[#honorable assassin](#) [#ethical killer](#) [#righteous hitman](#) [#code of honor](#) [#dark hero](#)

Explore the intriguing paradox of an honorable assassin, a skilled professional bound by a strict code of honor. This individual, often a righteous hitman, navigates a morally gray world, only targeting those who truly deserve their fate, transforming the concept of a 'killer' into something akin to a dark hero. Discover stories where ethical boundaries are tested, and justice is delivered through unconventional, yet principled, means by an ethical killer.
