Everything you want to know, see and find out about Earth A visually amazing encyclopedia all about Earth. Crammed full of incredible stuff to dip into, from magnificent meteorites to cool caves, crystals and coral reefs, all revealed in a fascinating, exciting, totally different way: it's like a museum, a search engine, and the world's most exciting geography field trip rolled into one. Loads of Earth-related topics, hundreds of pictures, thousands of words and squillions of amazing things to discover and explore. So Find it. See it. Know it

## Nature of Nature

In this inspiring manifesto, an internationally renowned oceanographer makes the provocative case for why protecting nature makes economic sense. Enric Sala wants to change the world--and in this groundbreaking book, he shows us how. Once we appreciate how nature works, he asserts, we will understand why its preservation is economically practical and essential to our survival. In this highly readable narrative, Sala, director of National Geographic's Pristine Seas project, tells the story of his scientific awakening, the colorful mentors whose work inspired him, and his transition from academic to activism--because, as he put it, he was tired of writing the obituary of the ocean. His revelations are surprising, and sometimes counterintuitive: Lots of sharks are actually the best indicator of a healthy ocean ecosystem, and crop diversity, rather than intensive monoculture farming, is the key to planetary abundance. For decades, Sala has spearheaded ocean protection, convincing world leaders to protect areas amounting to five times the size of Texas--and he is still passionately pushing for more. Using fascinating examples from his own expeditions and groundbreaking findings from other scientists, Sala builds the case for the economic wisdom of making room for nature, even as the population builds to eight million and grows more urbanized by the decade. Both relatable and inspiring, this powerful book will change the way you think about the world--and the future.

## The Pillars of the Earth

Set in the turbulent times of twelfth-century England when civil war, famine, religious strife and battles over royal succession tore lives and families apart, *The Pillars of the Earth* tells the story of the building of a magnificent cathedral. Against this richly imagined backdrop, filled with intrigue and treachery, Ken Follett draws the reader irresistibly into a wonderful epic of family drama, violent conflict and unswerving ambition. From humble stonemason to imperious monarch, the dreams, labours and loves of his characters come vividly to life.

## The Thief Lord

The enchanting international bestseller with bonus back matter and a beautiful new cover! Two orphaned brothers, Prosper and Bo, have run away to Venice, where crumbling canals and misty alleyways shelter a secret community of street urchins. Leader of this motley crew of lost children is a clever, charming boy with a dark history of his own: He calls himself the Thief Lord. Prosper and Bo relish their new "family" and life of petty crime. But their cruel aunt and a bumbling detective are on their trail. And posing an even greater threat to the boys' freedom is something from a forgotten past: a beautiful magical treasure with the power to spin time itself.

## London

Lonely Planet: The world's leading travel guide publisher\* This is not a guidebook. And it is definitely 'not-for-parents'. It is the real, inside story about one of the world's most famous cities - London. In this book you'll hear fascinating tales about famous and infamous people, creepy underground places, dark history and strange characters galore. Check out cool stories about graffiti artists, murdered princes and people from all over. You'll find royalty, punks and sleuths, and some amazingly weird food. Heard about the abseilers who wash a clockface for a living? Would you want to eat jellied eels? How could

anyone be lucky to be beheaded? Whatever does 'this is my trouble and strife' mean? This book shows you a London your parents probably don't even know about. Authors: Written and researched by Lonely Planet, Klay Lamprell About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, as well as an award-winning website, a suite of mobile and digital travel products, children's books, and a dedicated traveller community. Lonely Planet's mission is to enable curious travellers to experience the world and to truly get to the heart of the places where they travel. TripAdvisor Travellers' Choice Awards 2012 and 2013 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia) \*#1 in the world market share - source: Nielsen Bookscan. Australia, UK and USA. March 2012-January 2013

### Hornet Flight

From the master storyteller, Ken Follett, *Hornet Flight* is a startling thriller set amidst the Danish Resistance. Europe in Darkness 1941. The Nazis have Denmark in their vice-like grip, their malign presence corroding everything its inhabitants hold dear. Even the police betray their countrymen and work with the Gestapo to hunt down spies. A Glimmer of Hope In this hostile climate the Danish resistance discover a secret that could change the course of the war – proof of an advanced German radar installation that is causing catastrophic losses to Allied planes bringing the fight to Germany. A Dangerous Mission The resistance must get the information to the British and will have only one chance, using a near-derelict Hornet Moth bi-plane mouldering away in a church. If they succeed the balance of the war will be tipped in the Allies' favour but failure will see them killed . . .

### Apologia Pro Vita Sua

This—a sequel to *Gated*—is a nerve-fraying contemporary young adult thriller that will make readers question loyalties as it twists truths. Her life was based on a lie. Lyla Hamilton almost died escaping the Community. In her new life, the outsiders call the Community a cult. They don't understand how easy it was to believe. How good it felt to belong. "Normal" life—high school and dating—is harder than Lyla expected. Who should she love? Who should she hate? The Community is willing to do terrible things to bring her back to the fold. The members are still preaching Pioneer's twisted message that the end of the world is near. Pulled in two directions and unsure which way to turn, Lyla risks everything to follow her heart, but can she uncover the Community's plan before it's too late? Lyla's escape was only the beginning. Praise for *Gated* and *Astray* "A tense psychological thriller that will leave you gasping for breath as you race to the very last page." —Gretchen McNeil, author of *Ten* "An awesome, creepy book that reminds me of my favorite cult films." —HelloGiggles.com \* "Parker doesn't pull punches, indicating a level of brutality that will appropriately disturb even as it successfully conveys Lyla's complete entrapment in the Community. Compelling and not that distant from real-world cults that have ended in tragedy." —Kirkus Reviews, Starred "A complex, intriguing tale rooted in real-world events." —Publishers Weekly "A good choice for reluctant readers. After the last page is turned, the question will linger: 'Could I ever be deceived like this?'" —School Library Journal "A well-rounded and thorough look into cults while still remaining entertaining throughout. I look forward to reading more of Parker's works in the future." —Examiner.com

### Astray (Gated Sequel)

Eugene W. Holland provides an excellent introduction to Gilles Deleuze and Felix Guattari's *Anti-Oedipus* which is widely recognized as one of the most influential texts in philosophy to have appeared in the last thirty years. He lucidly presents the theoretical concerns behind *Anti-Oedipus* and explores with clarity the diverse influences of Marx, Freud, Nietzsche and Kant on the development of Deleuze & Guattari's thinking. He also examines the wider implications of their work in revitalizing Marxism, environmentalism, feminism and cultural studies.

### Deleuze and Guattari's Anti-Oedipus

In seventeenth-century Germany, a boy desperately wants to escape from a school for Black Magic where he is held captive by demonic forces.

### Unterhaltungsblatt zur Pfälzischen Volkszeitung

The page-turning historical saga that began in *The Pillars of the Earth* and *World Without End*, which now continues with Ken Follett's magnificent, masterful *A Column of Fire*. A World in Turmoil 1558, and Europe is in revolt as religious hatred sweeps the continent. Elizabeth Tudor has ascended to the throne but she is not safe in this dangerous new world. There are many who would see her removed, not least Mary Queens of Scots, who lies in wait in Paris. A New Order Elizabeth determines to set up a new secret service: a group of resourceful spies and courageous agents entrusted to keep her safe and in power. As she searches for those who will make the difference, one man stands out. A Man Who Would Die for His Queen For Ned Willard the opportunity to serve his queen is God-sent. He cannot stay in Kingsbridge and watch the love of his life marry another, and as fires burn and extremism begins to spark throughout Europe, Ned makes his choice. He will spend his life protecting his monarch from the tyrants who aim to destroy her or die trying . . .

### The Satanic Mill

*Edge of Eternity* is the epic, final novel in Ken Follett's captivating and hugely ambitious Century trilogy. On its own or read in sequence with *Fall of Giants* and *Winter of the World*, this is an irresistible and spellbinding epic about the fight for personal freedom set during the Cold War. A Fight Against Injustice 1961, and in the United States George Jakes, a bright young lawyer in the Kennedy administration and fierce supporter of the civil rights movement, boards a Greyhound bus in Washington with Verena, an employee of Martin Luther King whom he is in love with, to protest against segregation. A Rising Tide of Danger In East Germany, teacher Rebecca Hoffmann finds her entire life has been a lie as she is targeted by the secret police, even as her younger brother, Walli, dreams of escape across the Berlin Wall to Britain. In Russia, activist Tania Dvorkin narrowly evades capture for producing an illegal news-sheet, her actions all the more perilous because her brother, Dimka, is an emerging star of the Communist Party. A Cold War That Could Eliminate the World Forever In a sweeping tale that began in 1911, the descendants of five families will now find their true destiny as they fight for their individual freedom in a world facing the mightiest clash of superpowers it has ever seen.

### A Column of Fire

A fast-paced, nerve-fraying contemporary thriller that questions loyalties and twists truths. Appearances can be deceiving. Lyla Hamilton is a loyal member of the Community. Her family was happy to be chosen by Pioneer to join such an lovely gated neighborhood. Here, life seems perfect. But after meeting Cody, an outsider boy, Lyla starts questioning Pioneer, her friends, her family--everything. And if there's one thing not allowed in the Community, it's doubt. As Pioneer cleverly manipulates his flock toward disaster, the real question is: Will Lyla follow her heart or follow Pioneer over the edge? From the outside looking in, it's hard to understand why anyone would join a cult. But *Gated* tells the story from the inside looking out, and from behind the gates things are not quite so simple. Amy Christine Parker's beautiful writing creates a chilling, utterly unique YA story. Perfect for fans of creepy thrillers and contemporary fiction alike. "A tense psychological thriller that will leave you gasping for breath as you race to the very last page." --Gretchen McNeil, author of *Ten HelloGiggles.com*, August 3, 2013: "When I found out that there was a YA book about cults, of course I had to read it. As it turns out, Amy Christine Parker's *Gated* is an awesome, creepy book that reminds me of my favorite cult films while still being surprising." Starred Review, *Kirkus Reviews*, June 15, 2013: "Parker doesn't pull punches, indicating a level of brutality that will appropriately disturb even as it successfully conveys Lyla's complete entrapment in the Community. Compelling and not that distant from real-world cults that have ended in tragedy." *Publishers Weekly*, June 10, 2013: "Parker skillfully explores the mindset and inner workings of an apocalyptic cult, steadily building toward the inevitable moment of truth...As for the apocalypse itself, Parker keeps things suitably ambiguous, resulting in a complex, intriguing tale rooted in real-world events." *School Library Journal*, October 2013: "This well-plotted tale will allow readers a glimpse into the possible world of a doomsday cult...The language is accessible, making it a good choice for reluctant readers. After the last page is turned, the question will linger: 'Could I ever be deceived like this?'" *Examiner.com* "A well-rounded and thorough look into cults while still remaining entertaining throughout. I look forward to reading more of Parker's works in the future."

### Morgen-Post Wien

#1 New York Times Bestseller An Amazon Best Book of 2020 The thrilling and addictive prequel to *The Pillars of the Earth*--set in England at the dawn of a new era: the Middle Ages "Just as transporting as [The Pillars of the Earth] . . . A most welcome addition to the Kingsbridge series." --The Washington

Post It is 997 CE, the end of the Dark Ages. England is facing attacks from the Welsh in the west and the Vikings in the east. Those in power bend justice according to their will, regardless of ordinary people and often in conflict with the king. Without a clear rule of law, chaos reigns. In these turbulent times, three characters find their lives intertwined. A young boatbuilder's life is turned upside down when his home is raided by Vikings, forcing him and his family to move and start their lives anew in a small hamlet where he does not fit in. . . . A Norman noblewoman marries for love, following her husband across the sea to a new land, but the customs of her husband's homeland are shockingly different, and it soon becomes clear to her that a single misstep could be catastrophic. . . . A monk dreams of transforming his humble abbey into a center of learning that will be admired throughout Europe. And each in turn comes into dangerous conflict with a clever and ruthless bishop who will do anything to increase his wealth and power. Thirty years ago, Ken Follett published his most popular novel, *The Pillars of the Earth*. Now, Follett's masterful new prequel *The Evening and the Morning* takes us on an epic journey into a historical past rich with ambition and rivalry, death and birth, love and hate, that will end where *The Pillars of the Earth* begins.

#### Edge of Eternity

Will's brother Marty is always playing practical jokes. But when he tells the bloodcurdling story of the cutthroat pirate Captain Crow, Will is terrified. Is it another one of Marty's tricks, or could Captain Crow's ghost really be out to get him? Spooky, funny fiction – brilliant for boys and girls aged 7–9. Now available in paperback! Fabulous, witty illustrations by Tony Ross throughout.

#### Integration in Deutschland

There is an eternal truth most of the world has come to accept: Firstlife is merely a dress rehearsal, and real life begins after death.

#### Sisyphus

A retelling of a Russian cumulative tale in which a number of animals crowd into a lost hat to make their home, until a tiny flea comes along.

#### A Practice Grammar of German

A dead man hangs from the portal of St Paul Chapel in Damascus. He was a Muslim officer and he was murdered. But when Detective Barudi sets out to interrogate the man's mysterious widow, the Secret Service takes the case away from him. Barudi continues to investigate clandestinely and discovers the murderer's motive: it is a blood feud between the Mushtak and Shahin clans, reaching back to the beginnings of the 20th century. And, linked to it, a love story that can have no happy ending, for reconciliation has no place within the old tribal structures. Rafik Schami dazzling novel spans a century of Syrian history in which politics and religions continue to torment an entire people. Simultaneously, his poetic stories from three generations tell of the courage of lovers who risk death sooner than deny their passions. He has also written a heartfelt tribute to his hometown Damascus and a great and moving hymn to the power of love.

#### Illustrierte Zeitung

A special handbook for youth and the adults who work with them.

## Gated

'Two days after Notre Dame burned, I flew to Paris to appear on the TV programme La Grande Librairie for a discussion about cathedrals. The following morning I had breakfast at the Hotel Bristol with my French publisher and she asked me to write a short book about Notre Dame and what it means to all of us. She said she would donate the publisher's profits to the rebuilding fund and, if I wished, I could do the same with my royalties. Yes, I said; of course, I'd love to.' Ken Follett In aid of the crucial restoration work to restore Paris's great cathedral, Notre-Dame: A Short History of the Meaning of Cathedrals is a moving, short piece of non-fiction celebrating the stunning history of this beloved building, from Ken Follett, author of the multi-million copy selling Kingsbridge series. This edition contains an exclusive extract from The Evening and the Morning, a prequel to The Pillars of the Earth, publishing Autumn 2020. A minimum of 50p per copy on each sale of this book will go to the charity La Fondation du Patrimoine.

## The Science of Knowledge

From the bustling, snowy streets of 19th-century London to the ghostly apparitions of Christmases past and future, award-winning artist Roberto Innocenti vividly renders not only the authentic detail but also the emotional impact of Charles Dickens's beloved Christmas tale. In both crowded urban scenes and intimate portraits of familiar characters, we gain a sense of the timeless humanity of the tale and perhaps catch a glimpse of ourselves.

## The Evening and the Morning

## The Legend of Captain Crow's Teeth

Nominated for the 2021 CILIP Carnegie Medal, joint winner of the UKLA 11-14 Book Award 2021 and winner of the Warwickshire Schools Library Award. 'I loved this book ... Kerry's writing is beautiful, lyrical and poetic and has created a story that manages to be heart-warming and life-affirming whilst covering one of the most devastating events of the last century.' Liz Kessler, author of When the World was Ours A Japanese teenager, Mizuki, is worried about her grandfather. He tells Mizuki that he has never recovered from something that happened in his past ... gently Mizuki persuades him to tell her what it is. We are taken to 1945, Hiroshima, and Mizuki's grandfather as a teenage boy at home with his friend Hiro. Moments later the horrific nuclear bomb is dropped on Hiroshima. The blinding flash, the harrowing search for family and the devastation both human and physical is searingly told as the two teenage boys search for and find Keiko, Hiro's five-year-old sister. But then Mizuki's grandfather has no option but to leave Keiko in a safe place while he goes for help... and then Keiko is lost. Despite a desperate hunt in the immediate aftermath, where he leaves origami folded paper cranes with his address on everywhere a survivor could be, Keiko remains lost.. Can Mizuki help after all these years? A powerful novel that, despite its harrowing subject matter, has hope at its heart.

## Theater heute

'You empower yourself and then you reach out to others.' Uplifting life lessons from one of the greatest leaders the world has ever known... through the eyes of the grandson whose life he changed forever. In his book Going to the Mountain, Ndaba Mandela shares the story of his coming-of-age alongside South Africa's rebirth. It is a remarkable journey, and one that took him from the violent, segregated Soweto ghettos to his grandfather's presidential home. As a young boy, Ndaba was constantly shunted from place to place. But at eleven years old he was unexpectedly invited to live with his grandfather,

Nelson Mandela, even though he had met him only once before, during a prison visit. And, slowly, they built a relationship that would affect both of them profoundly. Ndaba's teenage years were complicated, but as he approached his twenty-first birthday, Mandela decided that Ndaba was finally ready to 'go to the mountain' – a test of courage during which you become a man. At the end of this gruelling ritual journey, the elders of the Mandelas' tribe gathered and Ndaba's grandfather was there, as ever, to share his greatest life lessons. From Nelson Mandela, Ndaba learned the spirit of endurance, the triumph of forgiveness, the power of resistance and the beauty of reconciliation. And as Mandela grew older, Ndaba had the chance to repay his grandfather's love and support by demonstrating the ways in which he'd understood all that he had taught him. Intimate and inspirational, *Going to the Mountain* is a powerful reminder of how one person can impact profoundly on another, and a testament to the awesome power within us to change ourselves and our world.

### Everlife (An Everlife Novel, Book 3)

*The Will to Power: An Attempted Transvaluation Of All Values* By Friedrich Nietzsche Translated By Anthony M. Ludovici In the volume before us we have the first two books of what was to be Nietzsche's greatest theoretical and philosophical prose work. The reception given to *Thus Spake Zarathustra* had been so unsatisfactory, and misunderstandings relative to its teaching had become so general, that, within a year of the publication of the first part of that famous philosophical poem, Nietzsche was already beginning to see the necessity of bringing his doctrines before the public in a more definite and unmistakable form. During the years that followed--that is to say, between 1883 and 1886--this plan was matured, and although we have no warrant, save his sister's own word and the internal evidence at our disposal, for classing *Beyond Good and Evil* (published 1886) among the contributions to Nietzsche's grand and final philosophical scheme, "The Will to Power," it is now impossible to separate it entirely from his chief work as we would naturally separate *The Birth of Tragedy*, *The Thoughts out of Season*, the volumes entitled *Human, all-too-Human*, *The Dawn of Day*, and *Joyful Wisdom*.

### Zitty

In turn-of-the-century Vienna the impoverished, foreign-born Stanislaus Demba, who earns his livelihood as a tutor of children of the professional class, must urgently find two hundred crowns to take his girlfriend to Italy in order to prevent her from going with a well-off law student. In a series of humorous and intricately-connected vignettes, the Czech-born Leo Perutz, himself an immigrant to Vienna, sends the hero cascading through the various social classes of the city in his quest to obtain the needed money even as he tries to conceal a shameful secret. Besides offering a satire of contemporary life in his characterization of the petty bourgeoisie and the upper class university professors and intellectuals, gallants and flirts, gamblers and high-class thieves *Between Nine and Nine* (1918) also sheds light on the forces that conditioned identity in fin-de-siècle Vienna: industrialization, misogyny, anti-Semitism, classism, and xenophobia. Through the modern, indeterminate narrative stance, the novel, originally entitled *Freedom* in its serialized version, ultimately depicts the contingency of self-determination and identity in a complex social milieu. On display are the author's skills as storyteller and caricaturist, his subtle and satiric humor, his highly refined aesthetic sensibilities, and his insightful social commentary. Readers will find him and this novel delightfully provocative.

### The Elf's Hat

*Triple* is the story of the most successful espionage coup – and best-kept secret – of this century. This taut espionage thriller comes from master of the genre, Ken Follett. A Frightening Discovery 1968. The fledgling nation of Israel is threatened when the intelligence services find out that Egypt is only months away from developing nuclear weapons. An untimely end awaits the young nation unless a source of uranium for Israeli bombs can be obtained in complete secrecy. Impossible, of course, unless someone as improbable as the plan can be found to steal it. A Daring Mission Working alone, Israeli agent Nat Dickstein concocts an ingenious scenario for the biggest, and quietest, hijacking in history. A task made all the more difficult by the factions trying to stop him. Time is Running Out Dickstein plans to steal the uranium and fool the Russian KGB, Egyptian Intelligence and the Arab extremists, the Fedayeen. As the nuclear arms race in the Middle East escalates to frightening proportions, the fate of millions of lives hangs in the balance in this fictionalized account of one of the best-kept secrets of the twentieth century.
