Disclaimer about the US Army

She attempts to enroll in public school for the first time at 15!

The hardships of not understanding how school works....at all.

Hiding from your backstory vs owning it

First rule of cults- you're never in a cult

The moment she realized she WAS in a cult

The fast track to success in school- cult programming?

How high demand groups/cults create toxic performance perfectionism

Easy self sacrifice &. black and white thinking

"Righteous Rage" We are better than you mentality

Things you may not know about the Military

R*pe culture & the awful story of Vanessa Guillen

Why Daniella (an officer) was blamed for creating an unsafe environment for women on deployment

Extreme victim blaming!

Weaponizing sex & banning sex leads to distortions

Why women are needed in the military

When the trauma goes unresolved, and surfaces with a vengeance

How is she healing and what helped her get better initially?

It's not about cult vs non cult- recognizing toxic behavior
