The Crinkled Children of Orion

The printing of this book is a limited edition, pointed mainly toward some students in my past writing classes who stay in touch, and some in a planned future class. There is a spread of characters and range of situations and experiences.

Children of Orion

There is another race of people inhabiting our world. They are not identical to us - although we are closely enough related to interbreed. They go largely unseen and unknown - although occasionally there are reports from a select few eyewitnesses of encounters with them; or observations of their advanced craft and technologies; or half-remembered interactions at night in homes across the world by the general public, that are usually scrambled or unclear in the mind's eye. They have been here co-existing with us for millennia; influencing our spirituality, folklore and religious, philosophical and even political systems. They wield a sophisticated set of technological 'toys' that bedazzle and mesmerize us, confuse our senses and our recollective powers, allow them to walk through walls, become invisible at will and float soundlessly through the air. This book is an investigation into the long-term presence of a race of humanoid beings - different and yet disturbingly similar to us; that walk unchecked through our houses and gardens at night, lurk in our woodlands and remote places... and who move beneath our oceans and govern our dreams. We move through historical accounts of non-humanoid beings - from the Fairy Faith of Celtic lands, to the earliest accounts of 'aliens' and 'ETs' in the modern era, all the way to the contemporary cases of Charles Hall's Millennial Hospitality and Christopher Bledsoe's Fayetteville Incident - meditating on the similarities and apparent identical natures of these non-human entities throughout history and time. The Children of Orion are here... and with them come the answers to our past, to our present and to our future selves.

Children of Orion

The world is thrown into an ecological nightmare. From its ashes rises the Children of Orion. Called upon to end the reign of an evil warlord who intends to rule the new and unsteady world with his iron fist. The chase begins and the adventure of a lifetime does too. Join Shandar and his family as they live to bring justice to the Earth of the future.

Orion and the Dark

Orion is very scared of the dark—until Dark decides to pay him a visit! Orion is scared of a lot of things, but most of all he's scared of the dark. So one night the Dark decides to take Orion on an adventure. Emma Yarlett's second picture book combines her incredible storytelling and artwork with die-cut pages that bring the Dark to life.

Questing for Überjoy

They called her "Überjoy," but her real name was Joycelyn Eberhard. She was a finalist in the Miss Teen Idaho beauty pageant, but now she's gone missing—in China, no less. Her fiancé, Orion, worried when she signed up for the Peace Corps, but he never expected something like this. Her disappearance is shattering to him, so he has no choice but to head overseas and search for the woman he loves. His search takes him to the remote Himalaya Mountains in Nepal and Tibet, where getting help from local authorities is not as easy as he would have hoped. He is forced to seek assistance elsewhere, from intrepid special operations mercenaries and unorthodox mountaineering guides. Soon, Orion's search targets not only his fiancé, but the meaning of life itself. Set in the mountains of China—where earth meets sky in more ways than one—Questing for Überjoy is a quest for love. It is also a quest for meaning, as Eastern culture surrounds heroic Orion and teaches him more about himself than any experience in America. One moment philosophical and the next filled with danger, it is a story that could change your life and send you on your own quest for mountaintop enlightenment.

Crinkle, Crinkle, Little Star

Take an interactive journey through the night sky in an innovative, tactile board book, a special book that engages three senses—seeing, touching, and hearing. With its gorgeous, full-spread illustrations of constellations and beloved bedtime lullaby reimagined, Crinkle, Crinkle, Little Star is the perfect book to rock babies to sleep. Here's Taurus the bull, strong and fast. Cetus the whale, waving a mighty tail. Orion, with bow and arrow in hand. Babies can trace the imaginary lines that turn random stars into ancient constellations—and, in a special treat, create a crinkling sound by tracing the channel of shimmery material underneath the last illustration in the book. That same mysterious, compelling crinkling sound persists when baby and parents hold the book and rub the crinkly material on the back cover.

Orion's Messenger

"A dull, wet school holiday which has been so disappointing, is now drawing to a close for Alex. All this changes when an unexpected visit to the Great Museum of History with his eccentric aunt sets off a fantastic chain of events. Alex finds himself transported to a magical island faraway, in the midst of talking creatures, a kindly wizard and a magnificent golden eagle. Pitted against the dastardly schemes of The Grizzly Grumpot, find out what happens to Alex and his new friends when you step into this colourful world of adventure, mystery and spells that don't always work!"

The Journey of Moon and Orion, the Children who Spoke to the Stars

The book "The journey of moon and Orion, the children who spoke to the stars" is a collection of heartwarming stories that follow the journey of Luna, a curious and adventurous girl, and her friends Lumina and Orion, as they travel the world spreading light and hope to those in need. Each story in the book is like the previous one, filled with magical moments and sage advice from the stars. In addition to the engaging stories, the book includes beautiful illustrations that children can color in to make the stories come to life. There is also a section at the end of the book that invites children to write their own version of the story, allowing them to use their imagination and creativity to continue Luna's journey. "The journey of moon and Orion, the children who spoke to the stars" is a wonderful book for children who love to explore the wonders of nature, and for parents who want to share the message of hope and kindness with their children. With its engaging stories, colorful illustrations, and creative activities, this book is sure to become a beloved favorite among children and families alike.

Orion and the Dark

Orion is so scared of the dark, Dark decides to pay him a visit! Orion is scared of a lot of things, but most of all he's scared of the dark. So one night Dark decides to take Orion on an adventure. Emma Yarletts second picture book combines incredible illustrations and spell-binding storytelling with inventive die-cut pages that make Dark come to life in the hands of the reader!

Orion

Meg Murry and her friends become involved with unearthly strangers and a search for Meg's father, who has disappeared while engaged in secret work for the government.

A Wrinkle in Time

Always on the run and alone, Betsy Samuel never believed she would ever have a family, much less be mated. With scars covering her body and her heart, Betsy decides to trust the three warriors who seem to be working their way into her heart. But would they be able to accept all her hang-ups and the fact she has two other children out there somewhere? Would her Christmas be everything she dreamed of? Barry Zorn had failed his weru once before and he wasn't about to fail his meru. The small woman, Lacey's little sister, had a wall of stone around her heart, but he and his werus were bound and determined to tear the wall down and surround her with love, even if it meant catching a tiger by her tail. But could they give her the best gift possible, her missing children and the Christmas she's always dreamed of? London, a city of history, is the site of their bonding, but would it also be the birthplace of a new era for their large family and heal recent wounds for the women that have given their hearts to these worriers?

A Christmas Tail

When Orion Drakos was told that not only was a mysterious lady in the grove, but that she lived there, he knew that he must investigate even though she was likely the imagination of a child. After all, Nightshade Manor had been in his family for generations so certainly he would know if someone was living there. What he learns, however, is that the lady isn't the only secret that had been kept from him. Lady Nina Jourdain has lived in the sacred grove of Nightshade Manor for most of her life. For the most part she had been content. She also could not leave.

Lady in the Grove (Magic & Mystery #1)

Aliens, Conspiracy, and the Revelation of Truth The Orion Conspiracy is a fast paced, entertaining tale of Charles and Ceci's worst nightmare regarding the reptilian agenda. With their dreams haunted by strange, sinister alien beings, and their unborn baby's life in great danger, they have to act fast to find a way to defeat the threat. It is here that they happen across an unlikely savior, who shares with them a

simple truth that can free them from even the torturous threat of the alien race. In fact, it has the ultimate capacity to free them from any threat, no matter how huge, no matter how immediate, no matter how unlikely. Fact, or Fiction? Based on a true story, the message of *The Orion Conspiracy* is one which offers the potential for great meaning and benefit to absolutely anyone who reads it. It holds within a universal truth that offers complete freedom and peace. The title boasts a foreword by Joey Lott, and anyone who has ever read any of Lott's other books will be on familiar ground with the notion of simple acceptance and the welcoming of all experience, no matter how frightening, being the only path to true freedom. With a fantastic mix of both action, entertainment, and simple truth, this book has it all. Download your copy today, and you too can discover the long-term benefit of a freedom greater even than imagination itself!

The Orion Conspiracy

The truth could destroy them, or bind them together forever. Rapheus Giannopoulos has a reputation for being emotionally void and unavailable. When it comes to women and dating, physical gratification is all he is after. But Raph is forced to navigate through a sea of mixed emotions when his grandfather's deathbed confession sends him into a world, and to a family, he knew nothing about, and to a woman who brings him to his knees. In business, Xiomara Davenport exudes confidence. Not so in relationships. She has been used, betrayed, and humiliated by men who promised to love her. Hiding behind the walls that surround her heart, Xio has all but given up on love. But both her confidence and defenses are shaken to the core when a rival threatens to destroy the life she has built, and a handsome stranger makes her question what she thinks she knows about herself. From New York Times and USA Today Bestselling Author Ana E Ross comes a heart-wrenching, sexy new billionaire romance to make you believe that even in the darkest moments, love is possible.

Seduced by Passion

My sister Rose lives on the mantelpiece. Well, some of her does. A collarbone, two ribs, a bit of skull, and a little toe. To ten-year-old Jamie, his family has fallen apart because of the loss of someone he barely remembers: his sister Rose, who died five years ago in a terrorist bombing. To his father, life is impossible to make sense of when he lives in a world that could so cruelly take away a ten-year-old girl. To Rose's surviving fifteen year old twin, Jas, everyday she lives in Rose's ever present shadow, forever feeling the loss like a limb, but unable to be seen for herself alone. Told with warmth and humor, this powerful novel is a sophisticated take on one family's struggle to make sense of the loss that's torn them apart... and their discovery of what it means to stay together.

My Sister Lives on the Mantelpiece

Set several years after *RAINBOW BRIDGE*, England is ruled by a foreign power. Heidi has been her parents' carer for many years, but when her mother apparently murders her father she is sent to work as an Indentured Teen in a remote coastal village. As she explores her new home and its mysteries, Heidi is convinced of her mother's innocence, and is determined to prove it. What secrets does the village hold? Are the other teenagers friends or foes? What creature creeps through the attics at night, and what power do the Carron-Knowells hold over the rest of the village's inhabitants? This is the sixth book in Gwyneth Jones' critically-acclaimed *BOLD AS LOVE* series.

Grasshopper's Child

'One of the most talented successors to Stephen King' *DAILY MAIL* A psychotic patient with two impossible claims. A leading forensic psychiatrist on the edge. It's not just Dr. Dominick's career that's in danger... Forensic psychiatrist Dr. Lily Dominick has evaluated the mental states of some of the country's most dangerous psychotics. But today's client - a man with no name, accused of the most twisted crime - struck her as different from the others, despite the two impossible claims he made. First, that he is more than two hundred years old and personally inspired Bram Stoker, Mary Shelley and Robert Louis Stevenson in creating the three novels of the nineteenth-century that define the monstrous in the modern imagination. Second, that he's her father. To discover the truth behind her client, Dr. Dominick must embark on a journey that will threaten her career, her sanity, and ultimately her life. Taut, terrifying and impossible to put down, *The Only Child* is perfect for fans of Lauren Beukes and Stephen King. Praise for Andrew Pyper: 'One of the most talented successors to Stephen King' - *DAILY MAIL* 'A smart, thrilling, utterly unnerving novel' - *GILLIAN FLYNN*, author of *Gone Girl* 'Pyper is a master architect of dread' - *LAUREN BEUKES*, author of *The Shining Girls* 'Genuinely terrifying' -

SJ WATSON, author of *Before I Go To Sleep* 'Readers will undoubtedly make comparisons to Stephen King' LIBRARY JOURNAL

The Only Child

From the New York Times bestselling author of *With This Ring* comes a Wicked Worthington novel of love that defies reason... Intelligent and driven, Orion Worthington aspired to be like his mentor, the acclaimed scientist Sir Geoffrey Blayne. Logically, Sir Geoffrey's daughter would be Orion's perfect match. So why can't he keep his mind off the unruly girl who works in Sir Geoffrey's lab? Orphaned fire-cracker Francesca Penrose hopes that London is modern enough to accept her brilliant mind despite her womanhood. But she can't help noticing Orion's mind...or his body. So they decide to run an experiment: if they give in to their passions, their attraction will simply fizzle out, with no impact on their hearts...right?

Ebony

Bringing the Shovel Down is a re-imagination of the violent mythologies of state and power. "These poems speak out of a global consciousness as well as an individual wisdom that is bright with pity, terror, and rage, and which asks the reader to realize that she is not alone--that the grief he carries is not just his own. Gay is a poet of conscience, who echoes Tomas Tranströmer's 'We do not surrender. But want peace.'" --Jean Valentine "Ross Gay is some kind of brilliant latter-day troubadour whose poetry is shaped not only by yearning but also play and scrutiny, melancholy and intensity. I might be shocked by the bold, persistent love throughout *Bringing the Shovel Down* if I wasn't so wooed and transformed by it." --Terrance Hayes

Bringing the Shovel Down

'among the most significant works of science fiction released in recent years' TOR.COM An extraordinarily inventive and hugely original SF novel that charts a compelling vision of a future and spins an hypnotic narrative around it. A novel that could command the same amount of attention and furore that met the publication of *The Quantum Thief*. The richness and originality of its vision combined with its playful take on hard science make this a novel with real commercial potential that will be talked about for years and should launch a major career in SF. In the far future man has spread out into the galaxy. And diversified. Some have evolved physically into strange new forms, some have become immortal. Some hark back to the old ways. We have built a glorious new future. One that stretches from the sleepy Old World, to new terraformed planets and Dyson spheres built around artificial suns. For as long as we can remember (and some have lived 12,000 years) we have delighted in a rich new existence. Yes there have been wars but we are content in our splendour. Art is revered, life is easy, death forgotten for many. But now there are rumours of a bid to oust the Emperor and a worrying story that our history is not as we remember it - not only man left Earth...

The Promise of the Child

Colbey, last of the Renshai, has completed his duties in the mortal world. Now he must face the Seven Tasks of Wizardry and learn whether he is truly the next Western Wizard, the keeper of neutrality. But even as he endures these god-controlled challenges, he learns there is an eighth, far more dangerous task. Dangerous not only to himself but to the worlds of both humans and gods. And even if he survives it, there are those among the gods, wizards and mortals alike who will unite against him - and their actions could catalyse destruction on a scale never yet conceived. Each volume of *The Last of the Renshai* is a stand-alone adventure; they can also be read in sequence. Centred on the adventures of a lone hero, they form an engrossing sword-and-sorcery epic

Child Of Thunder

You trust your family. They love you. Don't they? When 17-year-old Eva Olsen awakes after a horrific accident that has left her bedbound, her parents are right by her side. Devoted, they watch over her night and day in the attic room of their family home in the forests of Norway. But the accident has left Eva without her most recent memories, and not everything is as it seems. As secrets from the night of the accident begin to surface, Eva realises - she has to escape her parents' house and discover the truth. But what if someone doesn't want her to find it? Praise for *LAKE CHILD*: 'Had me gripped throughout.' Ian Rankin 'Satisfying on every level.' Elly Griffiths 'Fiendishly clever' *Red* magazine 'Beautifully crafted and satisfying' Mari Hannah 'Tense, edgy and nerve-wracking' Helen Fields

Lake Child

Grit your teeth world; Danny Baker is going in dry! 'Death In The Key Of Life' is like a long sustained Coltrane saxophone solo. It caresses, it brutalises, it honks and bleats (in)articulately, it pleads for meaning, it spits on the world. Often all on the same page. Many have tried to give expression to the inexpressible - Joyce, Artaud, Beckett. Danny Baker is the first person who might just have pulled it off.

Death In The Key Of Life

The mortal kingdoms are caught up in a shared catastrophe, cursed with sterility by the magic of the dark elves. Still, what elves have caused they may perhaps put right. Humanity's last hope hinges on a magical talisman-the Pica Stone. One of only nine solid objects ever created by magic, the Pica Stone was shattered in the days of the last Wizards. But when Captain, oldest of the elves, joins with his fellow light elves to work a spell to draw together all the scattered pieces of this legendary gem, eight shards remain missing, lost on worlds throughout the planes of existence. The elves spell-shift a party of questers to each of these worlds to find the shards. Among the chosen are the Renshai warrior Kevral, her husband Ra-khir the knight, and Tae, a newly made prince and former thief. Each world offers unique challenges, but with the extinction of the human race as the price of failure, there can be no turning back....

The Children of Wrath

Wilbur Smith sets his vividly realistic novels on the razor's edge between human courage and nature's wrath. In *Hungry As The Sea*, this master storyteller takes us to the frigid South Atlantic, where one man fights for his life-- and for redemption. Nicholas Berg is steaming out of Cape Town aboard the salvage tug *Warlock*. Once Berg ruled an ocean-going empire. Now, his future has come down to a powerful boat and a daring rescue mission. One of his former ships is being lashed against the cliffs of Cape Alarm, surrounded by deadly icebergs and survivors clinging to their boats. Berg has gambled everything on reaching the *Golden Adventurer* before a competitor and a violent storm-- to win a fortune in salvage fees. But if Nick Berg succeeds, and climbs back into the international shipping game, that's when the real danger will begin... From the power of a relentless ocean to the hunger of men to survive upon her, this is a towering novel of adventure, love and the daring of the human soul.

Magazine Digest

In the first volume, *DAUGHTER OF THE REEF*, Tepua, the daughter of an atoll chief is stranded in an unknown island called Tahiti. Despite adversity and peril, she has made a life and found passion. In the second volume, *SISTER OF THE SUN*, she returns to her home atoll to find trouble brewing. She faces challenges both brutal and overwhelming as a band of foreigners ruins the mystical beauty

of her island and unleashes the savagery at the heart of her homeland. In the third volume, CHILD OF THE DAWN, Tepua returns to her heart's home, Tahiti, only to discover that a stranger has come, overthrowing traditions and deposing the high chief. All who would oppose him have been driven away or killed and war has found a home in Tahiti. Tepua, though, is carrying the seed of a new beginning, a child she has been forbidden to bear--and she will do whatever she must to protect the child and the future of her people.

Report

A precise and passionate collection by a brave new voice in poetry.

Hungry as the Sea

Two years after the death of Her mate, Lamia has returned to MacTire & built herself an empire. She crosses paths with the ruthless and cold king of the bears, who is holding her father hostage. Unforgiving & cold-blooded Mathias, king of the bears has no interest in a mate until the moon goddess sent him a little, she-wolf. When past & present collide lamia & Mathias are forced to work Together. Can Lamia & Mathias survive each other, Unite all shifters & defeat the Evil that is coming for them Will Lamia find her happy ever after?

Child of the Dawn

Tehran, 1983. A city paralysed by fear, its people silenced. And the beating heart of the regime is Evin prison. Yet even within its walls three women dare to dream of a life beyond tyranny. Azar gives birth to her daughter in captivity. One day the guards simply take her child from her. Parisa yearns for her tiny son, growing up a few miles away but completely out of reach. And Firoozeh, broken by cruelty, has turned her back on everything she was fighting for. But even in the most desolate places hope can take root . . .

Of Gravity & Angels

When he's down, kick for the head and groin. Avoid cops. Play it cool. There aren't many rules in the primer for gang kids, but they all count. They're all easily understood, because they use a simple and sound philosophy - it's a stinking life, so get your kicks while you can. The gang is home, take what you want, tell them nothing - and don't get caught. Two gangs of juvenile delinquents run riot in New York City. They constantly try to outdo each other with their clothes, weapons, language and lack of morals. They are not just kids playing at war - they mean business. The only person who can infiltrate the gang is someone they can trust, someone like themselves. Someone who knows how to handle a knife and a gun. . .

Rise of a Queen

A terrible truth about her birth mother propels seventeen-year-old Alessandra Gunter to a faraway land of equestrian warriors where an unseen adversary lies in wait. Will Alessandra receive a gift from the mother she's come to despise in time to save the Magi from yet another reign of terror?

Children of the Jacaranda Tree

New York Times best seller Ever since Gabrielle Stanley Blair became a parent, she's believed that a thoughtfully designed home is one of the greatest gifts we can give our families, and that the objects and decor we choose to surround ourselves with tell our family's story. In this, her first book, Blair offers a room-by-room guide to keeping things sane, organized, creative, and stylish. She provides advice on getting the most out of even the smallest spaces; simple fixes that make it easy for little ones to help out around the house; ingenious storage solutions for the never-ending stream of kid stuff; rainy-day DIY projects; and much, much more.

Children of the Streets

To escape the gods' revenge, Prometheus travels through time to a murky metropolis called Eden City. There he befriends a motley assortment of comic characters and learns what humans have done with his gift of fire.

Stones of Promise

Is love just something you find in books? Six months ago, writer and bookstore owner Maddie Hanson was left at the altar. Since then, she's had zero interest in romance—despite the fact that she runs a book club full of sexy eligible bachelors. But when her latest novel is panned by an anonymous blogger who goes by the name Silver Fox—and who accuses her of knowing nothing about passion—she decides to prove her nemesis wrong by seeking a romance hero in real life . . . There's the smoldering rock musician, the bookish college professor, and her competitive childhood friend who may want to steal her bookstore more than her heart. Even Silver Fox is getting in on the action, sending Maddie alarmingly—and intoxicatingly—flirtatious emails. And that's not all. Her ex wants her back. Now Maddie is about to discover that like any good story, life has twists and turns, and love can happen when you least expect it—with the person you least expect . . . Praise for Mary Ann Marlowe's *Some Kind of Magic* "Marlowe makes a name for herself in this hilarious and sexy debut." —Booklist "Frisky, Flirty Fun!" —Stephanie Evanovich, New York Times bestselling author of *The Total Package* "Fun, romantic and sexy. . . This love story will make readers smile!" —RT Book Reviews "Sexy, engaging and original. . . An amazing first novel." —Sydney Landon, New York Times bestselling author of *Wishing for Us*

Imagine that all the great discoveries of Ancient Egypt had happened in the last few years...and you will have some conception of the great excitement over recent finds in Peru Peru wears its ancient cultures wrapped around in layers, like one of the mummified bodies so well preserved by the nitrates of its deserts. After his acclaimed book on the Incas, *The White Rock*, Hugh Thomson unwraps those layers to show how civilisation emerged so early and so spectacularly in this toughest and most arid of terrains. Many of the extraordinary cultures of Ancient Peru, from the lines of Nasca to the temple-cult of Chavín, buried in the mountains, and the great pyramids of the coast, have only started to give up their secrets and antiquity in just the last few years. Hugh Thomson has been at the forefront of some of these discoveries himself, having made headlines with his work near Machu Picchu. Now he takes the reader on a journey back from the world of the Incas to the first dawn of Andean civilisation, to give an immensely personal and accessible guide to the wonders that have been revealed.

They Came On Viking Ships

Can enemy warriors become your friends? A story of adventure in a new land When Vikings raid and destroy a small coastal village, Hekja and her dog, Snarf, are captured and taken to Greenland. In this harsh and cold land, Hekja becomes a thrall - a slave - to Freydis Eriksdottir, daughter of the infamous Erik the Red. Hekja's fiery determination earns her the respect of her mistress. But Hekja's journey was just the beginning, as she and Snarf and other colonists join their leader, Freydis, on a voyage to Vinland to establish a new settlement where more perilous adventures await them... AWARDS Shortlisted - Young People's History Prize, NSW Premier's History Awards (2006)

They Came on Viking Ships

As a puppy, Snarf is fortuitously rescued by a young girl called Hekja when he is badly injured. Their simple but happy lives are changed unrecognisably when their village is raided by Vikings. This work is suitable for children aged 10-14.

Slave Girl

When Vikings raid and destroy a small coastal village, Hekja and her dog, Snarf, are captured and taken to Greenland. In this harsh and cold land, Hekja becomes a slave, to Freydis Eriksdottir, daughter of the infamous Erik the Red. Hekja's fiery determination earns her the respect of her mistress. But Hekja's journey is just beginning, as she and Snarf and the other colonists join their leader, Freydis, on a voyage to Vinland to establish a new settlement where more perilous adventures await them. Story based on real events told in the Gräenlendinga Saga and Eirik's Saga, about two hundred years after they happened. Suggested level: secondary.

Somewhere around the Corner

Just shut your eyes and picture yourself walking around the corner. that's what my friend told me. Somewhere around the corner and you'll be safe. the demonstration was wild, out of control. Barbara was scared. She saw the policeman running towards her. She needed to escape. She closed her eyes and did precisely that: she walked somewhere around the corner - to another demonstration - to another time. Barbara was lucky she meet young Jim who took her out of this strange, frightening city to his home. It was 1932, when Australia was in the grip of the depression, and Jim lived in a shantytown. But Barbara found a true friend and a true home - somewhere safe around the corner. Ages 12+

My Mum the Pirate

Whoever said having a pirate for a mum was fun? Cecil's mum wears long black boots and an even longer sword, and she makes her enemies walk the plank. Putrid Percival serves sea monster soup for dinner when Cecil would rather eat pizza. And Filthy Frederick stinks - but hey, he's good at maths, and nobody's perfect! Cecil gets seasick and all he wants is a normal life. With parent-teacher night looming, Cecil is worried. Will the crazy crew of the good ship Mermaid and his pirate mum ruin his street cred? But when flood waters strike and Bandicoot Flats Central School is in danger, who will save the students and teachers from the perils of the rising waters? the wacky talents of Jackie French and Stephen Michael King will delight younger readers as way-out and wild adventures unfold in the Wacky Family series. Ages 7+

The Girl from Snowy River (The Matilda Saga, #2)

In the tradition of The Man from Snowy River comes a gripping and courageous sequel to A Waltz for Matilda The year is 1919. Thirty years have passed since the man from Snowy River made his famous ride. But World War I still casts its shadow across a valley in the heart of Australia, particularly for orphaned sixteen-year-old Flinty McAlpine, who lost a brother when the Snowy River men marched away to war. Why has the man Flinty loves returned from the war so changed and distant? Why has her brother Andy 'gone with cattle', leaving Flinty in charge of their younger brother and sister and with the threat of eviction from the farm she loves so dearly? A brumby muster held under the watchful eye

of the legendary Clancy of the Overflow offers hope. Now Flinty must ride to save her farm, her family and the valley she loves. Set among the landscapes of the great poems of Australia, this book is a love song to the Snowy Mountains and a tribute to Australia's poets who immortalised so much of our land. The Girl from Snowy River combines passion, heartbreak, history and an enduring love and rich understanding of our land. PRAISE FOR A WALTZ FOR MATILDA '... this absorbing saga abounds in social and historical detail' -- Magpies

A Day to Remember

ANZAC Day seen through the eyes of generations of Australians. Ages: 7-12 Anzac Day is the day when we remember and honour Anzac traditions down the ages, from the first faltering march of wounded veterans in 1916 to the ever increasing numbers of their descendants who march today. Containing reference to the many places the ANZACs have fought, and the various ways in which they keep the peace and support the civilians in war-torn parts of the world today, this is a picture book that looks not only at traditions, but also the effects of war.

The Horse Who Bit a Bushranger

An exciting new tale of a brumby, a boy and a bushranger in the Animal Stars series. A story of survival, second chances ... and a dance with danger. Young Billy Marks is a pickpocket, transported to the penal colony of New South Wales. He reckons he'll become a bushranger - but that's before he's had a chance to see the bush up close. And when he buys the big white brumby stallion, covered with scars but refusing to bend to any man's will, he knows he made the right choice. Billy's daughter Mattie Jane thinks her father can ride any horse who ever lived ... and so can she! But when tragedy strikes, the Marks clan, including Mattie's beloved horse, Rebel Yell, will need all their courage to keep the family together. The deeds and disputed stories of Jackie French's own ancestors inspire another novel - a tale of proud horses, trailblazing farmers and their resilient wives, and desperate men forced to break the law to survive. PRAISE FOR ANIMAL STARS SERIES: 'beautifully written ... a significant addition to the books about Gallipoli' - ReadPlus.com.au 'marvel at Jackie French's versatility and her skill in making the past live for young readers' - Magpies

Pennies for Hitler

'HISTORICAL FICTION AT ITS BEST' -- Bookseller & Publisher It's 1939, and for Georg, son of an English academic living in Germany, life is full of cream cakes and loving parents. It is also a time when his teacher measures the pupils' heads to see which of them have the most 'Aryan'- shaped heads. But when a university graduation ceremony turns into a pro-Nazi demonstration, Georg is smuggled out of Germany to war-torn London and then across enemy seas to Australia where he must forget his past and who he is in order to survive. Hatred is contagious, but Georg finds that kindness can be, too. A companion piece to the best-selling Hitler's Daughter, this is a story of war-torn Europe during WWII, as seen through the eyes of a young German boy Georg, who loses his family and must forget his past and who he is in order to survive. MORE PRAISE FOR PENNIES FOR HITLER 'Jackie French's research and subsequent feeling for the era is superb the descriptions of wartime Australia alone are fascinating. This is historical fiction at its best and thoroughly recommended for upper primary children and beyond.' -- Bookseller & Publisher, 5 Star Review 'From its dramatic opening sequence to its one word conclusion 300 pages later, this is an absorbing story rich with details of everyday life' -- Canberra Times 'This striking fiction for school age readers gives an unflinching view of war and a close-up human perspective on asylum seekers.' -- Saturday Age

Ming and Flo Fight for the Future (The Girls Who Changed the World, #1)

An empowering and exhilarating look at the girls who went before us, and the way they shaped the world. Twelve-year-old Ming Qong is convinced that girls must have changed the world, even if they are rarely mentioned in history books. So when Ming gets the chance to go back in time, she imagines herself changing destinies from a glittering palace or an explorer's ship. Instead, she ends up in Australia in 1898, living a tough life as Flo Watson on a drought-stricken farm. Luckily, Ming is rescued by Flo's Aunt McTavish. Wealthy Aunt McTavish belongs to Louisa Lawson's Suffragist Society, who are desperately and courageously fighting for women's rights. And Ming is determined to get involved, to make a difference. But change is never easy, so how can one girl change the world? From one of Australia's favourite writers comes an inspiring new series for all the young people who will, one day, change the world. Middle Passage

Celebrating Fifty Years of Picador Books Winner of the National Book Award 1990 The Apocalypse would definitely put a crimp in my career plans. Rutherford Calhoun, a puckish rogue and newly freed slave, spends his days loitering around the docks of New Orleans, dodging debt collectors, gangsters, and Isadora Bailey, a prim and frugal woman who seeks to marry him and curb his mischievous instincts. When the heat from these respective pursuers becomes too much to bear, he cons his way on to the next ship leaving the dock: the Republic. Upon boarding, to his horror he discovers that he is on an illegal slave ship embarking on the Middle Passage, the portion of the triangular trade route that saw slaves transported from Africa to the US. Staffed by a crew of criminals and degenerates, the Republic is on a mission to enslave members of the legendary Allmuseri tribe, while the sadistic yet philosophical Captain Falcon has a secondary objective: securing a mysterious cargo that possesses a terrifying and otherworldly power. What follows is a story of Rutherford's battle for survival, as he finds himself juggling loyalties between the ship's crew and the enslaved passengers, and is forced to use every ounce of the charm and cunning that he possesses to endure the desperate conditions and battle the myriad deadly forces on the high seas. A masterful blend of allegory, black comedy, naval adventure and supernatural horror, Charles Johnson's wildly inventive Middle Passage is a true modern classic. Part of the Picador Collection, a series showcasing the best of modern literature.

Jackie French's Chook Book

Use this book, and you will love chickens too: love to keep them, scratching about in your own backyard; love to eat them, prepared from one of Jackie's many mouth-watering chicken-and-egg recipes. This completely revised edition's sections on poultry keeping and management have been greatly expanded, and are now illustrated with almost 100 full-colour photographs. It is bigger, better and always in demand. Over 35,000 copies of the first edition sold.

One Big Wacky Family

A collection of four favourites from the Wacky Families series. there's no such thing as a normal family! But some are wackier than others... Cecil's Mum wears long black boots and carries a sword; Gunk's dog Spot loves lettuce and seems to be growing awfully big, awfully fast; Horace's Dad has silver wings and a green and orange tail; and tom's family circle includes a Senior Bogeyman, a tooth Fairy's assistant and a large and hairy best friend called Mog. Fortunately for tom, his Uncle Gus is great at proving the old saying that small people can make a big difference. With drawings by award-winning illustrator Stephen Michael King, this collection of four hilarious Wacky Family stories is guaranteed to delight younger readers. Containing: My Mum the Pirate My Dog the Dinosaur My Dad the Dragon My Uncle Gus the Garden Gnome Ages: 7 - 10

Reading Jackie

Jacqueline Kennedy Onassis never wrote a memoir, but she told her life story and revealed herself in intimate ways through the nearly 100 books she brought into print as an editor at Viking and Doubleday during the last two decades of her life. Many Americans regarded Jackie as the paragon of grace, but few knew her as the woman sitting on her office floor laying out illustrations, or flying to California to persuade Michael Jackson to write his autobiography. William Kuhn provides a behind-the-scenes look at Jackie at work: commissioning books and nurturing authors, helping to shape stories that spoke

to her. Based on archives and interviews with her authors, colleagues, and friends, *Reading Jackie* reveals the serious and the mischievous woman underneath the glamorous public image.

Women Writers and Old Age in Great Britain, 1750-1850

This groundbreaking study explores the later lives and late-life writings of more than two dozen British women authors active during the long eighteenth century. Drawing on biographical materials, literary texts, and reception histories, Devoney Looser finds that far from fading into moribund old age, female literary greats such as Anna Letitia Barbauld, Frances Burney, Maria Edgeworth, Catharine Macaulay, Hester Lynch Piozzi, and Jane Porter toiled for decades after they achieved acclaim -- despite seemingly concerted attempts by literary gatekeepers to marginalize their later contributions. Though these remarkable women wrote and published well into old age, Looser sees in their late careers the necessity of choosing among several different paths. These included receding into the background as authors of "classics," adapting to grandmotherly standards of behavior, attempting to reshape masculinized conceptions of aged wisdom, or trying to create entirely new categories for older women writers. In assessing how these writers affected and were affected by the culture in which they lived, and in examining their varied reactions to the prospect of aging, Looser constructs careful portraits of each of her Subjects and explains why many turned toward retrospection in their later works. In illuminating the powerful and often poorly recognized legacy of the British women writers who spurred a marketplace revolution in their earlier years only to find unanticipated barriers to acceptance in later life, Looser opens up new scholarly territory in the burgeoning field of feminist age studies.

Who Really Won the Battle of Marathon?

The Battle of Marathon in 490 BC, where an Athenian-led Greek force defeated a Persian invasion, is one of the most decisive battles in Antiquity and has been studied for centuries. It is famed as a triumph of the Greek hoplite heavy infantry phalanx against massively superior Persian numbers. But this exciting re-assessment of the evidence, including new archaeological findings, overturns many long-held assumptions. In particular the authors argue that the Greek numerical inferiority was less marked than previously thought, largely because the hoplites were accompanied by many light infantrymen who are given unprecedented credit for their role in the fighting. The contribution of these poorer citizens, it is argued, led to the immediate strengthening of democracy in Athens. The authors also tackle the much-debated mystery of the whereabouts of the Persian cavalry, generally thought to have been absent on the day of battle. Their bold answer is that it was not only present but played a central role in the fighting. However, the Greeks managed to defeat the Persian cavalry by their ingenious use of the terrain. Karyanos and Lagos also claim to have located the site of the Greek camp. This thoroughly researched and compelling re-assessment is an exciting new take on this justly famous event.

Refuge

When a boat carrying a group of asylum seekers is sunk by a freak wave, Faris wakes from the shipwreck in an Australia he's always dreamed of. There are kangaroos grazing under orange trees and the sky is always blue. On a nearby beach, Faris meets a group of young people who have come from far different times and places. They are also seeking refuge, and each has their own story of why they had to leave their own story of why they had to leave their country to make a new life for themselves. It is only when Faris chooses to return to 'real life' and find his father in Australia that he learns the extraordinary truth about the friends he made in the golden beach. From one of Australia's best-loved authors comes a remarkable story about Australia's long history of migration and the people who make up our country.

Best Kept Secret

Captivating and suspenseful, Best Kept Secret is the third novel in international bestseller Jeffrey Archer's outstanding Clifton Chronicles. It sees our hero Harry Clifton and Giles Barrington, brother of Harry's beloved wife Emma, become entwined in the fate of the Barrington family fortune. It is 1945 and the House of Lords' vote on who should inherit the Barrington estate ends in a tie, casting a long shadow on the lives of those involved. Author Harry begins to promote his novel, whilst Emma, after her father's mysterious death, searches for the girl found abandoned in his office on the night he died. Politician Giles defends his seat in the House of Commons and finds not only his future but his family's fortune at stake. Ultimately his fate is dictated by Harry's son Sebastian, even as Sebastian himself becomes embroiled in an international art fraud. As they move out of the shadows of war, a new generation of Cliftons and Barringtons comes to the fore, and a thrilling new episode of Jeffrey Archer's captivating family saga begins. The View from Saturday

From the Newbery Medal–winning author of the beloved classic *From the Mixed-Up Files of Mrs. Basil E. Frankweiler* comes four jewel-like short stories—one for each of the team members of an Academic Bowl team—that ask questions and demonstrate surprising answers. How had Mrs. Olinski chosen her sixth-grade Academic Bowl team? She had a number of answers. But were any of them true? How had she really chosen Noah and Nadia and Ethan and Julian? And why did they make such a good team? It was a surprise to a lot of people when Mrs. Olinski's team won the sixth-grade Academic Bowl contest at Epiphany Middle School. It was an even bigger surprise when they beat the seventh grade and the eighth grade, too. And when they went on to even greater victories, everyone began to ask: How did it happen? It happened at least partly because Noah had been the best man (quite by accident) at the wedding of Ethan's grandmother and Nadia's grandfather. It happened because Nadia discovered that she could not let a lot of baby turtles die. It happened when Ethan could not let Julian face disaster alone. And it happened because Julian valued something important in himself and saw in the other three something he also valued. Mrs. Olinski, returning to teaching after having been injured in an automobile accident, found that her Academic Bowl team became her answer to finding confidence and success. What she did not know, at least at first, was that her team knew more than she did the answer to why they had been chosen.

The Dog Who Loved A Queen

Book 2 in the Animal Stars series - where history comes alive through the eyes of special animals. To outsiders, Mary is a queen and a threat, but to her devoted dog Folly, she is his world. To the world outside her luxurious prison, Mary Queen of Scots was either a shameless beauty who killed her husband, or the rightful Queen of England and Scotland, tragically held captive by Elizabeth I. But to the dog who loved her, Mary was simply his mistress, and the centre of his world. While Mary desperately plotted to seize both her freedom and the throne, her dog Folly's world is one of chasing mice behind the tapestries and enjoying turkey legs with quinces for supper. Until the day comes when they try to take his Queen away ... Based on the true story of the dog who was with Mary when she died, *The Dog Who Loved a Queen* is a fascinating tale of religious bigotry, plots and passion - and the unquestioning loyalty of a small Scottish terrier.

The 33 Strategies Of War

The third in Robert Greene's bestselling series is now available in a pocket sized concise edition. Following *48 Laws of Power* and *The Art of Seduction*, here is a brilliant distillation of the strategies of war to help you wage triumphant battles everyday. Spanning world civilisations, and synthesising dozens of political, philosophical, and religious texts, *The Concise 33 Strategies of War* is a guide to the subtle social game of everyday life. Based on profound and timeless lessons, it is abundantly illustrated with examples of the genius and folly of everyone from Napoleon to Margaret Thatcher and Hannibal to Ulysses S. Grant, as well as diplomats, captains of industry and Samurai swordsmen.

Viking Tales

Skald's at one time were the one that passed down the ancient stories among the Viking clans, trusting these famed story tellers to pass down the wisdom of past generations down to young and old alike. Within these pages are some of those stories told by the Icelandic skald's. Stories of their ancient heroes and the eventual journey west which brought them to their new volcanic and cold homes of Iceland.

The Goat Who Sailed The World

Captain Cook's goat is the first of many historical animals to bring the past to life. the HM Bark Endeavour is sailing to tahiti to map the transit of Venus, but there are rumours that once the task is completed, Lieutenant James Cook has a set of secret orders - orders that command him to search for the Great South Land. Isaac is twelve and has joined the crew of the Endeavour as a master's servant, good for scrubbing decks and not much else. He's certainly not considered good enough to fetch hay for the Goat who will provide fresh milk for Cook and his officers. And this goat even has more experience at sea than Isaac - she has already sailed around the world once, watching the ocean and lands slip by from her spot on the quarterdeck. Over the months on board the Endeavour, a friendship grows between the Goat and Isaac, one that will last through shipwreck, bushfire and illness. A friendship that helps in the discovery of exotic new lands ... Ages 9 - 13

The Camel Who Crossed Australia

The story of the famous Burke and Wills expedition ... as it has never been told before. The humans call him 'Bell Sing', but to the other camels he is known as 'He Who Spits Further Than the Wind'. Transported from the mountains and deserts of the 'Northwest Frontier' (present-day Pakistan and Afghanistan), Bell Sing accompanies explorers Burke and Wills as they try to cross Australia from south to north. Bell Sing has never had a high opinion of humans -- or horses. And this expedition is the worst-managed caravan he's ever been in. Camel handler Dost Mahomet and soldier John King are also beginning to wonder if their leader is competent ... or crazy. Bell Sing can smell water over the sandhills on the horizon ... and freedom too. Can the expedition succeed? And who -- if anyone -- will survive? This is the gritty and true story about one of the most extraordinary and iconic events in Australia's history. Macbeth and Son

While studying Macbeth at school, Luke shares Lulach's experiences in Alba in the eleventh century through dreams that are more real than his contemporary life. Sharing Lulach's experiences leads Luke to question the nature of truth--in history as well as in his own life.

A Year of Marvellous Ways

Marvellous Ways is eighty-nine years old and has lived alone in a remote Cornish creek for nearly all her life. Lately she's taken to spending her days sitting on a mooring stone by the river with a telescope. She's waiting for something - she's not sure what, but she'll know it when she sees it. Drake is a young soldier left reeling by the Second World War. When his promise to fulfil a dying man's last wish sees him wash up in Marvellous' creek, broken in body and spirit, the old woman comes to his aid. A Year of Marvellous Ways is a glorious, life-affirming story about the magic in everyday life and the pull of the sea, the healing powers of storytelling and sloe gin, love and death and how we carry on when grief comes snapping at our heels.

Don't be fooled. this wombat leads a very busy and demanding life. She wrestles unknown creatures, runs her own digging business, and most difficult of all - trains her humans. She teaches them when she would like carrots, when she would like oats and when she would like both at the same time. But these humans are slow learners. Find out how one wombat - between scratching, sleeping and eating - manages to fit the difficult job of training humans into her busy schedule.

Fire

One small spark brought fire awake Winding like a small black snake Fire flickered, fire crept Flames snickered, bushfire leapt... Inspired by the bushfires that have affected many Australians, Fire is a moving and sensitive story of a natural disaster as seen through the eyes of a cockatoo. The fire mercilessly engulfs homes and land, leaving a path of destruction. But from the ruins, courage, kindness and new life grows. A beautiful and timely expression of the strength of the Australian spirit during times of adversity.

Whose History?

Somebody once quipped that any work of Australian historical fiction is a 'burning fuse', travelling over decades through Australian culture and society. In some manner, every newly published Australian historical novel is connected to what it has preceded. Each work belongs to a proud history. Through multiple examples, Grant Rodwell encourages readers to see how a work of historical fiction has evolved. Thus, under various themes, WHOSE HISTORY? examines the traditions in Australian historical fiction, and ponders how Australian historical novels can engage teachers and student teachers. WHOSE HISTORY? aims to illustrate how historical novels and their related genres may be used as an engaging teacher/learning strategy for student teachers in pre-service teacher education courses. It does not argue all teaching of History curriculum in pre-service units should be based on the use

of historical novels as a stimulus, nor does it argue for a particular percentage of the use of historical novels in such courses. It simply seeks to argue the case for this particular approach, leaving the extent of the use of historical novels used in History curriculum units to the professional expertise of the lecturers responsible for the units.

Lilies, Lies and Love (Miss Lily, #4)

As the King of England wavers between duty and love, Sophie knows that she must choose duty. The year is 1936 and the new King Edward VIII wishes to marry American divorcee, and suspected German agent, Wallis Simpson. Top-secret documents that the king must read and sign are being neglected for weeks, and some are even turning up in Berlin. And as Germany grows its military might with many thousands of new fighter planes every year, Britain and its empire are under increasing threat. Can Miss Lily's most successful protege, Sophie Vaile, the Countess of Shillings, seduce the new king, prevent his marriage to Wallis Simpson, and turn him from fascism? And if a man can sacrifice his life for his country, should a woman hesitate to sacrifice her honour? Based on new correspondence found in German archives, *Lilies, Love and Lies* is a work of fiction. Or is it? In the fourth title in the Miss Lily series, Jackie French explores one of the most controversial events in history that saw the unthinkable happen when a king chose love over duty.

A Rose for the Anzac Boys

The 'War to end all Wars', as seen through the eyes of three young women War is being fought on a horrific scale in the trenches of France, but it might as well be a world away from sixteen-year-old New Zealander Midge Macpherson, at school in England learning to be a young lady. But the war is coming closer: Midge's brothers are in the army, and her twin, Tim, is listed as 'missing' in the devastating defeat of the Anzac forces at Gallipoli. Desperate to do their bit - and avoid the boredom of school and the restrictions of Society - Midge and her friends Ethel and Anne start a canteen in France, caring for the endless flow of wounded soldiers returning from the front. Midge, recruited by the over-stretched ambulance service, is thrust into carnage and scenes of courage she could never have imagined. And when the war is over, all three girls - and their Anzac boys - discover that even going 'home' can be both strange and wonderful. Exhaustively researched but written with the lightest of touches, this is Jackie French at her very best. The Lily and the Rose (Miss Lily, #2)

'The story is equal parts Downton Abbey and wartime action, with enough romance and intrigue to make it 100% not-put-down-able.' -- Australian Women's Weekly on Miss Lily's Lovely Ladies Australian heiress Sophie Higgs was 'a rose of no-man's land', founding hospitals across war-torn Europe during the horror that was WW1. Now, in the 1920s, Sophie's wartime work must be erased so that the men who returned can find some kind of 'normality'. Sophie is, however, a graduate of the mysterious Miss Lily's school of charm and intrigue, and once more she risks her own life as she attempts to save others still trapped in the turmoil and aftermath of war. But in this new world, nothing is clear, in politics or in love. For the role of men has changed too. Torn between the love of three very different men, Sophie will face her greatest danger yet as she attempts an impossible journey across the world to save Nigel, Earl of Shillings - and her beloved Miss Lily. In this sequel to the bestselling Miss Lily's Lovely Ladies,

Jackie French draws us further into a compelling story that celebrates the passion and adventure of an unstoppable army of women who changed the world.

Birrung the Secret Friend (The Secret History Series, #1)

The first in a new series that focuses on a secret part of our history From best-selling and award-winning author Jackie French comes a new series for younger readers called the Secret Histories. This first book in the series tells the story of a young indigenous girl Birrung who befriends orphaned Barney and his friend Elsie. Birrung is living with Mr Johnson, chaplain to the Australian colony in 1790, and his family. Generous in spirit, the Johnson family also take in Barney and Elsie who have only just been surviving on their meagre daily rations. Despite living with the Johnsons, Birrung's connection to her people remains strong, and when Mr and Mrs Johnson see how Barney's feeling for Birrung are growing, they gently explain that his friendship with a 'native' girl and all that she taught him about her language and lore must remain a secret - forever. Perfect for readers who loved the best-selling and award-winning Nanberry: Black Brother White, the Secret Histories series will be welcomed by all who love the power of Jackie French's storytelling.

The Ghost Ships of Archangel

An extraordinary story of survival and alliance during World War II: the icy journey of four Allied ships crossing the Arctic to deliver much needed supplies to the Soviet war effort. On the fourth of July, 1942, four Allied ships traversing the Arctic separated from their decimated convoy to head further north into the ice field of the North Pole, seeking safety from Nazi bombers and U-boats in the perilous white maze of ice floes, growlers, and giant bergs. Despite the risks, they had a better chance of survival than the rest of Convoy PQ-17, a fleet of thirty-five cargo ships carrying \$1 billion worth of war supplies to the Soviet port of Archangel--the limited help Roosevelt and Churchill extended to Soviet dictator Joseph Stalin to maintain their fragile alliance, even as they avoided joining the fight in Europe while the Eastern Front raged. The high-level politics that put Convoy PQ-17 in the path of the Nazis were far from the minds of the diverse crews aboard their ships. U.S. Navy Ensign Howard Carraway, aboard the SS Troubadour, was a farm boy from South Carolina and one of the many Americans for whom the convoy was to be a first taste of war; aboard the SS Ironclad, Ensign William Carter of the U.S. Navy Reserve had passed up a chance at Harvard Business School to join the Navy Armed Guard; from the Royal Navy Reserve, Lt. Leo Gradwell was given command of the HMT Ayrshire, a fishing trawler that had been converted into an antisubmarine vessel. All the while, The Ghost Ships of Archangel turns its focus on Roosevelt, Churchill, and Stalin, playing diplomatic games that put their ships in peril. The twenty-four-hour Arctic daylight in midsummer gave no respite from bombers, and the Germans wielded the terrifying battleship Tirpitz, nicknamed The Big Bad Wolf. Icebergs were as dangerous as Nazis. As a newly forged alliance was close to dissolving and the remnants of Convoy PQ-17 tried to slip through the Arctic in one piece, the fate of the world hung in the balance.
