Hunt the Dawn

Lathan Montgomery's genetic anomaly allows him to smell and see people's memories. He uses his skills to help the Ohio Department of Criminal Investigation, and is on the path of an active serial killer. When he saves plucky, down-on-her-luck Evanee Brown from an abusive encounter, he finds she's the only person who doesn't trigger his powers. Evanee would escape her job, the town, and her abuser, if she could. Until she meets Lathan and her nightmares embroil her in his investigations. Together they are an indomitable force, but everyone around them is trying to tear them apart.

The Hunt Series, Book 1: Dawn Memories

The Hunt are children sent from an endangered world in another universe/dimension of reality, to protect them from a despot who wants to command their Talents. Given into the keeping of the Hounds of Hamin, the members of the Hunt have been separated by time as well as distance. They know each other by the scars--rows of teeth marks--on their wrists. Some have been in our world for decades, others only for a few years. Before more enemies show up to destroy them, they must locate each other, soon, to find a way back home to save their world. The explosion nearly killed her, but it also brought her back to life... The explosion that should have killed Dawn ignites a fiery trail of buried memories, all leading to the point where it all began. She remembers... She's not from Earth at all. She's the daughter of one of the ruling families of another world in another dimension, sent to Earth by her parents to protect her from a galactic despot who wants all the rulers' children as hostages. She's from the Hunt, branded as such by two thin white lines on her wrist, caused by the Hounds of Hamin--interdimensional guardian beasts that hold the children's wrists in their mouths as they pull them through the vortex from their world to Earth. But Dawn remembers something else. Someone else. Stayn, her best friend and her betrothed. Where is he? Can he rescue her from the 'safe' house where she's currently guarded by federal agents? And can they rekindle what time and distance has torn apart?

Dawn Memories

The explosion nearly killed her, but it also brought her back to life... The explosion that should have killed Dawn ignites a fiery trail of buried memories, all leading to the point where it all began. She remembers... She's not from Earth at all. She's the daughter of one of the ruling families of another world in another dimension, sent to Earth by her parents to protect her from a galactic despot who wants all the rulers' children as hostages. She's from the Hunt, branded as such by two thin white lines on her wrist, caused by the Hounds of Hamin--interdimensional guardian beasts that hold the children's wrists in their mouths as they pull them through the vortex from their world to Earth. But Dawn remembers something else. Someone else. Stayn, her best friend and her betrothed. Where is he? Can he rescue her from the 'safe' house where she's currently guarded by federal agents? And can they rekindle what time and distance has torn apart?

Hunter's Dawn

An ancient inscription raises more questions than answers. Shadow and the Nephilims' hunt for Black Cronos is far from over. When they find a hideout, they discover an ancient Sumerian stone tablet that forces them to rethink the Nephilims' history – and Black Cronos's plans. It seems their quest for the ultimate warrior is far from over. The hunt takes them back to the desert, and resumes the search for a civilisation long thought buried. Harlan's involvement with the Paranormal Division isn't over, either. In fact, it's just beginning, and it seems there's more to JD than he realised. And more to Black Cronos, too. As tensions rise, what they uncover could change everything. Double agents, betrayals, murky occult organisations, and nonstop action, make this the best instalment in the White Haven Hunters series yet! If you love magic, mystery, and danger, with plenty of action, intrigue, and humour, you'll love Hunter's Dawn.

Dawn: Before the Hunt

In a world where everything is going right, life is moving into the direction that you want it to go it seems like nothing can go wrong. A run in the morning is something that makes Sam feel free and relax before the day begins. Yes she goes to school, and yes it never seems like any normal day for others, but it is for her. When one day this mysterious guy named Kevin moves into her life, everything changes. Not just her life around her, but who she is as a human and who she might not be. Some things that were not important to her anymore come into the light and she wishes that none of it ever happened. Especially when she finds out that she is the Queen or Leader to a bunch of children that she never really met, but only saw come out of the woods during the day. Too many are after her and she doesn't understand who is her enemy and who isn't. With death at her door and having a life on the run, the only ones that help her stay in control is the mystery boy and another friend she meets along the way. All she has to do is stay alive and stay in control of herself. Sounds easy right?

The Magical Hunt

The hunt is only beginning, and magic swirls within it keeping them both on the right path, and leading them astray... Malediction has claimed Princess Elodie of Zelnon and her friends. They must fight to escape even when it seems like they are living in an endless curse. Through each battle they take one step closer to their ultimate goal—home. What is lost is their key to returning to Zelnon, and Elodie's rightful place on the throne. There are two different paths, both desired, but one will bring her home—the other could lead to her downfall. Some prophecies are self-fulfilling, and Elodie must be careful she doesn't make her worst fears happen. She has many decisions to make—and once they're in Zelnon, the true battle will begin. Along with the duties of her kingdom, she must also discern the means to her happiness. Does she believe in love, and if so, who does she give her heart to...

Duck's Easter Egg Hunt

With gorgeously colourful illustrations and a gloriously glittery cover, this book is PERFECT for sharing over a delicious chocolate egg! Duck is so excited about the Easter egg hunt she's organised that she loses her own precious egg. OH NO, DUCK!!! Duck is devastated, but all her friends (including three little bunnies: Hoppy, Poppy and Floppy) join together to help her. Children will delight in spotting the hidden eggs and helping the animals to help poor Duck.

The Best Easter Egg Hunt Ever

Join Rabbit on a hunt for the most special egg of all in *The Best Easter Egg Hunt Ever*, by Dawn Casey and illustrated by Katy Hudson.

The Hunt for the Dawn Monkey

Publisher Description

The Hunt for the Dawn Monkey

Taking us back roughly 45 million years into the Eocene, "the dawn of recent life," Chris Beard, a world-renowned expert on the primate fossil record, offers a tantalizing new perspective on our deepest evolutionary roots. In a fast-paced narrative full of vivid stories from the field, he reconstructs our extended family tree, showing that the first anthropoids—the diverse and successful group that includes monkeys, apes, and humans—evolved millions of years earlier than was previously suspected and emerged in Asia rather than Africa. In *The Hunt for the Dawn Monkey*, Beard chronicles the saga of two centuries of scientific exploration in search of anthropoid origins, from the early work of Georges Cuvier, the father of paleontology, to the latest discoveries in Asia, Africa, and North America's Rocky Mountains. Against this historical backdrop, he weaves the story of how his own expeditions have unearthed crucial fossils—including the controversial primate *Eosimias*—that support his compelling new vision of anthropoid evolution. The only book written for a wide audience that explores this remote phase of our own evolutionary history, *The Hunt for the Dawn Monkey* adds a fascinating new chapter to our understanding of humanity's relationship to the rest of life on earth.

Dawn, Dusk and Deer

Dawn, Dusk and Deer is about memories. Fond memories. It is my belief that one of the principal things gained from deer hunting is the host of great memories that one can visit, at will, year after year. All one has to do to get into a very enjoyable conversation is find another deer hunter to share memories with. True deer hunters not only love to hunt deer, but they also love to tell about and hear others tell about hunting deer. Deer hunting is patriotic sport. The Native Americans were here and hunting deer when Europeans arrived. The settlers then hunted deer until they were almost extinct in many parts of America. With conservation they have recovered in population. And many Americans still practice the sport of their ancestors. I do. And I like to hear the stories of other hunters and to tell the stories that came to me on my deer hunting trail. The story recorded here is not so much about harvesting of deer for food but about the many experiences that come along on the deer trail. Some good and some bad.

A Kitchen Witch's Guide to Recipes for Love & Romance

Learn the craft of a kitchen witch to attract and renew love with 55 easy and romantic recipes and 33 magical practices. From loving yourself, your family, and friends to romancing a significant other—love comes in many different forms. But what attracts love? What sustains it? And what can you do when you need to find love within yourself? *A Kitchen Witch's Guide to Recipes for Love & Romance* includes

all the recipes and magic you need to find—and maintain—love, using ingredients that have spiritual properties and associations with love, sex, and romance. Combining the principles of Pagan beliefs and practices with easy recipes and personal anecdotes, this beautifully illustrated book will inspire you to cook up a little magic with positive intentions, simple spellcraft, and visualization techniques. Featuring recipes for dishes like: -Avocado Chocolate Mousse -Pomegranate Mimosas with Muddled Raspberries -Stuffed Zucchini Pinwheels -Strawberry, Spinach & Feta Salad -Pork Loin Roast with Cherries & Red Wine From celebrating love in all forms to rekindling romances with old flames, these fifty-five recipes use simple ingredients and make being in love easier—and tastier—than ever.

Dawn (The Dire Wolves Chronicles #3)

It is always darkest before dawn. Gage and Mary Anne are on the run and determined to break Hunter out of prison so he can finish changing Gage. They look to Mary Anne's college friend Genevieve and the zany Dire Denny for assistance, but in the end, help comes from the unlikelyst of places. Hunter must end the hunt even if it means destroying his own brother and giving up on the girl destined to be his. With betrayal surrounding him at every turn, his best chance at ending the hunt is someone he is sworn to hate. *New Adult Paranormal Romance - The Dire Wolves Chronicles #3)

By Dawn's Early Light

Daniel Prentice's technological skill helped save the world from the deadly impact of Y2K in the popular thriller *Flee the Darkness*. But that victory didn't stop the encroaching evil. In this gripping sequel, tension mounts in the 21st century as a Russian-Arab invasion of Jerusalem seems imminent. Now Daniel must guide NSA chief Captain Michael Reed in the battle ahead. More than a battle for the land, the offensive could be the fulfillment of Ezekiel's ancient biblical prophecy of Gog and Magog invading Israel. As the world shudders in response, the invaders offer Israel a choice: surrender or be obliterated. As the State of Israel fortifies itself against the coming onslaught of missiles, biological weapons, and an invasion force attacking from all four borders, Reed and his Israeli counterpart, Sergeant Major Deborah Cohen, exhaust every military resource to prevent a nuclear war. Soon Reed and Cohen realize that the real battle they face is one of spiritual origin—for which no military drill could prepare them. Will Michael and Deborah find faith to confront the enemy? Never have the forces of evil been stronger, the stakes higher, or the world's possible destruction nearer than *By Dawn's Early Light*.

Yes, I Hunt

Come along on the intriguing journey of a woman ER doctor and former vegetarian who takes up hunting to accompany the love of her life. Jumping in with enthusiasm, she makes it her own, and discovers all the world of hunting offers. Hunting adventures and stories from thirty years of successful hunts are told with humor and sensitivity. More than a how-to manual, although it contains helpful tips and wisdom, this is a journey of one woman's personal growth, and the gifts sharing in the hunt have brought into her life and relationships. Inspirational, yet practical, the book is for those who are considering hunting, are hunters, or want to support the hunters in their lives. God's amazing outdoors comes alive as we experience the thrill of the chase, and the satisfaction in providing food to share at our tables. Includes safety checklists, ethics of hunting, tips for successful hunts, and both meat and vegetarian recipes. A refreshing and enlightening look at one woman's inspiring journey into the world of hunting. Dawn's storytelling is powerful and entertaining and her tips and wisdom are insightful. Immerse yourself in this fun and meaningful adventure. --Tracy Barnes, Olympic biathlete and founder of *Check Outside [An]* autobiography of growth, change, determination, and beliefs of an amazing woman. . . . a book on life and transitions which far exceeds the target audience of hunters. --Jerry Barnhart, shotgun instructor

Warriors: Dawn of the Clans #3: The First Battle

Discover the origins of the warrior Clans in the third book of this thrilling prequel arc from mega-best-selling author Erin Hunter. The Dawn of the Clans series takes readers back to the earliest days of the Clans, when the cats first settled in the forest and began to forge the Warrior code. The rivalry between Gray Wing and Clear Sky has driven a bitter wedge between the forest cats. As Thunder and Gray Wing struggle to find a peaceful path for the future, tensions are growing. What began as a misunderstanding between two brothers has spread far and wide—and now every mountain cat, rogue, and kittypet in the forest will be forced to pick a side. Dawn of the Clans #3: The First Battle also contains an exclusive bonus scene and a teaser to Dawn of the Clans #4: The Blazing Star.

Tastes from the Temple

Tastes from the Temple is a cookbook in the tradition of "church community" cookbooks presented by the Temple of Witchcraft, a neo-pagan spiritual community that believes cooking and food are sacred and magical. Presented by author and "kitchen witch" Dawn Hunt, with a Foreword by author and Temple Founder Christopher Penczak (author of the "Temple of Witchcraft" series), the book turns a collection of delicious recipes into a window into a modern pagan community, complete with history, anecdotes, and magical influences for each recipe.

Winter Dawn

'One of those books you can't put down..by the end you feel like you've run for your life' NetGalley 5* From the author of the #1 Bestselling Audible Thriller of the Year comes a terrifying hunt to the death...When a New York Senator is chosen as an assassination target by Colosseum, the chilling online game, she faces a terrible choice; to run or to hide. No-where is safe. No-one can be trusted. But just when the Senator's brutal death seems inevitable, a young agent called Winter arrives from London to protect her. Now Winter is all that stands between the Senator and Colosseum's deadly hunt. As dawn creeps in, time is running out for Winter to unravel the mystery at the heart of this sinister game: who is the shadowy head of Colosseum, and what is his ultimate purpose? It is darkest before the dawn. As Winter and the Senator journey together into the dark heart of the longest night, they soon discover that nothing about Colosseum is what it seems. There are rules, and there is a purpose, if only they can solve the riddle in time. Colosseum is more than a hunt: it's a challenge. Targets must face their deepest fear, or die at dawn. Praise for The Winter Series 'Wow! Double wow!! Triple wow!!!.... If this is what Winter is like, I don't like the other seasons anymore.' B for Book Review, 5 stars 'YES! YES! YES! That is how you write an action thriller. The pace is relentless. This is pure action... I highly recommend this for action junkies and anyone who likes a tense thriller.' Goodreads reviewer, 5 stars 'Heart-pounding danger with a female James Bond. Total adrenaline fest! The writing is top-notch and I would put Callister's action series against the best in the genre — Jack Ryan, move over!' Goodreads reviewer, 5 stars 'A high-octane thriller... It is a thrill-a-minute, edge-of-your-seat thriller that will have you quickly turning the page... will keep you entertained and engrossed until it's thrilling denouement. A great read that will spike your blood pressure accordingly – not for the faint-hearted!' Goodreads reviewer 'If you are looking for an action-packed suspense thriller with a kick-ass heroine government agent, then this is the book for you.' The Book Nurse, 5 stars 'The author has created a plot with lots of twists and turns along the way. I was gripped by the story and on the edge of my seat for most of the book.' The Ginger Book Geek 'perfect for fans of le Carré, Fleming and those looking to start a riveting new thriller series'. – Audiofile magazine 'There is a new kid on the block – the love child of Jack Reacher and Lisabeth Slander....she can out-punch Bourne and out-pull Bond. – Andy Martin, author of Reacher Said Nothing 'gripping and compulsive' – The Book Doctor 'A clever, original spy thriller...Winter Dark is a gripping, pacy and highly original thriller. Highly recommended.' Goodreads reviewer, 5 stars 'Callister's experience as a City analyst of tech companies has alerted her to the dark side of the information revolution. "The internet has facilitated the maximum realisation of human nature," she says... "If you want to do weird stuff, no matter how extreme, then the internet can connect you to someone who wants it too. These are people who should never meet.' The novels are dystopian adventures in the surveillance society, featuring what she calls "toxic femininity".... It's probably the most direct riposte to Harvey Weinstein yet.' The Independent 'It is hard to put this one down! Lots of twists in this quite different and spectacular read! RECOMMEND HIGHLY!!!' Goodreads reviewer, 5 stars

Warriors: Dawn of the Clans #2: Thunder Rising

Discover the origins of the warrior Clans in the second book of this thrilling prequel arc from mega-best-selling author Erin Hunter. The Dawn of the Clans series takes readers back to the earliest days of the Clans, when the cats first settled in the forest and began to forge the Warrior code. The mountain cats from the Tribe of Rushing Water followed the Sun Trail to a new territory, convinced that in a land with more prey, their lives would be free from strife. But while no cat has gone hungry, tensions are rising. The once firmly united group has split in two—and a young cat named Thunder is caught in the middle. Dawn of the Clans #2: Thunder Rising also contains an exclusive bonus scene and a teaser to Dawn of the Clans #3: The First Battle.

The Hunt for the Dawn Monkey

A leading authority on the primate fossil record sheds new light on the human evolutionary tree, reconstructing the early roots of modern-day humans, offering a compelling new vision of anthropoid evolution, and analyzing the relationship between humans and other primates.

Hunt for the Dawn Monkey

If the major outlines of human origins are settled, the search for anthropoid origins remains scientifically in its infancy. We remain fairly ignorant of such basic questions as when, where, how, and why our earliest anthropoid ancestors evolved. Paleontology is one of the few academic disciplines in which field exploration remains a fundamental part of the quest to expand knowledge and understanding. This unique combination of the possibility for personal adventure and intellectual fulfillment is what attracted the author to paleontology in the first place. He hopes to impart a fraction of what he has experienced and learned during these past few years in this book. Winner, Phi Beta Kappa Award in Science and the Howells Prize, Amer. Anthropological Assoc. Ill.

Through the Eyes of Dawn

Through the Eyes of Dawn is the story of Dawn's life so far. Dawn is a sixteen-year-old yellow lab mix. Dawn was rescued from a dog shelter and has had numerous adventures. Dawn has been a pet to a young couple, has adjusted from no children to three children all at once (Dawn lives with us and our triplet daughters), has lived with three different dogs, has coexisted with a cat and more! This is the story of Dawn's life as she sees it. This story is told Through the Eyes of Dawn.

Sunrises Among Shadows

The Present: After an abduction left them without memories of their childhood, Lily and Liam Howell have led a quiet life. For twenty years, they've avoided the topic of their disappearance, carefully tiptoeing around each other in fear of what they might expose or discover. Until Lily remembers something. Then she's willing to do anything to recover their lost year. But there's a reason they were made to forget. The Past: Jasper Behrtram has a task to complete, and through the use of charm and wit, he has successfully managed to abduct numerous children from another world. But even he doesn't know why he's received these orders. He only knows that the punishment for failure far exceeds the struggles of his ensuing moral dilemma. Until he meets Lily. Then he starts to think that, just this once, it might be worth it to disobey. But the consequences of his defiance will affect everyone around him ... including the Howell siblings.

The Return of the Heir

A traveler? Excellent! But I think you and I already know each other, right? Well, it doesn't matter. I guess you're here for the same thing as last time: adventures, adventures, and more adventures right? Yes, yes, yes, of course... Ah! I see you have already made your choice. Let me see, come on... Wow! So "The Return of the Heir"

Sources from the Dawn of the Great Witch Hunt in Lower Navarre, 1370

This book provides an annotated source edition of the only two extant documents related to the sorcery trial brought against Pes de Guoythie and Condesse de Beheythie in Lower Navarre, in 1370. It provides full transcriptions of both documents, and English translations of the most salient passages. These sources illustrate at an early date many of the features prevalent in later sources on which trials, such as the metamorphosis of those accused into animals; infanticide; poisoned apples; collective meetings;

and ointments made from various creatures. As such, it offers a fascinating insight into allegations of witchcraft in the High and Late Middle Ages.

Dawn of War

Ambushed and outnumbered by a horde of orks, the Blood Ravens Cyrus, Ramos and Theolstis hastily retreated towards the Thunderhawk. In the catacombs, Olivarr, Tarkus and the rest of the troop found an unconscious Gabriel Angelos. The troop attempted to unbind their Chapter Master, but an army of Eldars swooped in. Clashing with Loranel, Olivarr witnessed the Eldar's true power. At the height of battle Gabriel Angelos awoke and freed himself, ready to fight...

Dawn's Harbor

After a woman who has lost all faith in herself meets an African heir who's been forced into exile, they both experience firsthand the power of love and faith that ultimately leads to a lasting family bond and redemption. Original.

Hunter

Predators beware. Sometimes natural predators need to be kept in check, and for that, there's Ryann David. Orphaned as an infant and raised by an exiled branch of the church to become a warrior for God, she and her fellow members of Venatores Daemonum have trained all their lives with only one purpose: destroy all demons in the mortal realm. But when Ryann and her team are sent to hunt down a vampire who has killed one of their own, a new world of danger, betrayal, and conspiracy greets her. Allied with an irreverent psychic detective and the very monsters she was raised to kill, Ryann will risk everything—her life, her faith, and her heart—in pursuit of the truth as the black and white existence she knew turns a murky shade of gray. ----- Series order (main novels): Bloodlines, Hunter, Lineage, Exhumed, Oblivion (coming soon)

Hunter's Catch

In Talon's trophy, Talon is a Hunter, charged with protecting the outer sphere and its inhabitants. After ten years of work, Chanah inadvertently steps into Hunter territory and becomes Talon's trophy by right of capture. But he finds that making her into a submissive who will meet all his sexual needs will send him into a battle of emotions that he is ill-equipped to wage. In Hawk's prey, Tova is a non-convict sent to live in the penal sphere with her brother and father after they are found guilty of crimes and her home is destroyed. Hawk is a Hunter and it is his job to guard the convicts. A casual meeting between Tova and Hawk sparks an attraction both fight but neither can deny. In Janus' conquest, Fay knew that the Hunter Janus wanted her. But he would demand her submission, and more. Would she give in to his demands?

Dawn Caravan

Pulse-driving paranormal mystery from USA Today Bestseller, Elizabeth Hunter. After this night, dawn can't come fast enough. For Ben Vecchio, everything has changed. His eyes. His diet. His new aversion to sunlight. But after a long sojourn in China, Ben realizes that the world he left behind hasn't changed as much as he feared. He wants to leave his old life in the past, there's one job remaining that just won't leave him alone. Radu's mystery is too interesting and too profitable to ignore. The problem? Taking on this commission puts Ben in the path of his old partner, the one woman he's spent years avoiding. Tenzin has been following Ben at a distance, hoping his ire might wane, but when he heads to Romania, her patience runs out. Ben is a new power in their world, and more than one vampire will be eager to test him. Ben and Tenzin need to work together if they want to find the truth behind Radu, his mysterious clan, and the treasure at the heart of the Dawn Caravan. One last job, then it's finished between them. Right? Dawn Caravan is the fourth book in the Elemental Legacy, a paranormal mystery series by USA Today bestselling author, Elizabeth Hunter.

Warriors: Dawn of the Clans 3-Book Collection

Discover the origins of the warrior Clans in this thrilling prequel to Erin Hunter's #1 nationally bestselling Warriors series. This ebook collection includes the first three books in the Dawn of the Clans prequel series, and is perfect for the collections of longtime Erin Hunter fans and readers new to the Warriors world. Long before Firestar came to ThunderClan, a band of cats from the mountains set off on a

dangerous journey in search of a new home. But in this unfamiliar new world, great dangers await them....

Ice Age: Dawn of the Dinosaurs: Buck the Amazing Dino Hunter!

Surviving among the fierce and enormous creatures, Buck is a weasel who has become the master navigator of a mysterious world deep beneath the tundra. He is the only one who can keep Manny, Diego, Ellie, Crash, and Eddie safe from his archenemy, Rudy—a vicious dino who is out for revenge! Buck leads the Ice Age gang on a new adventure in the jungle, where they find danger, excitement, and unexpected new friends.

Yesterday's Dawn

Hunters of the Ice Age At the dawn of time, a proud people battled for survival, at one with the harsh beauty of the land and its primal rhythms. The Mammoth Slayer Named for the massive beast sacred to his people, Mamut had proven his strength and courage time and again. But when it came to subduing one helpless female, he found himself at a distinct disadvantage. Never had he realized the power of beguiling green eyes, soft curves and berry-red lips to weaken a man's resolve. He had claimed he would make the stolen woman his captive, but he soon learned he would never enjoy her alluring body unless he could first win her elusive heart.

Depression (June Hunt Hope for the Heart)

Do you feel the darkness of depression closing in on you? Can anything dispel the darkness and bring back true peace and contentment to your heart? The last section titled Steps to Solution gives Biblical advice on how to manage depression, such as: key Bible passages to read, Dos and don'ts for family and friends, tests to gauge what kind of depression you're facing, Q &A on how depression effects your body, the 4 points of God's plan for us, and much more. Paperback, 96 pages, 4 x 7 inches.

The Eye of the Hunter

From the bestselling author of the Iron Tower trilogy and The Silver Call duology comes the magnificent epic of Mithgar... A thousand years had passed since the Eye of the Hunter last glared in the heavens. A thousand years since the immortal Elfess Riatha brought word of the prophecy to the Warrows Tomlin and Petal with whom she had leagued to hunt down and defeat Baron Stoke, one of the most evil beings to ever stalk the lands of Mithgar. The price of Stoke's doom had been a beloved companion's life, the two plunging, locked in combat, down an icy chasm which had sealed shut the ring of eternity. Now the comet known as the Eye of the Hunter again rode Mithgar's skies, and the creatures of darkness once again ravaged the lands, heralding the imminent return of their dread master, Baron Stoke. And now five brave souls must answer the call of prophecy: Riatha and the elf called Aravan; Gwylly and Faeril, last in a long line of Firstborn Warrow descendants of Tomlin and Petal; and one other, one restored to them from Death's chill grasp.

Hunt the Moon

Cassandra Palmer recently defeated a god, which you'd think would buy a girl a little time off. But when your job is being Pythia - the world's chief clairvoyant - you don't get a lot of R&R. Cassie is busier than ever, discovering her power, figuring out her complicated relationship with enigmatic and sexy vampire Mircea, and preparing for her upcoming coronation. But someone is dead set against Cassie being Pythia, and will go to any lengths to stop the coronation ceremony from happening - including making sure that Cassie is never born. Now, Cassie has to save herself - and the world, if she can find the time ...

The Dawn Stand-to

In 1936, at the age of 18, Peter Mills, son of a Norfolk doctor, went in search of adventure. He sailed for Kenya, then sparsely populated, teeming with game, and almost untouched by civilization. He set out to hunt and explore but funds ran out and he had to find an income to avoid repatriation. In a remote

police station he spoke to the Inspector in charge. An hour later, he joined the prestigious Kenya Police. His romantic exploits, gun battles with wild tribesmen, cattle rustlers and criminals, encounters with dangerous animals and eccentric settlers are a hair-raising and often hilarious adventure. Eventually, as a high-ranking officer he played a crucial role in the war against the Mau Mau. This is a thrilling story of the last days of Empire and one man's account of his exploits in a beautiful, untamed land peopled by eccentric settlers and primitive tribes people. A story of the courage and tenacity of one rugged individualist and his part in bringing civilization to that land.

Killers of the Dawn

Follows Allies of the night.

As Sure as the Dawn

This classic series has inspired nearly 2 million readers. Both loyal fans and new readers will want the latest edition of this beloved series. This edition includes a foreword from the publisher, a preface from Francine Rivers and discussion questions suitable for personal and group use. #3 As Sure As the Dawn: Atretes. German warrior. Revered gladiator. He won his freedom through his fierceness . . . But his life is about to change forever.

Dawn's Harbor

After a tragic accident takes the life of her young niece, African-American architect Jasmine Burke has lost faith in herself. She spends all her time working in a hospice. While there she finds herself spilling her secrets to a comatose accident victim, Noah Arias, until one day he wakes up. Frightened by the fact that she has exposed herself to a stranger, she retreats again. When Noah resurfaces in her life, they become romantically involved, but their happiness is spoiled when his past returns to haunt them. Noah was once the heir to a small African country before a military coup forced him into exile. Now the two of them must reckon with his past.

We're Going on a Lion Hunt

This charming version of a well-known chant takes place on the African savanna In this beautifully illustrated rendition of a well-known children's chant, two sisters are looking not for a bear but for a lion—a lion that lives on the African savanna, where the girls go through swishy-swashy long grass, a splishy-splashy lake, and a Big Dark Cave. When they finally meet their lion, they have to run, run, run through it all again to get back home. Young readers will enjoy the playful language and beautiful paintings that reset a familiar story in a far-off part of the world.

Hunt the Lion

It's the most important mission of his life--because it's the most personal. Once a key player in a clandestine CIA squad, Sam Callahan thought he had finally found a safe, normal life as a rookie lawyer in DC with the woman he loves. But when called to a covert intelligence mission in the heart of Russia, he can't refuse risking it all once more. This time, he'd be joining his estranged father, the Lion, a deep-cover agent Sam never even knew existed. When the operation goes wrong and his team is ambushed, Sam fears a setup. At least he escaped with his life. And so did his father. But why? With a target on his back, he must hunt down the truth behind the betrayal in Moscow--and find the Lion again. Now, crisscrossing Europe under the cover of shadow, Sam is about to come face-to-face with his past--and it's never looked so dangerous.

Lions

"Describes lions, their physical features, how they hunt and kill, and their role in the ecosystem"--Provided by publisher.

Lion Hunting & Other Mathematical Pursuits: A Collection of Mathematics, Verse and Stories

In the famous paper of 1938, "A Contribution to the Mathematical Theory of Big Game Hunting", written by Ralph Boas along with Frank Smithies, using the pseudonym H. Pétard, Boas describes sixteen methods for hunting a lion. This marvelous collection of Boas memorabilia contains not only the original article, but also several additional articles, as late as 1985, giving many further methods. But once you are through with lion hunting, you can hunt through the remainder of the book to find numerous gems by and about this remarkable mathematician. Not only will you find his biography of Bourbaki along with a description of his feud with the French mathematician, but also you will find a lucid discussion of the mean value theorem. There are anecdotes Boas told about many famous mathematicians, along with a large collection of his mathematical verses. You will find mathematical articles like a proof of the fundamental theorem of algebra and pedagogical articles giving Boas' views on making mathematics intelligible.

We're Going on a Lion Hunt

A class of kindergarteners sets out bravely in search of a lion, going through mud, long grass, and other obstacles before the inevitable encounter with the lion forces a headlong retreat.

Lions on the Hunt

How do lions hunt? How do they interact with other lions? Discover the answers to these questions and learn other fascinating facts about lions. From their habitat to their physical characteristics and behavior, explore the incredible lives of these top predators!

Lions on the hunt

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

The London Lion Hunt

Bighead and Smallhead are out walking when Bighead comes up with an idea of what to do. They should hunt for lions!! Smallhead thinks that it's a great idea and they prepare for a lion hunt. There is only one problem. They don't know what a lion looks like! After several clumsy mistakes, catching other innocent animals, they finally meet a real lion. Suddenly, they are not very interested in hunting anymore!

Hunting American Lions

The human bait was the boys themselves . . . Hal and Roger Hunt have been sent on a terrifying mission - they must save the population of Mtito Andei from a man-eating lion. But the 'King of the Beasts' isn't the only thing trying to kill the boys . . . Have the brothers bitten off more than they can chew this time ?

Bighead and Smallhead Hunting for Lions

The massive grassy African savanna is filled with the hunting activity of predators and their prey. The stamina of the hyena allows the animal to hunt its prey until it is too tired to fight. The lion's strength makes its attacks swift and severe. But which animal is the fiercest of the ecosystem? Compare and contrast each animal's features and skills before you declare the winning predator.

Lion-hunting in Somaliland

"Until the lion has its own storyteller, tales of the lion hunt will always glorify the hunter." —Zimbabwean proverb In 2015, an American hunter named Walter Palmer shot and killed a lion named Cecil. The lion was one of dozens slain each year in Zimbabwe, which legally licenses the hunting of big cats. But Cecil's death sparked unprecedented global outrage, igniting thousands of media reports about the peculiar circumstances surrounding this hunt. At the center of the controversy was Dr. Andrew Loveridge, the zoologist who had studied Cecil for eight years. In *Lion Hearted*, Loveridge pieces together, for the first time, the fascinating life and murky details of this beloved lion's slaying. In the tradition of *Born Free* and *Gorillas in the Mist*, *Lion Hearted* chronicles Loveridge's long acquaintance with a host of charismatic lions that his team has tracked, often from birth to death. Born and raised in Zimbabwe, Loveridge learned to love predators at the knee of his father, an eminent herpetologist who stored baby crocodiles in the family bathtub. After earning his doctorate at Oxford, he seized an invitation to study the lions of Zimbabwe's Hwange National Park. There he meets Stumpy Tail, who, despite her name, has the dignity of the Queen of the Animal Kingdom; Dynamite, a venerable coalition leader who, muscled out by younger males, sets off on an incredible thirty-seven-day, 137-mile journey to find a new home; and Kataza, who escapes another lion's claws, and whom Loveridge twice saves from death at the hands of humans. And, of course, there is Cecil. Dethroned in an epic battle, he forms an alliance with a former rival. He also becomes a favorite of photographers and tourists—until the fateful night when a Minnesota dentist and his hunting guide entice the trusting cat with a free meal. Loveridge unravels the complexities of lion society and the dangers the cats face both within their ranks and from the outside world. Despite their ruthless reputation, lions can form deep emotional bonds—females live in prides, a sisterhood of mothers, daughters, sisters, and aunts that can exhibit military precision when hunting in formation; males band together in coalitions to vie for control of territory and the female prides. They also display a wide range of emotional behavior, including mourning the loss of their mates, partners, and cubs. Africa's lion population is estimated to have shrunk by 43 percent in the last twenty years. There may now be as few as 20,000 wild lions across the entire continent—far fewer than the number of elephants. While deploring the killing of lions for sport, Loveridge does not believe that banning trophy hunting, by itself, will halt the decline of Africa's

lion populations. He sees greater threats in human population growth, the loss of habitat to agriculture, and the illegal trade in lion body parts for use in traditional medicines. And he offers concrete proposals for averting the lion's extinction. More than a gripping detective story, *Lion Hearted* is an exploration of humanity's relationship with the natural world and an attempt to keep this majestic species from disappearing. "Lions are one of the most beloved animals on the planet," Loveridge observes. "They are the national symbol of no fewer than fifteen countries. . . . Surely, we can think of a better way to save the wild animals we love besides killing them."

Lion Adventure

"Describes the features, behaviors, and adaptations that make lions skilled predators"--

Lion Vs. Hyena

Around the world, skilled animals hunt and catch their prey. Learn more about the lion and the special characteristics that make it such an excellent predator. This title takes you on the hunt with well-researched, clearly written informational text, primary sources with accompanying questions, charts, graphs, diagrams, timelines, and maps, multiple prompts, and more! Aligned to Common Core Standards and correlated to state standards. Core Library is an imprint of ABDO Publishing Company.

Lion Hearted

A class of kindergarteners sets out bravely in search of a lion, going through mud, long grass, and other obstacles before the inevitable encounter with the lion forces a headlong retreat.

Lions

Discover how African lions hunt, where they call home, and how they raise their young.

Lion

A young African boy is told he is too young to go on a lion hunt, but decides to go anyway.

We are Going on a Lion Hunt

Early traditions speak of the arrival of "radiant beings from heaven," self-sacrificing guardians of the human race who have reincarnated as pivotal figures in the panorama of human history to assist in the work of evolution. *Secret Places of the Lion* shows how these "great ones" have helped mankind for thousands of years, hiding their secrets in tombs, caverns, temple ruins, and catacombs. Posing as wanderers, they would declare universal wisdom and truth at certain periods of history when people were prepared to receive it; then they would withdraw for a time to see what was done with the new-found knowledge. Thus, the rises and plateaus of our cultural history emerged. Classic in the UFO field. Many years after his death, the author still has a devoted following.

On the Hunt with African Lions

Statement of responsibility taken from cover.

The Mighty Little Lion Hunter

Audisee® eBooks with Audio combine professional narration and sentence highlighting for an engaging read aloud experience! Lions are deadly predators. Their size, keen eyesight, and razor-sharp teeth and claws help them take down prey. Find out how lions hunt, interact with other lions in their pride, and raise their young.

Secret Places of the Lion

Lions live together in groups called prides. Find out more about how lions find food, take care of their young and keep one another safe in their prides.

We're Going on a Lion Hunt

Dr Tom Brown has always been fascinated by lions. When he receives a letter from his father informing him that a pair of officers of the Cape Rifles and a hunter named Hicks are planning a hunting trip to

South Africa and need a final man, Tom doesn't need any persuading to join them. Very much of its time, 'Hunting the Lions' by R.M. Ballantyne is nonetheless a fascinating insight into the very different attitude towards hunting at the time, and a wonderful account of the wildlife of South Africa. R.M. Ballantyne (1825-1894) was a Scottish artist and prolific author of mostly children's fiction. Born in Edinburgh, Ballantyne was the ninth of ten children. At the age of 16 Ballantyne moved to Canada, where he worked for the Hudson's Bay Company, travelling all over the country to trade for fur. He returned to Scotland in 1847 following the death of his father, and it was then that he began his literary career in earnest, writing over 100 children's adventure books over the course of his life. Stories such as 'The Coral Island' and 'The Young Fur Traders' were hugely popular, and many of them drew on his own experiences of travelling throughout Canada. A stickler for detail, Ballantyne continued to travel widely to research the backgrounds and settings for his exciting stories. His tales became an inspiration for authors of the future, including 'Treasure Island' novelist Robert Louis Stevenson. Ballantyne spent the latter period of his life living in London and Italy for the sake of his health. He died in Rome in 1894 at the age of 68.

Story of a Lion Hunt With Some of the Hunter's Military, Adventures During the War

Some animals have developed special skills for hunting, and that's bad news for their prey! Lions are known to stalk when they hunt, quietly pursuing their prey until they're ready to pounce. Readers will learn about the lurking lion and other stealthy animals, such as polar bears, komodo dragons, jaguars, and great white sharks. This book provides a fascinating introduction to each animal, including fun facts on their physical characteristics, habitat, and social structure, while describing their individual stalking technique. Readers will delight in the book's information-rich text and stunning images, which are supplemented by a variety of riveting fun facts. Detailed Table of Contents, For Further Information Section, Glossary, Index, "Did You Know?" fun fact boxes.

On the Hunt with Lions

Excerpt from The Story of a Lion Hunt With Some of the Hunter's Military, Adventures During the War Von Lettow himself, in his own account of the campaign, mentions how my brother captured and burnt a convoy containing inter alia some thousands of pairs of trousers, with the result that the enemy were left trouserless for months. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

A Pride of Lions

Audisee® eBooks with Audio combine professional narration and text highlighting for an engaging read aloud experience! African lions are powerful hunters. Newborn cubs are born with their eyes tightly closed. Their eyes open at about a week old. Lion cubs grow up in a group called a pride. Cubs learn how to hunt by watching the adults. How do baby lions grow and change? Read this book to find out! This title also includes a life cycle diagram, a habitat map, fun facts, a glossary, and more!

Hunting the Lions

AN INTRODUCTION AND INSTRUCTIONS ON HOW TO USE THIS GUIDE Dave Fjelline took over 10,000 photographs of mountain lions and lion sign over the course of his career tracking and capturing California mountain lions for research study. He, his friend and fellow lion hunter, Cliff Wylie, and dozens of research students and wildlife personnel would weigh, see if it is a male or female, age, and evaluate health conditions of each lion before releasing the cougars back into the wild. Throughout his tracking days, Dave captured over 300 mountain lions. And it's because of his work on the trail with his hounds and his knowledge of the big cats that today we know as much as we do about mountain lions. We want you, the reader, to take each image and examine it. Treat each photograph as a mystery, and you have to figure out what's going on, what information is in the picture, and what it tells you about the lion. On each photograph page Dave will ask you a question or two. See what all you can hunt down from the clues, or sign as we call it in the field. Don't worry, Dave will help you along as you track down the California mountain lion. Sometimes even when you know there is a mountain lion in the photograph,

it's mighty tough to see them. And that's why some call them the "ghost cat". Do your best, and Dave will walk the narrow trail of the ghost cat right alongside you. And chin up, because Dave knows more about the lion than anyone else alive today, so you're safe and sound with the greatest mountain lion tracker in the world. ---Sunni Leavell, editor.

Lions and Other Animals that Stalk Prey

In April 2019 Lord Ashcroft published the results of his year-long investigation into South Africa's captive-bred lion industry. Over eleven pages of a single edition of the Mail on Sunday he showed why this sickening trade, which involves appalling cruelty to the 'King of the Savannah' from birth to death, has become a stain on the country. Unfair Game, to be published in June 2020, features the shocking results of a new inquiry Lord Ashcroft has conducted into South Africa's lion business. In the book, he shows how tourists are unwittingly being used to support the abuse of lions; he details how lions are being tranquilised and then hunted in enclosed spaces; he urges the British government to ban the import of captive-bred lion trophies; and he demonstrates why Asia's insatiable appetite for lion bones has become a multimillion-dollar business linked to criminality and corruption, which now underpins South Africa's captive lion industry.

The Story of a Lion Hunt with Some of the Hunter's Military, Adventures During the War (Classic Reprint)

In the rugged landscapes of Arizona, a high school student embarks on a journey of hunting and conservation. Inspired by his neighbor, a skilled lion hunter, the young protagonist learns the importance of coexistence in nature. With the aid of a pack of expert hounds, they face the ultimate challenge: a formidable mountain lion. As they navigate the treacherous Rimrock area, they strive to protect farmers and herders while upholding principles of respect and sustainability.

Meet a Baby Lion

Little Lion is eager to join mama lion on their hunt! But he doesn't want to wait until night and sets off to hunt on his own. Instead of a tasty meal, little lion encounters stinging bees, poky porcupines and stinky zorillas! Will poor little lion get tired of "hunting" before it's time to go with mama? Young readers will delight in the curious cub's brave adventures, illustrated in soft watercolors. Side by side text in Ethiopian languages like Amharic, Tigrinya, Afaan Oromo and Somali (with English) support vocabulary and fluency. Ready Set Go Books, an Open Hearts Big Dreams Project, is focused on increasing the literacy rate in Ethiopia through giving readers books with stories in their heart languages, full of colorful illustrations with Ethiopian settings and details. Profits from book sales are used to create, print, and distribute more Ready Set Go Books to kids in Ethiopia, Africa's second most populous country. Ethiopia's population is 44% children, ages 0-14 (43 million out of 97 million total). Only 5.5% of children attend pre-school or kindergarten, and the adult literacy rate is 49%. Our books are based on wise Ethiopian sayings that often rhyme in Amharic. If an adult says the first half, many children can chant the second half. Sometimes the meaning of these sayings is clear. Sometimes it has to be puzzled out and argued over. But sayings and idioms and proverbs help people express truths and beliefs in unusual ways. Since late 2017, OHBD has published over 100 unique #ReadySetGo dual language titles in four Ethiopian languages plus English and has plans to publish another 100 titles and add more languages in the coming years. New titles and/or languages are added monthly; follow our author page to get new release announcements. Open Hearts Big Dreams Fund (OHBD) is a 501(3)(c) not for profit organization that believes the chance to dream big dreams should not depend on where in the world you are born. Our mission is to inspire and enable youth in Ethiopia through READY SET GO books, STEM and Innovation Projects in collaboration with individuals and organizations providing literacy, education, and leadership opportunities.

Let's Go On A Lion Hunt

Wildebeests, zebras, and other African animals live in danger of being strangled to death by an African lion. Even people in small villages face the threat of an attack from a ruthless lion! You will be terrified as you read about these ferocious cats with appetites for human flesh!

Unfair Game

My first book, Lion Tales, is a collection of stories and facts concerning mountain lions and bare-ground lion hunting, experiences, and knowledge acquired over a lifetime of hunting. Lion Tales II is a collection of true life stories; the trials and tribulations of how I learned the art of hunting and training hunting hounds. It all culminated in my becoming a professional hunter and guide. The book begins with the purchase of my first puppy at age fourteen and ends once I mastered the art of hound hunting. There is a twelve-year gap between where Lion Tales II ends and Lion Tales begins. Perhaps one day I will write another book that fills that twelve-year gap. HAPPY HUNTING.

Lion Hound

Hour of the Lion: The Wild Hunt Legacy: Book 1

A Big Hunt for Little Lion

An exciting and spirited trip through a year's fishing -- from Montana and Morocco to Iceland and the Canadian Rockies.

The Story of a Lion Hunt
