The Final Testament

James Frey isn't like other writers. He's been called a liar. A cheat. A con man. He's been called a saviour. A revolutionary. A genius. He's been sued by readers. Dropped by publishers because of his controversies. Berated by TV talk-show hosts and condemned by the media. He's been exiled from America, and driven into hiding. He's also a bestselling phenomenon. Published in 38 languages, and beloved by readers around the world. What scares people about Frey is that he plays with truth; that fine line between fact and fiction. Now he has written his greatest work, his most revolutionary, his most controversial. The Final Testament of the Holy Bible. What would you do if you discovered the Messiah were alive today? Living in New York. Sleeping with men. Impregnating young women. Euthanizing the dying, and healing the sick. Defying the government, and condemning the holy. What would you do if you met him? And he changed your life. Would you believe? Would you? The Final Testament of the Holy Bible . It will change you. Hurt you. Scare you. Make you think differently. Live differently. Enrage you. Offend you. Open your eyes to the world in which we live. We've waited 2,000 years for the Messiah to arrive. We've waited 2,000 years for this book to be written. He was here. The Final Testament of the Holy Bible is the story of his life.

The Final Testament of the Holy Bible

From the New York Times bestselling author of *A Million Little Pieces* and *Bright Shiny Morning* comes Katerina, James Frey's highly anticipated new novel set in 1992 Paris and contemporary Los Angeles. A kiss, a touch. A smile and a beating heart. Love and sex and dreams, art and drugs and the madness of youth. Betrayal and heartbreak, regret and pain, the melancholy of age. Katerina, the explosive new novel by America's most controversial writer, is a sweeping love story alternating between 1992 Paris and Los Angeles in 2018. At its center are a young writer and a young model on the verge of fame, both reckless, impulsive, addicted, and deeply in love. Twenty-five years later, the writer is rich, famous, and numb, and he wants to drive his car into a tree, when he receives an anonymous message that draws him back to the life, and possibly the love, he abandoned years prior. Written in the same percussive, propulsive, dazzling, breathtaking style as *A Million Little Pieces*, Katerina echoes and complements that most controversial of memoirs, and plays with the same issues of fiction and reality that created, nearly destroyed, and then recreated James Frey in the American imagination.

Katerina

'An absolute triumph of a novel' Guardian 'Compulsive' Independent Welcome to L.A. City of contradictions. It is home to movie stars and down-and-outs. Palm-lined beaches and gridlock. Shopping sprees and gun sprees. *Bright Shiny Morning* takes a wild ride through the ultimate metropolis, where glittering excess rubs shoulders with seedy depravity. Frey's trademark filmic snapshots zoom in on the parallel lives of diverse characters, bringing their egos and ideals, hopes and despairs, anxieties and absurdities vividly to life. Some suffer, like the otherworldly wino who tries to save a spoilt teenage runaway. Others gain, like the canny talent agent who turns sexual harassment to blackmailing advantage. Some are loaded, or grounded, and have luck on their side. Others, like the countless actresses-turned-hookers, or schoolboys-turned-gangsters, are doomed.

Bright Shiny Morning

While in rehab, James Frey finds a father figure in a shady mafia boss called Leonard. When Leonard returns to his dubious, prosperous life in the criminal underworld of Las Vegas, he promises James his support on the outside. Tragedy strikes the day James is released and his world seems set to implode. Unsure where to turn, he calls Leonard. Paradoxically, it is in Leonard's lawless underworld that James discovers the courage and humanity needed to rebuild his life.

My Friend Leonard

A NEW YORK TIMES BESTSELLER 'Inspirational and essential' Bret Easton Ellis, author of *American Psycho* 'Poignant and tragic' *The Spectator* 'Easily the most remarkable non-fiction book about drugs and drug taking since Hunter S Thompson's *Fear and Loathing in Las Vegas*' *Observer* James Frey wakes up on a plane, with no memory of the preceding two weeks. His face is cut and his body is covered with bruises. He has no wallet and no idea of his destination. He has abused alcohol and every drug he can lay his hands on for a decade - and he is aged only twenty-three. What happens next is one of the most powerful and extreme stories ever told. His family takes him to a rehabilitation centre. And James Frey starts his perilous journey back to the world of the drug and alcohol-free living. His lack of self-pity is unflinching and searing. *A Million Little Pieces* is a dazzling account of a life destroyed and a life reconstructed. It is also the introduction of a bold and talented literary voice.

A Million Little Pieces

A son of the manse, Mack has grown up in an austere and chilly house, dominated by a joyless father. Unable to believe in God, he is far more attracted by the forbidden allure of television and popular culture. Father and son clash traumatically one day and it may be guilt which drives Mack to take up a career in the Church. This minister, who doesn't believe in God, the Devil or an afterlife, one day discovers a stone standing in the middle of a wood where previously there had been none. Unsure what to make of this apparition, Mack's life begins to unravel dramatically until the moment when he is swept into a mountain stream, which pours down a chasm before disappearing underground. Miraculously

Mack emerges three days later, battered but alive. He seems to have lost his mind however, since he claims that while underground he met the Devil. Written with tight pacing, superlative storytelling and immense imaginative power, this is Robertson's most ambitious and accessible novel to date.

The Testament of Gideon Mack

The New York Times bestseller and international multimedia phenomenon! In each generation, for thousands of years, twelve Players have been ready. But they never thought Endgame would happen. Until now. Omaha, Nebraska. Sarah Alopay stands at her graduation ceremony—class valedictorian, star athlete, a full life on the horizon. But when a meteor strikes the school, she survives. Because she is the Cahokian Player. Endgame has begun. Juliaca, Peru. At the same moment, thousands of miles away, another meteor strikes. But Jago Tlaloc is safe. He has a secret, and his secret makes him brave. Strong. Certain. He is the Olmec Player. He's ready. Ready for Endgame. Across the globe, twelve meteors slam into Earth. Cities burn. But Sarah and Jago and the ten others Players know the truth. The meteors carry a message. The Players have been summoned to The Calling. And now they must fight one another in order to survive. All but one will fail. But that one will save the world. This is Endgame.

Wes Lang

THE END OF THE WORLD IS COMING. PLAY NOW. OR WE ALL LOSE. After centuries waiting in secret, twelve unbroken bloodlines, armed with hidden knowledge and lethal training, are called to take humanity's fate into their hands... The first book in a game-changing new series by bestselling author, James Frey.

Endgame: The Calling

A companion to the New York Times bestselling Endgame series, The Complete Zero Line Chronicles is a collection of prequel novellas that follows the Zero Line, an underground group of conspiracy theorists determined to put a stop to Endgame - and save the world.

The Calling (Endgame, Book 1)

The sequel to the New York Times bestseller and international multimedia phenomenon, Endgame: The Calling.

The Complete Zero Line Chronicles (Incite, Feed, Reap) (Endgame: The Zero Line Chronicles)

From the bestselling author of Snow Falling on Cedars, a dazzling, darkly funny, compulsively readable retelling of Sophocles's Oedipus Rex that takes us from the 1962 Seattle World's Fair to the twenty-first century headquarters of an Internet search giant. 'Superbly organised and sophisticated ... Excellently entertaining' Sunday Times 'A great story and a riveting read' Daily Mail In 1962, when Walter Cousins sleeps with his British au pair, Diane Burroughs, he can have no sense of the magnitude of his error: this brief affair sets in motion a tragedy of epic proportions, upending Sophocles's immortal tale of fate, free will, and forbidden desire. At the centre is Ed King, an infant given up for adoption who becomes one of the world's most powerful men. But beneath the gripping story of Ed's seemingly inexorable rise to fame and fortune is a dark and unsettling destiny, one that approaches with ever-increasing suspense as the novel reaches its shattering conclusion.

Sky Key (Endgame, Book 2)

The first story in a heart-stopping novella trilogy that follows a forbidden love that threatens Endgame in post-World War II Germany and takes place prior to the events in the New York Times bestseller, Endgame: The Calling.

Ed King

There is only one winner in boxing. Fighting against your opponent and fighting against your own inner demons become one in the same. Those who survive both in and out of the ring are beloved worldwide. Those who do not spiral downward into drugs, prison, and even murder. "[My] life's been pretty tragic," remarks Johnny. "But in the ring, it's been a blessing." Mi Vida Loca is not just a nickname for Johnny, but a legendary tale of a life lived over the edge and back.

Project Berlin (Endgame: The Fugitive Archives, Book 1)

All three thrilling volumes of Endgame: The Training Diaries, the prequel novellas to the New York Times bestselling Endgame series, together in one paperback bind-up! Before they were Players . . . Before the Calling . . . They trained to be selected as the one to save their ancient bloodline—and win Endgame. Follow the Twelve through sacrifices and betrayals, broken hearts and broken bones, as they shed their normal lives and transform into the Players they were meant to be. They must train, learn, prepare. To Play, survive, and solve. To kill or be killed. Endgame is real. Endgame is coming. And only one can win.

Mi Vida Loca

Holy Cow by David Duchovny is a comic delight that will thrill fans of Jasper Fforde and Ben Aaronovitch. And anyone who enjoys a witty wisecrack in a novel. Elsie Bovary is a cow and a pretty happy one at that. Until one night, Elsie sneaks out of the pasture and finds herself drawn to the farmhouse. Through the window, she sees the farmer's family gathered around a bright Box God - and what the Box God reveals about something called an 'industrial meat farm' shakes Elsie's understanding of her world to its core. The only solution? To escape to a better, safer world. And so a motley crew is formed: Elsie; Shalom, a grumpy pig who's recently converted to Judaism; and Tom, a suave turkey who can't fly, but can work an iPhone with his beak. Toting stolen passports and slapdash human disguises, they head for the airport ... Elsie is a wise-cracking, slyly witty narrator; Tom dispenses psychiatric advice in a fake German accent; and Shalom ends up unexpectedly uniting Israelis and Palestinians. David Duchovny's charismatic creatures point the way toward a mutual understanding and acceptance the world desperately needs.

Endgame: The Complete Training Diaries

What is the What is Dave Eggers's astonishing novel about one of the world's most brutal civil wars Valentino Achak Deng is just a boy when conflict separates him from his family and forces him to leave his small Sudanese village, joining thousands of other orphans on their long, long walk to Ethiopia, where they find safety - for a time. Along the way Valentino encounters enemy soldiers, liberation rebels and deadly militias, hyenas and lions, disease and starvation. But there are experiences ahead that will test his spirit in even greater ways than these . . . Truly epic in scope, and told with expansive humanity, deep compassion and unexpected humour, What is the What is an eye-opening account of life amid the madness of war and an unforgettable tale of tragedy and triumph. 'If there was ever any doubt that Dave Eggers is one of our most important storytellers, What Is the What should put it to rest... [A] strange, beautiful and unforgettable work' San Francisco Chronicle 'A remarkable book: harrowing, witty, wretched, delightful; and always compelling, always surprising' London Review of Books All of the author's proceeds from this book will go to the Valentino Achak Deng Foundation. Read more at: www.valentinoachakdeng.com.

Holy Cow

'Adam Levin's book is the real thing, I think. It appeals to the young readers who like formal invention and ambition... But there's also real substance there.' Dave Eggers This is the story of Gurion Maccabee, age ten: a lover, a fighter, a scholar, and a truly spectacular talker. Gurion has been expelled from three Jewish day-schools for acts of violence and messianic tendencies. He ends up in the Cage, a special lockdown program for the most hopeless cases at Aptakisic Junior High. But in just four days, from the moment he meets the beautiful Eliza June Watermark to the terrifying Events of November 17, Gurion's search for righteousness sparks a violent, unstoppable rebellion. Driven equally by moral fervour and teenage exuberance, The Instructions is hilarious, troubling, empathetic, monumental, breakneck, romantic and unforgettable. 'Evocative of David Foster Wallace... full of death-defying sentences, manic wit, exciting provocations and simple human warmth.' Rolling Stone 'This is a life-consuming novel, one that demands to be read feverishly. When it is over, other fiction feels insufficient, the newspaper seems irrelevant...' New York Observer 'A hysterical, heartfelt journey of self-discovery... A book that moves beyond completely transparent influences to reach its own distinct, new, great height.' Village Voice 'Manic, articulate, full of passions, courageous in its form and very funny.' George Saunders

What is the What

A former child gang member who followed her foster brothers into the Bloods at the age of eight reveals her participation in drug activities and violence before finding the strength within herself to graduate college and break free.

The Instructions

"Reality Hunger questions every assumption we ever made about art, the novel, journalism, poetry, film, TV, rap, stand-up, graffiti, sampling, plagiarism, writing and reading."--Back cover.

Love and Consequences

A companion to the New York Times bestselling Endgame series, *The Complete Fugitive Archives* is a collection of prequel novellas about a forbidden love that threatens Endgame in post-World War II Germany. It's 1948, and World War II has just ended. Berlin is in pieces, torn apart by bullets, bombs, and bloodshed. But a particular scientist has survived—one with vital knowledge of an ancient weapon. When Endgame spies learn of the news, Boone, a Cahokian, and Ariadne, a Minoan, are each sent undercover to find the scientist amid the snowy rubble. But when their paths intertwine, the last thing they expect is to let their guards down and work together. With the line between enemy and ally blurred, the success of their mission—and the fate of the world—may be at stake. Because this is Endgame. And only one of them can win. Originally published as three individual ebook novellas, the Fugitive Archives are now together in one print volume.

Reality Hunger

Is *The Book of Mormon* a Great American Novel? Avi Steinberg thinks so. In this quirky travelogue—part fan nonfiction, part personal quest—he follows the trail laid out in Joseph Smith's book. From Jerusalem to the ruined Mayan cities of Central America to upstate New York and, finally, to Jackson County, Missouri—the spot Smith identified as the site of the Garden of Eden—Steinberg traces *The Book's* unexpected path and grapples with Joseph Smith's demons—and his own. Literate and funny, personal and provocative, the genre-bending *The Lost Book of Mormon* boldly explores our deeply human impulse to write books, and affirms the abiding power of story.

Endgame: The Complete Fugitive Archives

This is the story no one should have to tell, about the nightmare no one wants to live, told by the parent no one wants to be. In May of 2005, Beth Holloway received the worst phone call a parent can imagine. Her beautiful daughter, Natalee, had disappeared without a trace in Aruba during her high school senior class trip. Two years later, for the first time, Beth Holloway steps forward in this astonishingly candid and inspirational memoir to tell of her harrowing ordeal and her never-ending belief in the power of faith that gave her hope against all odds. Natalee's senior class picture was splashed across the front pages of the country's newspapers and on television. Desperate for a clue as to her daughter's whereabouts, Beth and an army of faithful volunteers searched tirelessly for the missing eighteen-year-old. In their pursuit of Natalee, they encountered many roadblocks. As the horror stretched out, Beth stood on her foundation of faith, which at times was all she had to give her strength against a barrage of unbearable questions with no answers. Natalee's disappearance remains unsolved and her location unknown to this day. Beth's search continues.

The Lost Book of Mormon

Named One of the 100 Best Nonfiction Books Written by the New York Times Magazine, a Publishers Weekly Best Book of the Year, and a New York Times Editors' Choice. When John D'Agata helps his mother move to Las Vegas one summer, he begins to follow a story about the federal government's plan to store nuclear waste at Yucca Mountain; the result is a startling portrait that compels a reexamination of the future of human life.

Loving Natalee

In the mundane desperation of early-1990s southern Ontario, ten-year-old Soccer Beally kills his neighbor with a brick and vanishes without a trace. Over the following decades, his five enigmatic brothers and sisters--stoic, tormented and strangely resilient--scatter across Toronto and its bleak satellite

towns as they struggle to reconcile the brutality of everyday life with their fragmented experiences of unbearable and surreal beauty. With twenty-three intricately interwoven stories that piece together the complex ties binding the past to the present, Mark Jordan Manner's debut novel is a searingly honest, uniquely Canadian meditation on identity, memory, and the nature of violence.

About a Mountain

"An emerging field of study that explores the Hispanic minority in the United States, Latino Studies is enriched by an interdisciplinary perspective. Historians, sociologists, anthropologists, political scientists, demographers, linguists, as well as religion, ethnicity, and culture scholars, among others, bring a varied, multifaceted approach to the understanding of a people whose roots are all over the Americas and whose permanent home is north of the Rio Grande. Oxford Bibliographies in Latino Studies offers an authoritative, trustworthy, and up-to-date intellectual map to this ever-changing discipline."--Editorial page.

Most Perfect Things about People

A Wildly Funny and Shockingly True Compendium of the Bad Boys (and Girls) of Western Literature
Rock stars, rappers, and actors haven't always had a monopoly on misbehaving. There was a time when authors fought with both words and fists, a time when poets were the ones living fast and dying young. This witty, insightful, and wildly entertaining narrative profiles the literary greats who wrote generation-defining classics such as *The Great Gatsby* and *On the Road* while living and loving like hedonistic rock icons, who were as likely to go on epic benders as they were to hit the bestseller lists. *Literary Rogues* turns back the clock to consider these historical (and, in some cases, living) legends, including Edgar Allan Poe, Oscar Wilde, Zelda and F. Scott Fitzgerald, Ernest Hemingway, Dorothy Parker, Hunter S. Thompson, and Bret Easton Ellis. Brimming with fascinating research, *Literary Rogues* is part nostalgia, part literary analysis, and a wholly raucous celebration of brilliant writers and their occasionally troubled legacies.

Oxford Bibliographies

A New York Times Editor's Pick. Shortlisted for the Bookmark Festival Book of the Year and the McIlvanney Prize "I wasn't sure there could be a great pandemic novel. Here it is." Ian Rankin
My name is Haley Cooper Crowe and I am in lockdown in a remote location I can't tell you about. It's five years after the pandemic, and for most people life has returned to normal—but not for Haley Cooper Crowe and her brother Ben. Children of divorce, they live with their mother, but their dad believes there's a new, much deadlier virus spreading out of control, and that he can only save his kids by kidnapping them and hiding them in his remote prepper hideaway. Once confined to their off-grid "safe house", Haley and Ben are completely cut off from civilisation. Will they make it out alive? How can they save their mother? How can they discover what's happening on the outside? Propulsive, electrifying, tense, and often visceral and funny, *How to Survive Everything* is one teenage girl's guide to navigating the imminent collapse of her world, family and sanity.

Literary Rogues

From the Pulitzer Prize-winning author of 'The Hours', comes the story of a marriage thrown off course by a moment of mistaken identity.

How to Survive Everything

Greg Mortenson, the bestselling author of *Three Cups of Tea*, is a man who has built a global reputation as a selfless humanitarian and children's crusader, and he's been nominated for the Nobel Peace Prize. But, as bestselling author Jon Krakauer demonstrates in this extensively researched and penetrating book, he is not all that he appears to be. Based on wide-ranging interviews with former employees, board members, and others who have intimate knowledge of Mortenson and his charity, the Central Asia Institute, *Three Cups of Deceit* uncovers multiple layers of deception behind Mortenson's public image. Was his crusade really inspired by a desire to repay the kindness of villagers who nursed him back to health when he became lost on his descent down K2? Was he abducted and held for eight days by the Taliban? Has his charity built all of the schools that he has claimed? This book is a passionately argued plea for the truth, and a tragic tale of good intentions gone very wrong. 100% of Jon Krakauer's

proceeds from the sale of *Three Cups of Deceit* will be donated to the “Stop Girl Trafficking” project at the American Himalayan Foundation (www.himalayan-foundation.org/live/project/stopgirltrafficking).

By Nightfall

By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* | Longlisted for the Man Booker Prize Selected by Time as One of the Ten Best Books of the Year | A New York Times Notable Book | Named One of the Best Books of the Year by The Washington Post Book World, The Christian Science Monitor, Rocky Mountain News, and Kirkus Reviews | A Los Angeles Times Book Prize Finalist | Winner of the ALA Alex Award | Finalist for the Costa Novel Award From award-winning writer David Mitchell comes a sinewy, meditative novel of boyhood on the cusp of adulthood and the old on the cusp of the new. *Black Swan Green* tracks a single year in what is, for thirteen-year-old Jason Taylor, the sleepiest village in muddiest Worcestershire in a dying Cold War England, 1982. But the thirteen chapters, each a short story in its own right, create an exquisitely observed world that is anything but sleepy. A world of Kissingeresque realpolitik enacted in boys’ games on a frozen lake; of “nightcreeping” through the summer backyards of strangers; of the tabloid-fueled thrills of the Falklands War and its human toll; of the cruel, luscious Dawn Madden and her power-hungry boyfriend, Ross Wilcox; of a certain Madame Eva van Outryve de Crommelynck, an elderly bohemian emigré who is both more and less than she appears; of Jason’s search to replace his dead grandfather’s irreplaceable smashed watch before the crime is discovered; of first cigarettes, first kisses, first Duran Duran LPs, and first deaths; of Margaret Thatcher’s recession; of Gypsies camping in the woods and the hysteria they inspire; and, even closer to home, of a slow-motion divorce in four seasons. Pointed, funny, profound, left-field, elegiac, and painted with the stuff of life, *Black Swan Green* is David Mitchell’s subtlest and most effective achievement to date. Praise for *Black Swan Green* “[David Mitchell has created] one of the most endearing, smart, and funny young narrators ever to rise up from the pages of a novel. . . . The always fresh and brilliant writing will carry readers back to their own childhoods. . . . This enchanting novel makes us remember exactly what it was like.”—The Boston Globe “[David Mitchell is a] prodigiously daring and imaginative young writer. . . . As in the works of Thomas Pynchon and Herman Melville, one feels the roof of the narrative lifted off and oneself in thrall.”—Time

Three Cups of Deceit

This book presents a new history of the most important conflict in European affairs during the 1930s, the Spanish Civil War. It describes the complex origins of the conflict, the collapse of the Spanish Republic and the outbreak of the only mass worker revolution in the history of Western Europe. Stanley Payne explains the character of the Spanish revolution and the complex web of republican politics, while also examining the development of Franco’s counter-revolutionary dictatorship. Payne gives attention to the multiple meanings and interpretations of war and examines why the conflict provoked such strong reactions at the time, and long after. The book also explains the military history of the war and its place in the history of military development, the non-intervention policy of the democracies and the role of German, Italian and Soviet intervention, concluding with an analysis of the place of the war in European affairs, in the context of twentieth-century revolutionary civil wars.

Black Swan Green

The volume deals with interpretations of Paul, his person and his letters, in various early Christian writings. Some of those, written in the name of Paul, became part of the New Testament, others are included among „Ancient Christian Apocrypha“

Secrets of the Bible Seas

God takes a look at the Earth around the time of the Renaissance and everything looks pretty good – so he takes a holiday. In Heaven-time this is just a week’s fishing trip, but on Earth several hundred years go by. When God returns, he finds all hell has broken loose: world wars, holocausts, famine, capitalism and ‘fucking Christians everywhere’. There’s only one thing for it. They’re sending the kid back. JC, reborn, is a struggling musician in New York City, trying to teach the one true commandment: Be Nice! His best chance to win hearts and minds is to enter American Pop Star. But the number one show in America is the unholy creation of a record executive who’s more than a match for the Son of God ... Steven Stelfox.

The Spanish Civil War

The birth of Jesus has been well chronicled, as have his glorious teachings, acts, and divine sacrifice after his thirtieth birthday. But no one knows about the early life of the Son of God, the missing years - except Biff, the Messiah's best bud, who has been resurrected to tell the story in this divinely hilarious, yet heartfelt work 'reminiscent of Vonnegut and Douglas Adams' (Philadelphia Inquirer). Verily, the story Biff has to tell is a miraculous one, filled with remarkable journeys, magic, healings, kung fu, corpse reanimations, demons, and hot babes, Even the considerable wiles and devotion of the Saviour's pal may not be enough to divert Joshua from his tragic destiny. But there's no one who loves Josh more - except maybe 'Maggie,' Mary of Magdala - and Biff isn't about to let his extraordinary pal suffer and ascend without a fight.

Receptions of Paul in Early Christianity

The Book of Jubilees, an ancient text which details the history of the division of the Laws of Moses, is presented here complete. The text discusses the laws revealed to Moses and treats his character as a second creator of the world. Each chapter covers a range of history spanning 49 years, with Moses life story and other principal events told over a course of 2,410 years. Perhaps most importantly from a theological perspective, the book discusses the angels and how these entities formed a vital component of the Earth's creation. Enoch was taught by fallen angels; through them, he discovered writing and history. We also hear that early man was formed from a mating of Earthly humans and fallen angels, but that these hybrids were killed during the Great Flood. The status of the Book of Jubilees was not properly ascertained until the 20th century, with the famous discovery of the Dead Sea Scrolls. Prior to this, the only manuscripts of Jubilees that were available date to the 15th/16th centuries in what is today Ethiopia, which left scholars unsure of its true origins. Modern scholars agree that the text dates to approximately 150 BC. Today, the text is mostly held as canonical in Ethiopia, while the Protestant and Catholic churches consider the work pseudepigrapha. Robert Henry Charles, the translator of this edition, was an Irish theologian and scholar who translated a range of Old Testament apocrypha and pseudepigrapha. Highly respected, he contributed entries pertaining to his field to the Encyclopedia Britannica, and spent his later years as the archdeacon of Westminster, London.

The Second Coming

First publication of the third book in Cornelia Funke's internationally bestselling Mirrorworld series
