

Ashes In The Air

[#Ashes In The Air](#) [#Atmospheric Drama](#) [#Loss and Grief](#) [#Symbolism of Ashes](#) [#Poetry Interpretation](#)

Ashes In The Air explores the poignant themes of loss, grief, and resilience through evocative imagery and symbolic representations. This exploration delves into the metaphor of ashes, representing not just the physical remnants of what's been lost, but also the enduring spirit that rises from the embers of adversity, offering a compelling narrative about finding hope amidst despair.

We believe in democratizing access to reliable research information.

Where the Ashes Are

In 1968 Nguyen Qui Duc was nine years old, his father was a high-ranking civil servant in the South Vietnamese government, and his mother was a school principal. Then the Viet Cong launched their Tet offensive, and the Nguyen family's comfortable life was destroyed. The author's father was taken prisoner and marched up the Ho Chi Minh Trail. North Vietnam's highest-ranking civilian prisoner, he eventually spent twelve years in captivity, composing poems in his head to maintain his sanity. Nguyen himself escaped from Saigon as North Vietnamese tanks approached in 1975. He came of age as an American teenager, going to school dances and working at a Roy Rogers restaurant, yet yearning for the homeland and parents he had to leave behind. The author's mother stayed in Vietnam to look after her mentally ill daughter. She endured poverty and "reeducation" until her husband was freed and the Nguyens could reunite. Intertwining these three stories, *Where the Ashes Are* shows us the Vietnam War through a child's eyes, privation after a Communist takeover, and the struggle of new immigrants. The author, who returned to Vietnam as an American reporter, provides a detailed portrait of the nation as it opened to the West in the early 1990s. *Where the Ashes Are* closes with Nguyen's thoughts on being pulled between his adopted country and his homeland.

Where the Ashes Are

Nguyen Qui Duc was 10 years old when his father was captured by the Viet Cong during the Vietnam War. He was 17 when he escaped from Saigon, leaving his mother behind. In this stirring memoir, he tells how the Nguyen family survived prison, death, and life under Communism to reunite in America.

Where the Ashes are

Like that of many others, Peter Gladwin's life began badly: He was seriously burned in a house fire at the age of one, put on probation at thirteen for burglary and theft, stabbed in a gang fight at fifteen, and the victim of a hit and run at twenty-four. Other obstacles included his personal addictions, his wife's battle with cancer, and his father's suicide. While contemplating his own suicide, he found faith in God, and this was the catalyst that turned his life around.

Out of the Ashes

An electromagnetic pulse flashes across the sky, destroying every electronic device, wiping out every computerized system, and killing billions. When it happens, Alex was hiking in the woods to say good-bye to her dead parents and her personal demons. Now desperate to find out what happened after the pulse crushes her to the ground, Alex meets up with Tom—a young soldier—and Ellie, a girl whose grandfather was killed by the EMP. For this improvised family and the others who are spared, it's now a question of who can be trusted and who is no longer human. Author Ilsa J. Bick crafts a

terrifying and thrilling novel about a world that could be ours at any moment, where those left standing must learn what it means not just to survive, but to live amidst the devastation.

Ashes

'Hughes takes us on a breathless tour through cricket history, the great players, personalities, matches and events. He never slackens pace or dwells on the dry details of the scoreboard.' - The Times From the William Hill Award-Winning author of *A Lot of Hard Yakka* comes *Cricket's Greatest Rivalry: A History of the Ashes in 10 Matches*, a fast-paced, distinctive history of the iconic, 135-year-old cricketing rivalry between England and Australia. The new paperback edition is completely revised and updated to include the tumultuous two series of 2013-2014, which saw more twists and turns in this enthralling contest. No other sport has a fixture like the Ashes. From the early 1880s the rivalry between these two great sporting nations has captured the public imagination and made sporting legends of its stars. Commentator, analyst and award-winning cricket historian Simon Hughes tells the story of the ten seminal series that have become the stuff of sporting folklore. *Cricket's Greatest Rivalry* places you right at the heart of the action of each pivotal match, explaining the social context of the time, the atmosphere of the crowd and the background and temperaments of the players that battled in both baggy green and blue caps. Simon starts his story at the very birth of the Ashes and tells the tale of the band of Australians that took on the best gentleman and players in the Empire's HQ and beat them on their home turf. That momentous occasion set the tone for some epic contests including: The thrilling 1902 Test at Old Trafford, which was one by a mere three runs. The incredible innings of Hobbs and Sutcliffe in front of a tense and packed Oval in 1926. The legendary 'bodyline' series of Jardine, Larwood, Bradman et al in 1933. The incredible run chase in 1948 that also saw Bradman's last test. England's reprise in the fifth test of 1953 when Lock, Trueman, Bailey and Hutton steered the hosts to a whirlwind victory. The fearsome pace attack from the likes of Lillie and Thompson that transformed the contest in the first Test of 1974 and shaped the Ashes as a tournament for decades to come. Botham's Ashes in 1981 that restored pride in a sports-mad nation. The match up at old Trafford where the magic of one Shane Warne sent shockwaves through the game. And finally the breaking of the Aussie stranglehold in 2005, when Flintoff, Pietersen and Vaughan did the seemingly impossible and re-established the greatest of rivalries. The book also includes complete statistics and records of all the Ashes fixtures and results and much, much more!

Cricket's Greatest Rivalry

***#1 NATIONAL BESTSELLER *Winner, Kobo Emerging Writer Prize Nonfiction *Winner, Indigenous Voices Awards *Winner, High Plains Book Awards *Finalist, CBC Canada Reads *A Globe and Mail Book of the Year *An Indigo Book of the Year *A CBC Best Canadian Nonfiction Book of the Year** In this extraordinary and inspiring debut memoir, Jesse Thistle, once a high school dropout and now a rising Indigenous scholar, chronicles his life on the streets and how he overcame trauma and addiction to discover the truth about who he is. *If I can just make it to the next minute...then I might have a chance to live; I might have a chance to be something more than just a struggling crackhead.* From the Ashes is a remarkable memoir about hope and resilience, and a revelatory look into the life of a Métis-Cree man who refused to give up. Abandoned by his parents as a toddler, Jesse Thistle briefly found himself in the foster-care system with his two brothers, cut off from all they had known. Eventually the children landed in the home of their paternal grandparents, whose tough-love attitudes quickly resulted in conflicts. Throughout it all, the ghost of Jesse's drug-addicted father haunted the halls of the house and the memories of every family member. Struggling with all that had happened, Jesse succumbed to a self-destructive cycle of drug and alcohol addiction and petty crime, spending more than a decade on and off the streets, often homeless. Finally, he realized he would die unless he turned his life around. In this heartwarming and heart-wrenching memoir, Jesse Thistle writes honestly and fearlessly about his painful past, the abuse he endured, and how he uncovered the truth about his parents. Through sheer perseverance and education—and newfound love—he found his way back into the circle of his Indigenous culture and family. An eloquent exploration of the impact of prejudice and racism, *From the Ashes* is, in the end, about how love and support can help us find happiness despite the odds.

From the Ashes

The first book in the No. 1 Times bestselling series 'This is terrific stuff' Daily Telegraph 'A breathtakingly ambitious picture of an era' Financial Times 'A masterclass in how to weave a well-researched history into a complex plot' The Times

The Ashes of London (James Marwood & Cat Lovett, Book 1)

A U.S. release of an acclaimed book in the U.K. follows the adventures of attorney and sometime sleuth Thora Gudmundsdottir, who while defending a man wrongly accused of murder investigates the sensational discovery of two bodies at a volcanic tourist attraction. Simultaneous. 50,000 first printing.

Ashes to Dust

A superb account of complex psyche of Eastern Europe in the wake of the revolutions of 1989 and the opening of the communist archives. In the tradition of Timothy Garton Ash's *The File*, Yale historian and prize-winning author Marci Shore draws upon intimate understanding to illuminate the afterlife of totalitarianism. *The Taste of Ashes* spans from Berlin to Moscow, moving from Vienna in Europe's west through Prague, Bratislava, Warsaw and Bucharest to Vilnius and Kiev in the post-communist east. The result is a shimmering literary examination of the ghost of communism – no longer Marx's 'spectre to come' but a haunting presence of the past. Marci Shore builds her history around people she came to know over the course of the two decades since communism came to an end in Eastern Europe: her colleagues and friends, once-communists and once-dissidents, the accusers and the accused, the interrogators and the interrogated, Zionists, Bundists, Stalinists and their children and grandchildren. For them, the post-communist moment has not closed but rather has summoned up the past: revolution in 1968, Stalinism, the Second World War, the Holocaust. The end of communism had a dark side. As Shore pulls the reader into her journey of discovery, reading the archival records of people who are themselves confronting the traumas of former lives, she reveals the intertwining of the personal and the political, of love and cruelty, of intimacy and betrayal. The result is a lyrical and sometimes heartbreaking portrayal of how history moves and what history means.

The Taste of Ashes

Fully updated to include England's series victory over South Africa and the World T20 Finals. Joe Root is undoubtedly cricket's next superstar, adored by fans and the press alike for his incredible talent and his cheeky personality. At just 24 years old he has already scored nearly 3,000 Test runs, taken 12 Test wickets. Joe was the star of England's incredible 2015 Ashes campaign - his knock of 130 at Trent Bridge secured the series victory and saw him named by the ICC as the best batsman in the world. This is Joe's personal account of his speedy climb to stardom, from schoolboy cricket to early days with Yorkshire, culminating with exclusive behind-the-scenes access to an England team at the top of their game. A perfect gift for all England cricket fans, this gives the inside story to an historic Ashes victory from a player who is instrumental to the team.

Bringing Home the Ashes

David Lammy MP predicted the riots of 2011 a year before they took place. Following the violence he spoke passionately for his constituents. Now, in 'Out of the Ashes', he analyses the causes of the disturbances and their implications for the future.

Out of the Ashes

Writer Lisa Jones went to Wyoming for a four-day magazine assignment. She was committed to a long-term relationship, building a career and searching for something she could not name. At a dusty corral on the Wind River Indian Reservation, she met Stanford Addison, a Northern Arapaho who seemed to transform everything around him. He gentled horses rather than breaking them. It was said he could heal people of everything from cancer to bipolar disorder. He did all this from a wheelchair; he had been a quadriplegic for more than twenty years. As Lisa returned to the ranch time and time again, Stanford slowly revealed his story. He'd spent his teenage years busting broncos, seducing girls and dealing drugs. At twenty, he left the house for another night of partying. By morning, a violent accident had robbed him of his physical prowess and in its place left unwelcome spiritual powers – an exchange so shocking that Stanford spent several years trying to kill himself. Eventually he surrendered to his new life and mysterious gifts. Lisa was a frequent visitor to Stanford's place over the years, the reservation and its people worked on her, exposing and healing the places where she too was broken.

This is her story, intertwined with Stanford's, and it explores powerful spirits, material poverty, spiritual wealth, friendship, violence, confusion, death, and above all else, love.

Broken: A Love Story

A hauntingly beautiful, gripping novel about Lapland's buried history of Nazi crimes against the Sámi people 'Reveals so much more about a war we thought we knew that it feels like a potted epic' Guardian This is a story of silenced histories, of dark secrets in a land of midnight sun. Finnish Lapland, 1947: Inkeri arrives in remote Enontekiö on a journalistic assignment, but her real motivation is more personal - this is where her husband was last seen before he disappeared during the war. As her probing questions meet with silence and hostility, Inkeri begins to investigate the fault-lines in this small community. Her burgeoning friendship with a young Sámi girl helps her piece together why the town does not want to dwell on the past, as traces of disturbing crimes emerge from the pristine landscape of snow and ice.

Land of Snow and Ashes

Modern, relevant resources to accompany readers through Lent and Easter for many years, with material for Shrove Tuesday, Ash Wednesday, Mothering Sunday, Palm Sunday and Holy Week, as well as suggestions for a Lent discipline.

Eggs and Ashes

If you eat while lying down, you will turn into a snake. If you don't polish off all the rice on your plate you will marry a man full of pimples and pockmarks. Looking After the Ashes is a semi-biographical fiction of Kopi Soh's childhood stories. Growing up in a large extended Taoist influenced Peranakan family filled with strong women, Soh hears these words of 'wisdom' daily. She used to live in a world where clipping finger nails at night was strictly forbidden, pointing at the moon would result in one's ears getting chopped off, and children were forced to stay indoors during sundown for fear of collision with evil forces. A world where mental disorders and illnesses were believed to be caused by malevolent spirits. Talisman, mediums and fortune tellers were a part of everyday life.

Girl of the Ashes

A variation of the Cinderella story.

Looking After the Ashes: Old Wives' Tales, Taboos; Supernatural and Childhood Superstitions

In 1666, Hannah and Sarah escape London, leaving behind plague and death as well as their sweets shop, and when it is safe, Hannah and her younger sister Anne return, only to face the city's Great Fire.

The Girl who Sat by the Ashes

When Ashelandra's widowed father dies, rather than risk discovery of her magic studies by an autocratic uncle, she flees and enlists her fledgling magical skills to help the prince search for his kidnapped fiancé.

Petals in the Ashes

This story is not a story at all. It all happened. On New Year's Day Becky Morley begins to write her diary. By March, her world has changed for ever. Foot-and-mouth disease breaks out on a pig farm hundreds of miles from the Morleys' Devon home, but soon the nightmare is a few fields away. Local sheep are infected and every animal is destroyed. Will the Morleys' flock be next? Will their pedigree dairy herd, the sows with their piglets, and Little Josh, Becky's hand-reared lamb, survive? Or will they be slaughtered too? The waiting and hoping is the most agonizing experience of Becky's life . . .

Out of the Ashes

'Tahir spins a captivating, heart-pounding fantasy' – Us Weekly Read the explosive New York Times bestselling debut that's captivated readers worldwide. Set to be a major motion picture, An Ember in the Ashes is the book everyone is talking about.

Out of the Ashes

Searching for his missing family in the aftermath of a post-apocalyptic America, rebel mercenary and patriot Ben Raines is united with the civilians of the Resistance forces and moves to the forefront of a revolution for the nation's future. Reissue.

An Ember in the Ashes (Ember Quartet, Book 1)

Provides convincing evidence that angels, demons, and fallen angels were flesh-and-blood members of a giant race predating humanity, spoken of in the Bible as the Nephilim. • Indicates that the earthly paradise of Eden was a realm in the mountains of Kurdistan. • By the author of *Gateway to Atlantis*. Our mythology describes how beings of great beauty and intelligence, who served as messengers of gods, fell from grace through pride. These angels, also known as Watchers, are spoken of in the Bible and other religious texts as lusting after human women, who lay with them and gave birth to giant offspring called the Nephilim. These religious sources also record how these beings revealed forbidden arts and sciences to humanity--transgressions that led to their destruction in the Great Flood. Andrew Collins reveals that these angels, demons, and fallen angels were flesh-and-blood members of a race predating our own. He offers evidence that they lived in Egypt (prior to the ancient Egyptians), where they built the Sphinx and other megalithic monuments, before leaving the region for what is now eastern Turkey following the cataclysms that accompanied the last Ice Age. Here they lived in isolation before gradually establishing contact with the developing human societies of the Mesopotamian plains below. Humanity regarded these angels--described as tall, white-haired beings with viperlike faces and burning eyes--as gods and their realm the paradise wherein grew the tree of knowledge. Andrew Collins demonstrates how the legends behind the fall of the Watchers echo the faded memory of actual historical events and that the legacy they have left humanity is one we can afford to ignore only at our own peril.

Out of the Ashes

After narrowly escaping fiery death in *Out of the Flames*, San Francisco police detective Manhattan Sloane and DEA Agent Finn Harper embark on something even more perilous: bringing to justice all those responsible for the murder of Sloane's wife, and rekindling the love they had for each other as teens. Both have the potential to burn them badly—and scar Sloane's grieving stepdaughter, Reagan. Even as Sloane rediscovers that life without love is no life at all, she is learning that parenthood—especially single parenting—means making sacrifices. Can she have it all? Finn and Reagan and the badge she has worn with honor for almost nine years? Or will a cartel drug lord bent on revenge force her to not only betray her conscience—but also fail to save the ones she loves? A Manhattan Sloane Thriller.

From the Ashes of Angels

From the author of the acclaimed *Blood Water Paint*, a new contemporary YA novel in prose and verse about a girl struggling with guilt and a desire for revenge after her sister's rapist escapes with no prison time. Em Morales's older sister was raped by another student after a frat party. A jury eventually found the rapist guilty on all counts--a remarkable verdict that Em felt more than a little responsible for, since she was her sister's strongest advocate on social media during the trial. Her passion and outspokenness helped dissuade the DA from settling for a plea deal. Em's family would have real justice. But the victory is short-lived. In a matter of minutes, justice vanishes as the judge turns the Morales family's world upside down again by sentencing the rapist to no prison time. While her family is stunned, Em is literally sick with rage and guilt. To make matters worse, a news clip of her saying that the sentence makes her want to learn "how to use a sword" goes viral. From this low point, Em must find a new reason to go on and help her family heal, and she finds it in the unlikely form of the story of a fifteenth-century French noblewoman, Marguerite de Bressieux, who is legendary as an avenging knight for rape victims. *We Are the Ashes, We Are the Fire* is a searing and nuanced portrait of a young woman torn between a persistent desire for revenge and a burning need for hope.

From the Ashes

This story is about a young woman (Leah) who marries a farmer (Damian) to experience a new way of life. To begin with her life is everything she had envisaged and she loved her new life. But sadly this did not last and the man she married changed and became someone she didn't recognise anymore. When an old friend of Damian's returns to Ryall and Leah's life is turned upside down as the past comes back to haunt them all.

We Are the Ashes, We Are the Fire

"At last, she arrives at the fatal end of the plank . . . and, with her hands crossed over her chest, falls straight downward, suspended for a moment in the air before being devoured by the burning pit that awaits her. . . ." This grisly 1829 account by Pierre Dubois demonstrates the usual European response to the Hindu custom of sati sacrificing themselves on the funeral pyres of their husbands—horror and revulsion. Yet to those of the Hindu faith, not least the sati themselves, this act signals the sati's sacredness and spiritual power. *Ashes of Immortality* attempts to see the sati through Hindu eyes, providing an extensive experiential and psychoanalytic account of ritual self-sacrifice and self-mutilation in South Asia. Based on fifteen years of fieldwork in northern India, where the state-banned practice of sati reemerged in the 1970s, as well as extensive textual analysis, Weinberger-Thomas constructs a radically new interpretation of sati. She shows that their self-immolation transcends gender, caste and class, region and history, representing for the Hindus a path to immortality.

Out of the Ashes

The Sunday Times bestseller returns with his next unforgettable crime thriller. Fans of MJ Arlidge and Stuart MacBride won't be able to put this down.

Ashes of Immortality

A Gay Retelling of Cinderella. A human prince and a half-blood Fae meet their match in one another. Will they be soulmates or sworn enemies? Finn Ashton is cursed with ancient Fae blood. Once upon a time, to be a Fae was a blessing, but after Fae murdered the human king and queen, now all who show Fae magic risk exile or death. Finn lives in hiding with his cruel stepfather and stepbrothers, who offer protection in exchange for Finn acting as a servant at his own estate. Prince Rohan is blessed with a crown, but must save his kingdom from ruin. With his own lands languishing since the loss of Fae magic, a match with another human royal may be his people's salvation. But Rohan has always dreamed of marrying for love, like his parents. One day, battling monsters in the woods, Rohan stumbles upon a strange young commoner, Finn, who offers him something no royal ever can: true love. But will the secrets that Finn and Rohan keep from one another threaten the love they have, or even turn them into sworn enemies? NOTE: THIS NOVEL SERIES HAS CLIFFHANGERS! EVERY BOOK WILL END ON ONE. THAT'S MY NATURAL WRITING STYLE. IF YOU DO NOT LIKE CLIFFHANGERS, WAIT UNTIL THE WHOLE SERIES IS PUBLISHED TO READ. THANKS FOR THE SUPPORT! X. Aratare writes gay paranormal romance with witches, vampires, magic, and mystery. Though some books may venture into dark territory, they will all have happy endings.

Ashes to Ashes (Detective Mark Heckenburg, Book 6)

The first in a trilogy about the last emperor of southern Mozambique by one of Africa's most important writers Southern Mozambique, 1894. Sergeant Germano de Melo is posted to the village of Nkokolani to oversee the Portuguese conquest of territory claimed by Ngungunyane, the last of the leaders of the state of Gaza, the second-largest empire led by an African. Ngungunyane has raised an army to resist colonial rule and with his warriors is slowly approaching the border village. Desperate for help, Germano enlists Imani, a fifteen-year-old girl, to act as his interpreter. She belongs to the VaChopi tribe, one of the few who dared side with the Portuguese. But while one of her brothers fights for the Crown of Portugal, the other has chosen the African emperor. Standing astride two kingdoms, Imani is drawn to Germano, just as he is drawn to her. But she knows that in a country haunted by violence, the only way out for a woman is to go unnoticed, as if made of shadows or ashes. Alternating between the voices of Imani and Germano, Mia Couto's *Woman of the Ashes* combines vivid folkloric prose with extensive historical research to give a spellbinding and unsettling account of war-torn Mozambique at the end of the nineteenth century.

Out of the Ashes

Stories of living behind a funeral home growing up and experiencing the in and out of that life.

Cinders & Ashes Book 1

Every so often a story makes headlines and captures the heart of those miles away. But what are to do when the distance is an issue but we feel the need to help? As authors and artists, we are able to do more to be helpful than what we think. As such we welcome the opportunity to create works of art to donate the proceeds to charities. For this one book although short we hope to help as many of the wildlife in Australia as possible. But to do so relays heavily on you, our dear readers. Your willingness to purchase this book helps those who need our help. Normally we work with those of a more human element but we need not forget those with fur and feathers. We Thank You

Woman of the Ashes

What would you do if you lost everyone you loved overnight? How do you keep living when everything in you is screaming out in pain? GRACE KINGSTON had it all. A passionate marriage, two gorgeous children and a career she loved until they were ripped from her life in a hit and run. Thrust into a life she didn't choose, she battles under the weight of her grief, and the conflicting desire to honour their memory. When she finds a handwritten bucket list in her son's bedroom, she sells everything she owns and takes off on a quest that transforms her. Conquering some of her greatest fears and insecurities, across three continents, Grace is faced with a decision. Does she keep living her life in survival mode, clinging to the memory of her husband and children, or does she release them from her tight grasp and build a new life without them? What will it take to claim a life, filled to the brim with the passion and joy she desires? This raw, breathtaking story delves into the darkest places of grief and reveals the beauty that rises out of the ashes. PRAISE FOR VANESSA EVETTS "Vanessa Evetts takes readers on a moving, hopeful, and deeply affecting journey into the world of life after tragedy. You will laugh, you will cry, and I guarantee that after it's over, you'll think about this book for days. A brilliant debut." REBECCA ADDISON, Author of Still Waters & The Ohana Tree "Ms Evetts writes with honesty, passion, and raw emotion, to create poignant stories of love, loss, and life. Phenomenal, empowering, and heartbreakingly real, these are books that will inspire and uplift women everywhere." HEIDI FARRELLY, Bestselling Author

Love In The Ashes

Just as Kirk faces the prospect of retirement, he goes on an adventure which offers the chance of recapturing his youth.

Rise from the Ashes

The crews of Jean-Luc Picard, Benjamin Sisko, Ezri Dax, and William Riker unite to prevent a cosmic-level apocalypse—only to find that some fates really are inevitable. THE FUTURE IS AT WAR WITH THE PAST. The epic Star Trek: Coda trilogy continues as friends become foes, the Temporal Apocalypse accelerates, and the catastrophe's true cause is revealed. ™, ®, & © 2021 CBS Studios, Inc. Out of the Ashes

In this powerful and culminating work about a group of inner-city children he has known for many years, Jonathan Kozol returns to the scene of his previous prize-winning books, and to the children he has vividly portrayed, to share with us their fascinating journeys and unexpected victories as they grow into adulthood. For nearly fifty years, Jonathan has pricked the conscience of his readers by laying bare the savage inequalities inflicted upon children for no reason but the accident of being born to poverty within a wealthy nation. But never has his intimate acquaintance with his subjects been more apparent, or more stirring, than in *Fire in the Ashes*, as Jonathan tells the stories of young men and women who have come of age in one of the most destitute communities of the United States. Some of them never do recover from the battering they undergo in their early years, but many more battle back with fierce and often jubilant determination to overcome the formidable obstacles they face. As we watch these glorious children grow into the fullness of a healthy and contributive maturity, they ignite a flame of hope, not only for themselves but also for our society.

The Ashes of Eden

Inspired by true historical events, *From the Ashes* is the unforgettable story of a tortured man, torn between his ideals, the iron fist of Stalinism and the woman he loves. Marlene has no love lost for the Soviet occupying forces, who turn out to be every bit as cruel as the Nazis were. Living in constant fear of the Russian soldiers, she works in a hospital to make ends meet, where she meets Werner, a cold-hearted career politician. Werner, a German émigré to Moscow, returns to his hometown with the highest hopes for a better future. Sent by the communist party to bring freedom, wealth and happiness to the people, he's soon caught in a moral conflict between loyalty to his party and his conscience. When Marlene criticizes the socialist German regime, she becomes the target of powerful men. Oblivious to the danger for her own life, she refused to back down, and there's only one thing Werner can do to save her life: defy the party line. But will he be able to shed decades of indoctrination for the woman he loves? And what will become of him if he does? Because those who speak up against the regime, usually find themselves on a train to Siberia or worse. World War II is over, but another battle has just begun... From the bestselling author of the 'War Girls Series' comes this nail-biting story about Berlin sliding into the Cold War.

Star Trek: Coda: Book 2: The Ashes of Tomorrow

THE FLOOR FELT HARD BENEATH HER FACE. NANCY OPENED HER EYES. BLINKED SEVERAL TIMES. A PAIN SEARED THROUGH HER HEAD. SHE COULD FEEL FLUID. NO. SHE WAS LYING IN FLUID. Nancy Faraday wakes up on the kitchen floor. The house has been broken into and her boyfriend is missing. Meanwhile, when a body is discovered in a burnt-out barn in the Warwickshire countryside, DI Will Jackman is called to investigate. As the case unravels, Jackman realises that nothing is quite as it appears - and everyone, it seems, has a secret. Can he discover the truth behind the body in the fire, and track down the killer, before Nancy becomes the next victim?
