To eat the algae oil is to go directly to the source. Research shows that it increases blood DHA the same as fish oil, but it has the benefit of not contributing to overfishing, global warming and destroying our coral reefs. It is lower in mercury and toxins than fish and also has a neutral flavor.

Legumes, Beans, & Lentils

Fiber found in nuts and seeds also are helpful in aiding digestion. The healthy fats aids in neurological and brain development of the baby.
