Thirst: Ava Delaney calls herself a hybrid - a living, breathing human who happens to have vampire poison running through her veins. The only thing greater than her thirst for human blood is her capacity for guilt. She does her best to avoid the human world, for everyone's sake. When Ava accidentally enslaves a human while saving him from a vampire, she realises she has to look for help setting him free. Despite her misgivings, she expands her world but finds herself dragged into a possible vampire civil war. The pressure's on, and she's becoming as cynical as Peter. But when a demon marks her friend, and a possible threat from England spells war, Ava's left with a huge choice to make. The lives of one or many. With a little help, Ava has the chance to win all of her battles... if the darkness doesn't take her over first.

Uprising

The final three books in the original Ava Delaney series: Taken, Taste, and Traitor. An urban fantasy adventure. Taken: It's been months since Ava fooled the British vampires and dealt with Becca for good, but although life has been easier, it's not without its problems. Her deal with the twins is physically harming her, Peter's grasp on his sanity is tentative to say the least, Carl is struggling, and Esther is losing her edge. Ava's been asking too many questions in an attempt to fulfil her various deals, but her persistence turns out to be the biggest problem. She's not the only one asking questions, but somebody wants her to stop, and finding out who's in charge is a lot harder than taking care of her new houseguest. To survive on her own terms, Ava must take control of her own destiny for a change. That might involve swallowing her pride and accepting help from those she doesn't trust because there are new foes on the horizon, and the number of people needing her protection keeps on increasing. Taste: Someone is hunting down the people she's promised to protect, but Ava's taste for battle is slowly disappearing. She's losing the people in her life, one by one, and without them, her inner light can only weaken. But the British Vampire Association have decided to take over Ireland, too, and to give the entire country a fighting chance, Ava must work with the Council and their secret weapons, and let the world see her true face. A sea of blood can't wash away the deaths that will come, but Ava will make sure everyone gets what they deserve... Traitor: When Ava first saved Carl from a vampire, she had no idea what would happen next. Thrust into a world of magic, secrets, and betrayal, she's barely managed to survive. All of the choices she's made have led her deeper into trouble, and now, a year later, it's time to grab some control again. Her enemies are making allies while Ava's struggling to keep her friends. But even as the larger battles are fought, there's another enemy creeping underneath, ready to plant distractions and take advantage of the aftermath. The dark days are coming, quicker than expected. It's time for Ava to prove herself for the last time, but her final deal will prove the most costly.

Tainted

~Best read after the original Ava Delaney series~ The backdrop may be grim, but Dublin city has become the centre of change. And as the humans and supernaturals figure out how to live in each other's worlds, the person who forced that change has quietly stepped aside for a peaceful life. Ava Delaney is still trying to adjust to her own altered existence when a tainted nephilim turns up on her doorstep, apparently on the run from the monster who changed Ava's life before she was even born. But she's not supposed to interfere, even for the lost souls she's vowed to help. But as the first vampire leaves death in his wake, and Ava becomes an easy target to blame, she realises she has to take care of business once again. There are more secrets hidden in the shadows, more voices just waiting to be heard, and obedience has never been Ava's thing. Only one thing is for certain: for people like Ava Delaney, there's no such thing as a peaceful life. *Check out the original Ava Delaney series, starting with a free novella, Thirst* Keywords: Ava Delaney, urban fantasy, paranormal, Irish fiction, vampires, nephilim, fae, angels

Perdy's on a mission to find the truth, but maybe the truth is the danger she should hide from, after all.
