~~~This is a 50,000 word erotic regency romance.~~~Miss Abigail Buxton is the second daughter of the recently deceased Marquis of Comerford and has spent most of her life in the shadow of her older and more gregarious sister, Margaret, who has emerged victorious from her first London season with a retinue of suitors. Sir John Kingman has recently assumed the title of the Viscount of Worthington and with it all the associated responsibilities and duties, including the need to procure a wife and an heir. When he meets the titled and remarkably beautiful Lady Margaret Buxton, she appears to be the perfect woman for him in every way, except that she is much too forward with his younger brother, Charles. As a dutiful second son, Colonel Charles Kingman joined the military ten years ago, but all the pain and death he witnessed has jaded him, and now he is desperate to retire from service and

settle down, despite the consequent reduction in his pension. While visiting his brother in Cornwall, he encounters the lovely and tempting Buxton sisters and decides to offer his hand to the younger sister, Abigail. The quandary that ensues arises from the complications that arise when the ways of the heart do not always coincide with the ways of the head.

### No Other Duke But You

Bestselling author Valerie Bowman sets the stage in Regency England for her Playful Brides series, where couples' misadventures on the way to the altar are witty, romantic romps based on some of the world's most beloved plays. The eleventh book in the series, *No Other Duke But You*, is inspired by William Shakespeare's *A Midsummer Night's Dream*. **SINGLE LADY SEEKS DUKE** Lady Delilah Montebank has her marital sights set on the Duke of Branville. There's just one problem: he barely knows she exists. But no matter, she's got a plan to win him over with her charm, her wit—and perhaps the love potion she has in her possession wouldn't hurt her cause... Lord Thomas Hobbs, Duke of Huntley, thinks his best friend Delilah's quest to become a duchess is ridiculous. He's always said he'd rather give up all the brandy in London than commit to one person for life. Besides, he knows that Delilah's love potion can't possibly win over Branville...since she accidentally gave it to him instead. But perhaps this is the excuse he needs to show her he's always loved her... Delilah can't believe she gave the potion to the wrong duke. Then again, Delilah could do a lot worse than win the hand of her handsome best friend. Could it be that the right duke has been before her eyes all along?
