, straddle the decade of 1949-1959 during which Bud Neill's cartoon strip appeared in Glasgow's Evening Times and, later, The Sunday Mail.

The Photobook

What does it mean to write in and about sound? How can literature, seemingly a silent, visual medium, be sound-bearing? This volume considers these questions by attending to the energy generated by the sonic in literary studies from the late nineteenth century to the present. Sound, whether understood as noise, music, rhythm, voice or vibration, has long shaped literary cultures and their scholarship. In original chapters written by leading scholars in the field, this book tunes in to the literary text as a site of vocalisation, rhythmicity and dissonance, as well as an archive of soundscapes, modes of listening, and sound technologies. *Sound and Literature* is unique for the breadth and plurality of its approach, and for its interrogation and methodological mapping of the field of literary sound studies.

Gil Scott-Heron: Pieces of a Man

In "Watching The English" anthropologist Kate Fox takes a revealing look at the quirks, habits and foibles of the English people. She puts the English national character under her anthropological microscope, and finds a strange and fascinating culture, governed by complex sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ... Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

Composite Presence
