Freak

From its first caustic, blackly hilarious quote to its unbelievable ending, Freak examines a roller coaster ride of a life and never lets up. It tells the true story of Rebecca O'Donnell, an atypical hero who found joy and laughter in the darkest of circumstances. Unlike so many spunky survivors of damaged pasts, Rebecca belonged to those far more common gray areas of depression and insecurity, hidden behind a mask she showed the world. For decades, all her decisions were colored by that grayness, that insecurity; she had put herself into a pit and had to discover a way to crawl out of it. With laughter, self-recognition, and a drop of shaky courage, Rebecca shares exactly how she did that, discovering in the process a gift that she never expected the ability to help others build their own ladder out of hell. Freak offers hope to anyone who has ever heard that voice of self-hatred the gremlin of insecurity whispering that we can't, we shouldn't, and we don't deserve. It is the denial of that gremlin and the shattering of its lie that make this memoir resonate with other victims of incest, substance abuse, and depression.

Tiger's dad has a boat—but not Little Critter's dad. And even at the ice cream shop, Little Critter can't enjoy his chocolate ice cream cone because he would rather have a huge ice cream sundae instead. But on a trip to the farm, Grandma shows Little Critter why thankfulness is so important and helps make any situation seem so much happier. Based on Psalm 107:1, this book will show children what gratitude is and why we should be thankful for all of the blessings God has given us. Features & Benefits: Little Critter® brand has humorously portrayed issues kids face for almost 40 years. Faith-inspired message shows kids how to be thankful for the things they have. That's Why We Don't Eat Animals

That's Why We Don't Eat Animals uses colorful artwork and lively text to introduce vegetarianism and veganism to early readers (ages six to ten). Written and illustrated by Ruby Roth, the book features an endearing animal cast of pigs, turkeys, cows, quail, turtles, and dolphins. These creatures are shown in both their natural state—rooting around, bonding, nuzzling, cuddling, grooming one another, and charming each other with their family instincts and rituals—and in the terrible conditions of the factory farm. The book also describes the negative effects eating meat has on the environment. A separate section entitled “What Else Can We Do?” suggests ways children can learn more about the vegetarian and vegan lifestyles, such as: “Celebrate Thanksgiving with a vegan feast” or “Buy clothes, shoes, belts, and bags that are not made from leather or other animal skins or fur.” This compassionate, informative book offers both an entertaining read and a resource to inspire parents and children to talk about a timely, increasingly important subject. *That's Why We Don't Eat Animals* official website: <http://wedonteatanimals.com/>

Dr. Bird's Advice for Sad Poets

"Self-deprecating humor abounds in this debut novel that pulls no punches about the experience of depression and anxiety for its teen protagonist."—Kirkus Reviews (starred review) "I hate myself but I love Walt Whitman, the kook. Always positive. I need to be more positive, so I wake myself up every morning with a song of myself." Sixteen-year-old James Whitman has been yawping (à la Whitman) at his abusive father ever since he kicked his beloved older sister, Jorie, out of the house. James's painful struggle with anxiety and depression—along with his ongoing quest to understand what led to his self-destructive sister's exile—make for a heart-rending read, but his wild, exuberant Whitmanization of the world and keen sense of humor keep this emotionally charged debut novel buoyant. "A poignant, funny, and bighearted novel about the power of saving oneself."—Nina LaCour, award-winning author of *We Are Okay* "The right readers may find it lifesaving. Give this darkly funny debut to fans of Stephen Chbosky's *The Perks of Being a Wallflower*."—Booklist "Roskos has created a character that does not necessarily change throughout the book, but learns to live with himself as he is, to celebrate himself and those around him even as flawed as they are."—VOYA "Author Roskos's strength lies in his refusal to tidy up the mess in James's life and in his relentless honesty about surviving with depression and anxiety."—Horn Book "Roskos effectively sketches James as a boy who is far more comfortable inside his own head than in connecting with others . . . Bravely facing real sorrow, James confronts his problems with grace and courage."—Publishers Weekly

And not forgetting Hound, their large lumbering lovable dog. The four girls and their absent-minded father head off for their summer holidays, but instead of the cosy tumbledown cottage they expect, they find themselves on a huge estate called Arundel, with magnificent gardens ripe for exploring. It isn’t long before they become embroiled in all sorts of scrapes with new-found friend, Jeffrey - but his mother, the icy-hearted Mrs Tifton, must be avoided at all costs. Chaotic adventures ensue, and it soon becomes a summer the sisters will never forget...
