Die schönsten Weihnachtsmärchen

Herr Grobotzky, der mürrische ich-Erzähler dieser turbulenten Weihnachts-Geschichte, erfährt von einem Wanderbettler, der mit seiner Sense durch das Land zieht. Als seine Frau den musizierenden Bettler am Nikolaustag zum Abendbrot einlädt, um wieder einmal Gutes zu tun, bahnt sich eine peinliche Situation an, denn Herr Grobotzky kennt den in Lumpen gekleideten Fremden aus früherer Zeit. Um sein Geheimnis vor seiner Frau und dem Schwiegervater zu hüten, spielt Herr Grobotzky den Ahnungslosen in einer unfreiwilligen Komödie, die sich dramatisch zuspitzt und mit einer unvermeidlichen Weihnachtskatastrophe endet.

The Little Bell That Wouldn't Ring

Shewing the Two Contrary States of the Human Soul (first published in 1794), an expansion of Blake's first illuminated book Songs of Innocence. The poems and artwork were reproduced by copperplate engraving and colored with washes by hand. Blake republished Songs of Innocence and Experience several times, often changing the number and order of the plates. The spellings, punctuation and capitalizations are those of the original Blake manuscripts. William Blake (1757 – 1827) was a British poet, painter, visionary mystic, and engraver, who illustrated and printed his own books. Blake proclaimed the supremacy of the imagination over the rationalism and materialism of the 18th-century. Largely unrecognised during his lifetime, Blake is now considered a seminal figure in the history of both the poetry and visual arts of the Romantic Age.

The investigation into the events that led to his suspension delves deeper, and he takes increasingly desperate measures to rectify previous actions. As he does, Gamache begins to see his own blind spots - and the terrible things hiding there . . . _____ Praise for the award-winning Chief Inspector Armand Gamache series: 'One of the most interesting detectives in crime fiction' The Times 'Fascinating characters, a twisty plot and wonderful surprise endings' Ann Cleeves 'Wonderfully satisfying' Kate Mosse 'Louise Penny is one of the greatest crime writers of our times' Denise Mina 'Supremely satisfying' Observer 'Gamache has become to Canada what Hercule Poirot is to Belgium' The New York Times 'The series is deep and grand and altogether extraordinary . . . »Alles ändert sich, wenn man jemanden getötet hat. Man lebt den Rest seines Lebens in Angst.« Nan-ming, im Norden Chinas, 19. Juni 1995: Shen Ming, junger und brillanter Lehrer an einem Gymnasium, wird verdächtigt, eine seiner Schülerinnen getötet zu haben. Einige Tage später wird auch er in einem alten Fabrikgebäude unweit seiner Schule erstochen. Die Taten bleiben ungesühnt - bis neun Jahre später Shen Mings Mörder ins Reich der Toten geschickt werden. Nur: von wem? Unmittelbar verbreitet sich das ungeheuerliche Gerücht, dass Shen Ming an diesen Mordfällen beteiligt war, dass er den Fluss des Todes überquert hat, um sich selbst zu rächen. »Rachegeist«, atemberaubend und unfassbar originell, ist die Geschichte vom perfekten Mord. Und vor der Kulisse des modernen China überschreitet sie mühelos die Grenzen der Realität. »Cai Jun ist der chinesische Stephen King!«

24 Stories for Advent

The discovery of a dead body in the woods on Thanksgiving Weekend brings Chief Inspector Armand Gamache and his colleagues from the Surete du Quebec to a small village in the Eastern Townships. Gamache cannot understand why anyone would want to deliberately kill well-loved artist Jane Neal, especially any of the residents of Three Pines - a place so free from crime it doesn't even have its own police force. But Gamache knows that evil is lurking somewhere behind the white picket fences and that, if he watches closely enough, Three Pines will start to give up its dark secrets... Celebrating ten years of Chief Inspector Gamache, this collector's edition contains an exclusive, illuminating and in-depth profile of Louise Penny, creator of one of the most enduring and distinctive characters in crime fiction.

Kingdom of the Blind

But as the temperature rises, old secrets and bitter rivalries begin to surface. When the heat wave boils over into a mighty storm, a dead body is left in its wake. Chief Inspector Gamache, a guest at the Bellechasse, finds himself with a building full of suspects. With the hotel locked down, the murderer is trapped. But a cornered predator is always the most dangerous of all... 'A cracking storyteller, who can create fascinating characters, a twisty plot and wonderful surprise endings' Ann Cleeves 'Impossible to put down' Globe and Mail

Still Life

#1 New York Times and Globe and Mail bestselling author Louse Penny's beloved Chief Inspector Armand Gamache mystery novels have received critical acclaim, won numerous awards, and have enthralled millions of readers. Featuring Chief Inspector of Homicide Armand Gamache of the Sûreté du Québec, these extraordinary novels are here together for the first time in a fabulous ebook bundles. *A Rule Against Murder* Chief Inspector Gamache and his wife are celebrating their anniversary at the luxurious, isolated Manoir Bellechasse. But when a dead body turns up in the midst of a family reunion, Gamache learns that the lodge is a place where visitors come to escape their past, until that past catches up with them. *The Brutal Telling* A stranger is found murdered in Olivier's Bistro in Three Pines, and Chief Inspector Gamache is dismayed to find Olivier's story full of holes. Gamache follows a trail of clues into the woods and across the continent before returning to Three Pines to confront the truth and the final, brutal telling. *Bury Your Dead* It's Winter Carnival in Quebec City, when Chief Inspector Gamache is called to investigate a dead body at the Literary and Historical Society. Meanwhile, Gamache is receiving disquieting letters from Three Pines, and as past and present collide, he must relive a terrible event from his own past before he can begin to bury his dead.

Die Gartenlaube

Previously published as *Dead Cold* The award-winning second novel from worldwide phenomenon and number one New York Times bestseller Louise Penny. Winter in Three Pines, and the sleepy village is carpeted in snow. It's a time of peace and goodwill - until a scream pierces the biting air. A spectator at the annual Boxing Day curling match has been fatally electrocuted. Despite the large crowd, there are no witnesses and - apparently - no clues. Chief Inspector Armand Gamache discovers a history of secrets and enemies in the dead woman's past. But he has enemies of his own, and as he is frozen out of decision-making in the Surete du Quebec, he has to decide who he can trust... 'Chief Superintendent Armand Gamache of the Quebec police is one of the most interesting detectives in crime fiction' *The Times* 'A cracking storyteller, who can create fascinating characters, a twisty plot and wonderful surprise endings' Ann Cleeves

A Rule Against Murder

This Chief Inspector Gamache novella is set in Three Pines. This novella is a short and easy read for people on the go.

Daheim

The secrets of the dead are in her hands. The bones of three young women are unearthed in the basement of a Montreal pizza parlor, and forensic anthropologist Tempe Brennan has unsolved murder on her mind as she examines the shallowly buried remains. Coming up against a homicide cop who is convinced the dead have been entombed on the site for centuries, Tempe perseveres, even with her own relationship with Detective Andrew Ryan at a delicate turning point. In the lab, the clean, well-preserved bones offer few clues. But when Carbon 14 confirms her hunch that these were recent deaths despite the antique buttons found near the bodies, Tempe's probing must produce answers quickly to stop a killer whose grisly handiwork has seen the light of day.

Arena

An expat detective navigates through seamy, steamy Bangkok in this novel in the international bestselling and Shamus Award-winning series. When PI Vincent Calvino's surveillance of a drug piracy ring ends in definitive video evidence, it looks like the fortunes of the American expatriate and disbarred lawyer are about to turn. But when Calvino's client dies of a heart attack, and he finds the body of a murdered massage girl downstairs, the Thai authorities get suspicious of the farang who was in the wrong place at the wrong time . . . twice. To make matters worse, with the dead man unlikely to pay, Calvino is forced to take on a job he doesn't want, trailing the spouses of three expat housewives who have been rattled by "The Risk of Infidelity Index," a handbook that ranks Bangkok as the city where men are most likely to stray. Unfortunately for Calvino, jealous wives tend to be unhappy, regardless of the results, and drug pirates aren't the type to play nice . . . "Underneath Bangkok society is a deeply encrusted demiworld of hope, despair, corruption, and courage that Moore . . . paints with maestrolike Dickensian strokes." —The Seattle Times "A terrific character . . . A terrific writer." —T. Jefferson Parker

Professor Bumble and the Monster of the Deep

Weil unsere Welt kein Paradies und die Schöpfung vielleicht größeren Gefahren ausgesetzt ist als jemals zuvor, kann uns ein Blick auf die Krippe trösten, die in jenem entfernten Bethlehem vor über 2000 Jahren einem Kind als Wiegenersatz diente, das sich auf den Weg gemacht hat, den Menschen die Gotteskindschaft zurückzubringen und dem Gläubigen Weg, Licht und Wahrheit sein will. An dieses Ereignis und an dieses Angebot erinnern die Weihnachtslieder aus sechs Jahrhunderten, die in dem vorliegenden Band für den Leser bereit stehen.

Math for Smarty Pants

Happy Birthday, Dear Dragon

This volume examines the writing of children enrolled in an unusual bilingual program in the Southwest that emphasized writing in the first language until literacy was well established, and which attempted to offer an integrated curriculum. As a result, the volume presents research findings on children's spelling in both Spanish and English, their written code switches, segmentation, beginnings and endings of pieces, quality of the content, the relationship of first and second language writing, the role of the teacher in children's writing, and evidence that refutes common beliefs about writing, bilingualism, and other topics. From a broader perspective, the volume presents three different, yet interwoven stories: changes in children's writing over time; evolution of the theoretical stance used to analyze writing as well as changes in the theory that played an important role in shaping some of what occurred in the children's classrooms; and an unfolding of some of the events in this bilingual program and the relation of these events to children's writing and classroom practice.
