OZO Masterclass 1: 360 Filmmaking Best Practices - OZO Masterclass 1: 360 Filmmaking Best Practices by Nokia 13,661 views Streamed 7 years ago 1 hour, 14 minutes - Join Upload and Nokia OZO for two Masterclasses that share an in-depth look at 360 **Filmmaking**, and Live Streaming in VR.

give you guys a little bit of background on the ozo master class

looking for three key factors in each location

create a physical framing within the space

incorporated lighting into our costume design

add a scar as part of the costume

figure out your digital production strategy in advance

set an exposure level

moving on to digital production or post-production

make an entire stereoscopic 360 without using the top cameras

create a stereoscopic effect

jack up the inter ocular distance

create those additional layers of depth

place mics around the set in key locations

adding some layer of interactivity

design a narrative in all directions
