While It Lasts

Taking a summer job to salvage the scholarship that was threatened by a DUI charge, Cage clashes with the farm manager's daughter before discovering the reasons behind her anger, forcing him to make a careful choice.

Sometimes It Lasts

Cage York has to choose between a love of the game and a love of the girl in this sultry Sea Breeze novel from New York Times bestselling author Abbi Glines. Cage York finally has everything he ever wanted. And Eva is at the very top of that list—the perfect girl with a temper as hot as her fabulously flawless body. But for Cage, a baseball scholarship has always been a close second. So when Cage finally gets his chance, he and Eva must endure a long distance relationship—and all the dangerous temptations that come with it. Temptations that former ad boy Cage York may not be able to escape. Then after receiving some illicit photos that show Cage has been behaving badly—very badly—Eva finds solace in the comforting arms of her insanely attractive neighbor Jeremy, who vows that he will take care of Eva in ways Cage never could. It's an offer that may be too good for Eva to turn down. Torn between his baseball dream and the girl of his dreams, Cage must prove he's worthy of Eva's love, or risk losing her to Jeremy forever.

Breathe

When Sadie takes a summer job working in the house of teen rock star Jax Stone, she finds herself falling quickly for him, but Jax's wild rock star world makes having a relationship with him difficult.

Because of Low

Set in the steamy coastal Alabama town of Sea Breeze, an interconnected group of older teens hook up, break up . . . and much, much more. Marcus Hardy had hoped to enjoy a year away at college while he put the summer he'd rather forget behind him. But instead, he's jerked right back his home town of Sea Breeze due to a family crisis. The only bright spot to returning is the hot redhead who sleeps over at his place several times a week. There's just one thing though - she's sleeping in bed with his new roommate, Cage York. Willow "Low" Foster needs a place to live. Running to her best friend Cage's apartment every time her sister kicks her out isn't exactly a long term solution. But Cage has a new roommate and suddenly sleeping over at his apartment isn't such a bad thing. Not when she gets to see those sexy green eyes of Marcus's twinkle when he smiles at her like he wants her there. There's one problem though, Cage is under the disillusion that when he's through sowing his wild oats, he's going to marry Low - an assumption Marcus intends to change. But when his carefully laid plans come crashing down with a revelation he never expected, Marcus will have to choose between Low or his family. Because once the truth comes out . . . there's no other choice.

Just for Now

Set in the steamy coastal Alabama town of Sea Breeze, an interconnected group of older teens hook up, break up . . . and much, much more. Preston is one bad boy. And Amanda has harboured a crush on him for forever. When she finally makes her move on him, it does not end well. But still, she can't resist him. Especially now that he seems to be pursuing her, too. No one wants them to be together. Not Amanda's brother, Marcus, who is on the verge of his marriage to Low, and definitely not any of Preston's buddies. They know way too much about Preston's dark side. Yet the dangerous attraction is there ... and neither Preston nor Amanda are going to deny it.

Bad for You

The notorious rock 'n' roller star from Misbehaving falls unexpectedly for an innocent new neighbor whose religious adoptive family has convinced her that she is unworthy of love. By the best-selling author of the Vincent Boys series. Simultaneous.

Misbehaving

Escaping to Sea Breeze for the chance to blow off some steam, Jason hooks up with the town's resident wild child Jess, who is ready for some fun, but falling in love is out of the question.

Simple Perfection

Della struggles with the ghosts of her past while trying to hide her true feelings from Woods, in the conclusion to the roller coaster romance that began in Twisted Perfection. Original.

Until the End

The backstory that fans have been clamoring for—how Rock and Trisha fell in love—is the final novel in the Sea Breeze series from New York Times and USA TODAY bestselling author Abbi Glines. Trisha Corbin always knew how to hide a bruise. With her momma's boyfriends unable to keep their hands off her, she had no choice. And as long as it meant the guys wouldn't go near her little brother, Krit, it was worth it. But her days of dreaming that Prince Charming would ever come rescue her are far, far in the past. Rock Taylor always had a plan. Through football, he would rise above the life he was born into. A full scholarship to play for a major college team was within his reach—assuming he didn't let anything get in his way. But scoring a date with the hottest girl in Sea Breeze was proving harder than expected. Trisha Corbin was every man's walking fantasy, and she wouldn't even glance his way. When Rock finally does get Trisha in his truck, it isn't for a date. It's because he picks her up on the side of the road, beaten and bruised and trying to get to the local hospital. Before Rock knows it, football is no longer his life. Trisha Corbin is. And he'll do anything to save her. And keep her. In addition to Rock and Trisha's love story, this special conclusion to the Sea Breeze series contains the wrap-up stories of all your favorite Sea Breeze couples: Sadie and Jax, Marcus and Low, Cage and Eva, Preston and Amanda, Jess and Jason, Krit and Blythe, and Dewayne and Sienna. The steamy romance doesn't stop until the very last page!

But when he laughs at a joke aimed at Tallulah the summer before their senior year, Tallulah's love dissipates, and she becomes determined to lose weight, to no longer be an object of her classmates' - and especially Nash's - ridicule. Nash Lee has it all - he's the star running back of Lawton's football team, being scouted by division one colleges, and on track to have a carefree senior year. But when an accident leaves him with a permanent limp, all of Nash's present and future plans are destroyed, leaving him bitter, angry, and unrecognizable from the person he used to be. Facing a new school year with her new body, Tallulah is out to seek revenge on Nash's cruelty. All does not go according to plan, though, and Tallulah and Nash unexpectedly find themselves falling for each other. But with all the pain resting in each of their hearts, can their love survive?

Best I've Ever Had

Summer had returned. The nightlife lit up the coastal town of Sea Breeze, Alabama with scantily clad sun-kissed bodies, live music, the smell of fresh cooked seafood. Taking it all in, he wondered if coming back had been the best thing. He wasn't the same man who had driven out of town a year ago on the motorcycle he'd bought after his best friend's wedding. From the messy blonde curls he'd let grow out, to the tattoos now covering his arms, part of his chest and even the side of his neck, it all represented a part of his journey. Eli Hardy was back, but he didn't plan on staying for long.

The Last Field Party

Five years after the Lawton High football team last took the field, everyone gathers for a special event back home in Alabama, where each couple must come face-to-face with their past in order to move forward to a future worth celebrating.

Lyrics of a Small Town

One last thing, if you do fall in love with him, please go slowly. Be careful. Trust your gut and know not all things are easy. Damaged things can become beautiful if they're placed in the right hands. -Love, GranA small town where pickup trucks rule, the farmer's market is bigger than the grocery store, and just about everyone goes to church on Sunday is the last place Henley Warren expects to find herself three months after her grandmother's death. Henley fears her heart isn't ready to trust someone so unpredictable but he makes her feel things deeper than she thought possible. Sea Breeze and Local Winds

The sea breeze affects our lives in many ways. It controls our local weather, not only on the coast but also in many districts inland. Air pollution and smog, also the distribution of airborne insect pests and the spread of pollen are all controlled by the sea breeze. In the world of sport it is important to glider pilots, sailors and surfers, and balloonists. In the book we see how radar, lidar and satellite photography have helped to forecast and map sea breezes and the all-important 'sea-breeze front'. The book ends with a description of laboratory experiments mostly carried out by the author and his co-workers, and a simple summary of theoretical models. The book will be welcomed by those researching in the subject but will also be valuable to the general reader who is interested in local weather and the natural environment.

The Narrative of Arthur Gordon Pym of Nantucket

When Edgar Allan Poe's only novella was first published in 1838, the reviews were slow in coming and dismissive when they arrived. The book's failure left Poe in such dire financial straits that he even accepted a job at one of the magazines that had panned it. But *The Narrative of Arthur Gordon Pym of Nantucket* has since become one of his most influential works: Baudelaire translated it, Paul Theroux read it out loud to Jorge Luis Borges, Jules Verne wrote a sequel to it, H. P. Lovecraft drew on it in

creating his own tales of the Antarctic . . . Ostensibly, it's a classic adventure story about a young boy who runs away to sea and encounters all the classic scenarios: mutinies, storms, shipwrecks, ravenous sharks, hostile natives. And Poe drew on many contemporary accounts of exploration in the South Seas to give his story a sense of verisimilitude. But there are far deeper currents at work in the book than mere adventure: elements of the supernatural as they near the South Pole, evocations of the protagonists' experiences at sea that rival Poe's best tales of horror, and a disturbing ending that continues to stir debate.
