A body of practical divinity, consisting of above one hundred seventy six sermons on the Lesser Catechism, composed by the reverend Assembly of Divines ... with a supplement of some sermons on several texts of Scripture. To which is added, The art of divine contentment ... The third edition, corrected and amended

DOES THE DESIRE TO KNOW GOD MORE INTIMATELY CONSUME YOUR ENTIRE LIFE AND MINISTRY? This profound compilation on the attributes and excellencies of who God is and what He is like will bring any true believer in Christ Jesus to his or her knees in adoration. In this classic work, Puritan Divine-Thomas Watson takes the theological discussion of the perfections of God and views them through the lens of devotion and worship. He encourages readers to discover the Amazing and breathtaking truths of God, including his Holiness, Justice, Mercy, Wisdom, Omnipresence, Eternity, Immutability, Omniscience and much more.

A Body of Practical Divinity

Thomas Watson's Body of Practical Divinity is one of the most precious of the peerless works of the Puritans; and those best acquainted with it, prize it most. Watson was one of the most concise, racy, illustrative, and suggestive of those eminent divines who made the Puritan age the Augustan period of evangelical literature. There is a happy union of sound doctrine, heart-searching experience and practical wisdom throughout all his works; and his Body of Divinity is, beyond all the rest, useful to the student and the minister. He explains the Doctrines of God, Divine Sovereignty, Salvation, Sin, and the Trinity with remarkable clarity. His thinking is sound and Scriptural. Puritan theology sets the diadem of our salvation on Christ, and Christ alone, and it is solely on the basis of his meritorious work that we are saved.

The question, "What is God?" takes for granted that there is a God. The belief of God's existence, is the foundation of all religious worship. "He who comes to God must believe that he is." There must be a first cause, which gives being to all things besides. In Body of Practical Divinity Thomas Watson addresses God and His Creation, The Fall, Death and the Last Day, and more. Thomas Watson was an English preacher and author who obtained great fame preaching until the Restoration when he was ejected as the vicar of St. Stephen's Walbrook for nonconformity. Watson continued to exercise his ministry privately and upon the Declaration of Indulgence in 1672 he obtained a license to preach at the great hall in Crosby House.

A Complete Body of Doctrinal and Practical Divinity; Or, a System of Evangelical Truths, Deduced from the Sacred Scriptures. A New Edition

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. The Age of Enlightenment profoundly enriched religious and philosophical understanding and continues to influence present-day thinking. Works collected here include masterpieces by David Hume, Immanuel Kant, and Jean-Jacques Rousseau, as well as religious sermons and moral debates on the issues of the day, such as the slave trade. The Age of Reason saw conflict between Protestantism and Catholicism transformed into one between faith and logic -- a debate that continues in the twenty-first century. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. See the reason why so many people are unsettled, ready to embrace every novel opinion, and dress themselves in as many religions as they do fashions it is because they are ungrounded. See how the apostle joins these two together, unlearned and unstable such as are unlearned in the main points of divinity, will be unstable. As the body cannot be strong that bath the sinews shrunk; so neither can that christian be strong in religion who wants the grounds of knowledge, which are the sinews to strengthen and stablish him.
