If all music was gone and you could save only three albums to listen to, which ones would they be?

Name an influential person, living or nonliving, who you would like to interact with for a day.

What is the best music-focused film for you?

What was your first experience with production?

What is an important book, podcast, or platform that helps you navigate and guide your creativity?

How did you progress to where you are today?

Where did you go after your undergrad?

Witnessing the shift from analog to digital media.

What were the first stages of shifting to digital like?

Is it better to be late or too early? What has been your experience with this?

What are some of the benefits of being an observer?

The pitfalls of tying your identity and self-worth to your business.

How did you learn how to let go and escape the fear paradigm?

How should entrepreneurs approach fear?

Becoming comfortable with uncertainty.

What is your relationship with abandonment and rejection and how has it affected you?

How can you utilize your own self-awareness in business or projects?

Adapting to a business's or market's life cycle.

What is the importance behind observing the character of your partners?
