## Splinters, Or, A Grist of Giggles [microform]

Excerpt from Splinters: Or a Grist of Giggles This work is issued with a view of amusing the reader, and if the compiler, with his Scis sors and paste succeeds in so doing, his task will have been a pleasant one. Nothing is so well calculated to preserve the healthful action of the human system as a good, hearty laugh. It is with this indisputable and important sanitary fact in view, that this collection of scraps has been made. The principle in selecting each of them, has been, not to inquire if it were odd, rare, curious, or remarkable, but will the scraps raise a laugh That was the test question. If the answer was Yes, then it was accepted. If No, then it was rejected. Credit is given for all scraps herein where the author of them is known, and if omitted, it was because he was not known. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work.
