Opossums

"Simple text and photographs present opossums, how they look, where they live, and what they do"--Provided by publisher.

Opossums

"Developed by literacy experts for students in kindergarten through grade three, this book introduces opossums to young readers through leveled text and related photos"--Provided by publisher.

Opossums

Famous for their unlucky penchant to become road kill, opossums are actually smart and adaptable. Opossums are known to walk along roads looking for dead animals. Unfortunately for them, one of their main defenses against predators works against them in this situation. When threatened, opossums play dead, which means they often get hit by cars. Full of details, scientific data, and gross facts about the opossum's diet, this title will make readers see the scavenger in a new light.

Opossums

Did you know that an opossum mother carries her babies in a pouch? The pouch is part of the mother's belly. Find out more in *Opossums*, a Little Backyard Animals book.

Opossums

Opossums are the only marsupials found in North America, and they love to frequent forests. This book will bring readers up close and personal with this forest scavenger, focusing on opossum diet, range, anatomy, and life cycle. Full-color photographs and fascinating facts will give readers a glimpse into the life of an opossum and provide a well-rounded reading experience.

Opossums

Describes the habitat, physical characteristics, and habits of the opossum.

The Opossum

Simple text and full-color photos explain the habitat, life cycle, range, and behavior of opossums.

Opossums

What has two opposable toes and is the only marsupial crawling through the forests and backyards of North America? It's the opossum! These animals are often referred to as nature's garbage disposal, so don't be surprised to find one munching from the dog's dish or gulping down last week's leftovers in the trash. Young readers will devour this fact-packed title about these creatures of the night.

Opossums

This book introduces readers to the cutest little neighborhood trash collector. The opossum's special life cycle, diet, and habit are explored in clear, easy-to-read text with bright photos and infographics. QR Codes in the books give readers access to book-specific resources to further their learning. Aligned to Common Core Standards and correlated to state standards. Cody Koala is an imprint of Pop!, a division of ABDO.

The Six Little Possums at Home

In *Opossums*, beginning readers follow an opossum as it hunts for food, defends itself against a predator, and raises its young. Vibrant, full-color photos and carefully leveled text engage young readers as they learn all about this nocturnal animal. A labeled diagram helps readers identify an opossum's body parts, while a picture glossary reinforces new vocabulary. Children can learn more about opossums online using our safe search engine that provides relevant, age-appropriate websites. *Opossums* also features reading tips for teachers and parents, a table of contents, and an index. *Opossums* is part of Jump!'s My First Animal Library series.

Opossums

Boing! A mother kangaroo jumps. Her baby sits in her pouch. Through delightfully simple text and bright, close-up photos, beginning readers will discover why pouches make good homes for growing marsupials such as opossums, wombats, and other animals. All Little Pebble books have an Accelerated Reader ATOS level of 1.0 or below."

Opossums

Explores the behavior of common backyard nocturnal animals.

Baby Animals in Pouches

When a goose crashes onto their roof, the lives of Oswald, a fame-seeking opossum, and his best human friend, shy, ten-year-old Joey, are turned upside down. Oswald's persistent attempts at fame alienate all his friends, human and animal, so he tries to atone with a big party. But plans go awry when another animal falls into a pot of vegetarian chili, and Joey's mother, Ann, is mistakenly arrested for animal cruelty. For once, Oswald thinks of someone other than himself. He enlists three raucous

raccoons and a sarcastic cat to make a video to prove Ann's innocence. With Joey's help, it goes viral. All charges against Ann are dropped, Joey finds his feet with new friends, and Oswald gets an offer from Hollywood. But will fame make the opossum happy, after all?

Opossums

Mama Opossum awakens to count her 10 sleeping babies - but wait! Eleven? That can't be right! A baby mouse has snuggled in with the joeys. She must be lost. Young readers are invited to join the Opossum Family in their quest to find Baby Mouse's family by comparing her features to the animals they meet. Does Baby Mouse have long ears like rabbits? Strong claws like moles? A flickering tongue like a snake? Each page is a new adventure as families and classes can discuss similarities and differences between the different animals they see. Children can also seek and find a different tiny hidden creature on each page: beetles, ladybugs, snails, fish, etc. Opossums to the Rescue stands on its own, but is also the sequel to Mama Opossum's Misadventures, where Mama finds her missing babies with different nocturnal animals in the forest. In the end, when all of her babies are safely back home, she wakes up the next evening to discover Baby Mouse has joined her family. Opossums to the Rescue is also available in French: Les opossums à la rescousse. Opossum Opposites is the first book in the Awesome Opossum Stories series and is a book of nonfiction, all about the lives and habits of opossums. Opossum Opposites is available in English, French and Spanish.

Oswald, the Almost Famous Opossum

Pictures and text give information on the United States' only marsupial.

Opossums to the Rescue

Presents an introduction to the physical characteristics and habits of opossum.

Opossums

Percy The Possum is a wonderful tale of a gentle marsupial in the wild. This story is written to enlighten children on the ways of the fun and carefree lifestyle of a possum.

Opossum

"We are AWESOME POSSUMS" Author Juliette Douglas and illustrator Steven Barton have joined talents with this new children's book *Awesome Possums*. Bright, colorful illustrations combined with unique storytelling make this a tremendous book for the beginner reader. Adults will enjoy it, too. Perfect for any grandparent to have on their bookshelves. This book is written for naturalists, teachers, parents, grandparents and children in hopes of teaching and learning fun facts about North America's only marsupial! This is Jake and Jasper's story. ----- Award-winning western author Juliette Douglas has penned her first children's story as told by the two possums she raised. She hopes everyone will enjoy this whimsical tale that is an informative and fun read learning more about our Awesome Possums! ----- Steven Barton, also known as CrescentDebris, is a talented artist of many styles across various media. He adds one more to his resume with these adorable little creatures, marking his first time working on a children's book! You may further check out Steven's work here: crescentdebris.com

Percy the Possum

Discusses the habitats, physical characteristics, and habits of the opossum.

Awesome Possums

There's a possum in the house and he's hiding in the pantry. How much havoc can one possum create in a house?

Mama Opossum's Misadventures

Stuart James and Little C in a collection of illustrated short stories about two clever and charming Opossums.

Opossums

Opossum and her babies encounter danger as they search for food at night.

Possum in the House

Opossums fool predators by pretending to be dead. If an enemy really needs convincing, the opossum will even blow bubbles of drool out of its nose or squirt a smelly green liquid from its rear! What animal would want to eat something so gross? These are just some of the fascinating facts kids will discover as they explore the world of these tricky creatures. Large, eye-popping photos and clear, grade-appropriate text engage emergent readers as they learn all about the unique and gross ways opossums protect themselves. A section in the back of the book profiles another animal that protects itself in a similar way, to help reinforce the concept of defense mechanisms.

Possum Stu

"Describes the life of opossums including their habits, diet, and behavior"--

Opossum at Sycamore Road

Describes the life cycle of the opossum.

Tricky Opossums

A cumulative tale in verse about a mysterious stranger that interrupts a family's daily routine.

Opossums After Dark

When the sun goes down, nature comes to life. With big colorful photos and maps, this set gives young learners a glimpse into the world of nighttime creatures. Simple text explains habitat, life cycle, range, and behavior.

Opossum

Illustrated full color children's book of a traditional Choctaw story.

Opossums

This emerging reader title looks at opossums and the very clever way they trick potential predators. The title also covers where these animals can be found, what they look like, and what they like to eat. This series is at a Level 2 and is written specifically for emerging readers. Aligned to the Common Core standards & correlated to state standards. Dash! is an imprint of Abdo Zoom, a division of ABDO.

Possum Come A-knockin'

Habitat and habits of bison and opossums.

Opossums

Learn how opossums live from birth to death.

Nocturnal Animals

This educational opossum books for kids presents facts along with full color photographs and carefully chosen words to teach children about the Opossum. Packed with facts about the opossum, your children or grandchildren will enjoy learning from start to finish while they read this book. This opossum kids book was a pleasure to write, and knowing that children learn from it made it all worthwhile! If you want to learn about the opossum, you will enjoy this book. Learn many interesting facts and see some beautiful photographs of these opossums. The gorgeous photographs will keep your child engaged from beginning to end. Included in the paperback version are some coloring pages for your child! Note: This book is suitable for children 5 years or age and older, although younger children will enjoy it if you share it with them. Grab your copy NOW by clicking the buy button at the top right of the page.

Why the 'Possum Has No Hair on His Tail

The tiny baby possum could have ended up as a vulture's meal after his mother was hit by a car on a busy highway, but in stepped a vet tech who rescued the little guy. No one could have guessed the unique relationship that developed and how the little possum came to be loved by thousands of people. Along the way, he has helped others learn how special possums really are. His story is one to be cherished and his sweet pictures enjoyed by all ages.

Opossums

A basic introduction to opossums, including their habitat, diet, and physical features.

The Prince, His Princess and the Talking Mirror

...and the elders in diaspora sat in court. The nation in strange lands gathered. "An elder cannot be in the house while the she goat delivers its young with a rope around her neck... Something must be done" Something had to be done...in this epic story...however the secret lay in a seed that will grow and yield its fruit in the hands of the prince and his princess. Will the talking mirror yield this secret to the elders in diaspora? Only time will tell.

Princess Mirror-Belle and Snow White

From Julia Donaldson, the bestselling author of The Gruffalo, comes Princess Mirror-Belle and Snow White, the exciting adventures of a princess with a difference. Full of black-and-white illustrations by Lydia Monks, Princess Mirror-Belle and Snow White is perfect for fans of this bestselling picture book team and who are beginning to read on their own. Ellen gets a big shock when her double appears

out of the bathroom mirror. But Mirror-Belle is a double with a difference! She is a princess, and a very mischievous one at that. In this story Mirror-Belle comes popping out of Ellen's mirror to help out with the local pantomime, taking the story off script in a hilarious way. Princess Mirror-Belle and Snow White is an engaging short story by Julia Donaldson and is illustrated by Lydia Monks. It is part of a handful of selected short reads specially produced for World Book Day.

Princess Mirror-Belle and Prince Precious Paws

Ellen gets a big shock when her double appears out of the bathroom mirror. But Mirror-Belle is a double with a difference! She is a princess, and a very mischievous one at that. Join magically mischievous Mirror-Belle as she comes popping out of Ellen's mirror to sweep her into a variety of hilarious escapades - from causing mischief with their furry friends to having fun at Halloween and taking the princess test. You can always guarantee that wherever Mirror-Belle goes, trouble will follow. From the much-loved author of *The Gruffalo*, Julia Donaldson, and illustrated by Lydia Monks - perfect for newly independent readers.

The Magic Mirror and the Seventh Dwarf

Book two in *Accidental Enchantments*. Prince Richard is cursed. Enslaved to a magic mirror, he must truthfully answer the evil queen when she uses it to call on him. To keep from betraying innocents, Richard wanders the countryside and avoids people. All her life, Gretchen has been teased for being small. When she hears of a hidden farm populated by little people like her, she sets out to find it—and is welcomed by the mostly male inhabitants. Lars in particular woos her with his gentle kindness and quiet strength. Danger looms when Gretchen meets a runaway princess and offers her shelter at the Little Farm. Wandering nearby, Richard instantly falls in love with the beautiful princess, and is later compelled to tell the queen that she is not the fairest of them all. Enraged, the queen vows to find them and destroy them. If either Gretchen or Richard are to have their happy endings, they must team up to break the mirror's spell before the queen kills them all... For another fairy tale retelling from Tia Nevitt, check out *The Sevenfold Spell*, available now! 43,000 words

Mirror, Mirror

Mirror, Mirror: A Twisted Tale poses the question, what if the Evil Queen poisoned the prince? Following her beloved mother's death, the kingdom falls into the hands of Snow White's stepmother, commonly referred to as "the Evil Queen" by those she rules. Snow keeps her head down at the castle, hoping to make the best of her situation. But when new information about her parents resurfaces and a plot to kill her goes haywire, everything changes for Snow. With the help of a group of wary dwarfs, a kind prince she thought she'd never see again, and a mysterious stranger from her past, Snow embarks on a quest to stop the Evil Queen and take back her kingdom. But can she stop an enemy who knows her every move and will stop at nothing to retain her power... including going after the ones Snow loves?

Princess Mirror-Belle and the Flying Horse

From Julia Donaldson, the bestselling author of *The Gruffalo*, comes *Princess Mirror-Belle and The Flying Horse*, the exciting adventures of a mischievous princess. Full of black-and-white illustrations by Lydia Monks, *Princess Mirror-Belle* is perfect for fans of this bestselling picture book team who are beginning to read on their own. Ellen's life is turned upside down by the hilarious Mirror-Belle, a spirited princess who claims to be from somewhere mysterious and far away. She appears out of mirrors to tell Ellen magical stories and take her on exciting escapades. From exploring a hospital after Ellen falls off her bike to chasing after Mirror-Belle's magic ball, going to the seaside and joining the unusual pets club, you can always guarantee that wherever Mirror-Belle goes, trouble will follow. This book contains the following stories: 1. *Princess Mirror-Belle and the Flying Horse* - *The Flying Horse* 2. *Princess Mirror-Belle and the Sea Monster's Cave* - *The Sea Monster's Cave* - *The Unusual Pets Club*

Eight Princesses and a Magic Mirror

What makes a princess excellent? Eager to learn the answer, an enchantress casts her magic mirror into our universe. Reflected in it are princesses from around the world and across centuries who refuse

to be pretty, polite, and obedient. Princess Leila of the desert protects her people from the king with the black-and-gold banner; Princess Tica takes a crocodile for a pet; Princess Ellen explores the high seas; Princess Abayome puts empathy and kindness above royal beauty; and in an apartment building, a girl named Princess saves her community's beloved garden from the hands of urban developers. These girls are fierce, brave, and determined to do the rescuing themselves. Connecting their stories is the magic mirror, which reveals itself when each girl needs it most, illuminating how a princess's power comes not from her title or looks, but from her own inner strength. These beautifully imagined stories, complemented by vibrant and inviting artwork, are by turns charming and bold, familiar and surprising.

Once Upon a Frog (Whatever After #8)

My brother, Jonah, and I just want to TALK to the magic mirror -- we're not planning on traveling into any fairytales today. Promise. Except we do wind up going through the mirror, this time into the story of The Frog Prince. The princess, who's supposed to transform the cute little frog back into a handsome prince, turns out to be super rude. Jonah and I decide we don't want -- or need -- her help. We can take matters into our own hands and turn the frog into a prince ourselves! Can't we? Now we just have to: - Climb out of a smelly well - Canoe over a waterfall - Sneak into a palace - Kiss a frog (ack)! And there's no time to waste -- let's hop to it!

Princess Mirror-Belle and the Magic Shoes

From Julia Donaldson, the bestselling author of *The Gruffalo*, comes *Princess Mirror-Belle and the Magic Shoes*, the exciting adventures of a mischievous princess. Full of black-and-white illustrations by Lydia Monks, *Princess Mirror-Belle and The Magic Shoes* is perfect for fans of this bestselling picture book team who are beginning to read on their own. *Princess Mirror-Belle and The Magic Shoes* contains five delightful stories that children will come back to again and again. Ellen's life is turned upside down by the hilarious *Mirror-Belle*, a spirited princess who claims to be from somewhere mysterious and far away. She appears out of mirrors to tell Ellen magical stories and take her on exciting escapades. From going to ballet class to staying at Ellen's grandparents' house, causing mischief with their furry friends, having fun at Halloween and taking the princess test, you can always guarantee that wherever *Mirror-Belle* goes, trouble will follow. This book contains the following stories: - *The Magic Shoes* - *The Golden Goose* - *Prince Precious Paws* - *Which Witch?* - *The Princess Test*

But can she stop an enemy who knows her every move and will stop at nothing to retain her power...including going after the ones Snow loves?

Mirror, Mirror

This reader explores the nature of interactions between children and their teachers in the classroom. It emphasises the importance of such relationships for children's learning and for educational practice. Part 1 looks at different cultural conceptions of the teacher-learner relationship, and how this relates to schooling, cognitive development and the acquisition of knowledge. Part 2 takes a closer look at the role of language and dialogue in interactions between adults and children in classrooms. Part 3 describes research by developmental psychologists on peer interaction and collaborative learning, and discusses how it has advanced our understanding of how children learn from each other. Part 4 considers the implications of classroom-based collaborative learning initiatives and the potential for creating 'communities of enquiry' which change how we think about knowledge acquisition.

Mirror for Princes

Real life and fairy tales collide in Never After: The Broken Mirror, book three of the funny and thrilling middle-grade saga perfect for fans of The Land of Stories series from the #1 New York Times bestselling

creator of the Descendants, Melissa de la Cruz. The Never After crew is back for another twisted adventure. This time, they're off to Snow Country—that is, after they rescue the beleaguered Lord Sharif of Nottingham from the evil Robin Hood, who has been plaguing the land with his thievery and mischief. But Robin's antics aren't the only dangers afoot in the Kingdom of Never After. At the behest of her daughter, the evil Cinderella, Queen Olga has turned Prince Charming into a Frog after his wedding to the beautiful Hortense. And how could we forget the ominous Prophecy, which still looms large over Filomena and her friends? Along with Jack, Alistair, Gretel, Beatrice, Byron Bessley, and some new Snow Country pals like Rose Red and a chatty magic mirror, Filomena sets off to find the only ones who can save the kingdom once and for all: The League of the Seven – a group of fearless warriors devoted to fighting the ogres at any cost. Still, new threats lurk around every corner, both in Never After and back home in North Pasadena . . . Even with the League of the Seven's help, can Filomena and her friends rescue the land from Olga's clutches? Or will the ogres finally prevail?

Learning Relationships in the Classroom

Secrets Of The Shaman is a follow-up book to The Shaman Warrior, in which the author, Gini Graham Scott, a sociologist/anthropologist, describes her experiences in studying personally with Michael Fairwell, the shaman teacher she first met at a magical encampment. After she joined his group and studied with them in Northern California, as described in The Shaman Warrior, she met with Michael Fairwell and some of his students for advanced training in the L.A. area. The book describes how she participated in a variety of exercises and lessons, from working with altered states of consciousness and raising and manipulating subtle energies to working with intention and creating gateways into other dimensions.

Never After: The Broken Mirror

Are you tired of only hearing one side of the story? Do you want to understand the big picture in your relationships? Drawn from observations, research, and life experiences, A Talk with Women, A Hint to Men tells the inside story on different situations that could happen in any person's relationships. A Talk with Women, A Hint to Men takes you from high school and out into the world, where most people experience a plethora of emotions, love, and uncertainty. Take the time to reflect on some of your low points in life as you read about similar experiences, and learn to see how each one has transformed into journeys of self-discovery. The fictional accounts described will show you that the brutal lessons in life give you the strength to overcome any situation. The stories may be fictional, but the emotions and lessons learned will sound all too familiar. Life throws curveballs at your relationships, but you can learn to weather the storms. A Talk with Women, A Hint to Men can teach you how.

Secrets Of The Shaman

With a balance of fiction and non-fiction text types and genres, Bookwise is carefully graded and organised into five cross-curricular strands, encouraging links to other subjects. The full-colour readers are accompanied by Teacher's Guides and Resource Sheets to help you get the most out of your Guided Reading and Writing sessions.

A Talk with Women, a Hint to Men

From the bestselling author of The Gruffalo, Julia Donaldson, comes Princess Mirror-Belle, the exciting adventures of a princess with a difference. Full of black and white illustrations by Lydia Monks, Princess Mirror-Belle is perfect for fans of this bestselling picture book team who are beginning to read on their own. Ellen gets a big shock when her double appears out of the bathroom mirror. But Mirror-Belle is a double with a difference! She is a princess, and a very mischievous one at that. Join magically mischievous Mirror-Belle as she comes popping out of Ellen's mirror to sweep her into a variety of hilarious escapades - from Mirror Belle muscling in on Ellen's seaside holiday to the return of Prince Precious Paws. You can always guarantee that wherever Mirror-Belle goes, trouble will follow.

Bookwise

Originally published in 1993, the study of cognitive development in children had moved from a focus on the intellectual processes of the individual studied in relative isolation, as in the classic work of Piaget, to a concern in the 1970s and 1980s with social cognition characterized by Vygotsky's views. In the years following, the trend toward an understanding of the situated nature of cognition had evolved even

further and the extent to which thinking and knowing are inextricably linked to contextual constraints was at last being defined. Experts of international repute, the authors of this important book examine the recent literature on situated cognition in children. They explain contextual sensitivity in relation to ecological theories of cognition, and contrast intuitive reasoning in mathematical and other scientific domains with the failure of such reasoning in formal school contexts. Centrally concerned with the question of generalizability and transfer of knowledge from one situation to another, the contributors point to practical implications for understanding how intellectual competence can be made to generalize between "informal" and "formal" situations.

Princess Mirror-Belle and the Sea Monster's Cave

Why devote a Companion to the "mirrors for princes\

Context and Cognition

Sheltered girl, Alice, is enjoying her first time living alone. Living next door is Ray and his twin brother, Cyrus. Cyrus is the CEO of a company that's pretty famous. Despite being close to both Ray and Cyrus, Alice is always worried about Ray, whom she'd always keep by her side. Read this pure romance that swings between twins!

A Critical Companion to the 'Mirrors for Princes' Literature

Mr. Hope's new romance pictures the life of a prince and king under conditions modern, and yet shared by representatives of royalty almost throughout history. The interactions of the people and royalty, the aspirations of the prince, the intrigues surrounding him, the cares of state, and the craving for love, are some of the motives developed, with the accompaniments of incident and adventure, wherein the author proves his mastery of suspended interest and dramatic effect. It is a romance which will not only absorb the attention of readers, but impress them with a new admiration for the author's power.

The Mirror Princes and the Princess in Love

From the time she was a crippled baby, left in a church, Maggie's life has never been easy but when she glimpses her destiny in a magic mirror, she goes off on a quest to find her father and, along the way, finds happiness, as well.

The King's Mirror

Ellen gets a big shock when her double appears out of the bathroom mirror. But Mirror-Belle is a double with a difference. She is a princess, and a very mischievous one at that. In these stories, Mirror Belle muscles in on Ellen's seaside holiday and in the second story, Prince Precious Paws returns. You can always guarantee that wherever Mirror-Belle goes, trouble will follow.

The Magic Mirror

"Brilliant." —Kirkus Reviews, starred review What if princesses didn't always marry Prince Charming and live happily ever after? In this stunning anthology—elegantly presented in a red, clothbound hard cover with gold-toned metallic debossing—15 favorite fairytales have been retold for a new generation. These princesses are smart, funny, and kind, and can do anything they set their minds to. Focused on issues including self-image, confidence, LGBTQ, friendship, advocacy, and disability, these stories are perfect for sharing between parents and children, or for older princesses or princes to read by themselves. They teach that a princess is a person who seeks to help others, is open to learning new things, and looks for ways to add purpose to their lives and the lives of those around them. Get reacquainted with these powerful princesses: Snow White—champion of real beauty Sleeping Beauty—specialist on sleeping disorders Thumbelina—music producer and advocate Rapunzel—world-famous architect Belle the Brave—undercover agent Elisabeth and the Wild Swans—fashion designer Cinderella—prime minister and businesswoman Star and the 12 Dancers—dancer The Goose Girl—stand-up comedian Princess Sevinah (and the Pea)—founder of the Fairyland Dating Service The Snow Queen—winter sports coach The Little Mermaid—advocate for peace between mer-people and humans Zade—story-teller (of 1001 tales) and businesswoman Evangeline (The Frog Princess)—natural historian Little Red Riding Hood—environmentalist and Princess of the Wolves Power to the princess!

Princess Mirror-Belle and the Sea Monster's Cave

The Robber with the Witch's Head presents almost fifty new stories about demons and clever maidens and princes. Bursting with life, this is a storyteller's dream, full of adventure and magic, translated by Jack Zipes.

Power to the Princess

Little Cinderella Is More Than A Princess is an enthralling tale of a little girl named Cinderella, who through the magical power of love captures everyone's hearts including the little animals in her attic and communicates with those animals powered by her strong belief. In this story, Cinderella realizes she is more than a Princess and does not need a Fairy Godmother to transform her into a beautiful girl in a pretty fine gown, or a Prince to save her life and give it a happy ending. Her Fairy Godmother helps her realize that to be happy she just needed to be herself. She found immense joy in everything she did, be it playing or doing chores at home. Let's take a fairytale ride with Little Cinderella and help our little ones unravel the secret hidden inside each one of them - The Magical Secret of their Uniqueness.

The Robber with a Witch's Head

Of the many attempts to discover Jack the Ripper's identity, few omit the name of James Kenneth Stephen, tutor to Queen Victoria's eldest grandson, fondly known as Prince Eddy. While Stephen superficially fit the profile investigators established, was he really capable of the demented violence perpetrated by England's most famous serial killer? This volume takes an in-depth look at the life and experiences of James Kenneth Stephen, examining the relevant evidence and attempting to determine whether or not Stephen could actually have been involved in the Ripper murders. Delving into what little is known of Stephen's early years, the work discusses his relationship with his mother and his family's struggle with a hereditary mental illness. It follows him through his formative years at Eton, which he considered his true home and where he was introduced to the Greek notion of homosexuality. The work's primary focus is Stephen's relationship with Prince Eddy, who also became a suspect in the infamous London murders. The way in which Stephen's life intertwined with those of Prince Eddy and Montague Druitt, another Ripper suspect, is examined in detail. Other incidents of the fateful fall of 1888 and Stephen's final surrender to mental illness are also discussed. Appendices contain Stephen's poetry and details regarding his family ancestry.

Little Cinderella Is More Than A Princess

When author Peddar Panga was young, his parents and grandparents shared animal stories with him. Sometimes funny, sometimes sad, these entertaining fables always came with lessons illustrating the universal truths of life. Tales of the Mirrors gathers fifty such tales, rewritten with a modern audience in mind. Discover the dangers of living solely for your career in "The Royal Hyena Guard," where a hyena becomes so concerned with defending his pack's territory that he hurts those closest to him. Meet a raccoon carpenter on a campaign to cure work accidents-and a charismatic crab who fools a colony of ants. Similar in tone to Aesop's fables and the stories of Jean de La Fontaine, Panga's stories explore personal discipline, security, the pursuit of happiness, mastery of fear, and healing. Most of all, they celebrate the enduring power of love. Let Panga's tales sweep you away to a world where animals talk, feel, and act like humans. In doing so, they mirror the best and worst in ourselves, offering a chance to learn more about who we are and how we should act.

The Prince, His Tutor and the Ripper

Everyone has heard the story -- the dwarves, the talking mirror, the evil witch. But this tale doesn't belong to Snow White anymore.... Bert and Will, the twin sons of the baron of Ambercrest, are best friends. They do everything together and can't help it if trouble just seems to...find them. But the baron is fed up and has decided that separation will keep them out of mischief. One twin, he proclaims, will stay in Ambercrest for the summer, while the other will be sent to The Craggs -- a foreboding, rocky outpost on the edge of the kingdom. It is there, hidden in a forbidden black chamber, that one of the boys discovers a bejeweled and mysterious mirror. What is the precious object? And why does it make him feel so...powerful? Soon the twins' kinship is replaced by dark magic and deceit, and a kingdom hangs dangerously in the balance. What becomes of one who is ruled by the forces of evil? And can brotherly love conquer a consuming quest for power?

Tales of the Mirrors

In the mountains of Aeonian, Bri works as a servant in her own home to fulfill her father's dying wish: guard the mirrors. In the castle, Prince Henry struggles with his royal duties and longs to return to his old life as a goat herder.

The Mirror's Tale

The princess has dropped her most precious toy into the well, and a talking frog (who insists she kindly call him Ethan) has offered to retrieve it — if she grants him his heart's desire! Will he ask to eat at the royal table with her, or does he simply want a friend? Will these two embark on new adventures together, or will she scream and run away? It's all up to you in this, the second book in the What Happens Next? Fairy Tales series! Welcome to What Happens Next? Books! Here kids get to decide where they'd like to see the story go next. Now instead of just one story, children have all kinds of possibilities to choose from. Choose differently and discover a new ending! A new take on a classic What happens when you take The Grimm Brother's classic tale "The Frog Prince" and let kids decide what happens next? You just might find a whole lot of silliness! A frog drummer, a prince with a little extra hop in his step, a frog that loves bubble baths, and much more fun awaits! With over 50 different story combinations, Frog Kisses is a fun tale to read again and again! Fun for all ages This is a great book to read with a younger child (4-6), and fun for 7 to 12-year-olds to read on their own. Enjoy anytime, including right before bed. Parents are sure to enjoy the silly stories as much as kids! Bonus Material • Story Checklist to see what storylines you might have missed! • What's Original? Guide to the Grimm Brothers' original tale • Discussion Questions & Activities Guide More What Happens Next? Fairy Tales Love books where you choose the storyline? Be sure to also check out the first book in this series, The Princess & the Pepperoni Pizza, based on Hans Christian Andersen's "The Princess and the Pea".

The Emperor's New Clothes

"A Moment's Madness" is a romantic historical novel by one of the most prolific British writers Marjorie Bowen. The author was most famous for historical romances, supernatural horror stories, popular history, and biography. Her total output numbers over 150 volumes, with the bulk of her work under the 'Bowen' pseudonym.

Princess of Mirrors

In this brilliant jewel of a book, the best-selling author of Tao Te Ching: A New English Version expands and deepens the classic fairy tale in the most surprising and delightful ways, giving new emphasis to its message of the transcendent power of love. The Frog Prince tells the story of a meditative frog's love for a rebellious princess, how she came to love him in spite of herself, and how her refusal to compromise helped him become who he truly was. This is a magical book that moves (amphibiously) from story to meditation and back, from the outrageous to the philosophical to the silly to the sublime. Profound, touching, written in prose as lively and unpredictable as a dream, The Frog Prince tickles the mind, opens the heart, and holds up a mirror to the soul.

The Truth About Leo

'It had happened again. Dad had shouted and yelled, thrown things and smashed things up. And then he had quietly cleaned everything away.' Leo's dad has changed. Since Mum died, his drinking is worse and now he's a different person, someone Leo doesn't recognize. The truth is that Leo is covering up for him and when things get bad Leo escapes into his own head, pretending everything's OK. Things need to change, but what can Leo do? No one understands, except maybe his friend Flora. Leo wants his old dad back so they can be happy again - because Dad is all he has left . . .

The Congo

Since well before Henry Morgan Stanley's fabled encounter with David Livingstone on the shore on Lake Tanganyika in the late 19th century and his subsequent collaboration with King Leopold of Belgium in looting the country of its mineral wealth, the Congo's history has been one of collaboration by a minority with, and struggle by the majority against, Western intervention. Before the colonial period, there were military struggles against annexation. During Belgian rule, charismatic religious figures emerged, promising an end to white domination; copper miners struck for higher wages; and rural workers struggled for survival. During the second half of the 20th century, the Congo's efforts at disentanglement from Belgian rule, the murder of the nationalist leader Patrice Lumumba and the long dictatorship of General Mobutu culminated in one of the bloodiest wars the world has ever seen. At the

start of a new millennium, this book argues that the West has plundered Africa to its own advantage and that unrestrained global capitalism threatens to remake the entire world, bringing violence and destruction in the name of profit. In this radical history, the authors show not only how the Congo represents and symbolises the continent's long history of subordination, but also how the determined struggle of its people has continued, against the odds, to provide the Congo and the rest of Africa with real hope for the future.

Cherry Days

A coming-of-age story set in 1950s Singapore, written with photorealistic clarity. Skinny and his friends grow up in a self-sufficient kampong along an unnamed road. Reading about their lives, a distinctive character of their long-gone childhood and of Singapore emerges—raw from a recently concluded war, alive with student riots and social movements. Among the themes explored by the narrator is one of change, such as the transition from rural to urban living and the role of women in a developing society, as if inevitably the road must lead to it. Stories of love, death and forgiveness line the unnamed road at the heart of life in the kampong. Reader Reviews “This is a local book that should be of interest to Westerners because it's such a well told story. This is really one of the first works I've read that didn't have an assumption that Singapore's history is of interest to the rest of the world. This book simply had an unassuming way of speaking about childhood while navigating through an interesting period in time. The writer had such wonderful discipline at keeping perspective and wrestling the story down to size, at delivering a really well-shaped tale that has a lot of universal resonance and local affection. David Leo had a really deft hand.” — Fran Lebowitz “Cherry Days is a very ambitious, and largely very effective, contained novel that is essentially set on one stretch of an unnamed road. The setting is one of the real strengths of the book... a coming-of-age fiction set in the Singapore of the 1950s that effectively creates a mood of nostalgia. There is an elegiac quality to Skinny's story about his long-gone childhood in the kampong, even as the book explores parallel developments in history, especially the changing role of women. The attention to detail in recreating the location and some strong characters are notable highlights. David Leo writes with a simplicity and clarity that works to bolster the essential tone of the narrative.” — Shoba Viswanathan “The unassuming, deceptively simple prose of Cherry Days belies its big-hearted, emotional core, from which the characters are vividly, lovingly and empathetically drawn. The book draws the readers in steadily, keeping them enthralled in the bucolic kampong life and shenanigans of its inhabitants. Yet, layer by layer, it peels away the patina of innocence, revealing the loss and poignancy that comes with growing up. Cherry Days is a treasure trove of precious memories and epitomes of neighbourly love.” —William Phuan, managing director of The Select Centre “Cherry Days appeals with nostalgia and a familiar sense of community. The straightforward prose imparts with affection defining moments and memories of youth and family.” —Tan Mei Ching, writer of novels, short stories, creative nonfiction, plays, children's books

Speaking for England

This is the extraordinary true story of an English political tragedy - the bizarre tale of how the son of a member of Churchill's wartime cabinet was hanged for treason.

Leo Moon Sign

What if you had a hidden inner self you never knew about? This key to your horoscope is the moon sign! Many people understand their sun sign, but few realise that the key to their astrological insight is unlocked by a deeper truth: the moon sign. Your moon sign is a reflection of your secret inner self, and has important messages to aid you in your career, love life and ultimately your destiny. Understanding the secret power of your moon sign is now easier than ever with this short guide. Specially aligned for your individual moon sign of Leo, this book has been carefully charted and prepared by astrology expert David Wells, whose advice will help you quickly understand: • Your overall astrological outlook for 2014 • How your moon sign co-operates, or interferes with, your sun sign in 2014 • How your moon sign affects your romantic life, your work life and your spiritual life. You won't want to overlook this important part of your astrological make up in the coming year with this brilliant new series! Visit moon-sign-calculator.com to calculate your moon sign and find out yours today!

LEO

This compelling book transports the reader back to post-war England where a small group with limited resources designed and built a machine that literally created the modern world of business computing.

The authors were the original analysts and programmers who created L.E.O.--the Lyons Electronic Office, the world's first multi-purpose business computer.

The Leo Conversion

The world was too bright for Leo. And too loud. "I must be living on the wrong planet," Leo thought. Leo struggles to make sense of the world. He doesn't understand the other children in his class, and they don't seem to understand him. But then one day, Leo meets Maya. Maya is an octopus, and the more Leo learns about her, the more he thinks that perhaps he isn't alone in this world, after all. "The sensitive descriptions throughout the book of what it is like to have autism are accurate and perceptive on so many levels" (Professor Tony Attwood, author of *Asperger's Syndrome: A Guide for Parents and Professionals*).

Leo and the Octopus

The stories now being told about the colonial American past represent an "America" newly found, as scholars continue to evaluate and revise the longer-standing stories that have, across the centuries, held particular cultural and critical sway. This collection is a celebration of the widening of scholarly inquiry in early American studies, and a tribute to a leading early Americanist whose scholarly career continues to contribute to the opening up of crucial questions of canon.

Identity

Do you want to become a million-dollar financial advisor, boost client satisfaction, and dramatically expand your business? This book provides all the answers and strategies you need to do just that. Complete with proven techniques, expert insights, and practical tips to maximize your profitability, *The Financial Advisor's Success Manual* will show you how to break the cycle of moderate growth by teaching you how to: Develop a differentiation strategy Define and implement your six core client-facing processes Balance the cost of services with the value delivered Enhance client loyalty Perfect your personal marketing and sales approach You didn't start your financial services firm with a goal of modest gains. So don't settle for that! By implementing the methodologies and strategies in this manual, you can grow your business beyond your wildest expectations--all while serving your clients better.

The Leo Conversion

Two outsiders. Two secrets. David longs to be a girl. Leo wants to be invisible. When Leo stands up for David in a fight, an unlikely friendship forms. But things are about to get messy. Because at Eden Park School, secrets have a funny habit of not staying secret for long . . .

Finding Colonial Americas

Examines the early works of German-Jewish philosopher Leo Strauss (1899-1973).

The Financial Advisor's Success Manual

Updated in a new 5th edition, this book lays a strong conceptual foundation to understanding the rationales of and limitations to public policy. It gives practical advice about how to do policy analysis while demonstrating the application of advanced analytical techniques through case study examples. *Policy Analysis: Concepts and Practices* is a comprehensive, accessible, and rich introduction to policy analysis for readers in public policy, public administration, and business programs.

The Art of Being Normal

A Room in Dodge City follows a nameless drifter into an American heart of darkness. In this nightmarish version of the historic Dodge City, mythic beasts crawl out of the woodwork; bizarre rituals are enacted; and death is never the end. Equal parts humor and horror-show, David Leo Rice's novel combines the mundaneness of modern life--motels, strip malls, temp jobs--with something stranger, darker, and more eternal. Told through linked vignettes that read like metaphoric fairytales gone wrong, *Dodge City* consumes the reader just as it slowly consumes the drifter, leaving all to wonder whether any of us can ever truly escape this world--or our own. Winner of the Electric Book Award Each chapter is fully illustrated by Christina Collins. "David Lynch meets Neil Gaiman meets Samuel Beckett and the Theater of the Absurd. Just as Dodge City is a place the narrator can never leave, Rice's book sucks you in

and doesn't let you walk out of it intact, either." -Nick Antosca, author of *The Girlfriend Game*, *Midnight Picnic*, & *Fires* "With a draftsman's hand and a psychonaut's eye, Rice has mapped the alien precinct in which we already live. I've never encountered a book so strange yet so familiar. Writers such as William Burroughs and Samuel Delany may have helped prepare the ground, but this high-speed, controlled drift across it is all Rice's own." -Joanna Ruocco, author of *Dan & A Compendium of Domestic Incidents* "A vivid, precisely described nightmare filled with jokes for people who think nothing is funny anymore. Rice imagines American pop culture as a Hieronymus Bosch painting come to life, and he gives us a carnival barker's tour through a disturbing landscape of lost souls, vain ambitions, and distorted identities, ultimately finding a path to redemption through the spiritual wreckage." -Mark Beauregard, author of *The Whale: A Love Story* "Rice cares deeply about his characters and this comes out in every vignette. He doesn't follow the nihilistic postmodern structure by declaring that life is meaningless or hopeless. What we find is the presence of hope in all things, no matter how run-down they might appear on the surface." -Joe Halstead, author of *West Virginia* "Dodge City is a walk on the dark side of the contemporary imagination that reworks the post-realist storytellings of Donald Barthelme or Henri Michaux into a voice that is unique. A picaresque novel for the age of the Darknet and Tor." -Simon Pummell, director of *Bodysong & Identicals* "In his mind-boggling debut novel, Rice conjures a series of seemingly unassuming vignettes that read like a revelatory prose poem written by the Zodiac Killer. A celebration of what it means to know that you know that you can never know everything." -Mike Kleine, author of *Kanley Stubrick* "Don't enter into Rice's terrifying and hilarious fictional multiverse looking for causality, continuity, or logic, as we know them. A Room in Dodge City will plunge you into a nightmarish warren-maze where somewhere, amid the numberless trapdoors, inner chambers and branching halls on branching halls, a literary orgy is going down among the imaginative intellects of Blake Butler, Kathryn Davis, Haruki Murakami, Livia Llewellyn, and Robert Coover, refereed by Cronenberg and Lynch." -Adrian Van Young, author of *Shadows in Summerland & The Man Who Noticed Everything* "A Room in Dodge City warps the serial format to its own uncanny ends. Briskly paced with elegantly streamlined prose, the book follows its own impeccably strange and addictive dream logic." -Jeff Jackson, author of *Mira Corpora & Novi Sad* "Unsettling and unsettled, reading A Room in Dodge City is like reading Jakob von Gunten's dream journal the day after he'd stayed up late to watch *High Plains Drifter* and *Videodrome*." -Gabriel Blackwell, author of *Madeleine E*. Find out more about Alternating Current Press at alternatingcurrentarts.com.

Between Athens and Jerusalem

Caspar David Friedrich (1774–1840) is heralded as the greatest painter of the Romantic movement in Germany, and Europe's first truly modern artist. His mysterious and melancholy landscapes, often peopled with lonely wanderers, are experiments in a radically subjective artistic perspective—one in which, as Freidrich wrote, the painter depicts not "what he sees before him, but what he sees within him." This vulnerability of the individual when confronted with nature became one of the key tenets of the Romantic aesthetic. Now available in a compact, accessible format, this beautifully illustrated book is the most comprehensive account ever published in English of one of the most fascinating and influential nineteenth-century painters. "This is a model of interpretative art history, taking in a good deal of German Romantic philosophy, but founded always on the immediate experience of the picture. . . . It is rare to find a scholar so obviously in sympathy with his subject."—Independent

Policy Analysis

In 1851, at the age of twenty-two, Tolstoy joined the Russian army and travelled to the Caucasus as a soldier. Begun in 1852 but unfinished for a decade, *The Cossacks* describes the experiences of Olenin, a young cultured Russian who comes to despise civilization after spending time with the wild Cossack people.

A Room in Dodge City

PICTURE BOOKS. Deep in the African heartland, way out on the hot sunny plains, there lived a small lion who didn't fit in, and Leo was this lion's name. All Leo wants is to love and hug his fellow lions, but his mother tells him that if he can't learn to hunt he has no place in the pride. So Leo is all alone...until out in the wide world he meets lots of animals who appreciate his love, hug and help. Soon he has a whole pride of his own, made up of all his friends. Even the other lions appreciate Leo's love in the end. This funny, touching rhyming text is wonderfully brought to life by Hugh Laurie with accompanying jungle music and sound effects.

This book compares the thought of Michael Oakeshott and Leo Strauss, bringing Oakeshott's desire for a renaissance of poetic individuality into dialogue with Strauss's recovery of the universality of philosophical enlightenment. Starting from the conventional understanding of these thinkers as important voices of twentieth-century conservatism, McIlwain traces their deeper and more radical commitments to the highpoints of human achievement and their shared concerns with the fate of traditional inheritances in modernity, the role and meaning of history, the intention and meaning of political philosophy, and the problem of politics and religion. The book culminates in an articulation of the positions of Oakeshott and Strauss as part of the quarrel of poetry and philosophy, revealing the ongoing implications of their thinking in terms of the profound spiritual and political questions raised by modern thinkers such as Hobbes, Hegel, Nietzsche and Heidegger and leading back to foundational figures of Western civilization including St. Augustine and Socrates.

Caspar David Friedrich and the Subject of Landscape

This monograph on the Homilies of the Byzantine emperor Leo VI (886-912) provides the first extensive analysis of a neglected corpus of secular and ecclesiastical speeches, and sheds new light on both the fascinating figure of the author and the development of Byzantine homiletics.

The Cossacks and Other Stories

"After crossing a vast inland sea in an ark called Angel House, Professor Squimbop docks on a distant shore. As soon as his anchor makes purchase, a town sprouts up that may or may not encapsulate all of existence. At the behest of some distant master, he embarks into this town to teach the children about death, a concept they've never encountered before. What follows is a surreal obsessive nostalgia. Both tender and depraved, familiar and bizarre, it is an utterly original coming-of-age story that questions how we can establish a shared reality when meaning was, is, and will always be malleable."--Back cover.

The Lion who Wanted to Love

One minute I'm heading to a new job, the next I'm stranded in the middle of nowhere. I should be panicking, but instead I'm lying across the hood of my car, coming apart from a stranger's touch... As the billionaire owner of the country's largest classic car repair chain, Leo's no stranger to beautiful cars, or beautiful women. Though he didn't expect to meet both in the middle of the night, nor for said woman to bail in said car immediately after the hottest experience of his life. But just a few hours later, he discovers she's his newest employee, and he's going to show her the consequences of running. Delicious, dark and dirty consequences. Bitter experience has taught Charlie that men don't respect female mechanics. However, Leo's...attention... is starting to make her wonder. This job could be everything she's ever wanted, but he's just passing through on a whistlestop tour of his properties. Can a grease monkey really go the distance with her billionaire boss, or will other people's bitterness and jealousy tear them apart? Dominant alpha men, sweet, strong women, and lots of very hot and dirty shenanigans. No cheating or cliffhangers and a guaranteed happy ever after, all in a short, intense read which is sure to raise your body temperature. If this sounds like your happy place, scroll up now and click that button! Then lock the door and grab a glass of wine (or ice water)! It's about to get hot in here! All my books are standalones and can be read in any order, but you may get more out of each story if you read them in the order of publication, due to previous couples sometimes being mentioned in later books.

Michael Oakeshott and Leo Strauss

The undisputed master of stylistic criticism, Leo Spitzer combined phenomenal learning in historical and comparative linguistics with brilliant and original critical insight. He was born in Vienna in 1887. He studied Romance Philology at the Universities of Vienna and Paris and then taught at Vienna, Bonn, Marburg and Cologne. After escaping from Germany in 1933, he taught briefly at Istanbul and then at The Johns Hopkins University in Baltimore. He died in 1960. He was the author of over 800 books, articles, reviews and notes on the language and literatures of France, Spain, Italy, Portugal, Romania, Germany, England and America from the Middle Ages to the twentieth century. This translation brings together for the first time in any language all of Spitzer's work on the literature of seventeenth-century France, including 'Racine's classical piano' (1928) and 'Saint-Simon's portrait of Louis XIV' (1928). Each of the essays demonstrates in practical rather than theoretical terms the essential unity of literary and linguistic study. David Bellos's introduction sets Spitzer's method of textual and stylistic interpretation

in its historical context and sketches out the career of this supremely knowledgeable reader for whom knowledge was less important than understanding.

The Homilies of the Emperor Leo VI

There are times when people just can't identify with the attributes of their Sun or Moon sign. In fact, they may feel that they are an antithesis of their zodiac sign. You may also have observed it. Your Leo friend may not seek attention, may be because he or she has a Capricorn ascendant. Your Sagittarius friend is very possessive, may be because he or she has a Scorpio Ascendant. It is easy to understand why some people do not correspond to their Sun or Moon signs once you know about what is the rising sign or Ascendant in a horoscope. Ascendant is the degree of the zodiac sign that was highest on the Eastern horizon at the time and place of birth. When seen from Earth, the sky seems to move, so the entire zodiac can be observed in a span of 24 hours day which means the rising sign changes on the Eastern horizon every 2 hours because there are 12 zodiac signs. People tend to associate their physical, emotional and spiritual attributes more with rising sign at times.

Angel House

Pozdnyshev and his wife have a turbulent relationship. When her beauty blossoms after the birth of their children, men begin to flock around her, and he becomes increasingly jealous. Convinced his wife is betraying him with a young musician, his overpowering suspicion drives him to ever more dangerous lengths. United by the theme of love, the writings in the Great Loves series span over two thousand years and vastly different worlds. Readers will be introduced to love's endlessly fascinating possibilities and extremities: romantic love, platonic love, erotic love, gay love, virginal love, adulterous love, parental love, filial love, nostalgic love, unrequited love, illicit love, not to mention lost love, twisted and obsessional love....

Leo

Since well before Henry Morgan Stanley's fabled encounter with David Livingstone on the shore on Lake Tanganyika in the late 19th century and his subsequent collaboration with King Leopold of Belgium in looting the country of its mineral wealth, the Congo's history has been one of collaboration by a minority with, and struggle by the majority against, Western intervention. Before the colonial period, there were military struggles against annexation. During Belgian rule, charismatic religious figures emerged, promising an end to white domination; copper miners struck for higher wages; and rural workers struggled for survival. During the second half of the 20th century, the Congo's efforts at disentanglement from Belgian rule, the murder of the nationalist leader Patrice Lumumba and the long dictatorship of General Mobutu culminated in one of the bloodiest wars the world has ever seen. At the start of a new millennium, this book argues that the West has plundered Africa to its own advantage and that unrestrained global capitalism threatens to remake the entire world, bringing violence and destruction in the name of profit. In this radical history, the authors show not only how the Congo represents and symbolises the continent's long history of subordination, but also how the determined struggle of its people has continued, against the odds, to provide the Congo and the rest of Africa with real hope for the future.

Leo, the Lovable Lion

'The Kreutzer Sonata' is the self-lacerating confession of a man consumed by sexual jealousy and eaten up by shame and eventually driven to murder his wife. The story caused a sensation when it first appeared and Tolstoy's wife was appalled that he had drawn on their own experiences together to create a scathing indictment of marriage. 'The Devil', centring on a young man torn between his passion for a peasant girl and his respectable life with his loving wife, also illustrates the impossibility of pure love. 'The Forged Coupon' shows how an act of corruption can spiral out of control, and 'After the Ball' examines the abuse of power. Written during a time of spiritual crisis in Tolstoy's life, these late stories reflect a world of moral uncertainties.

Leo Spitzer

A collection of new stories by David Leo Rice

Leo Gorcey's Fractured World

This collection of original essays by prominent scholars of political philosophy analyzes Leo Strauss's thoughts concerning the relationship between revelation and reason within the context of Jewish religion and thought. Unlike other edited collections about Strauss, the contributors to *Leo Strauss and Judaism: Jerusalem and Athens Critically Revisited* examine their subject using a wide range of ideological and methodological approaches, arriving at a variety of conclusions, many of which are controversial. This book will be of interest to students and scholars of Leo Strauss, Jewish philosophy, and political theory.

Leo Ascendant Secrets

The Lilienthal story is one of paradoxes and contradictions in human nature, of an enormous ego yoked with good intentions and a humane spirit. As this book demonstrates in compelling detail, the liberal dream that Lilienthal embodied worked at home but not abroad.

The Kreutzer Sonata

"A Seminar on Plato's Protagoras offers the transcript of Leo Strauss's seminar on Plato's Protagoras edited and introduced by the renowned scholar Robert Bartlett. In this dialogue, Socrates engaged with the sophist Protagoras. In the lectures, Strauss discusses Protagoras and the sophists in relation to the dialogue Gorgias in which Socrates engages with the meaning of rhetoric, all in light of Socrates' pursuit of the question "How ought one to live?" While Strauss regarded himself as a Platonist and published some work on Plato, including his last book, he published little on the dialogues. In these lectures Strauss treats many of the great Platonic and Straussian themes: the difference between the Socratic political science or art and the Sophistic political science or art of Protagoras; the character and teachability of virtue, its relation to knowledge, and the relations among the virtues, courage, justice, moderation, and wisdom; the good and the pleasant; frankness and concealment; the role of myth; and the relation between freedom of thought and freedom of speech"--

The Congo

In *The Well-Grounded Rubyist*, Third Edition expert authors David A. Black and Joseph Leo deliver Ruby mastery in an easy-to-read, casual style. You'll lock in core principles as you write your first Ruby programs. Then, you'll progressively build up to topics like reflection, threading, and recursion, cementing your knowledge with high-value exercises to practice your skills along the way.

The Kreutzer Sonata and Other Stories

Analyses the ideological writings of a scholarly and unusual Byzantine emperor dedicated to distinctively Orthodox Christian principles.

Drifter

When Henry Roth published his debut novel *Call It Sleep* in 1934, it was greeted with considerable critical acclaim though, in those troubled times, lackluster sales. Only with its paperback publication thirty years later did this novel receive the recognition it deserves---and still enjoys. Having sold-to-date millions of copies worldwide, *Call It Sleep* is the magnificent story of David Shearl, the "dangerously imaginative" child coming of age in the slums of New York.

Leo Strauss and Judaism
