Tajni leksikon

"Odjednom sam se opet sjetila kravljeg ludila. To ipak ne bi valjalo dobiti! I test je sto puta bolje rješenje no da te zahvati ta opaka bolest. Sada, kada promislim bolje, dobro je da Mravecu u kinu nisam dopustila da me poljubi. Pa on ima sve simptome kravljeg ludila: zbrkan je, depresivan, ne hoda pravilno i silno slini. Ipak, moj tata kaže da oboljeli od te bolesti ne lu e slinu. To me, priznajem, zbunilo. No dobro, ako mu ne mogu postaviti dijagnozu kravljeg ludila, tada sigurno ima slinavku. Valjda se kod slinavke silno slini?! Pa to bi i bilo logi no zaklju iti po nazivu boleštine. Ipak, ne smijem to upitati tatu, jer e mu postati sumnjivo što se toliko raspitujem o bolestima. Možda sljede i tjedan ipak odglumim jednu virozicu, zlu ne trebalo!" -- cover.

Tajni leksikon

Christ Legends Once, when Jesus was only five years old, he sat on the doorstep outside his father's workshop, in Nazareth, and made clay cuckoos from a lump of clay which the potter across the way had given him. He was happier than usual. All the children in the quarter had told Jesus that the potter was a disobliging man, who wouldn't let himself be coaxed, either by soft glances or honeyed words, and he had never dared ask aught of him. But, you see, he hardly knew how it had come about. He had only stood on his doorstep and, with yearning eyes, looked upon the neighbor working at his molds, and then that neighbor had come over from his stall and given him so much clay that it would have been enough to finish a whole wine jug. On the stoop of the next house sat Judas, his face covered with bruises and his clothes full of rents, which he had acquired during his continual fights with street urchins. For the moment he was quiet, he neither quarreled nor fought, but worked with a bit of clay, just as Jesus did. But this clay he had not been able to procure for himself. He hardly dared venture within sight of the potter, who complained that he was in the habit of throwing stones at his fragile wares, and would have driven him away with a good beating. It was Jesus who had divided his portion with him.

Dobri Duh Zagreba

A poignant novel about exile, divided loyalties, fear and survival, set in a luxurious grand hotel just outside Lisbon, at the height of the Second World War.

Hrvatska bibliografija

Two Yugoslav boys visiting Paris become involved with the theft of the Mona Lisa.

Christ Legends

The collection Croatian Tales of Long Ago is considered to be a masterpiece and features a series of newly written fairy tales heavily inspired by motifs taken from ancient Slavic mythology of pre-Christian Croatia. Croatian Tales of Long Ago are seen as one of the most typical examples of the writing style of Ivana Brli -Mažurani . The book has been compared by literary critics to Hans Christian Andersen and J. R. R. Tolkien due to the way it combines original fantasy plots with folk mythology.

The Mystery of the Stolen Painting

The Merry Adventures of Robin Hood of Great Renown in Nottinghamshire is an 1883 novel by the American illustrator and writer Howard Pyle. Consisting of a series of episodes in the story of the English outlaw Robin Hood and his band of Merry Men, the novel compiles traditional material into a coherent narrative in a colorful, invented "old English" idiom that preserves some flavor of the ballads, and adapts it for children. The novel is notable for taking the subject of Robin Hood, which had been

increasingly popular through the 19th century, in a new direction that influenced later writers, artists, and filmmakers through the next century

Osman

Witness the story of a Hungarian Knight, Abafi, as he transforms from an evil man, who does selfish acts of his every whim, to a kind and noble man, who does more for others than he does for himself. Watch him make hard life decisions and search for his one true love. Experience the story that had a great effect on Nikola Tesla's life, so stated by him in his autobiography, *My Inventions*. In this translated text, he states, after reading this book, that: "This work somehow awakened my dormant powers of will and I began to practice self-control. At first my resolutions faded like snow in April, but in a little while I conquered my weakness and felt a pleasure I never knew before - that of doing as I willed." This book is finally available to the English speaking community, having not been fully translated into English before, as far as the editor knows.

Croatian Tales of Long Ago

Old God's Time (March 2023), Sebastian Barry's stunning new novel, available to pre-order now. Following the end of the First World War, Eneas McNulty joins the British-led Royal Irish Constabulary. With all those around him becoming soldiers of a different kind, however, it proves to be the defining decision of his life when, having witnessed the murder of a fellow RIC policeman, he is wrongly accused of identifying the executioners. With a sentence of death passed over him he is forced to flee Sligo, his friends, family and beloved girl, Viv. What follows is the story of this flight, his subsequent wanderings, and the haunting pull of home that always afflicts him. Tender, witty, troubling and tragic, *The Whereabouts of Eneas McNulty* tells the secret history of a lost man.

The Return of Philip Latinowicz

A shoemaker's apprentice runs away from his unreasonable master and embarks on a week's adventures with a dog and an orphan girl.

The Merry Adventures of Robin Hood Illustrated

Sometimes all you need is a big heart and burning desire. Danny, a curious harp seal pup, has soft white fur and black innocent eyes. Helen is an environmentalist and member of a young activist crew of the Rainbow Warriors. Their mission is to save animals. As winter turns into spring, a new generation of seal pups comes to life. A few weeks later, the killing begins. Against a spectacular backdrop of ice and snow, Helen prepares to look horrific human cruelty in the face. I do not doubt I have a big heart and burning desire, but is that enough for a person to become a Rainbow Warrior, or is there something better? Something only some of us manage to turn into what we have long missed-humanity. In the race against time and clubs, will Helen save Danny before the hunt begins and the ice turns red? Though written for younger readers, *Look for Me Under the Rainbow* will appeal to anyone who cherishes our beautiful planet and wishes to protect its treasures. Buy this book by Bernard Jan, the author of *A World Without Color*, and experience another emotional journey.

Abafi

Tom Gates is the master of excuses for late homework: dog attacks - spilt water - lightning... Tom's exercise book is full of his doodles and thoughts, as well as comments from his long-suffering teacher, Mr Fullerman.

The Whereabouts of Eneas McNulty

Adrian Mole's first love, Pandora, has left him; a neighbor, Mr. Lucas, appears to be seducing his mother (and what does that mean for his father?); the BBC refuses to publish his poetry; and his dog swallowed the tree off the Christmas cake. "Why" indeed.

The Brave Adventures of Lapitch

A novel exploring human relations. Its hero is a Hungarian writer who lives through the 1956 Hungarian Revolution and has a homosexual affair with a German poet in East Berlin.

Look for Me Under the Rainbow

Tamsyn Smith receives a message on her computer screen that someone is in danger so she and her friend Josh decide to try and help.

The Brilliant World of Tom Gates

"Memoirs of a Cavalier" is a literary sleight of hand. Written in the style of an eyewitness account, it's actually a work of fiction—a trick Defoe would repeat in his later book "A Journal of a Plague Year". Originally published anonymously, many readers of the time were fooled into thinking it was real. The book's unnamed protagonist is an English gentleman with a lust for adventure. He details his experiences on battlefields across Europe, as a soldier in both the Thirty Years' War and the English Civil War. With its vivid scenes of warfare, "Memoirs of a Cavalier" truly makes history come alive. English writer Daniel Defoe (c. 1660–1731) led an extraordinary life. As a child, he survived both the Great Fire of London and a major outbreak of the bubonic plague. As an adult, he enjoyed careers as a merchant, political satirist, rebel soldier and even a spy. Defoe was in his fifties before he finally turned his hand to fiction. "Robinson Crusoe"

The Secret Diary of Adrian Mole, Aged 13 3/4

Lewis Carroll Born Charles Lutwidge Dodgson. (1832 – 1898) A famous English writer, mathematician, logician, and photographer. Carroll's most famous writings are Alice's Adventures in Wonderland, its sequel Through the Looking-Glass, which includes the poem "Jabberwocky"

A Book of Memories

Philadelphia firefighter and bartender Joey Novak experiences a life-changing experience when he discovers an old suitcase holding the lost gold presented to the Christ Child by the Three Kings. In a materialistic, seemingly uncaring world, this everyday father and husband learns he has been selected as the next Keeper of the Coins. His job: to share his newfound riches and powers with the desperate and needy who will cross his path. With the help of an ornery, impatient mentor, Joey Novak eventually learns, and lives, the wisdom of the proverb: It is better to give than to receive.

The Goldsmith's Treasure

When the Pirates, a gang of young boys in the small town of Timpetill, become too rowdy, the adults decide to discipline them by leaving the town in the middle of the night.

Net Bandits

Enter a spellbinding world in this soaring magical adventure, perfect for fans of Nevermoor, A Pinch of Magic and Rooftoppers. 'Wildly inventive . . . full of laugh-out-loud humour, enchanting magic and rebellious hope. I loved it' Catherine Doyle 'Imaginative . . . entertaining, comical and breezy, and the settings are conjured in transporting detail' The Times Cordelia comes from a long line of magical milliners, who weave alchemy and enchantment into every hat. In Cordelia's world, Making - crafting items such as hats, cloaks, watches, boots and gloves from magical ingredients - is a rare and ancient skill, and only a few special Maker families remain. When Cordelia's father Prospero and his ship, the Jolly Bonnet, are lost at sea during a mission to collect hat ingredients, Cordelia is determined to find him. But Uncle Tiberius and Aunt Ariadne have no time to help the littlest Hatmaker, for an ancient rivalry between the Maker families is threatening to surface. Worse, someone seems to be using Maker magic to start a war. It's up to Cordelia to find out who, and why . . . Featuring gorgeous black-and-white illustrations throughout by Paola Escobar. 'An utterly charming adventure full of wildness, wit, magic and heart' Anna James 'Absolutely wonderful' Emma Carroll 'A cosy magical adventure peppered with charming detail' The Bookseller

Memoirs of a Cavalier

Draws on more than forty interviews with Steve Jobs, as well as interviews with family members, friends, competitors, and colleagues to offer a look at the co-founder and leading creative force behind the Apple computer company.

Alices Adventures

War and Revolution identifies and takes to task a reactionary trend among contemporary historians. It is a revisionist tendency discernible in the work of authors such as Ernst Nolte, who traces the impetus behind the Holocaust to the excesses of the Russian Revolution; or François Furet, who links the Stalinist purges to an "illness" originating with the French Revolution. In this vigorous riposte to those who would denigrate the history of emancipatory struggle, Losurdo captivates the reader with a tour de force account of modern revolt, providing a new perspective on the English, American, French and twentieth-century revolutions.

Gold, Frankincense and Myrrh

A collection of short humorous stories involving the author and his family.

Trouble at Timpetill

Ivy Pocket is a twelve-year-old maid of no importance, with a very lofty opinion of herself. Dumped in Paris by the Countess Carbunkle, who would rather run away to South America than continue in Ivy's companionship, our young heroine (of sorts) finds herself with no money and no home to go to ... until she is summoned to the bedside of the dying Duchess of Trinity. For the princely sum of £500 (enough to buy a carriage, and possibly a monkey), Ivy agrees to courier the Duchess's most precious possession – the Clock Diamond – to England, and to put it around the neck of the revolting Matilda Butterfield on her twelfth birthday. It's not long before Ivy finds herself at the heart of a conspiracy involving mischief, mayhem and murder. Illustrated in humorous gothic detail by John Kelly, *Anyone But Ivy Pocket* is just the beginning of one girl's deadly comic journey to discover who she really is ...

A Theory of Natural Philosophy

The Growing Pains of Adrian Mole is the second book in Sue Townsend's brilliantly funny Adrian Mole series. Sunday July 18th My father announced at breakfast that he is going to have a vasectomy. I pushed my sausages away untouched. In this second instalment of teenager Adrian Mole's diaries, the Mole family is in crisis and the country is beating the drum of war. While his parents have reconciled after both embarked on disastrous affairs, Adrian is shocked to learn of his mother's pregnancy. And even though at the mercy of his rampant hormones and the fickle whims of the divine Pandora, a victim of a broken home and his own tortured (though unrecognised) genius, Adrian continues valiantly to chronicle the pains and pleasures of a misspent adolescence. _____ 'Funny, moving and a poke in the eye for adult morality' Sunday Express 'Written with great verve, and showing an uncanny understanding of the young, Sue Townsend holds the balance between innocence and precocity and the result is both hilarious and salutary' Daily Telegraph 'Life's no fun for an adolescent intellectual. For the reader it's a hoot' New Statesman

The Hatmakers

Now a major motion picture *A Man Called Otto* starring Tom Hanks! #1 New York Times best-seller—more than 3 million copies sold! Meet Ove. He's a curmudgeon—the kind of man who points at people he dislikes as if they were burglars caught outside his bedroom window. He has staunch principles, strict routines, and a short fuse. People call him "the bitter neighbor from hell." But must Ove be bitter just because he doesn't walk around with a smile plastered to his face all the time? Behind the cranky exterior there is a story and a sadness. So when one November morning a chatty young couple with two chatty young daughters move in next door and accidentally flatten Ove's mailbox, it is the lead-in to a comical and heartwarming tale of unkempt cats, unexpected friendship, and the ancient art of backing up a U-Haul. All of which will change one cranky old man and a local residents' association to their very foundations. Fredrik Backman's beloved first novel about the angry old man next door is a thoughtful exploration of the profound impact one life has on countless others. "If there was an award for 'Most Charming Book of the Year,' this first novel by a Swedish blogger-turned-overnight-sensation would win hands down" (Booklist, starred review).

Steve Jobs

Tom Gates, master of excuses, expert doodler and hilarious story writer is back -- and making the most of his holiday! No school for two whole weeks leaves Tom with tons of time for the important things in life. He can forget all about school and the irritating Marcus Meldrew, and save his energy for the good stuff! Stuff like: inventing new ways to annoy his sister Delia (so many); band practice for

the Dogzombies (rock stars in the making!); watching TV and eating caramel wafers; eating caramel wafers and watching TV. Excellent. Of course, he still has to do his book report for Mr. Keen... Full of Tom's honest, silly, laugh-out-loud funny scribbles and stories -- and a doodle-filled glossary to help Canadian kids make sense of British terms (what IS a caramel wafer, anyway?) -- this follow-up to the Roald Dahl Funny Prize winner *The Brilliant World of Tom Gates* is guaranteed to have readers in stitches!

War and Revolution

Miljenko Jergovic's remarkable debut collection of stories, *Sarajevo Marlboro* – winner of the Erich Maria Remarque Peace Prize – earned him wide acclaim throughout Europe. Croatian by birth, Jergovic spent his childhood in Sarajevo and chose to remain there throughout most of the war. A dazzling storyteller, he brings a profoundly human, razor-sharp understanding of the fate of the city's young Muslims, Croats, and Serbs with a subterranean humor and profoundly personal vision. Their offbeat lives and daily dramas in the foreground, the killing zone in the background.

My Family Right Or Wrong

Oksa Pollock has discovered that she's the queen of the magical land of Edefia. As if that wasn't enough for any thirteen-year-old to be dealing with, her mother is still desperately ill and now her best friend, Gus, has become trapped in the Forest of Lost Souls. In the forest the group, Oksa and a few fellow Runaways-including the moody, mysterious Tugdual, must all face their own personal demons, not to mention an assortment of horrific creatures, in a desperate attempt to bring Gus back alive.

Anyone But Ivy Pocket

Identifies key gods, goddesses, heroes, heroines, themes, and symbols from the mythologies of the world.

The Growing Pains of Adrian Mole

Dieses Buch ist bahnbrechend im Bereich der Buchwissenschaft. Die Autorin bestimmt sowohl Begriffe aus dem traditionellen Buchwesen als auch Modifikationen von Buchdefinitionen, die unter dem Einfluss der Informationstechnologie entstanden. Ebenso werden aber auch ganz neue und für das elektronische Verlagswesen charakteristische Begriffe diskutiert. Die Autorin verweist auf und analysiert bedeutende Änderungen im Buchsektor, u.a. die zunehmend unerlässliche Zusammenarbeit von Bibliothekaren, Verlegern, Buchhändlern, Juristen und Informatikern in den Bereichen -der bibliographischen Kontrolle, -des Urheberrechts, -der Identifikationssysteme -und des Vertriebs und Lesens von elektronischen Büchern. The book is a pioneering work. It defines the concepts used in the traditional book sector as well the alterations and modifications resulting from the influence of information technology. It also contains definitions of completely new terms characteristic of e-publishing. It addresses important changes in the book sector and consequently is pointing out to the increasingly growing demand of cooperation between librarians publishers, booksellers, lawyers and information scientists in the fields of -bibliographic control, -copyright, -identification, -distribution and reading of e-books. The author concludes that the complementary characteristics of printed and electronic books ensure the future of the concept of the book.

A Man Called Ove

The capacity to understand and communicate health information is a major international health concern. Sponsored by the Health and Biosciences Section of International Federation of Library Associations, this book highlights the contribution that librarians are making to improving health literacy and enabling citizens to be active participants in the management of their own health. Knowledge is power and the World Health Organization recognizes that health literacy, involving effective access to and understanding of health information, is essential to health and well-being in society by empowering and enabling citizens to participate in their own healthcare. The book presents inspiring studies from an international group of authors showing how libraries and librarians are partnering with diverse sectors of society including universities, hospitals, public health clinics, community-based organisations, voluntary bodies and government agencies, to help citizens understand and manage their health. It provides guidance by example to suggest how libraries can help citizens participate in their healthcare and their communities by collaborating with others to increase health literacy in society.

Koprivko

As a young girl, Hillary Diane Rodham's parents told her she could be whatever she wanted--as long as she was willing to work for it. Hillary took those words and ran. In a life on the front row of modern American history, she has always stood out--whether she was a teen campaigning for the 1964 Republican presidential candidate, winning recognition in Life magazine for her pointed words as the first student commencement speaker at Wellesley College, or working on the Richard Nixon impeachment case as a newly minted lawyer. For all her accomplishments, scrutiny and scandal have followed this complex woman since she stepped into the public eye—from her role as First Lady of Arkansas to First Lady of the United States to becoming the first female U.S. senator from New York to U.S. secretary of state. Despite intense criticism, Hillary has remained committed to public service and dedicated to health-care reform, children's issues, and women's rights. Now, she aspires to a bigger role: her nation's first woman president. In *Hillary Rodham Clinton: A Woman Living History*, critically acclaimed author Karen Blumenthal gives us an intimate and unflinching look at the public and personal life of Hillary Rodham Clinton. Illustrated throughout with black-and-white photographs and political cartoons, this is a must-have biography about a woman who has fascinated--and divided--the public, who continues to push boundaries, and who isn't afraid to reach for one more goal. "After decades in the public eye, Hillary Rodham Clinton is still an enigma, as Blumenthal (*Tommy: The Gun That Changed America*) emphasizes in this compelling portrait of the former U.S. Senator and Secretary of State's journey from budding activist to presidential aspirant." —Publishers Weekly, starred review
