Healing with the Angels

You Are Surrounded by the Healing Love of Angels! Healing with the Angels is a practical how-to guide that reveals how to work with angels to improve your health. Much of the book discusses the various ways that angels heal our physical health, and gives specific spiritual healing methods based upon the author's case studies. The angels also heal our mental and emotional health, and the case studies show how depression, anxiety, sleep disorders, and other common maladies can be lifted with "angel therapy." Topics include: Angel therapy for illness; healing others with angels; angelic messages about weight, exercise, and diet; sleep therapy from the angels; angelic clearing of psychological and emotional issues; healing away addictions and obsessions; and how the angels can heal us of worry, guilt, and other destructive mental habits.

Angel Medicine

When Doreen Virtue visited Santorini Island in Greece recently, she was contacted by a powerful group of angels calling themselves the "angels of Atlantis." Doreen was then taken on an amazing spiritual adventure, where she uncovered the ancient secrets of the healing temples of the lost civilizations of Atlantis. Doreen found that her previous healing work with the angels, as well as the thousands of case studies of angelic healing that she'd amassed over the years, dovetailed perfectly with the messages from the angels of Atlantis. Part spiritual adventure story and part reference book, Angel Medicine is a three-part work that relates the exciting story of Doreen's recovery of memories of Atlantean healing methods along with messages from the Egyptian and Greek prophet and deity Hermes and the angels. The second and third parts of the book reveal the scientific studies, case studies, methods, and charts supporting the importance of love and light in healing. Whether you want to heal yourself or someone else, you're sure to gain additional faith and understanding from reading Angel Medicine.

The Healing Power of Angels: How They Guide and Protect Us

This book will help you heal yourself of every kind of stress and dysfunction by tapping into the healing powers of angels. While based on traditional theology, this system offers a thoroughly effective way for the human mind to grasp the benevolent powers that angels can make available to all of us. We learn how angelic forces work in the human energy system, especially the chakras, to benefit our personal development and spiritual evolution. The Healing Power of Angels is aimed at everyone who is fascinated and moved by the notion of angels or is interested in making new discoveries in the realm of the spirit. It will be immensely helpful to all healers and all those interested in understanding energy fields. The meditations, affirmations and prayers that punctuate the book provide a practical dimension for interactive work, and there are also profound reflections that will change the way we think about ourselves - and move us many steps closer to spiritual understanding.

Angel Therapy

Dr. Doreen Virtue's life changed dramatically when angels miraculously warned her and then intervened during a carjacking. After her angelic encounter, Doreen began asking the angels for additional guidance. They answered her requests with very clear and loving words. She writes of how the angelic guidance affected her work as a psychotherapist: "I began helping my counselling clients to hear their own angels. Very quickly, I discovered that the healing power of the angels exceeds any form of 'man-made' therapy I had ever witnessed. The angels have wonderful gifts from God to impart to us." In *Angel Therapy*, Doreen delivers The Angelic Realm's messages of comfort and guidance that can help you with troubling emotions such as depression, boredom, confusion, and anger; and issues associated with careers, relationships, parenting, and much more.

The Angelspeak Book Of Prayer And Healing

Drawing on the unique angel communication techniques that these two sisters have been teaching in workshops across the nation, *Angelspeak* has sold more than 45,000 copies to date, and another 15,000 in its Spanish-language edition. Interspersed throughout are the stories of people who have used the *Angelspeak* process and have had their dreams fulfilled. handy book. Within these pages, you'll discover your communication "style" so that you can more easily recognize the visions, words, thoughts, and feelings you receive as Divine guidance. The book is filled with charts to help you discern the difference between true Divine guidance and the voice of the ego, and it will help you engage in clear and understandable conversations with Heaven.

Earth Angels

In the same way that "The Indigo Children" was a phenomenon that was much talked-about, before the book came out and explained it, "Earth Angels" is a topic of much discussion among spiritually minded people world-wide. Four years ago, Doreen Virtue wrote an article on the topic, and then a chapter in her book, "Healing with the Angels," and then more information in "Healing with the Fairies." Since that time, Doreen has been flooded with letters from people who resonate with the idea, requesting more information. "Earth Angels" will be the first book devoted to the topic. Doreen will describe the five different types of lightworkers: Incarnated Angels (those who had previous lives as angels, but who are now here as humans); Incarnated Elementals (those whose previous lives were in the elemental kingdom, as fairies, elves, etc.); Starpeople (those who have lived the majority of their past lives on other planets); Walk-In's (those who came from a high spiritual realm and walked-in to another person's life, as that soul gladly exited their body); and Reincarnated Sorcerers, Sorceresses, and Wizards (those whose most recent past life was during Arthurian or Atlantian times, when they practiced high magic). The book will include dozens of case studies; a fascinating analysis of an extensive survey that Doreen has conducted among people who identify with the five types of Earth Angels; and guidance to help readers to feel happier about their lives, their own idiosyncrasies, and their missions.
